And yet there has never been a comprehensive field guide to this splendid and elusive avifauna. Until now. The carefully vetted text and images are the first to cover the full range of bird life in this vast and varied country. The more than 1800 up-to-date accounts treat the Yellow-nosed Albatross to the Sombre Hummingbird, the Ash-throated Gnat-eater to the Black-bellied Whistling-Duck, Nighthawks and Jacamars to Motmots, Puffbirds, and Peppershrikes. They are all here--every species and many subspecies found in each region of Brazil--with special attention given to the 218 Brazilian endemics. The book is laid out so that the illustrations sit across from the commentary and the distribution maps, so it is easy to use. Also, the author uses short-hand notation throughout, to make the book compact and easy to carry when in the field. For each bird, the scientific, English, and Portuguese name are given as well as detailed information on measurement; identifying features; habitat; voice, song, and call. Distribution maps show the range for each species, also indicating seasonality and occurrence, essential for finding and identifying specific birds. From the equatorial North to the tropics, the introductory paragraphs set the stage in describing Brazil's varied biogeography, climate, geomorphology, and natural vegetation. A list of protected areas of Brazil, information on relevant national and international organizations, a bibliography and further references, and an English-Portuguese dictionary of frequently used terms enhance the user-friendly qualities. Anyone wishing to fully explore the fabulously varied bird life of Brazil will find this light-weight, easy-to-use, attractive guide an invaluable field companion.</p> <p>The Pearson Guide To Organic Chemistry For The Iit Jee-Singhal 2009-09</p> <p>The Unofficial Guide To Maui-Marcie Carroll 2009-05-04 The Top 10 Ways The Unofficial Guide® to Maui Can Help You Have the Perfect Trip: Candid, critical, and objective information covering Maui, Molokai, and Lanai All major hotels and resorts rated and ranked for quality and value—plus, proven strategies for getting the best rates and tips for B & B and condo stays Detailed reviews and ratings for 30 diverse restaurants, with a culinary guide to Hawaii's regional dishes The inside story on the top attractions, including Haleakala National Park and other natural wonders, ancient temples and historic homes, museums and art galleries, even a winery A complete guide to exploring the awe-inspiring islands of Maui County, from winding cliffside drives to strolls along the beach Advice for families on how to have a Maui vacation that keeps everyone thrilled The best places to shop for haute couture and kitsch alike, especially local art, aloha shirts, and Hawaiian music Where to get wet: the best beaches for tanning, surfing, snorkeling, and scuba diving All the details on Maui's world-famous golf courses The complete rundown on Maui nightlife, from bonfire luaus to bars and clubs Get the unbiased truth on hundreds of hotels, restaurants, attractions, and more in The Unofficial Guide® to Maui—the resource that helps you save money, save time, and make your trip the best it can be.</p> <p>Chevrolet, Yesterday & Today- 2010 Chevrolet Camaro.
