A Lifetime to Share-Kathleen Ball 2017-08-11 When life has shown you death, can you bring yourself to love again?Eli Todd is a tall, handsome Captain of a wagon train bound for Oregon. Life has taught him if he allows people into his heart, he ends up losing them. Amelia Cruthers is a pretty young woman with a limp. She's a hard worker who starts out the trip to Oregon with her parents, until they try to leave her behind. In shock, she watches them cross a river by ferry without her.Thankfully the kind, strong Eli Todd takes her with him. Admiring her spunk and work ethic he gives her a job cooking for the crew. After a fall from his horse, Amelia tends him and he realizes she is sweetness on earth. Her parents demand he marry Amelia since she spent time alone with him, nursing him. Eli figures why not? He won't be home most of the year anyway and Amelia could have a safe place to live on his ranch. What could possibly go wrong?Amelia never thought to be married. She'd been told her hip was too hideous for a man to look upon and that she couldn't have children. Knowing that she could never be a real wife, the love she begins to feel for Eli frightens her.The distance they try to place between them doesn't work leaving them both hurt with longings that could never be fulfilled. But there are secrets and when they realize they'd been lied to; do they take the leap at a lifetime to share?

Hannah-Cynthia Woolf 2019-01-22 Desperate times call for desperate measures, so when Hannah Granger's little sister takes off for Oregon with a group of mail-order brides to meet her new husband, Hannah has no choice but to follow. She expects her sister to find trouble, and she does. But what Hannah doesn't expect is to fall for the hired gun traveling with the wagon train as they make their way along the treacherous Oregon Trail. The bounty hunter is tall, dark and dangerous, everything she's avoided her entire life. But when she begins to suspect criminals are riding just four wagons back, she'll do just about anything to convince him to listen...and to protect her fragile younger sister from the truth about what this trip is costing them both. The only thing bounty hunter Joe Stanton wants is to avoid trouble. He's tagging along on this trip to the Oregon Territory to put a little extra cash in his pocket and take a break from the hunt. The only woman he ever loved broke his heart and his last bounty cost an innocent man his life. Joe's had enough blood, death and betrayal to last a lifetime. So why, then, does he make Hannah's secrets his own? Why does he lie to protect her? And why does the stubborn woman's dogged attempts to help him track down criminals drive him insane with worry. Maybe because he's falling for the red-headed beauty. Maybe because if he doesn't keep her close, they'll both end up dead.

We've Only Just Begun-Kathleen Ball 2017-05-25 When Vows Are Said Out Of Necessity Can Love Really Grow? Susan Farr loses her parents and her home in one swoop. She takes her horse and rides to Independence Missouri to join a wagon train and start a new life. Mike Todd, the Wagon Master doesn't allow single women to have their own wagons. It causes fights and distractions. Susan solves her problem by marrying Clancy Willis in name only. Unfortunately Clancy's true nature doesn't take long to show and Susan finds herself married to a drunkard. Along the trail, once again, Susan is forced to marry another man in name only and this time it is Mike Todd. As soon as they make it to Oregon they plan to have the marriage annulled but their hearts become hopelessly entangled. Mike Todd has two brothers to raise. They are guides on the wagon train and he decided long ago he'd raise them and forget about having a wife and child of his own. Little does he know that he'd find a forever type of love.Both vow to sacrifice their hearts' desire to give the other happiness. Will they come to realize their lives and love have only just begun?

Fire at My Feet-Clay Dickerson 2018-12-29 When seventeen-year-old Clay Dickerson joined a crew on a fire patrol rig north of Grants Pass, Oregon, in June of 1962, he could not know that this first job would lead to an almost forty-year career in forestry. In Fire At My Feet, he shares the story of his life and the role his job played during those years. This memoir chronicles his journey where his duties and responsibilities increased while he matured into manhood. Dickerson tells how after earning a college degree, he became a professional forester in Oregon. He narrates a host of stories about the unusual, exciting, and sometimes dangerous situations he faced throughout his tenure. Dickerson discusses how his long career involved comprehensive and balanced forest management activities, including work on wildland fires in various on-the-line and overhead capacities throughout Oregon, as well as in northern California and eastern Washington. With photos included, Fire At My Feet offers unique insight into one man's adventures in the woods of Oregon as a forest firefighter.

The Codes and General Laws of Oregon-Oregon 1887

The Oregon Trail-Rinker Buck 2015-06-30 In the bestselling tradition of Bill Bryson and Tony Horwitz, Rinker Buck's The Oregon Trail is a major work of participatory history: an epic account of traveling the 2,000-mile length of the Oregon Trail the old-fashioned way, in a covered wagon with a team of mules—which hasn't been done in a century—that also tells the rich history of the trail, the people who made the migration, and its significance to the country. Spanning 2,000 miles and traversing six states from Missouri to the Pacific Ocean, the Oregon Trail is the route that made America. In the fifteen years before the Civil War, when 400,000 pioneers used it to emigrate West—historians still regard this as the largest land migration of all time—the trail united the coasts, doubled the size of the country, and laid the groundwork for the railroads. The trail years also solidified the American character: our plucky determination in the face of adversity, our impetuous cycle of financial bubbles and busts, the fractious clash of ethnic populations competing for the same jobs and space. Today, amazingly, the trail is all but forgotten. Rinker Buck is no stranger to grand adventures. The New Yorker described his first travel narrative,Flight of Passage, as “a funny, cocky gem of a book,” and with The Oregon Trailhe seeks to bring the most important road in American history back to life. At once a majestic American journey, a significant work of history, and a personal saga reminiscent of bestsellers by Bill Bryson and Cheryl Strayed, the book tells the story of Buck's 2,000-mile expedition across the plains with tremendous humor and heart. He was accompanied by three cantankerous mules, his boisterous brother, Nick, and an “incurably filthy” Jack Russell terrier named Olive Oyl. Along the way, Buck dodges thunderstorms in Nebraska, chases his runaway mules across miles of Wyoming plains, scouts more than five hundred miles of nearly vanished trail on foot, crosses the Rockies, makes desperate fifty-mile forced marches for water, and repairs so many broken wheels and axels that he nearly reinvents the art of wagon travel itself. Apart from charting his own geographical and emotional adventure, Buck introduces readers to the evangelists, shysters, natives, trailblazers, and everyday dreamers who were among the first of the pioneers to make the journey west. With a rare narrative power, a refreshing candor about his own weakness and mistakes, and an extremely attractive obsession for history and travel,The Oregon Trail draws readers into the journey of a lifetime.

To Shake the Sleeping Self-Jedidiah Jenkins 2019-12-31 "On the eve of turning thirty, terrified of being sucked into a life he didn't choose, Jedidiah Jenkins quit his dream job and spent the next sixteen months cycling from Oregon to Patagonia. He chronicled the trip on Instagram, where his photos and reflections on life soon attracted hundreds of thousands of followers and got him featured by National Geographic and The Paris Review. Jed now narrates the adventure that started it all: the people and places he encountered on his way to the bottom of the world, and the internal journey that prompted it -- the question of what it means to be an adult; his struggle to reconcile his sexual identity with his conservative Christian upbringing; and his belief in travel as a way to "wake us up" to our lives back home. As he writes in this account of his search for wonder and a life he could believe in, 'It's not about the bike. It's about getting out of your routine -- and that could look like anything.'"

So Many Roads to Choose-Kathleen Ball 2018-01-21 From Best-Selling Award- Winning Author Kathleen Ball Book Four of the #1 Best-Selling Series Oregon Dreamin'It's finally time for Smitty to settle down after all of his trips on the Oregon Trail. He has Lynn and a houseful of orphans but he also had a wife, he's always been faithful to. Brenda lied and said she was with child, Smitty's child over ten years ago. It's time to dissolve their marriage.Upon arriving at Brenda's house, he finds Brenda and her mother May dying of tuberculosis and just as ornery as ever. Lynn knows Smitty is married and respects the vows he took.He finally comes home but in his grief he decides to leave Lynn and the kids. Lynn can't stay in a house that doesn't belong to her, so she answers an ad and leaves to become a farmer's wife, taking her children with her. It was the biggest mistake of her life as the farmer is abusive.Smitty rescues them. Both Lynn and Smitty have doubts about their special love for each other. Can Smitty sway Lynn to be his forever or will she choose to travel a different road?

Horizon-Barry Lopez 2019-03-19 ONE OF THE BEST BOOKS OF THE YEAR: THE NEW YORK TIMES • NPR • THE GUARDIAN From pole to pole and across decades of lived experience, National Book Award-winning author Barry Lopez delivers his most far-ranging, yet personal, work to date. Horizon moves indelibly, immersively, through the author's travels to six regions of the world: from Western Oregon to the High Arctic; from the Galápagos to the Kenyan desert; from Botany Bay in Australia to finally, unforgettably, the ice shelves of Antarctica. Along the way, Lopez probes the long history of humanity's thirst for

exploration, including the prehistoric peoples who trekked across Skraeling Island in northern Canada, the colonialists who plundered Central Africa, an enlightenment-era Englishman who sailed the Pacific, a Native American emissary who found his way into isolationist Japan, and today's ecotourists in the tropics. And always, throughout his journeys to some of the hottest, coldest, and most desolate places on the globe, Lopez searches for meaning and purpose in a broken world.

Oregon Bride-Rosanne Bittner 2014-05-11 On a trail of danger, love follows no set path. Traveling west aboard a wagon train with her late husband's family, young widow Marybeth MacKender wishes only to leave behind the memories of her loveless marriage, and to protect her infant son. But the dangers of the train are endless, as are the advances of her brutish brother-in-law who is resolute in claiming Marybeth as his own. It isn't until Marybeth meets Joshua Rivers, a frontiersman both tough and tender, that her hope for the future ignites as brightly as the desire in her heart. With courage aroused by passion, Marybeth is determined to face the perils of this rugged terrain for Joshua and the love she feels as great as the odds stacked against them.

Grant's Getaways: Oregon Adventures with the Kids-Grant McOmie 2017-09-05 Many of Grant's favorite kid-friendly outings are included in this handy guidebook and they have also been featured in the popular television Oregon travel series Grant's Getaways. You'll find activities to engage any kid, from archery to clamming on the coast to hunting for thundereggs to zip-lining through trees in an aerial adventure park. Grant explored many of these outings as a child on family trips, and later as a father with his own children. A big believer in teachable moments through touchable history, Grant is expert in providing educational content that kids truly enjoy. This is a detailed reference book for outdoor adventures geared for the family and is the third in his new series of guidebooks.

Day Hiking Oregon Coast-Bonnie Henderson 2007-04-09 * Color over-view map and compact size for stashing in a pack or jacket pocket * Includes a quick guide to the hikes that lists outings by features such as walks or hikes to hidden beaches, along bay spits, to lakes, or across sand dunes * Sidebars explore the natural history, flora and fauna, and geology of the area Undulating sand dunes, primeval forests, rocky headlands, remote beaches: the wild Oregon coast is impossible to resist. In this updated guide, Bonnie Henderson points you to the 120 best outings in the region, from the Columbia River in the north to the Winchuck River in the south, right by the California coast. Hikes range from an easy beach walk to a multi-day trek of the Oregon Coast Trail. For each outing, you'll find clear driving directions along with a comprehensive trail description covering distance, difficulty, terrain, best time to go, and more. You'll find suggestions for other outdoor activities, such as tidepooling, cycling, wildlife viewing, and camping, to help make the most of your time at the beach.

The Organic and Other General Laws of Oregon-Oregon 1866

Best Hikes with Kids: Oregon-Bonnie Henderson 2007-02-12 * More than 80 Oregon hikes for kids and adults, accessible from urban areas * Hikes range in length from less than a mile to nearly 6 miles, with optional turn-around points * Handy sidebars with information on animals, plants, geology, and fun activities for kids to do on the hike * Special emphasis on trail highlights with child appeal * Graphic, two-color layout provides key data at a glance Search for frogs and turtles in a pond, stay in a cabin, visit a nature center, see waterfalls, or discover abundant wildlife. These are just a few of the hikes in Best Hikes with Kids Oregon that families (and anyone looking for an easy outing) will enjoy. Each hike in this guidebook offers points of interest and opportunities for kids to learn about nature on the trail. The hikes are rated easy to difficult for children, and feature optional turn-around points for tired feet.

Oregon Voter- 1922

Oregon Country-Tj Hanson 2020-10-09 The Oregon Trail had its beginnings in 1843 beneath the wagon wheels of the Oregon Emigrating Company, a group of disparate Americans with a common goal: to seek a new land and make it their own. The trail met its end in 1869 with the completion of the transcontinental railway. Oregon Country is a detailed account of the Oregon Migration of 1843 in a "historical fiction" setting. In this context, the reader can enjoy the adventure as a participant, rather than as a student or scholar. During its twenty-five year history, the Oregon Trail essentially changed every year. From its rough beginnings grew an organized route. By 1846 ferries serviced most of the major river crossings, and fully-stocked supply depots awaited hungry travelers. Due to all the livestock driven west, the trail became a mile-wide swath of trampled ground, providing an easy road with no need for a guide. During the summers of 1849 and 1850, over 100,000 miners also followed the Oregon Trail, en route to the California gold fields. By the 1850s, Mormons were using the trail as a source of income, supplying emigrants with food and equipment. As the railroad extended further west, many people took the train as far as they could before switching to the trail. Only the 1843 migration held the true adventure of entering an unknown land. Guides were needed to show the way; dangerous river crossings taxed the courage of everyone; the existing fur trading posts were unable to supply necessary food and other equipment; and the first emigrants had to build their own road because the Oregon Trail did not yet exist. Wagons had never been taken all the way to Oregon, and it was entirely possible that this great experiment might end in tragedy. It is this migration, 1843, to which we often attribute the adventure and romanticism of the Oregon Trail. While researching this book, I found information to be both scarce and scattered, requiring many months to form an outline of the complexity of this event. The popular myth of western migration, championed by film and television, depicts a wagon train of smiling emigrants, traveling down a well-worn road and fighting Indians at every turn. The truth is considerably different. Research sources included the Oregon Historical Society, several Oregon historical libraries, the Oregon State Archives, numerous probate records, military discharge papers, newspaper clippings, trail diaries, and cemetery headstones. I suspect that other sources of information are hidden away in the attics of various descendants, information that is essentially not available to the public. Appendix A provides a listing of the known emigrants that were part of the 1843 Oregon Emigrating Company, along with some brief biographical data. This appendix is nonfiction, providing new knowledge to the scholarly community and, it is hoped, inspiring other researchers to help fill in the gaps. The Oregon Migration of 1843 was a watershed moment in American history. It marked the end of the trapping era and the beginnings of civilization on the Western frontier. You are about to become part of that experience. Enjoy the journey! --This text refers to the paperback edition.

The Oregon Exchange- 1922

Minutes of the Annual Meeting of the Congregational Association of Oregon-Congregational Association of Oregon. Meeting 1872

The Centennial History of Oregon, 1811-1912-Joseph Gaston 1912

Protestant Hispanic Churches of Oregon-Deborah L. Berhó 2012-03-02 The number of Hispanics living in Oregon has burgeoned over the past several decades.

The number of Spanish-speaking churches in the state has also grown exponentially. However, most non-Hispanic Oregonians know very little about the Hispanic population. This lack of knowledge about Latinos, and about Hispanic ministries specifically, is found among academics and Anglo Protestants alike.

This book is the result of my desire to provide information that will serve as a bridge between Spanish-speaking and English-speaking churches and facilitate understanding between groups in the broader population, and provide a well-documented study for the academy.

Ox-Team Days on the Oregon Trail-Ezra Meeker 2019-11-26 "Ox-Team Days on the Oregon Trail" by Ezra Meeker, Howard R. Driggs. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre.
