A Match to the Heart-Gretel Ehrlich 1995 A powerful chronicle of a wounded woman's exploration of nature and self After nature writer Gretel Ehrlich was struck by lightning near her Wyoming ranch and almost died, she embarked on a painstaking and visionary journey back to the land of the living. With the help of an extraordinary cardiologist and the companionship of her beloved dog Sam, she avidly explores the natural and spiritual world to make sense of what happened to her. We follow as she combs every inch of her new home on the California coast, attends a convention of lightning-strike victims, and goes on a seal watch in Alaska. Ehrlich then turns her focus inward, exploring the tiny but equally fascinating ecosystem of the human heart, and culminated in a stunningly beautiful description of open-heart surgery.

Match to the Heart-Ken Luber 2009-04 When Michael "Traine" Tranier, a low-life drug dealer, dodges the bullets of LA thugs, he runs into the arms of Risa, a beautiful Mexican angel who takes him on a journey just as deadly. "Match to The Heart" is a modern day saga of a man's struggle for redemption and love in a world he never knew existed to a place and time he never left. But the novice angel soon discovers that the journey is as much a challenge for her as it is for him. Risa recognizes in Traine the soul of a noble warrior who, in another incarnation, saved her life and who she married four hundred years ago. Of all her past lives, this is the one love she has never forgotten. The one soul she still desires. Their journey spans centuries and continents, terrifying forests and raging seas as their love takes hold and the secret of human transformation is revealed. "Though this story be fiction, it is in fact truth of the highest order, for as we walk our path, how do we separate illusion from reality? Is not the journey of the soul to find our truth, the purpose for which we walk the earth? Luber's tale of one man's journey is both powerful and intimate." (Betty Riley, author "A Veil Too Thin") "This man's search for his soul is an inspiring adventure. In his awesome journey, we are reminded how far our thoughts, words, deeds and actions are reaching out into the world. Simply stated, this book will give you insight into how beautiful your soul is. Thank you, Ken Luber." (Ada Marie, author/editor "Miracles at Your Fingertips") "This novel is a must read for discerning adults of all Faith Persuasion, as well as those of no particular Persuasion. For every word, there is a reason. I was enthralled." (Reverend Marian Whiteman, ICSL Palm Desert, CA) Ken Luber, writer and teacher,

lives with his wife Kathleen in the San Jacinto mountains of Southern California. After years of working in the Los Angeles film and television industry, Ken now focuses on novels and travel.

The Solace of Open Spaces-Gretel Ehrlich 2017-02-21 These transcendent, lyrical essays on the West announced Gretel Ehrlich as a major American writer—"Wyoming has found its Whitman" (Annie Dillard). Poet and filmmaker Gretel Ehrlich went to Wyoming in 1975 to make the first in a series of documentaries when her partner died. Ehrlich stayed on and found she couldn't leave. The Solace of Open Spaces is a chronicle of her first years on "the planet of Wyoming," a personal journey into a place, a feeling, and a way of life. Ehrlich captures both the otherworldly beauty and cruelty of the natural forces—the harsh wind, bitter cold, and swiftly changing seasons—in the remote reaches of the American West. She brings depth, tenderness, and humor to her portraits of the peculiar souls who also call it home: hermits and ranchers, rodeo cowboys and schoolteachers, dreamers and realists. Together, these essays form an evocative and vibrant tribute to the life Ehrlich chose and the geography she loves. Originally written as journal entries addressed to a friend, The Solace of Open Spaces is raw, meditative, electrifying, and uncommonly wise. In prose "as expansive as a Wyoming vista, as charged as a bolt of prairie lightning," Ehrlich explores the magical interplay between our interior lives and the world around us (Newsday).

Match-Gunilla Norris 2014-11-11 "Looking for a spiritual practice simple enough to fit a busy life, yet deep enough to help you grow? 'For ninety consecutive days', writes Gunilla Norris, 'light a match with a purpose, a feeling or a desire in mind', and if you miss a day, start the count again. That daily moment of persistent attentiveness to whatever is calling you from within will kindle new warmth, new light, new life. It's simple-but it's the simplicity on the other side of complexity. Illumined by the lifetime of wisdom Norris shares in yet another beautifully written book, Match describes a life-giving practice toward transformation." -Parker J. Palmer, author of Healing the Heart of Democracy, A Hidden Wholeness, and Let Your Life Speak

Heart Mountain-Gretel Ehrlich 2017-02-21 A "dazzling first novel" about Japanese Americans and their Wyoming neighbors in the era

of WWII internment camps (Chicago Tribune). A renowned chronicler of life in the West, Gretel Ehrlich turns her talents to a moment in history when American citizens were set against each other, offering “a novel full of immense poetic feeling for the internal lives of its varied characters and the sublime high plains landscape that is its backdrop” (The New York Times Book Review). This is the story of Kai, a graduate student reunited with his old-fashioned parents in the most painful way possible; Mariko, a gifted artist; Mariko’s husband, a political dissident; and her aging grandfather, a Noh mask carver from Kyoto. It is also the story of McKay, who runs his family farm outside the nearby town; Pinkey, an alcoholic cowboy; and Madeleine, whose soldier husband is missing in the Pacific. Most of all, Heart Mountain is about what happens when these two groups collide. Politics, loyalty, history, love—soon the bedrocks of society will seem as transient and fleeting as life itself. Set at the real-life Heart Mountain Relocation Center in Wyoming, this powerful novel paints “a sweeping, yet finely shaded portrait of a real West unfolding in historical time” (The Christian Science Monitor).

A Match to the Heart-Gretel Ehrlich 1995 This textbook provides a coherent and comprehensive account of the different frameworks for understanding power which have been advanced within the social sciences. Though looking back to the classical literature on power with special emphasis on Machiavelli and Hobbes, the book concentrates on the modern analysis of power - from both British and American social and political theorists, and from German Critical Theory and French theorists such as Foucault - and develops upon its theory and its application. Not only does the book provide an overview of the various frameworks of power advanced by these and other influential thinkers, but it also develops a new synthesis based on important work in both the sociology of science and the sociology of organizations. This approach is then applied to key questions in the comparative historical sociology of the emergence of the modern state.

Match My Heart-Maddie James 2019-01-02
Suzie Hart Matthews is hard at work on her new cookbook, Perfectly Matched, when she asks the local wallflower, Mary Lou Picketts, to help her with a project. Mary Lou fantasizes about falling in love with country music star Nash Rhodes, but is ready to settle for Barry Phillips

down the street. After all, Barry is her real boyfriend and he has actually popped the question. The likelihood that Nash Rhodes ever will, is slim-to-none. Nash is nothing more than a celebrity crush waiting to never happen. Nash Rhodes enjoys his newfound status in the country music world—after all, it is what he’s worked toward for years—but he longs for a break in the action to ground himself in home and family after months of touring, night-after-night of concert halls, and days-upon-end of sleeping in his traveling bus. And while he also enjoys his adoring fans, and knows his career is dependent upon them, he’s grown weary of being followed. Just when he has made plans to head home to Louisiana for a long weekend, the chance to play a benefit concert presents itself and he’s not sure he can refuse. When Nash comes to Harbor Falls for the music benefit to support the local children’s hospital, Suzie wonders if she can perfectly match the miss-matched couple of Mary Lou Picketts and Nash Rhodes. After all, they seem perfect for each other, and she had managed to hook her little sister, Shelley, back up with her old high school boyfriend, Matt, hadn’t she? Can she do it again?

This Cold Heaven-Gretel Ehrlich 2003-01-01 The author of *A Match to the Heart* describes her seven-year odyssey back and forth to Greenland to explore the culture, society, and lifestyle of the polar Eskimos and to learn about the lives of others who had chosen to live in a land dominated by ice. Cupid's Match-Lauren Palphreyman 2019-10-01 He's mythologically hot, a little bit wicked, and almost 100% immortal. And he'll hit you

right in the heart . . . "Miss Black, we have a big problem." Lila Black doesn't believe in matchmaking, let alone soul mates. So then why is she constantly being hassled by the Cupids Matchmaking Service? But this gilded, cherub-bedecked dating agency isn't exactly what it seems . . . and it's about to turn Lila's entire world upside down. It turns out that Cupids Matchmaking is the real deal. As in, it's run by actual cupids—who don't look at all like they do in the paintings—and they have a serious problem with Lila's "match." Because this guy shouldn't be in the system. He shouldn't have a match. And while he's irresistibly hot, he's also incredibly dangerous. Because Lila's true love match is Cupid. The original bad boy of love. And he wants her. Now Lila's once-normal teenaged world has exploded into a mythological nightmare overrun by crime-lord sirens, wrathful cupid hit men, magic arrows that cause no end of trouble, and a mischievous, not-so-angelic love god she can't seem to stop herself from falling for . . . Adored by 50 million readers on Wattpad, Lauren Palphreyman's smash-hit book is now in print for the first time.

You Have a Match-Emma Lord 2021-01-12 A REESE

WITHERSPOON x HELLO SUNSHINE BOOK CLUB YA PICK A new love, a secret sister, and a summer she'll never forget. From the beloved author of Tweet Cute comes Emma Lord's *You Have a Match*, a hilarious and heartfelt novel of romance, sisterhood, and friendship... When Abby signs up for a DNA service, it's mainly to give her friend and secret love interest, Leo, a nudge. After all, she knows who she is already: Avid photographer. Injury-prone tree climber. Best friend to Leo and Connie...although ever since the B.E.I. (Big Embarrassing Incident) with Leo, things have been awkward on that front. But she didn't know she's a younger sister. When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it's hard to believe they're from the same planet, never mind the same parents — especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself. The logical course of action? Meet up at summer camp (obviously) and figure out why Abby's parents gave Savvy up for adoption. But there are complications: Savvy is a rigid rule-follower and total narc. Leo is the camp's co-chef, putting Abby's growing feelings for him on blast. And her parents have a

secret that threatens to unravel everything. But part of life is showing up, leaning in, and learning to fit all your awkward pieces together. Because sometimes, the hardest things can also be the best ones. "A YA contemporary set at summer camp? Count us in." —BuzzFeed "Heartfelt and engaging, *You Have a Match* is a masterclass on love in all its forms." —Sophie Gonzales, author of *Only Mostly Devastated and Perfect on Paper* "A bright summer tale of connection and self-discovery." —Booklist "A cute, feel-good coming-of-age story." —Kirkus

The Best Match; or, the Soul's espousal to Christ opened and improved ... The tenth edition-Edward PEARSE (Preacher at St. Margaret's, Westminster.) 1831

Charles: *The Heart of a King*-Catherine Mayer 2015-02-05 The Sunday Times Top Ten Bestseller '[The book that] made headlines around the world.' Independent He has lived his whole life in the public eye, yet he remains an enigma. He was born to be king, but he aims much higher. A landmark publication, *Charles: The Heart of a King* reveals Prince Charles in all his complexity: the passionate views that mean he will never be as remote and impartial as his mother; the compulsion to make a difference and the many and startling ways in which the heir to the throne of the United Kingdom and fifteen other realms has already made his mark. The book offers fresh and fascinating insights into the first marriage that did so much to define him and an assessment of his relationship with the woman he calls, with unintended accuracy, his 'dearest wife': Camilla. We see Charles as a father and a friend, a serious figure and a joker. Life at court turns out to be full of hidden dangers and unexpected comedy. Poignant, funny and often surprising, the first significant study of the Prince in over a decade reveals a man in sight of happiness yet still driven by anguish and a remarkable belief system, a charitable entrepreneur, activist, agitator and avatar of the Establishment who just as often tilts against it. Based on multiple interviews with his friends and courtiers, palace insiders and critics, and access to Charles himself during research lasting

more than a year, this biography explores the Prince's philanthropy and his compulsive interventionism, his faith, his political leanings and the philosophy that means when he seeks harmony he sometimes creates controversy. Gripping, at times astonishing, often laugh-out-loud, this is a royal biography unlike any other. A Colorado Match-Deb Kastner 2011-03-01 Vince Morningway has always run the family ministry alone—and his way. Until his big-deal brother hires a business consultant to bring him—and the ministry—into this century. Suddenly Melanie Frazer, in her pastel suits and clicking heels, is organizing papers and talking computers. And she's too interested in sorting the dreams Vince has for his life. But those old dreams—to leave town and see the world instead of taking care of everyone and everything—passed him by long ago. Unless Melanie can show him how much he's always been needed, right here in Colorado...where an unexpected match is in the making.

When Life Doesn't Match Your Dreams-Jill Eileen Smith 2019-02-19

Life is full of twists and turns. Relationships falter, careers fizzle, health fades. We may be faced with choices we never wanted to make or have situations pushed upon us we'd never expected. Yet, in all of it, God is at our side--even when he feels far away. Drawing on her extensive research into women of the Old Testament, novelist Jill Eileen Smith turns her pen to the lessons in trusting God that we can learn today from women like - Eve - Noah's wife - Sarai - Hagar - Lot's wife - Rebekah - Rachel - and more Readers will learn from what these ancient women did right--and even what they did wrong--when faced with dashed expectations and deferred dreams. And they'll come away with the confidence that ours is a faithful God who loves us and is forming us through our trials into the women he longs for us to be.

Will they learn to put aside their differences and trust each other—and God? And can their growing faith turn their lives around?

The Heart of Long Term Care-Rosalie A. Kane 1998-01-01 Long-term care in the United States has taken the nursing home as its benchmark, but the monetary, social, and psychological costs of nursing home care are all too high. This book challenges the current dominance of nursing homes as the principal institution of long-term care. It offers a series of alternative models where both services and housing can be provided in a way that allows long-term consumers to enjoy dignified, "normal" lifestyles. It addresses the political and economic consequences of making this decision. The authors start with the premise that long-term care is designed to assist people who lack the capacity to function fully independently. They argue that no disabled person of any age should be required to forsake his/her humanity in exchange for care. The book rejects the artificial dichotomy between social and medical care, asserting that both play important roles in psychological and physical well-being of long-term care patients. The authors consider the need for competent and compassionate medicine and discuss the methods for improving both its coordination of care and its effectiveness. The book redefines the meaning of safety and protection in long-term care, and how this goal can be accomplished without sacrificing quality of living. As the new millennium and the aging of baby boomers approaches, more creative approaches to providing better long-term care are required. This volume outlines a useful framework for the provision of effective and humane community-based programs that are both feasible and affordable. It will be an invaluable guide for geriatricians, public health professionals, family physicians, nurses and others who care for elderly patients.

The Hearts of a Girl-Jessica Carmel 2016-02-23 A riveting medical memoir about a family's journey through multiple surgeries, and a determined battle for survival. Jessica Carmel was born with a severe congenital heart condition. When she was just four days old, her parents learned she would need heart surgery. They had no idea that her future held multiple surgeries and even more unexpected challenges. Sixteen years later, as Jessica sat in her cardiologist's office for a routine checkup, he told her and her mom that there was nothing more he could do for her. Jessica needed a heart transplant. Three weeks later, Jessica underwent heart transplant surgery. Her recovery was long, but good—but about ten years later, she learned that she was in desperate need of a new kidney. Her only hope of survival was her sister, Amy—who heroically offered up one of her own kidneys. Now their mother would be seeing both of her daughters off to the operating room . . . This remarkable story of one young woman's journey through the medical maze—including financial struggles and battles with insurance companies—and a family's determination to survive and thrive together, is both an informative, fascinating look at health care and an uplifting, inspiring read.
