A Question of Honor-Lynne Olson 2007-12-18 A Question of Honor is the gripping, little-known story of the refugee Polish pilots who joined the RAF and played an essential role in saving Britain from the Nazis, only to be betrayed by the Allies after the war. After Poland fell to the Nazis, thousands of Polish pilots, soldiers, and sailors escaped to England. Devoted to liberating their homeland, some would form the RAF's 303 squadron, known as the Kosciuszko Squadron, after the elite unit in which many had flown back home. Their thrilling exploits and fearless flying made them celebrities in Britain, where they were "adopted" by socialites and seduced by countless women, even as they yearned for news from home. During the Battle of Britain, they downed more German aircraft than any other squadron, but in a stunning twist at the war's end, the Allies rewarded their valor by abandoning Poland to Joseph Stalin. This moving, fascinating book uncovers a crucial forgotten chapter in World War II-and Polish-history.

A Question of Honor-Charles Todd 2014-06-10 In the latest mystery from New York Times bestselling author Charles Todd, World War I nurse and amateur sleuth Bess Crawford investigates an old murder that occurred during her childhood in India, and begins a search for the truth that will transform her and leave her pondering a troubling question: How can facts lie? In 1908, when a young Bess Crawford lived in India, an unforgettable incident darkened the otherwise happy time. Her father's regiment discovered it had a murderer in its ranks, an officer who killed five people yet was never brought to trial. A decade later, tending to the wounded on the battlefields of France during World War I, Bess learns from a dying man that the alleged murderer, Lieutenant Wade, is alive and serving at the Front. According to reliable reports, he'd died years before, so how did Wade escape India? What drove a good man to murder in cold blood? Bess uses her leave to investigate. But when she stumbles on the horrific truth, she is shaken to her very core. The facts reveal a reality that could have been her own fate.

A Question of Honour-Kate Walker 2014 A runaway princess... It should have been easy. Karim al Khalifa, crown prince of Mazarkhad, had one task—retrieve rebellious princess Clementina Saveneski from her hideout in England and return her home to be wed...to another man. His to find, or his to keep? It is not for Karim to notice her alluring scent, those seductive curves, the enticing glances she sends his way. No, his family's honor, and his own, require Clementina to be delivered—pure and untouched—to her unwanted bridegroom. And he must resist all temptation to keep her for himself!

What is Honor?-Alexander Welsh 2008-01-01 "In this book Alexander Welsh considers the history and meaning of honor and dismisses the idea that we live in a post-honor culture. He notes that we have words other than honor, such as respect, self-respect, and personal identity, that show we do indeed care deeply continuing process of respect that motivates or constrains members of a peer group. Honor's dictates function as moral imperatives." "Surprisingly, little systematic study of the history of honor in Western culture has been attempted. Offering a welcome remedy, Welsh provides a genealogy of approaches to the subject, mining some of the most influential texts of the Western tradition."--Jacket.

A Question of Honor-Jeffrey Gantar 1996 An inside look at the Annapolis cheating scandal, in which twenty-nine cadets were expelled for cheating

Code of Honor-Alan Gratz 2015-08-25 Kamran Smith has it all. He's the star of the football team, dates the most popular girl in school, and can't wait to join the Army like his big brother, Darius. Although Kamran's family hails from Iran, Kamran has always felt 100% American. Accepted. And then everything implodes. Darius is accused of being a terrorist. Kamran refuses to believe it, but the evidence is there -- Darius has been filmed making threats against his country, hinting at an upcoming deadly attack. Kamran's friends turn on him -- suddenly, in their eyes, he's a terrorist, too. Kamran knows it's up to him to clear his brother's name. In a race against time, Kamran must piece together a series of clues and codes that will lead him to Darius -- and the truth. But is it a truth Kamran is ready to face? And is he putting his own life at risk?

A Question of Honor- 2020-04-22

On My Honor-Marion Dane Bauer 1986 Joel dares his best friend, Tony, to a swimming race in a dangerous river. Both boys jump in, but when Joel reaches the sandbar, he finds Tony has vanished. How can he face their parents and the terrible truth?

I Should Have Honor-Khalida Brohi 2018-09-04 A fearless memoir about tribal life in Pakistan—and the act of violence that inspired one ambitious young woman to pursue a life of activism and female empowerment “Khalida Brohi understands the true nature of honor. She is fearless in her pursuit of justice and equality.”—Malala Yousafzai, winner of the Nobel Peace Prize From a young age, Khalida Brohi was raised to believe in the sanctity of arranged marriage. Her mother was forced to marry a thirteen-year-old boy when she was only nine; Khalida herself was promised as a bride before she was even born. But her father refused to let her become a child bride. He was a man who believed in education, not just for himself but for his daughters, and Khalida grew up thinking she would become the first female doctor in her small village. Khalida thought her life was proceeding on an unusual track for a woman of her circumstances, but one whose path was orderly and straightforward. Everything shifted for Khalida when she found out that her beloved cousin had been murdered by her uncle in a tradition known as “honor killing.” Her cousin’s crime? She had fallen in love with a man who was not her betrothed. This moment ignited the spark in Khalida Brohi that inspired a globe-spanning career as an activist, beginning at the age of sixteen. From a tiny cement-roofed room in Karachi where she was allowed ten minutes of computer use per day, Brohi started a Facebook campaign that went viral. From there, she created a foundation focused on empowering the lives of women in rural communities through education and employment opportunities, while crucially working to change the minds of their male partners, fathers, and brothers. This book is the story of how Brohi, while only a girl herself, shone her light on the women and girls of Pakistan, despite the hurdles and threats she faced along the way. And ultimately, she learned that the only way to eradicate the parts of a culture she despised was to fully embrace the parts of it that she loved. Advance praise for I Should Have Honor “Khalida Brohi’s moving story is a testament to what is possible no matter the odds. In her courageous activism and now in I Should Have Honor, Khalida gives a voice to the women and girls who are denied their own by society. This book is a true act of honor.”—Sheryl Sandberg, COO of Facebook and founder of LeanIn.Org and OptionB.Org

Echoes Of Honor-David Weber 1999-10-01 Her enemies think she has been executed, but Commodore Honor Harrington is actually interned on the prison planet Hell, from which she is determined to escape. Reissue.

How Many Questions?-Leigh S. Cauman 1983

Word of Honor-Nelson DeMille 2001-04-01 NEW YORK TIMES BESTSELLER With nearly 50 million books sold worldwide, Nelson DeMille is "a true master." - Dan Brown He is a good man, a brilliant corporate executive, an honest, handsome family man admired by men and desired by women. But sixteen years ago Ben Tyson was a lieutenant in Vietnam. There, in 1968, the men under his command committed a murderous atrocity-and together swore never to tell the world what they had done. Not the press, army justice, and the events he tried to forget have caught up with Ben Tyson. His family, his career, and his personal sense of honor hang in the balance. And only one woman can reveal the truth of his past -- and set him free.

A Question of Honor-Jesseca Wheaton 2017-03-04 A man. A child. A war. When German soldiers invade France during World War II, young Joyanna's perfect world is shattered. In the hands of those who hate her, she battles to comprehend why people can be so ruthless and cold toward those whom they have never met. David Sullivan, pilot in the Royal Air Force, was certain he would never hate, but a painful loss forces him to either reconsider or do the inconceivable-forgive. He is suddenly challenged by the realization that doing God's will is not easy, but most important. With the lives of freedom-fighters relying on him, he must learn the difficult lesson that he is not in control, but merely one who must surrender his heart of obedience to One greater. A sudden turn of events lands Joyanna and David in the same country-but for far different reasons. When their paths cross, David finds he must make a decision that will affect them both for the rest of their lives. Will he choose vengeance, or will he let his life be ruled by a higher standard? A standard of Honor.

A Defense of Honor (Haven Manor Book #1)-Kristi Ann Hunter 2018-06-05 When Katherine "Kit" FitzGilbert turned her back on London society more than a decade ago, she determined never to set foot in a ballroom again. But when business takes her to London and she's forced to run for her life, she stumbles upon not only a glamorous ballroom but also Graham, Lord Wharton. What should have been a chance encounter becomes much more as Graham embarks on a search for his friend's missing sister and is convinced Kit knows more about the girl than she's telling. After meeting Graham, Kit finds herself wishing things could have been different for the first time in her life, but what she wants can't matter. Long ago, she dedicated herself to helping women escape the same scorn that drove her from London and raising the innocent children caught in the crossfire. And as much as she desperately wishes to tell Graham everything, revealing the truth isn't worth putting him and everyone she loves in danger.

The Book of Honor-Ted Gup 2007-12-18 A national bestseller, this extraordinary work of investigative reporting uncovers the identities, and the remarkable stories, of the CIA secret agents who died anonymously in the service of their country. In the entrance of the CIA headquarters looms a huge marble wall into which seventy-one stars are carved-each representing an agent who has died in the line of duty. Official CIA records only name thirty-five of them, however. Undeterred by claims that revealing the identities of these "nameless stars" might compromise national security, Ted Gup sorted through thousands of documents and interviewed over 400 CIA officers in his attempt to bring their long-hidden stories to light. The result of this extraordinary work of investigation is a surprising glimpse at the real lives of secret agents, and an unprecedented history of the most compelling—and controversial—department of the US government.

Politics of Honor in Ottoman Anatolia-Başak Tuğ 2017-01-30 In Politics of Honor Başak Tuğ examines moral and gender order of mid-eighteenth-century Anatolia through petitions and court records to reveal the new and existing mechanisms of social surveillance to overcome imperial anxieties about provincial "disorder".

A Question of Honor-Nita Abrams 2002 When he is kidnapped along with his sister's governess, the mysterious Rachel Maitland Ross, Captain Richard Drayton, marked for death by a traitor, finds himself powerfully drawn to the spirited beauty, succumbing to forbidden desire, but when Rachel refuses his offer of marriage, he becomes determined to prove that she belongs with him - forever. Original.

Guard of Honor-James Gould Cozzens 1968

Eyes of Honor-Jonathan Welton 2012-06-19 Open your pure eyes. whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things (Philippians 4:8). After struggling with sexual temptation for years, author Jonathan Welton devoted himself to finding a way to be completely free from sexual sin. He read books, attended 12-step groups, and participated in counseling—with no success. Spurred on by countless friends and acquaintances who shared a similar broken struggle and longed for freedom, the author searched Scripture—there he found the answer and shares it with you in a compassionate, nonjudgmental way. Eyes of Honor helps you understand how to live a life of purity by realizing: Your personal identity. How to view the opposite sex correctly. Recognizing your enemies. Eyes of Honor is honest and refreshing, offering hope and complete freedom and deliverance from sexual sin. Jesus' sacrifice on the cross and your salvation guarantee rescue from the appetite of sin. Your true identity empowers you to stop agreeing with the lies of the enemy that ensnare you.

Point Blank-Sonny Grosso 1979

A Sense of Honor-James Webb 1995 Two dissimilar midshipmen at the U.S. Naval Academy personify the sense of conflict and transition afflicting the academy as it shifts from being a military training school to a college for nuclear engineers and technicians

Madame Fourcade's Secret War-Lynne Olson 2019-03-05 NEW YORK TIMES BESTSELLER • The little-known true story of Marie-Madeleine Fourcade, the woman who headed the largest spy network in occupied France during World War II, from the bestselling author of Citizens of London and Last Hope Island "Brava to Lynne Olson for a biography that should challenge any outdated assumptions about who deserves to be called a hero."—The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE WASHINGTON POST In 1941 a thirty-one-year-old Frenchwoman, a young mother born to privilege and known for her beauty and glamour, became the leader of a vast intelligence organization—the only woman to serve as a chef de résistance during the war. Strong-willed, independent, and a lifelong rebel against her country's conservative, patriarchal society, Marie-Madeleine Fourcade was temperamentally made for the job. Her group's name was Alliance, but the Gestapo dubbed it Noah's Ark because its agents used the names of animals as their aliases. The name Marie-Madeleine chose for herself was Hedgehog: a tough little animal, unthreatening in appearance, that, as a colleague of hers put it, "even a lion would hesitate to bite." No other French spy network lasted as long or supplied as much crucial intelligence—including providing American and British military commanders with a 55-foot-long map of the beaches and roads on which the Allies would land on D-Day—as Alliance. The Gestapo pursued them relentlessly, capturing, torturing, and executing hundreds of its three thousand agents, including Fourcade's own lover and many of her key spies. Although Fourcade, the mother of two young children, moved her headquarters every few weeks, constantly changing her hair color, clothing, and identity, she was captured twice by the Nazis. Both times she managed to escape—once by slipping naked through the bars of her jail cell—and continued to hold her network together even as it repeatedly threatened to crumble around her. Now, in this dramatic account of the war that split France in two and forced its people to live side by side with their hated German occupiers, Lynne Olson tells the fascinating story of a woman who stood up for her nation, her fellow citizens, and herself. "Fast-paced and impressively researched . . . Olson writes with verve and a historian's authority. . . . With this gripping tale, Lynne Olson pays [Marie-Madeleine Fourcade] what history has so far denied her. France, slow to confront the stain of Vichy, would do well to finally honor a fighter most of us would want in our foxhole."—The New York Times Book Review

Code-switching - Experimental Answers to Theoretical Questions-Luis López 2018-10-15 This volume compiles eight original chapters dedicated to different topics within bilingual grammar and processing with special focus on code-switching. Three main features unify the contributions to this volume. First, they focus on making a contribution to our understanding of the human language within a coherent theoretical framework; second, they understand that a complete theory of the human language needs to include data from bilinguals' L1-languages; and third, they are committed to obtaining reliable data following experimental protocols.

Questions Of Honor-Kate Welsh 2012-07-01 A stern, rock-hard man stood before Abigail Sullivan. No sign of the boy whose playful teases had once turned to stolen kisses and something much, much more. Why, in all the years Joshua Wheaton had been away, had he never made contact, acknowledged her astounding news that she carried his child? Abby no longer trusted any man, but could she believe Joshua when he claimed he only ever meant to act honourably toward her? There was no doubt he wanted to get closer to her and the son that they had created together.

Alma and How She Got Her Name-Juana Martinez-Neal 2018-04-10 A 2019 Caldecott Honor Book What's in a name? For one little girl, her very long name tells the vibrant story of where she came from — and who she may one day be. If you ask her, Alma Sofia Esperanza José Pura Candela has way too many names: six! How did such a small person wind up with such a large name? Alma turns to Daddy for an answer and learns of Sofia, the grandmother who loved books and flowers; Esperanza, the great-grandmother who longed to travel; José, the grandfather who was an artist; and other namesakes, too. As she hears the story of her name, Alma starts to think it might be a perfect fit after all — and realizes that she will one day have her own story to tell. In her author-illustrator debut, Juana Martinez-Neal opens a treasure box of discovery for children who may be curious about their own origin stories or names.

A Matter of Honor-Jeffrey Archer 2004-12-28 A letter bequeathed by a disgraced British colonel to his only son, Adam, sets in motion a deadly chain of events involving the KGB, the CIA, and the terrible secret that Adam is carrying. Reprint.

No Higher Honor-Condoleezza Rice 2011-11-01 From one of the world's most admired women, this is former National Security Advisor and Secretary of State Condoleezza Rice's compelling story of eight years serving at the highest levels of government. In her position as America's chief diplomat, Rice traveled almost continuously around the globe, seeking common ground among sometimes bitter enemies, forging agreement on divisive issues, and compiling a remarkable record of achievement. A native of Birmingham, Alabama who overcame the racism of the Civil Rights era to become a brilliant academic and expert on foreign affairs, Rice distinguished herself as an advisor to George W.

Bush during the 2000 presidential campaign. Once Bush was elected, she served as his chief adviser on national-security issues – a job whose duties included harmonizing the relationship between the Secretaries of State and Defense. It was a role that deepened her bond with the President and ultimately made her one of his closest confidantes. With the September 11, 2001, terrorist attacks, Rice found herself at the center of the Administration's intense efforts to keep America safe. Here, Rice describes the events of that harrowing day – and the tumultuous days after. No day was ever the same. Additionally, Rice also reveals new details of the debates that led to the war in Afghanistan and then Iraq. The eyes of the nation were once again focused on Rice in 2004 when she appeared before the 9-11 Commission to answer tough questions regarding the country's preparedness for – and immediate response to – the 9-11 attacks. Her responses, it was generally conceded, would shape the nation's perception of the Administration's competence during the crisis. Rice conveys just how pressure-filled that appearance was and her surprised gratitude when, in succeeding days, she was broadly saluted for her grace and forthrightness. From that point forward, Rice was aggressively sought after by the media and regarded by some as the Administration's most effective champion. In 2005 Rice was entrusted with even more responsibility when she was charged with helping to shape and carry forward the President's foreign policy as Secretary of State. As such, she proved herself a deft crafter of tactics and negotiation aimed to contain or reduce the threat posed by America's enemies. Here, she reveals the behind-the-scenes maneuvers that kept the world's relationships with Iran, North Korea and Libya from collapsing into chaos. She also talks about her role as a crisis manager, showing that at any hour -- and at a moment's notice -- she was willing to bring all parties to the bargaining table anywhere in the world. No Higher Honor takes the reader into secret negotiating rooms where the fates of Israel, the Palestinian Authority, and Lebanon often hung in the balance, and it draws back the curtain on how frighteningly close all-out war loomed in clashes involving Pakistan-India and Russia-Georgia, and in East Africa. Surprisingly candid in her appraisals of various Administration colleagues and the hundreds of foreign leaders with whom she dealt, Rice also offers here keen insight into how history actually proceeds. In No Higher Honor, she delivers a master class in statecraft -- but always in a way that reveals her essential warmth and humility, and her deep reverence for the ideals on which America was founded.

Snake Heart-Lindsay Buroker 2016-02-24 Tasked with an impossible mission, hunted by the very people he wants to protect, Yanko White Fox is the only one who can save his nation from famine and anarchy. Armed only with his fledgling skills as a wizard and accompanied by allies he's not sure he can trust, he must track down an ancient relic before his enemies find it first. But countless obstacles stand in the way, including his mother. The deadly and infamous pirate Snake Heart cares nothing for the family—or the son—she abandoned, and wants the artifact for herself.

"These Kids Are Out of Control"-H. Richard Milner, IV 2018-07-18 Today's classrooms reimagined If you're looking for a book on how to "control" your students, this isn't it! Instead, this is a book on what classroom learning could be if we aspire to co-create more culturally responsive and equitable environments—environments that are safe, affirming, learner-centered, intellectually challenging, and engaging. If we create the kind of places where our students want to be . . . A critically important resource for teachers and administrators alike, "These Kids Are Out of Control" details the specific practices, tools, beliefs, dispositions, and mindsets that are essential to better serving the complex needs of our diverse learners, especially our marginalized students. Gain expert insight on: What it means to be culturally responsive in today's classroom environments, even in schools at large How to decide what to teach, understand the curriculum, build relationships in and outside of school, and assess student development and learning The four best practices for building a classroom culture that is both nurturing and rigorous, and where all students are seen, heard, and respected Alternatives to punitive disciplinary action that too often sustains the cradle-to-prison pipeline Classroom "management" takes care of itself when you engage students, help them see links and alignment of the curriculum to their lives, build on and from student identity and culture, and recognize the many ways instructional practices can shift. "These Kids Are Out of Control" is your opportunity to get started right away!

In the Name of Honor-Richard North Patterson 2011-05-24 Two military families are shattered when Brian McCarran, a traumatized Iraq veteran and the son of the current Army chief of staff, shoots and kills his former commanding officer under circumstances he claims were self-defense.

Millions of Cats-Wanda Gág 2006 How can an old man and his wife select one cat from a choice of millions and trillions?

The Traffickers-W.E.B. Griffin 2009-08-04 Philadelphia Homicide Sergeant Matthew Payne is paired with a Texas Ranger to bring down a murderer with Mexican cartel connections. The odd couple of the Philly cop and the Texas lawman must run down the killer and his gang-before the body count rises again. From the Paperback edition.

Braiding Sweetgrass-Robin Wall Kimmerer 2013-09-16 As a botanist, Robin Wall Kimmerer has been trained to ask questions of nature with the tools of science. As a member of the Citizen Potawatomi Nation, she embraces the notion that plants and animals are our oldest teachers. In Braiding Sweetgrass, Kimmerer brings these two lenses of knowledge together to take us on "a journey that is every bit as mythic as it is scientific, as sacred as it is historical, as clever as it is wise" (Elizabeth Gilbert). Drawing on her life as an indigenous scientist, and as a woman, Kimmerer shows how other living beings—asters and goldenrod, strawberries and squash, salamanders, algae, and sweetgrass—offer us gifts and lessons, even if we've forgotten how to hear their voices. In reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today, she circles toward a central argument: that the awakening of ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth, and learn to give our own gifts in return.

Last Hope Island-Lynne Olson 2017-04-25 A groundbreaking account of how Britain became the base of operations for the exiled leaders of Europe in their desperate struggle to reclaim their continent from Hitler, from the New York Times bestselling author of Citizens of London and Those Angry Days When the Nazi blitzkrieg rolled over continental Europe in the early days of World War II, the city of London became a refuge for the governments and armed forces of six occupied nations who escaped there to continue the fight. So, too, did General Charles de Gaulle, the self-appointed representative of free France. As the only European democracy still holding out against Hitler, Britain became known to occupied countries as "Last Hope Island." Getting there, one young emigré declared, was "like getting to heaven." In this epic, character-driven narrative, acclaimed historian Lynne Olson takes us back to those perilous days when the British and their European guests joined forces to combat the mightiest military force in history. Here we meet the courageous King Haakon of Norway, whose distinctive "H7" monogram became a symbol of his country's resistance to Nazi rule, and his fiery Dutch counterpart, Queen Wilhelmina, whose antifascist radio broadcasts rallied the spirits of her defeated people. Here, too, is the Earl of Suffolk, a swashbuckling British aristocrat whose rescue of two nuclear physicists from France helped make the Manhattan Project possible. Last Hope Island also recounts some of the Europeans' heretofore unsung exploits that helped tilt the balance against the Axis: the crucial efforts of Polish pilots during the Battle of Britain; the vital role played by French and Polish code breakers in cracking the Germans' reputedly indecipherable Enigma code; and the flood of top-secret intelligence about German operations—gathered by spies throughout occupied Europe—that helped ensure the success of the 1944 Allied invasion. A fascinating companion to Citizens of London, Olson's bestselling chronicle of the Anglo-American alliance, Last Hope Island recalls with vivid humanity that brief moment in time when the peoples of Europe stood together in their effort to roll back the tide of conquest and restore order to a broken continent. Praise for Last Hope Island "In Last Hope Island [Lynne Olson] argues an arresting new thesis: that the people of occupied Europe and the expatriate leaders did far more for their own liberation than historians and the public alike recognize. . . . The scale of the organization she describes is breathtaking."—The New York Times Book Review "Last Hope Island is a book to be welcomed, both for the past it recovers and also, quite simply, for being such a pleasant tome to read."—The Washington Post "[A] pointed volume . . . [Olson] tells a great story and has a fine eye for character."—The Boston Globe

Where the Mountain Meets the Moon-Grace Lin 2009-07-01 A Newbery Honor Winner A New York Times Bestseller This stunning fantasy inspired by Chinese folklore is a companion novel to Starry River of the Sky and the New York Times bestselling and National Book Award finalist When the Sea Turned to Silver In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved Year of the Dog and Year of the Rat returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, Where the Mountain Meets the Moon is a timeless story reminiscent of The Wizard of Oz and Kelly Barnhill's The Girl Who Drank the Moon. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

American Dirt (Oprah's Book Club)-Jeanine Cummins 2020-01-21 #1 New York Times Bestseller OPRAH'S BOOK CLUB PICK "Extraordinary." —Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel! This is the international story of our times. Masterful." —Sandra Cisneros También de este lado hay sueños. On this side, too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to

buy—two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia—trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? American Dirt will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a Grapes of Wrath for our times" and "a new American classic," Jeanine Cummins's American Dirt is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

Frindle-Andrew Clements 1999-08-01 Is Nick Allen a troublemaker? He really just likes to liven things up at school -- and he's always had plenty of great ideas. When Nick learns some interesting information about how words are created, suddenly he's got the inspiration for his best plan ever...the frindle. Who says a pen has to be called a pen? Why not call it a frindle? Things begin innocently enough as Nick gets his friends to use the new word. Then other people in town start saying frindle. Soon the school is in an uproar, and Nick has become a local hero. His teacher wants Nick to put an end to all this nonsense, but the funny thing is frindle doesn't belong to Nick anymore. The new word is spreading across the country, and there's nothing Nick can do to stop it.

Because of Winn-Dixie-Kate DiCamillo 2009-09-08 A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries - and comes home with a dog. But Winn-Dixie is no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis and an excerpt of Kate DiCamillo's newest novel, Raymie Nightingale.

Affair of Honor-Stephanie James 2004 Trespassing on a secluded mountain retreat leads Professor Brenna Llewellyn into the arms of Ryder Sterne.

Honor-James Bowman 2006-04-06 The importance of honor is present in the earliest records of civilization. Today, while it may still be an essential concept in Islamic cultures, in the West, honor has been disparaged and dismissed as obsolete. In this lively and authoritative book, James Bowman traces the curious and fascinating history of this ideal, from the Middle Ages through the Enlightenment and to the killing fields of World War I and the despair of Vietnam. Bowman reminds us that the fate of honor and the fate of morality and even manners are deeply interrelated. His book is an indispensable document in a time of growing concern about the erosion of values.
