American Klezmer-Klezmer Research Conference 1996 (Wesleyan University) 2002-08 Investigates American klezmer music: its roots, evolution and the revival that began in the 1970s.

Klezmer America-Jonathan Freedman 2009-10-22 Klezmer is a continually evolving musical tradition that grows out of Eastern European Jewish culture, and its changes reflect Jews' interaction with other groups as well as their shifting relations to their own history. But what happens when, in the klezmer spirit, the performances that go into the making of Jewishness come into contact with those that build different forms of cultural identity? Jonathan Freedman argues that terms central to the Jewish experience in America, notions like "the immigrant," the "ethnic," and even the "model minority," have worked and continue to intertwine the Jewish-American with the experiences, histories, and imaginative productions of Latinos, Asians, African Americans, and gays and lesbians, among others. He traces these relationships in a number of arenas: the crossover between jazz and klezmer and its consequences in Philip Roth's *The Human Stain*; the relationship between Jewishness and queer identity in Tony Kushner's *Angels in America*; fictions concerning crypto-Jews in Cuba and the Mexican-American borderland; the connection between Jews and Christian apocalyptic narratives; stories of "new immigrants" by Bharathi Mukherjee, Gish Jen, Lan Samantha Chang, and Gary Shteyngart; and the revisionary relation of these authors to the classic Jewish American immigrant narratives of Henry Roth, Bernard Malamud, and Saul Bellow. By interrogating the fraught and multidimensional uses of Jews, Judaism, and Jewishness, Freedman deepens our understanding of ethnoracial complexities.

Experiencing Jewish Music in America-Tina Frühauf 2018-06-13 Experiencing Jewish Music in America: A Listener's Companion offers an easy-to-read and new perspective on the remarkably diverse landscape that comprises Jewish music in the United States. This much-needed survey on the art of listening to and enjoying this dynamic and diverse musical culture invites listeners curious about the many types of music in its connection to Jewish life. Experiencing Jewish Music in America is intended to encourage further reading about, listening to, and viewing of this portion of America's musical heritage, and provide listeners with the tools to understand and appreciate this body of work. This volume is designed to appeal to listeners of all stripes, regardless of ability to read music, and of religious or cultural background. Experiencing Jewish Music in America offers insights into an extensive range of musical genres and styles that have been central to the Jewish experience, beginning with the arrival of the first Jewish immigrants in the sixteenth century and the chanting of the Torah, to the sounds of pop today. It lays the groundwork for the listener's understanding of music in its relation to Jewish studies by exploring the wide range of venues in which this music has appeared, from synagogue to street to stage to screen. Each chapter offers selected case studies where these unique forms of music were—and still can be—heard, seen, and experienced. This book gives readers unique insights into the challenges of classifying Jewish music, while it traces its history and development on American soil and outlines "ways of listening" so readers can draw clear connections to Jewish culture. The volume thus brings together American Jewish history, the story of American and Jewish music, and the roles of the individuals important to both. It offers the reader tools to identify, evaluate, and appreciate the musical genres, and reflect the growing interest of the past decade in the academic study of Jewish music.

Greeted With Smiles-Evan Rapport 2014-10-16 As the Soviet Union stood on the brink of collapse, thousands of Bukharian Jews left their homes from across the predominantly Muslim cities of Central Asia, to reestablish their lives in the United States, Israel and Europe. Today, about thirty thousand Bukharian Jews reside in New York City, settled into close-knit communities and existing as a quintessential American immigrant group. For Bukharian immigrants, music is an essential part of their communal self-definition, and musicians frequently act as cultural representatives for the group as a whole. Greeted with Smiles: Bukharian Jewish Music and Musicians in New York explores the circumstances facing new American immigrants, using the music of the Bukharian Jews to gain entrance into their community and their culture. Author Evan Rapport investigates the transformation of Bukharian identity through an examination of corresponding changes in its music, focusing on three of these distinct but overlapping repertoires - maqom (classical or "heavy" music), Jewish religious music and popular party (or "light") music. Drawing upon interviews, participant observation and music lessons, Rapport interprets the personal perspectives of musicians who serve as community leaders and representatives. By adapting strategies acquired as an ethno-religious minority among Central Asian Muslim neighbors, Bukharian musicians have adjusted their musical repertoire in their new American home. The result is the creation of a distinct Bukharian Jewish American identity-their musical activities are changing the city's cultural landscape while at the same time providing for an understanding of the cultural implications of Bukharian diaspora. Greeted with Smiles is sure to be an essential text for ethnomusicologists and scholars of Jewish and Central Asian music and culture, Jewish-Muslim interaction and diasporic communities.

The Columbia History of Jews and Judaism in America-Marc Lee Raphael 2008-02-12 This is the first anthology in more than half a century to offer fresh insight into the history of Jews and Judaism in America. Beginning with six chronological survey essays, the collection builds with twelve topical essays focusing on a variety of important themes in the American Jewish and Judaic experience. The volume opens with early Jewish settlers (1654-1820), the expansion of Jewish life in America (1820-1901), the great wave of eastern European Jewish immigrants (1880-1924), the character of American Judaism between the two world wars, American Jewish life from the end of World War II to the Six-Day War, and the growth of Jews' influence and affluence. The second half of the book includes essays on the community of Orthodox Jews, the history of Jewish education in America, the rise of Jewish social clubs at the turn of the century, the history of southern and western Jewish, Jewish responses to Nazism and the Holocaust; feminism's confrontation with Judaism, and the eternal question of what defines American Jewish culture. The contributions of distinguished scholars seamlessly integrate recent scholarship. Endnotes provide the reader with access to the authors' research and sources. Comprehensive, original, and elegantly crafted, *The Columbia History of Jews and Judaism in America* not only introduces the student to this thrilling history but also provides new perspectives for the scholar. Contributors: Dianne Ashton (Rowan University), Mark K. Bauman (Atlanta Metropolitan College), Kimmy Caplan (Bar-Ilan University, Israel), Eli Faber (City University of New York), Eric L. Goldstein (University of Michigan), Jeffrey S. Gurock (Yeshiva University), Jenna Weissman Joselit (Princeton University), Melissa Klapper (Rowan University), Alan T. Levenson (Siegal College of Judaic Studies), Rafael Medoff (David S. Wyman Institute for Holocaust Studies), Pamela S. Nadell (American University), Riv-Ellen Prell (University of Minnesota), Linda S. Raphael (George Washington University), Jeffrey Shandler (Rutgers University), Michael E. Staub (City University of New York), William Toll (University of Oregon), Beth S. Wenger (University of Pennsylvania), Stephen J. Whitfield (Brandeis University)

Fiddler on the Move-Mark Slobin 2003-02-06 "Klezmer" is a Yiddish word for professional folk instrumentalist-the fustist, fiddler, and bass player that made brides weep and guests dance at weddings throughout Jewish eastern Europe before the culture was destroyed in the Holocaust, silenced under Stalin, and lost out to assimilation in America. Klezmer music is now experiencing a tremendous new spurt of interest worldwide with both Jews and non-Jews recreating this restless volatile, and vibrant musical culture. Firmly centered in the United States, klezmer has paradoxically moved back across the Atlantic as a distinctly "American" music, played throughout central and eastern Europe, as well as in many other parts of the world. Fiddler on the Move places klezmer music squarely within American music studies, cultural studies, and ethnomusicology. Neither a chronology nor a comprehensive survey, the book describes a variety of approaches and perspectives for coming to terms with the highly diverse array of activities found under the klezmer umbrella. Bringing to his subject the insights of an accomplished ethnomusicologist, Slobin addresses such questions as: How does klezmer overlap with, and differ from, the many other contemporary "heritage" musics based on an assumed connection with a group identity and links to a tradition? How do economics, artistic expression, and the evocation of the past interact in motivating klezmer performers and audiences? In what kinds of environment does klezmer flourish? How do stylistic features such as genre, form, and ornamentation help to define the technique, affect, and aesthetic of klezmer? Featuring a music CD with many of the archival and contemporary recordings discussed in the text, this fascinating study will interest scholars, students, musicians, and music lovers

New York Klezmer in the Early Twentieth Century-Joel E. Rubin 2020-08-20 The music of clarinetists Naftule Brandwein and Dave Tarras is iconic of American klezmer music. Their legacy has had an enduring impact on the development of the popular world music genre.

Jews and American Popular Culture: Music, theater, popular art, and literature-Paul Buhle 2007 This three-volume work tells the story of how Jewish Americans overcame anti-Semitism, anti-immigrant biases, and poverty to shape American film, television, music, sports, literature, food, and humor.

Continuum Encyclopedia of Popular Music of the World Part 2 Locations (5 Vol Set)-John Shepherd 2005-04-18 "EPMOW lives music. Put another way, it does for popular music what Grove has done for classical" David Brackett "Excellent, readable and thoroughly useful...While some previous single-volume and multivolume works have addressed the development and current state of popular music, none has done so with this work's depth of scholarship and global reach. Scholarly, clearly written, and well indexed, it is an ideal reference set." Library Journal Continuum Encyclopedia of Popular Music of the World's five-volume work 'Locations' is the most authoritative reference work on the history and current practice of popular music ever published. The five volumes on 'Locations' that form Part 2 of this multi-volume work follow on from the two volumes of Part 1: Media, Industry and Society (Volume I) and Performance and Production (Volume II) . They cover over 200 nation states and are organized according to continental regions: Volume III: Caribbean and Latin America Volume IV: North America Volume V: Asia and Oceania Volume VI: Africa and the Middle East Volume VII: Europe Each discusses the history, development and current practice of popular music in cities, districts, cross-border regions, nation states and diasporic communities around the world. Includes coverage of: - The historical, geographical, demographical, political, economic and cultural context - Genres for which the location is known or which have been important to the development and current practice of its popular music - Significant venues such as theatres, dance halls, clubs and bars - The role of the industry: music publishers, record companies/labels, recording studios, radio and TV - The role of the state and government regulatory bodies- The teaching and research of popular music in educational institutions- Songs associated with the location- Notable performers and other practitioners such as producers, engineers, technological innovators, record company heads, journalists, critics and scholars, songwriters, composers and lyricists. 250 leading popular music scholars and practitioners have contributed over 500 entries. They include Rafael José de Menezes Bastos on Brazil, Peter Manuel on India and the Caribbean Islands, John Collins on Ghana, Moya Aliya Malamusi on Malawi, Tōru Mitsui on Japan, Motti Regev on Israel, Martin Stokes on Turkey, Richard Peterson on Nashville, Amy Ku'uleialoha Stillman on Hawai'i, Bruce Johnson on Australia, Paolo Prato on Italy, Svanibor Pettan on Croatia and Alf Björnberg on Sweden. Notes-Music Library Association 2003

The Essential Klezmer-Seth Rogovoy 2000-05-12 You can hear it in the hottest clubs in New York, the hippest rooms in New Orleans, Chicago, and San Francisco, and in top concert halls around the world. It's a joyous sound that echoes the past. It's Old World meets New World. It's secular and sacred. It's traditional and experimental. It's played by classical violinist Itzhak Perlman (his all-klezmer album in his all-time best-seller!), the hypno-pop band Yo La Tengo, and avant-gardist John Zorn. It made the late great Benny Goodman's clarinet wail. It's klezmer and it's hot! The Essential Klezmer is the definitive introduction to a musical form in the midst of a renaissance. It documents the history of klezmer from its roots in the Jewish communities of medieval Eastern Europe to its current revival in Europe and America. It includes detailed information about the music's social, cultural, and political roots as well as vivid descriptions of the instruments, their unique sounds, and the players who've kept those sounds alive through the ages. Music journalist Seth Rogovoy skillfully conveys the emotional intensity and uplifting power of klezmer and the reasons for its ever widening popularity among Jews and Gentiles, Hasidim and club kids, grandparents and their grandkids. A comprehensive discography presents the "Essential Klezmer Library," extensive lists of recordings, artists, and styles, as well as an up-to-the-minute resource of music retailers, festivals, workshops, and klezmer Web sites. The Essential Klezmer is as entertaining as it is enlightening.

The Accordion in the Americas-Helena Simonett 2012 An invention of the Industrial Revolution, the accordion provided the less affluent with an inexpensive, loud, portable, and durable "one-man-orchestra" capable of producing melody, harmony, and bass all at once. This rich collection considers the accordion and its myriad forms, from the concertina, button accordion, and piano accordion familiar in European and North American music to the more exotic-sounding South American bandoneón and the sanfoninha. Capturing the instrument's spread and adaptation to many different cultures in North and South America, contributors illuminate how the accordion factored into power struggles over aesthetic values between elites and working-class people who often were members of immigrant and/or marginalized ethnic communities. Specific histories and cultural contexts discussed include the accordion in Brazil, Argentine tango, accordion traditions in Colombia and the Dominican Republic, cross-border accordion culture between Mexico and Texas, Cajun and Creole identity, working-class culture near Lake Superior, the virtuoso Italian-American and Klezmer accordions, Native American dance music, and American avant-garde. Contributors are María Susana Azzi, Egberto Bermúdez, Mark DeWitt, Joshua Horowitz, Sydney Hutchinson, Marion Jacobson, James P. Leary, Megwen Loveless, Richard March, Cathy Ragland, Helena Simonett, Jared Snyder, Janet L. Sturman, and Christine F. Zinni. An invention of the Industrial Revolution, the accordion provided the less affluent with an inexpensive, loud, portable, and durable "one-man-orchestra" capable of producing melody, harmony, and bass all at once. Imported from Europe into the Americas, the accordion with its distinctive sound became a part of the aural landscape for millions of people but proved to be divisive: while the accordion formed an integral part of working-class musical expression, bourgeois commentators often derided it as vulgar and tasteless. This rich collection considers the accordion and its myriad forms, from the concertina, button accordion, and piano accordion familiar in European and North American music to the exotic-sounding South American bandoneón and the sanfoninha. Capturing the instrument's spread and adaptation to many different cultures in North and South America, contributors illuminate how the accordion factored into power struggles over aesthetic values between elites and working-class people who often were members of immigrant and/or marginalized ethnic communities. Specific histories and cultural contexts discussed include the accordion in Brazil, Argentine tango, accordion traditions in Colombia, cross-border accordion culture between Mexico and Texas, Cajun and Creole identity, working-class culture near Lake Superior, the virtuoso Italian-American and Klezmer accordions, Native American dance music, and American avant-garde. Leary, Megwen Loveless, Richard March, Cathy Ragland, Helena Simonett, Jared Snyder, Janet L. Sturman, and Christine F. Zinni.

Clarinet and Saxophone- 2008

The Essential Klezmer-Seth Rogovoy 2000-01-01 Examines the evolution of klezmer, traditional Jewish music, from its ancient European roots to its modern popular sound, and its survival through the dissolution of Eastern Europe and Jewish assimilation in American culture. Choice- 2003

"Radical Jewish Culture"-Tamar Barzel 2004

Music in Jewish History and Culture-Emanuel Rubin 2006 The book surveys the broad sweep of music among Jews of widely diverse communities from Biblical times to the modern day. Each chapter focuses on a different Jewish cultural epoch and explores the music and the way it functioned in that society. The work is structured as both a college text and an informative guide for the lay reader.

Shpil-Yale Strom 2012-10-12 Shpil offers an expansive history of klezmer, from its medieval origins through the present era. Individual chapters concentrate on the most common instruments found in a typical klezmer ensemble: violin, clarinet, accordion, bass, percussion, and even voice. Contributors include a cast of musicians who have recorded, performed, and studied klezmer for years. Each chapter concludes with a selection of three songs that illustrate and exemplify the history and techniques already described. Shpil includes a "klezmer glossary" of mostly musical terms and a discography of both classic and new klezmer and Yiddish recordings, all designed to guide readers in the appreciation of this remarkable musical genre and the art of playing and singing klezmer tunes.

Ideology and Jewish Identity in Israeli and American Literature-E. Miller Budick 2001-08-30 This book examines how Israeli and American Jewish literatures share commonalities and affinities.

Beat Me, Rabbi, Eight to the Bar!-Dylan Music 2011

The YIVO Encyclopedia of Jews in Eastern Europe-Gershon David Hundert 2008 "This unprecedented reference work systematically represents the history and culture of Eastern European Jews from their first settlement in the region to the present day. More than 1,800 alphabetical entries encompass a vast range of topics, including religion, folklore, politics, art, music, theater, language and literature, places, organizations, intellectual movements, and important figures. The two-volume set also features more than 1,000 illustrations and 55 maps. With original and up-to-date contributions from an international team of 450 distinguished scholars, the Encyclopedia covers the region between Germany and the Ural Mountains, from which more than 2.5 million Jews emigrated to the United States between 1870 and 1920. Even today the majority of Jewish immigrants to North America arrive from Eastern Europe. Engaging, wide-ranging, and authoritative, this work is a rich and essential reference for readers with interests in Jewish studies and Eastern European history and culture."--Publisher's website.

Jewish Book World- 2002

Michigan Quarterly Review- 2003

City of Rogues and Schnorrers-Jarrold Mitchell Tanny 2008

On Jewish Music-Joachim Braun 2006 A collection of articles, most of them published previously. The following deal with antisemitism: Tenement Songs-Mark Slobin 1996 "An excellent addition to . . . ethnomusicological studies of nontraditional music in America." -- Choice "A well-deserved look at the musical world of immigrant Jews, who, in finding and creating an expressive medium for self-identity, helped shape and give life to American popular culture." -- Ethnomusicology "Employing the tools of the ethnomusicologist and the social historian, Slobin has produced an important and highly readable account of the formation and function of a little-studied aspect of American popular culture." -- Journal of American Studies

Index to Jewish Periodicals- 2004 An author and subject index to selected and American Anglo-Jewish journals of general and scholarly interests.

America, History and Life- 2004 Article abstracts and citations of reviews and dissertations covering the United States and Canada.

Rethinking European Jewish History-Jeremy Cohen 2009 Europe has changed greatly in the last century. Political, social, and ideological transformations have not only redrawn the map of the continent but have rewoven the fabric of its culture. These changes have nourished widespread reassessment in European historical research: in terms of its presuppositions, its methodologies, its directions, its emphases, and its scope. The political boundaries between nations and states, along with the very concepts of 'nation' and 'boundary', have changed significantly, and the self-consciousness of ethnic minorities has likewise evolved in new directions. All these developments have affected how the Jews of Europe perceive themselves, and they help to shape the prism through which historians view the Jewish past. This volume looks at the Jewish past in the spirit of this reassessment. Part I reconsiders the basic parameters of the subject as well as some of its fundamental concepts, suggesting new assumptions and perspectives from which to conduct future study of European Jewish history. Topics covered here include periodization and the definition of geographical borders, antisemitism, gender and the history of Jewish women, and notions of assimilation. Part II is devoted to articulating the meaning of 'modernity' in the history of European Jewry and demarcating key stages in its crystallization. Contributors here reflect on the defining characteristics of a distinct early modern period in European Jewish history, the Reformation and the Jews, and the fundamental features of the Jewish experience in modern times. Parts III and IV present two scholarly conversations as case studies for the application of the critical and programmatic categories considered thus far: the complex web of relationships between Jews, Christians, and Jewish converts to Christianity (Conversos, New Christians, Marranos) in fifteenth-century Spain; and the impact of American Jewry on Jewish life in Europe in the twentieth century, at a time when the dominant trend was one of migration from Europe to the Americas. This timely volume suggests a new framework for the study of Jewish history and helps to contextualize it within the mainstream of historical scholarship.

Musica Judaica- 2001

Gender, Ethnicity and Space-Elizabeth Ann Lorenz-Meyer 2006

Excursions in World Music-Bruno Nettl 2008 This dynamic introductory book takes readers on a vivid exploration into the major musical cultures of the world by first presenting a lively vignette of a musical occasion, and then placing that occasion in the context of a general description of the society and musical culture. KEY TOPICS The book divides the world into ten major culture areas—and devotes a chapter to each, exploring the musical cultures of such fascinating lands as India, the Middle East, Indonesia, Sub-Saharan Africa, and Latin America. The presentation features a synthetic treatment of musical life and ideas about music, musical style, music history, and musical instruments; briefly describes additional musical genres or contexts; and considers recent developments. For individuals interested in the music of the world.

Subcultural Sounds-Mark Slobin 1993-04 A fascinating study of subcultural musics and their cultural identities.

Ethno-musicology- 1997

The Jewish Revolutionary Spirit-E. Michael Jones 2008 Spanning over 2,000 years, this study looks at the complex relationship between Jewish and Catholic thought from a social and historical perspective. Examining different significant moments for both religions throughout the centuries, this book analyzes and explains the conflicts that have arisen between the two religions since their beginnings.

The Book Review Digest- 2003

Chorus and Community-Karen Ahlquist 2006 Looks at choruses not only as a source of music, but as organizations that come together for aesthetic, social, political, and religious purposes. This volume discusses groups, including an East African chorus; groups from 19th century England, Germany, and America; early twentieth-century Russian Menonites; Soviet workers' clubs; and more.

The British National Bibliography-Arthur James Wells 2002

A Wandering Feast-Yale Strom 2005 Publisher Description

The Bulletin of the Society for American Music- 2004
