An Anthology of Decorated Papers-P. J. M. Marks 2015-10-01 This remarkable and beautiful book brings together a collection of decorated papers dating from the 16th to the 20th century. They were produced for a wide variety of uses: as wrappers and endpapers for books, as the backing for playing cards, and even as linings for chests and cases. Some decorated papers were used as humble pictures for display in churches and the home; some were sold as souvenirs to pilgrims; and others were used merely as wrappings for foodstuffs such as gingerbread and chocolate. What unites all the papers in the book is the richness of their ornamentation and the thin, flexible characteristics of the original sheets. They are all further united by having been collected by Olga Hirsch (1889-1968), a trained bookbinder who left her collection of some 3,500 papers to the British Library, where they remain one of the largest and most diverse collections of decorated papers in the world. The collection has never previously been published except as a mini-format 64-page introductory gift book. This new beautifully designed album of the best and most exquisite papers in the collection will be a revelation and an inspiration to designers, bibliophiles and anyone with a love of pattern and ornamentation.

The Paper Trail-Alexander Monro 2016-03-22 A sweeping, richly detailed history that tells the fascinating story of how paper—the simple Chinese invention of two thousand years ago—wrapped itself around our world, humankind's most momentous ideas imprinted on its surface. The emergence of paper in the imperial court of Han China brought about a revolution in the transmission of knowledge and ideas, allowing religions, philosophies and propaganda to spread with ever greater ease. The first writing surface sufficiently cheap, portable and printable for books, pamphlets and journals to be mass-produced and distributed widely, paper opened the way for an unprecedented, ongoing dialogue between individuals and between communities across continents, oceans and time. The Paper Trail explores how the new substance was used to solidify social and political systems that influenced China even into our own time. We see how paper made possible the spread of the then new religions of Buddhism and Manichaeism into Japan, Korea and Vietnam . . . how it enabled theologians, scientists and artists to build the vast and signally intellectual empire of the Abbasid Caliphate and embed the Koran in popular culture . . . how paper was carried along the Silk Road by merchants and missionaries, finally reaching Europe in the late thirteenth century . . . and how, once established in Europe, along with the printing press, paper played an essential role in the three great foundations of Western modernity: the Renaissance, the Reformation and the Scientific Revolution. Here is a dramatic, comprehensively researched, vividly written story populated by holy men and scholars, warriors and poets, rulers and ordinary men and women—an essential story brilliantly told in this luminous work of history. From the Hardcover edition.

The Peanuts Papers: Writers and Cartoonists on Charlie Brown, Snoopy & the Gang, and the Meaning of Life-Andrew Blauner 2019-10-22 A one-of-a-kind celebration of America's greatest comic strip--and the life lessons it can teach us--from a stellar array of writers and artists Over the span of fifty years, Charles M. Schulz created a comic strip that is one of the indisputable glories of American popular culture—hilarious, poignant, inimitable. Some twenty years after the last strip appeared, the characters Schulz brought to life in Peanuts continue to resonate with millions of fans, their beguiling four-panel adventures and television escapades offering lessons about happiness, friendship, disappointment, childhood, and life itself. In The Peanuts Papers, thirty-three writers and artists reflect on the deeper truths of Schulz's deceptively simple comic, its impact on their lives and art and on the broader culture. These enchanting, affecting, and often quite personal essays show just how much Peanuts means to its many admirers—and the ways it invites us to ponder, in the words of Sarah Boxer, "how to survive and still be a decent human being" in an often bewildering world. Featuring essays, memoirs, poems, and two original comic strips, here is the ultimate reader's companion for every Peanuts fan. Featuring: Jill Bialosky Lisa Birnbach Sarah Boxer Jennifer Finney Boylan Ivan Brunetti Hilary Fitzgerald Campbell Rich Cohen Gerald Early Umberto Eco Jonathan Franzen Ira Glass Adam Gopnik David Hajdu Bruce Handy David Kamp Maxine Hong Kingston Chuck Klosterman Peter D. Kramer Jonathan Lethem Rick Moody Ann Patchett Kevin Powell Joe Queenan Nicole Rudick George Saunders Elissa Schappell Seth Janice Shapiro Mona Simpson Leslie Stein Clifford Thompson David L. An Anthology of the Short Story in 18th and 19th Century America-Edward W. R. Pitcher 2000 In this anthology, Dr Pitcher has illustrated and partially defined the beginnings of short fiction in America in the period before the emergence of our modern understanding of the short story. These beginnings are to be found in the gradual coming together of forms such as anecdote, fable, tall-tale and sentimental story with the increasingly diverse aspirations, images, character types, and historical incidents of a people linked by language and culture to Britain and Europe. Volume One of the anthology has the ISBN 0-7734-7842-6.

and poems for children. Arranged thematically—from school days to the holidays—the book takes readers from Jewish holidays and history to folktales and fables, from stories of humanistic ethics to multi-generational family sagas. Featuring many works that are appearing in English for the first time, and written by both prominent and lesser-known authors, this anthology spans the Yiddish-speaking globe—drawing from materials published in Eastern Europe, New York, and Latin America from the 1910s, during the interwar period, and up through the 1970s. With its vast scope, *Honey on the Page* offers a cornucopia of delights to families, individuals and educators seeking literature that speaks to Jewish children about their religious, cultural, and ethical heritage. Complemented by whimsical, humorous illustrations by Paula Cohen, an acclaimed children's book illustrator, Udel's evocative translations of Yiddish stories and poetry will delight young and older readers alike.

The Perfect Bath-Barbara Sallick 2016-09-20 A chic, polished guide to creating your dream bathroom, including engaging interviews with top designers and practical advice for homeowners. Whether you call it your sanctuary, retreat, oasis, or spa, the bath is unlike any other room in the house. It can be the most private and indulgent of spaces or a simple, public one in which guests need to feel comfortable. Today's bath is an expression of personal style and priorities and the luxurious focal point of sophisticated interiors. Creating the perfect bath has become an obsession for homeowners and designers. Yet perhaps no room in the house requires as much forethought and planning as the bath. In *The Perfect Bath*, Barbara Sallick explores the process of designing a bathroom in great detail and with beautiful images. She shares exquisite, favorite, and esteemed baths, talks with top designers—including Suzanne Lovell, Pamela Shamshiri, Thomas O'Brien, Lee Mindel, Gil Schafer, Tim Clarke, and Steven Gambrel—about their work, and offers important, how-to advice for homeowners. Combining evocative, informative photography with an authoritative, engaging narrative, *The Perfect Bath* will be an essential, lasting resource.

The Barnacles Of Ægir-Gregory Kay 2011-11-09 From decorated fighter pilot, war hero and rising military star to accused traitor, exile, and drug smuggler, Jerrik Larson has finally hit rock bottom. Shot down on the cold watery world of Ægir, he's marooned with a dead ship, alone on a harsh, uninhabited planet, desperately struggling to save the only thing he has left to lose: his life. He's in for a surprise, because Ægir has its own secrets, including one worth an incalculable fortune that has the potential to change not only the Federation of Allied Sectors and its most basic technology, but humanity itself...if he can just get it off that freezing ball of water and rock. But the world has another secret as well, and one that will affect him far more; Jerrik is not as alone as he thinks he is. When his past finally tracks him down, Jerrik finds himself battling, not only for survival this time, but for his honor, his fortune and his race...and for love, with the future of all of White Space riding in the balance.

Madame Pantomime's Balinese Dream-Madame Pantomime 2017-07-16 This adult coloring book contains 36 unique coloring pages based on the charming early twentieth-century textile designs of the Indonesian artist and illustrator Mas Prignadie. Printed on one side of the paper. Imagery includes botanicals, birds and insects incorporated into designs that vary in complexity. The light-weight paper quality of this economy edition makes this coloring book most suitable for use with colored pencils or crayons. Paper does hold up to markers (water or alcohol-based) if a heavy-weight bleeder page is used. Not suitable for use with watercolors.

Shadow of the Other: An Anthology of Spooky Stories-Dave Stanson 2018-10-06 Here is a collection of four short stories written and set in the late 80's and early 90's by a generation X author. In the style of "what you don't see is scarier than what you do see," it is not a festival of gore, but rather a good read for a campfire or at Halloween. Science fiction story at the end is set in the distant future. Some R-rated language and sex references.

Available Means-Joy Ritchie 2001-07-12 "I say that even later someone will remember us."—Sappho, Fragment 147, sixth century, BC Sappho's prediction came true; fragments of work by the earliest woman writer in Western literate history have in fact survived into the twenty-first century. But not without peril. Sappho's writing remains only in fragments, partly due to the passage of time, but mostly as a result of systematic efforts to silence women's voices. Sappho's hopeful boast captures the mission of this anthology: to gather together women engaged in the art of persuasion—across differences of race, class, sexual orientation, historical and physical locations—in order to remember that the rhetorical tradition indeed includes them. *Available Means* offers seventy women rhetoricians—from ancient Greece to the twenty-first century—a room of their own for the first time. Editors Joy Ritchie and Kate Ronald do so in the feminist tradition of recovering a previously unarticulated canon of women's rhetoric. Women whose voices are central to such scholarship are included here, such as Aspasia (a contemporary of Plato's), Margery Kempe, Margaret Fuller, and Ida B. Wells. Added are influential works on what it means to write as a woman—by Virginia Woolf, Adrienne Rich, Nancy Mairs, Alice Walker, and Hélène Cixous. Public "manifestos" on the rights of women by Hortensia, Mary Astell, Maria Stewart, Sarah and Angelina Grimké, Anna Julia Cooper, Margaret Sanger, and Audre Lorde also join the discourse. But *Available Means* searches for rhetorical tradition in less obvious places, too. Letters, journals, speeches, newspaper columns, diaries, meditations, and a fable (Rachel Carson's introduction to *Silent Spring*) also find places in this room. Such unconventional documents challenge traditional notions of invention, arrangement, style, and delivery, and blur the boundaries between public and private discourse. Included, too, are writers whose voices have not been heard in any tradition. Ritchie and Ronald seek to "unsettle" as they expand the women's rhetorical canon. Arranged chronologically, *Available Means* is designed as a classroom text that will allow students to hear women speaking to each other across centuries, and to see how women have added new places from which arguments can be made. Each selection is accompanied by an extensive headnote, which sets the reading in context. The breadth of material will allow students to ask such questions as "How might we define women's rhetoric? How have women used and subverted traditional rhetoric?" A topical index at the end of the book provides teachers a guide through the rhetorical riches. *Available Means* will be an invaluable text for rhetoric courses of all levels, as well as for women's studies courses.

Drawings by Doris Lane Butler, an art critic and paper doll illustrator. Originally published by Top Notch Paint Book, which is also available in the complete format. Illustrations of children at play before television was common, cell phones were unheard of and the internet was a long ways away. Great resource and coloring book for children and adults.

Black Ink-Stephanie Stokes Oliver 2018-01-30 Spanning over 250 years of history, *Black Ink* traces black literature in America from Frederick Douglass to Ta-Nehisi Coates in this "breathtaking anthology celebrating the power of the written word to forge change" (O, The Oprah Magazine). Throughout American history black people are the only group of people to have been forbidden by law to learn to read. This expansive collection seeks to shed light on that injustice, putting some of America's most cherished voices in a conversation in one magnificent volume that presents reading as an act of resistance. Organized into three sections—the Peril, the Power, and the Pleasure—and featuring a vast array of contributors both classic and contemporary, *Black Ink* presents the brilliant diversity of black thought in America while solidifying the importance of these writers within the greater context of the American literary tradition. "This electric and electrifying collection of voices serves to open a much-needed window onto the freedom struggle of black literature. It's a marvel, and a genuine gift for readers everywhere" (Wil Haygood, author of *The Butler: A Witness to History*). Contributors include: Frederick Douglass, Solomon Northup, Booker T. Washington, W.E.B. Du Bois, Zora Neale Hurston, Langston Hughes, James Baldwin, Malcolm X, Maya Angelou, Martin Luther King, Jr., Toni Morrison, Walter Dean Myers, Stokely Carmichael [Kwame Ture], Alice Walker, Jamaica Kincaid, Henry Louis Gates, Jr., Terry McMillan, Junot Diaz, Edwidge Danticat, Colson Whitehead, Marlon James, Roxane Gay, Ta-Nehisi Coates, Chimamanda Ngozi Adichie, and Colson Whitehead. The anthology features a bonus in-depth interview with President Barack Obama.

The Medieval Craft of Memory-Mary Carruthers 2016-01-22 In antiquity and the Middle Ages, memory was a craft, and certain actions and tools were thought to be necessary for its creation and recollection. Until now, however, many of the most important visual and textual sources on the topic have remained untranslated or otherwise difficult to consult. Mary Carruthers and Jan M. Ziolkowski bring together the texts and visual images from the twelfth through the

fifteenth centuries that are central to an understanding of memory and memory technique. These sources are now made available for a wider audience of students of medieval and early modern history and culture and readers with an interest in memory, mnemonics, and the synergy of text and image. The art of memory was most importantly associated in the Middle Ages with composition, and those who practiced the craft used it to make new prayers, sermons, pictures, and music. The mixing of visual and verbal media was commonplace throughout medieval cultures: pictures contained visual puns, words were often verbal paintings, and both were used equally as tools for making thoughts. The ability to create pictures in one's own mind was essential to medieval cognitive technique and imagination, and the intensely pictorial and affective qualities of medieval art and literature were generative, creative devices in themselves. A Garden Alphabet-Isabel Wilner 1995-05-01 Rhyming verses and illustrations introduce the letters of the alphabet and describe how a garden is planned and planted, how things grow, and the joy a garden brings.

Art, Aesthetics, and the Brain-Joseph P. Huston 2015 Humans have engaged in artistic and aesthetic activities since the appearance of our species. Our ancestors have decorated their bodies, tools, and utensils for over 100,000 years. The expression of meaning using color, line, sound, rhythm, or movement, among other means, constitutes a fundamental aspect of our species' biological and cultural heritage. Art and aesthetics, therefore, contribute to our species identity and distinguish it from its living and extinct relatives. This volume brings together the work on such questions by leading experts in genetics, psychology, neuroimaging, neuropsychology, art history, and philosophy. It sets the stage for a cognitive neuroscience of art and aesthetics, understood in the broadest possible terms. With sections on visual art, dance, music, neuropsychology, and evolution, the breadth of this volume's scope reflects the richness and variety of topics and methods currently used today by scientists to understand the way our brain endows us with the faculty to produce and appreciate art and aesthetics.

Japanese Art-Miyeko Murase 1975

Charlotte and The White Horse-Ruth Krauss 2001-12-04 Continuing a two-year program to bring back twenty-two Maurice Sendak treasures long out of print, our second season of publication highlights one of the most successful author-illustrator pairings of all time. Roots to the Earth-Wendell Berry 2016-08-22 A gorgeous edition of poems and one short story by an acclaimed author illustrated by the stunning wood etchings of a celebrated wood engraver. Originally published in portfolio form by West Meadow Press in 1995, this edition of Roots to the Earth weds the poetry and prose of beloved American author and environmentalist Wendell Berry with the vibrant wood etchings of celebrated artist and wood engraver Wesley Bates. In his introduction to the 2014 collection, Bates wrote, "As our society moves toward urbanization, the majority of the population views agriculture from an increasingly detached position . . . In his poetry [Berry] reveals tenderness and love as well as anger and uncertainty . . . The wood engravings in this collection are intended to be companion pieces to . . . the way he expresses what it is to be a farmer." A work of art, Roots to the Earth is a must-have for admirers of Berry's profound vision, as well as for aficionados of wood engraving. "Mr. Berry is a sophisticated, philosophical poet in the line descending from Emerson and Thoreau." —The Baltimore Sun "[Berry's poems] shine with the gentle wisdom of a craftsman who has thought deeply about the paradoxical strangeness and wonder of life." —The Christian Science Monitor "Wendell Berry is one of those rare individuals who speaks to us always of responsibility, of the individual cultivation of an active and aware participation in the arts of life." —The Bloomsbury Review "[Berry's] poems, novels and essays . . . are probably the most sustained contemporary articulation of America's agrarian, Jeffersonian ideal." —Publishers Weekly
