Homage to Catalonia-George Orwell 2021-01-07 Homage to Catalonia is George Orwell's account of the Spanish Civil War. It was the last and most mature of Orwell's documentary books.

Critical Essays-George Orwell 1960

Chasing Lincoln's Killer-James L. Swanson 2012-09-01 NEW YORK TIMES bestselling author James Swanson delivers a riveting account of the chase for Abraham Lincoln's assassin. Based on rare archival material, obscure trial manuscripts, and interviews with relatives of the conspirators and the manhunters, CHASING LINCOLN'S KILLER is a fast-paced thriller about the pursuit and capture of John Wilkes Booth: a wild twelve-day chase through the streets of Washington, D.C., across the swamps of Maryland, and into the forests of Virginia.

Burmese Days-George Orwell 2016-03-29 George Orwell's triumphant first novel. Informed by his experiences as a police officer in Burma, the novel paints a vivid portrait of the waning days of British imperial rule, and the racism and corruption that ran rampant. It centres on John Flory, a European businessman in colonial Burma, disenfranchised by the bigotry he sees around him and his persistent feeling of being out of place. When he meets Elizabeth Lackersteen, a beautiful, sensitive young woman, he thinks he has found a kindred spirit, but the picture of her in his mind may not prove to match the real person. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

Of Mice and Men-John Steinbeck 2014-05-07 Presents a dramatization of the tragic story of the friendship between two migrant workers, George and Lenny, and their dream of owning a farm.

The Road to Wigan Pier-George Orwell 2021-01-07 The Road to Wigan Pier is Orwell's 1937 study of poverty and working-class life in northern England.

Coming Up for Air-George Orwell 2021-01-07 Set at the beginning of the Second World War, Coming Up for Air describes suburban insurance agent George Bowling's return to his birthplace, a sedate Oxfordshire village. This new edition of one of George Orwell's early pre-war works explores the historical and political context of the novel.

Down And Out In Paris And London-George Orwell 2020-07-03 Down and Out in Paris and London is the first full-length work by George Orwell. It is a memoir in two parts on the theme of poverty in the two cities London & Paris.

Written when Orwell was a struggling writer in his twenties, it documents his 'first contact with poverty'. Exposing a shocking, previously-hidden world to his readers, Orwell gave a human face to the statistics of poverty for the first time - and in doing so, found his voice as a writer.

Fools Crow-James Welch 1987 In the Two Medicine territory of Montana, the Pikuni Indians are forced to choose between fighting a futile war or accepting a humiliating surrender, as the encroaching numbers of whites threaten their very existence

Animals in Translation-Temple Grandin 2009-08-11 In this exciting new e edition, Temple Grandin returns to her groundbreaking work, Animals in Translation, to address the last ten years of developments in behavioral research, animal welfare, and farming regulations. Originally published in 2005, Animals in Translation received unanimous critical praise and was a bestseller in both hardcover and paperback, and Grandin's Q&A updates this classic text with the most current scientific research. Grandin's training as an animal scientist and her experience as a person with autism give her a perspective unlike any other expert in the field. Grandin and coauthor Catherine Johnson present their powerful theory that people with autism may be able to empathically understand animal behavior in a way that eludes neurotypical people—putting them in the ideal position to translate “animal talk.” Exploring animal fear, pain, aggression, love, friendship, communication, learning, and even genius, Grandin is a faithful guide into their world. Grandin, standing at the intersection of autism and animal science, offers unparalleled observations and extraordinary ideas, revealing that animals are smarter and more complex than anyone could have imagined.

Games At Twilight-Anita Desai 2011-12-20 Set in contemporary Bombay and other cities, these stories reflect the kaleidoscope of urban life - evoking the colour, sounds and white-hot heat of the city. Warm, perceptive, humorous and touched with sadness, Anita Desai's stories are peopled with intensely individual characters - the man spiritually transformed by the surface texture of a melon; the American wife who, homesick for the verdant farmlands of Vermont, turns to the hippies in the Indian hills; the painter living in a slum who fills his canvasses with flowers, birds and landscapes he has never seen.

The Plague Dogs-Richard Adams 2016-04-05 Originally published: London: Allen Lane, 1977.

Understanding Animal Farm-John Rodden 1999 Analyzes the historical context of "Animal Farm" and examines Orwell's political allegory in relation to Marxism, the Russian Revolution, and the Cold War.

Lyddie-Katherine Paterson 1995-01-01 From two-time Newbery award-winning author Katherine Paterson. When Lyddie and her younger brother are hired out as servants to help pay off their family farm's debts, Lyddie is determined to find a way to reunite her family once again. Hearing about all the money a girl can make working in the textile mills in Lowell, Massachusetts, she makes her way there, only to find that her dreams of returning home may never come true. Includes an all-new common core aligned educator's guide. "Rich in historical detail...a superb story of grit, determination, and personal growth." —The Horn Book, starred review "Lyddie is full of life, full of lives, full of reality."

Air Emissions from Animal Feeding Operations-National Research Council 2003-04-07 Air Emissions from Animal Feeding Operations: Current Knowledge, Future Needs discusses the need for the U.S. Environmental Protection Agency to implement a new method for estimating the amount of ammonia, nitrous oxide, methane, and other pollutants emitted from livestock and poultry farms, and for determining how these emissions are dispersed in the atmosphere. The committee calls for the EPA and the U.S. Department of Agriculture to establish a joint council to coordinate and oversee short - and long-term research to estimate emissions from animal feeding operations accurately and to develop mitigation strategies. Their recommendation was for the joint council to focus its efforts first on those pollutants that pose the greatest risk to the environment and public health.

Swedish-Philip Holmes 2003 Winner of the Swedish National Language Council's Erik Wellander Prize, 2003 This new edition of Swedish: A Comprehensive Grammar is a complete reference guide to modern Swedish grammar. It has been fully updated to reflect recent changes in a few areas of usage and to employ the new standards that have been set in the description of language. The Grammar is an essential reference source for the learner and user of Swedish, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types. The volume is organised to promote a thorough understanding of Swedish grammar. It presents the complexities of Swedish in a concise and readable form. Explanations are full, clear and free of jargon. Throughout, the emphasis is on Swedish as used by present-day, native speakers. An extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require. Features include: * detailed treatment of common grammatical structures and parts of speech * extensive exemplification * particular attention to areas of confusion and difficulty * Swedish/English contrasts highlighted throughout the book * a new chapter on word formation.

Utopia-Center for Gifted Education 2003-04

Keep the Aspidistra Flying-George Orwell 2021-01-07 "Money is what God used to be. Good and evil have no meaning any longer except failure and success." Disgusted by society's materialism, Gordon Comstock leaves his job in advertising to pursue an ill-fated career as a poet. In his race to the bottom, only Rosemary, his long-suffering girlfriend, challenges Gordon's self-destructive course. The novel contains the most sustained reflections on the role of the author and the artistic imagination anywhere in Orwell's fiction, as the book's protagonist struggles (and ultimately fails) to reconcile his romantic-aesthetic sensibilities with the pressures of the literary marketplace and with social expectations. Completed while Orwell travelled north to work on The Road to Wigan Pier, this novel is a key transitional text in his career. Offering a powerful portrayal of the emotional toll of precarity and the desire to break with capitalism, Keep the Aspidistra Flying is a significant work of mid-century British fiction but it also speaks to our own time. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

1984. Nineteen Eighty-Four. Animal farm-George Orwell 2020-12-31 The only mistake George Orwell made in his anti-utopia 1984 was the date. A lot of things that he described as if happening in 1984 can be observed in the nowadays world. However, he depicted the future that everyone should be afraid of at any time. The iconic story Animal Farm and the novel 1984 are his brightest works written in the anti-utopian genre that flourished in the 20th century. The pioneer of the anti-utopia is considered to be a Russian writer Yevgeny Zamyatin, whose novel We influenced on the Orwell's works and not less famous Aldous Huxley, the author of Brave New World. And what is more, it was Orwell, who came up with an expression the Cold War. Nineteen Eighty-Four Animal farm

Critical Role of Animal Science Research in Food Security and Sustainability-National Research Council 2015-03-31 By 2050 the world's population is projected to grow by one-third, reaching between 9 and 10 billion. With globalization and expected growth in global affluence, a substantial increase in per capita meat, dairy, and fish consumption is also anticipated. The demand for calories from animal products will nearly double, highlighting the critical importance of the world's animal agriculture system. Meeting the nutritional needs of this population and its demand for animal products will require a significant investment of resources as well as policy changes that are supportive of agricultural production. Ensuring sustainable agricultural growth will be essential to addressing this global challenge to food security. Critical Role of Animal Science Research in Food Security and Sustainability identifies areas of research and development, technology, and resource needs for research in the field of animal agriculture, both nationally and internationally. This report assesses the global demand for products of animal origin in 2050 within the framework of ensuring global food security; evaluates how climate change and natural resource constraints may impact the ability to meet future global demand for animal products in sustainable production systems; and identifies factors that may impact the ability of the United States to meet demand for animal products, including the need for trained human capital, product safety and quality, and effective communication and adoption of new knowledge, information, and technologies. The agricultural sector worldwide faces numerous daunting challenges that will require innovations, new technologies, and new ways of approaching agriculture if the food, feed, and fiber needs of the global population are to be met. The recommendations of Critical Role of Animal Science Research in Food Security and Sustainability will inform a new roadmap for animal science research to meet the challenges of sustainable animal production in the 21st century.

The Incredible Journey-Sheila Burnford 2011-01-05 Fans of Old Yeller, Where the Red Fern Grows, and Shiloh will love this timeless classic about two dogs and a cat that embark on a journey to return to their owner and inspired the movie Homeward Bound. An inquisitive Labrador retriever, friendly bull terrier, and courageous Siamese cat set out through the Canadian wilderness to find their owner in this truly "incredible" adventure. Instinct tells them that the way home lies to the west and together the three house pets face hunger, the natural elements, and wild forest animals as they make their way home to the family they love. This beloved classic that inspired the movie Homeward Bound has captured the hearts of generations of readers. The lengths to which these three animals will go for each other and for their owner make for a thrilling and thoroughly unforgettable tale. "Captivating! A tale of charm [and] high drama."—The New York Times "A classic."—The Atlantic "From the youngest child...to the oldest grown-up, there is something here for everyone."—The Horn Book "An incredible book! A beautiful story so moving that it stays in the mind constantly. It is a gem to be treasured."—The St. Louis Post-Dispatch "I have read The Incredible Journey with much enjoyment. Obviously the author has a great knowledge of animals and a great love for them."—Joy Adamson, author of Born Free "A clever story and evocative writing will keep animal lovers and adventure fans turning the pages."—Common Sense Media Pacific Northwest Young Reader's Choice Award Winner William Allen White Award Winner Dorothy Canfield Fisher Award Winner

Born A Crime-Trevor Noah 2016-11-17 WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show The Daily Show with Trevor Noah, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, Born a Crime tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. Born a Crime is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. Born a Crime is a must read.

Esperanza Rising (Scholastic Gold)-Pam Muñoz Ryan 2012-10-01 Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

Recognition and Alleviation of Pain and Distress in Laboratory Animals-National Research Council 1992-01-01 Clear guidelines on the proper care and use of laboratory animals are being sought by researchers and members of the many committees formed to oversee animal care at universities as well as the general public. This book provides a comprehensive overview of what we know about behavior, pain, and distress in laboratory animals. The volume explores: Stressors in the laboratory and the animal behaviors they cause, including in-depth discussions of the physiology of pain and distress and the animal's ecological relationship to the laboratory as an environment. A review of euthanasia of lab animals—exploring the decision, the methods, and the emotional effects on technicians. Also included is a highly practical, extensive listing, by species, of dosages and side effects of anesthetics, analgesics, and tranquilizers.

The Giver-Lois Lowry 2014-07-01 Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

I Can't Make This Up-Kevin Hart 2017-06-06 New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word by writing some words. Some of those words include: the, a, for, above, and even even. Put them together and you have a "hilarious but also heartfelt" (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. "Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial,

entertaining guide to a life in comedy” (Kirkus Reviews).

\$2.00 a Day-Kathryn J. Edin 2015-09-01 The story of a kind of poverty in America so deep that we, as a country, don't even think exists from a leading national poverty expert who defies convention (“New York Times”)

White Trash-Nancy Isenberg 2016 "A history of the class system in America from the colonial era to the present illuminates the crucial legacy of the underprivileged white demographic, citing the pivotal contributions of lower-class white workers in wartime, social policy, and the rise of the Republican Party"--NoveList.

Animal Farm Study Guide and Student Workbook-BMI Staff 2010-09-01

Soil and Water Quality-National Research Council 1993-02-01 How can the United States meet demands for agricultural production while solving the broader range of environmental problems attributed to farming practices? National policymakers who try to answer this question confront difficult trade-offs. This book offers four specific strategies that can serve as the basis for a national policy to protect soil and water quality while maintaining U.S. agricultural productivity and competitiveness. Timely and comprehensive, the volume has important implications for the Clean Air Act and the 1995 farm bill. Advocating a systems approach, the committee recommends specific farm practices and new approaches to prevention of soil degradation and water pollution for environmental agencies. The volume details methods of evaluating soil management systems and offers a wealth of information on improved management of nitrogen, phosphorus, manure, pesticides, sediments, salt, and trace elements. Landscape analysis of nonpoint source pollution is also detailed. Drawing together research findings, survey results, and case examples, the volume will be of interest to federal, state, and local policymakers; state and local environmental and agricultural officials and other environmental and agricultural specialists; scientists involved in soil and water issues; researchers; and agricultural producers.

Why I Write-George Orwell 2021-01-01 George Orwell set out ‘to make political writing into an art’, and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell’s essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell’s Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the ‘four great motives for writing’ – ‘sheer egoism’, ‘aesthetic enthusiasm’, ‘historical impulse’ and ‘political purpose’ – and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell’s mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer’s oeuvre. ‘A writer who can – and must – be rediscovered with every age.’ – Irish Times

Basis of Assets- 1993

Becoming George Orwell-John Rodden 2020-02-04 The remarkable transformation of Orwell from journeyman writer to towering icon Is George Orwell the most influential writer who ever lived? Yes, according to John Rodden’s provocative book about the transformation of a man into a myth. Rodden does not argue that Orwell was the most distinguished man of letters of the last century, nor even the leading novelist of his generation, let alone the greatest imaginative writer of English prose fiction. Yet his influence since his death at midcentury is incomparable. No other writer has aroused so much controversy or contributed so many incessantly quoted words and phrases to our cultural lexicon, from “Big Brother” and “doublethink” to “thoughtcrime” and “Newspeak.” Becoming George Orwell is a pathbreaking tour de force that charts the astonishing passage of a litterateur into a legend. Rodden presents the author of Animal Farm and Nineteen Eighty-Four in a new light, exploring how the man and writer Orwell, born Eric Arthur Blair, came to be overshadowed by the spectral figure associated with nightmare visions of our possible futures. Rodden opens with a discussion of the life and letters, chronicling Orwell’s eccentricities and emotional struggles, followed by an assessment of his chief literary achievements. The second half of the book examines the legend and legacy of Orwell, whom Rodden calls “England’s Prose Laureate,” looking at everything from cyberwarfare to “fake news.” The closing chapters address both Orwell’s enduring relevance to burning contemporary issues and the multiple ironies of his popular reputation, showing how he and his work have become confused with the very terrors and diseases that he fought against throughout his life.

The Things They Carried-Tim O'Brien 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Nights with Uncle Remus-Joel Chandler Harris 1911 Traditional tales told by slaves, written in dialect.

The Triangle Fire-Jo Ann Argersinger 2016-04-01 This new edition reflects and reinforces the continuing popular interest in the Triangle Fire of 1911. The Introduction provides critical context by exploring the demands industrialization placed upon urban working women, their fight to unionize, and the fire’s significance in the greater scope of labor reform. By adding new sources that elevate the voices of immigrant women workers as they organized to gain better working and living conditions, Jo Ann E. Argersinger challenges students to analyze the important political and economic roles held by these “factory girls.” The diversity of sources helps to engage students as they explore the impact of a major event in a significant era of American history. Several pedagogical tools are also included to aid students’ understanding and analysis: headnotes preceding each document offer critical historical context; a chronology of the strike and fire is provided for historical reference; questions for consideration are designed to stimulate deeper analysis; and a bibliography with suggested sources and a list of relevant Web sites encourage further exploration of the topic.
