Unlimited Power (Summary)-Anthony Robbins 2006 getAbstract Summary: Get the key points from this book in less than 10 minutes.Do you want to take control of your life, abolish your limitations and achieve your most elusive goals? Anthony Robbins teaches you how to do just that. You'll learn how your brain processes information and how to manipulate that process to your advantage. You'll explore the science of "Neuro-Linguistic Programming" (NLP), the study of human neurology, so you can analyze and duplicate your successes. Robbins uses NLP extensively, although many experts debunk it. He explains that the best path to success is to find an accomplished person, discover his or her strategies for becoming successful, and duplicate that process. He also weighs in on how to keep your weight down, communicate and eliminate bad habits. By the way, he cautions against skimming this book to separate the self-help wheat from the chaff. Instead, he encourages you to read every page and perform every exercise. This is not easy because he explains each concept at least two or three ways. However, Robbins has a big following and is clearly onto something; getAbstract thinks you might want to find out just what. This book is a good place to start if you seek a personal achievement makeover.Book Publisher:Copyright 1986 by Robbins Research Institute. Summary Of *Unlimited Power: The New Science Of Personal Achievement*, By Anthony Robbins-Sapiens Editorial 2017-09-03 ABOUT THE ORIGINAL BOOK: In his book, Anthony Robbins presents his basic theory of the power of attitude and individual thought. The theory states that the essential problem of people is not in the circumstances that they live with, but in the vital attitude which they assume. "Life will pay any price you ask," says the author, but then clarifies that it is necessary to give our best in any activity that we engage in. The quest for success is to know exactly what one aspires to achieve and then moving on with the action plan that allows that desire to be fulfilled. "*Unlimited Power*" shows you the steps that you must take on the path that will guarantee the success and achievement of your goals. It is a guide for your actions that will bring you to a good life.

*The Path*-Peter Mallouk 2020-10-13 Accelerate your journey to financial freedom with the tools, strategies, and mindset of money mastery. Regardless of your stage of life and your current financial picture, the quest for financial freedom can indeed be conquered. The journey will demand the right tools and strategies

along with the mindset of money mastery. With decades of collective wisdom and hands-on experience, your guides for this expedition are Peter Mallouk, the only man in history to be ranked the #1 Financial Advisor in the U.S. for three consecutive years by Barron's (2013, 2014, 2015), and Tony Robbins, the world-renowned life and business strategist. Mallouk and Robbins take the seemingly daunting goal of financial freedom and simplify it into a step-by-step process that anyone can achieve. The pages of this book are filled with real-life success stories and vital lessons, such as... • Why the future is better than you think and why there is no greater time in history to be an investor • How to chart your personally tailored course for financial security • How markets behave and how to achieve peace of mind during volatility • What the financial services industry doesn't want you to know • How to select a financial advisor that puts your interests first • How to navigate, select, or reject the many types of investments available • Success without fulfillment is the ultimate failure! Financial freedom is not only about money—it's about feeling deeply fulfilled in your own personal journey "Want an eye-opening guide to money management—one that tells it like it is and will make you laugh along the way? Peter Mallouk's tour of the financial world is a tour de force that'll change the way you think about money." —Jonathan Clements, Former Columnist for The Wall Street Journal "Robbins is the best economic moderator that I've ever worked with. His mission to bring insights from the world's greatest financial minds to the average investor is truly inspiring." —Alan Greenspan, Former Federal Reserve Chairman "Tony is a force of nature." —Jack Bogle, Founder of Vanguard

The Untethered Soul (EasyRead Super Large 24pt Edition)-Michael A. Singer 2009-10-06 The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

The First Major-John Feinstein 2017-10-24 From the #1 New York Times bestselling author of A Good Walk Spoiled, a dramatic chronicle of the bitterly-fought 2016 Ryder Cup pitting a U.S. team out for revenge against the Europeans determined to keep the Cup out of American hands. Coming into 2016, the Americans had lost an astounding six out of the last seven Ryder Cup matches, and tensions were running high for the showdown that took place in October, 2016 in Hazeltine, Minnesota, just days after American legend Arnold Palmer had died. What resulted was one of the most raucous and heated three days in the Cup's long history. Award-winning author John Feinstein takes readers behind the scenes, providing an inside view of the dramatic stories as they unfolded: veteran Phil Mickelson's two-year roller-coaster as he upended the American preparation process and helped assemble a superb team; superstar Rory McIlroy becoming the clear-cut emotional leader of the European team, and his reasons for wanting to beat the US team so badly this time around; the raucous matches between McIlroy and American Patrick Reed - resulting in both incredible golf, and several moments that threatened to come to blows; the return of Tiger Woods not as a player but an assistant captain, and his obsession with helping the US win - which was never the case when he was playing. John Feinstein's classic bestseller, A Good Walk Spoiled, set the bar for golf books. Now Feinstein provides his unique take on the Ryder Cup, which has clearly become golf's most intense and emotional event...it's 'first Major.'
