iPhone 12 Guide-Tom Rudderham 2020-10-21 The iPhone has never been more indispensable than it is now. It's a device that enables us to stay in touch with loved ones wherever they are around the world. It lets us capture important moments and relive treasured memories, and it keeps us informed and entertained. The iPhone 12 takes one of the most significant steps forward, in both design and technology. It includes support for 5G, improved wireless charging, a beautiful new design, and it comes in four different sizes. This book is the ultimate step-by-step guide to the iPhone 12, iPhone 12 mini, and iPhone 12 Pro. Brought to you by the expert team at Leaf Publishing, and written by best-selling technology author Tom Rudderham, iPhone 12 Guide is packed with top tips and in-depth tutorials. You'll uncover the basics of activating and using your iPhone, learn how to take incredible photos, discover how to use iOS 14 and its built-in apps, plus much more. By the time you've finished reading iPhone 12 Guide, you'll be a pro in nearly everything iPhone and iOS related. Inside you'll discover: - All the basics covered, including buttons, gestures, and typing - How to find and install apps - Step-by-step tutorials for browsing the internet - Instructions for setting up accounts and checking emails - How to make video calls to loved ones - The secrets of mastering iPhone photography - How to configure Settings & much more!

iPhone: The Missing Manual-David Pogue 2013-10-28 Answers found here! In iOS 7, Apple gave the iPhone the most radical makeover in its history. The new software is powerful, sleek, and a perfect companion to the iPhone 5s and 5c—but it's wildly different. Fortunately, David Pogue is back with an expanded edition of his witty, full-color guide: the world's most popular iPhone book. The important stuff you need to know: The iPhone 5s. This book unearths all the secrets of the newest iPhone—faster chip, dual-color flash, fingerprint scanner, and more—and its colorful companion, the 5c. The iOS 7 software. Older iPhones gain Control Center, AirDrop, iTunes Radio, free Internet phone calls, and about 197 more new features. This book covers it all. The apps. That catalog of 1,000,000 add-on programs makes the iPhone's phone features almost secondary. Now you'll know how to find, manage, and exploit those apps. The iPhone may be the world's coolest computer, but it's still a computer, with all of a computer's complexities. iPhone: The Missing Manual is a funny, gorgeously illustrated guide to the tips, shortcuts, and workarounds that will turn you, too, into an iPhone addict.

Help Me! Guide to iPhone 6s-Professor Charles Hughes 2015-10-23 Need help with the iPhone 6S or iPhone 6S Plus? The iPhone 6S and 6S Plus introduced the 3D Touch feature, which completely redefines how you use your iPhone. Many other new features were also introduced in iOS 9. This guide will introduce you to these new features, as well as iOS 9. The Guide to the iPhone 6S gives task-based instructions without using any technical jargon. Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the iPhone. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary instructions in lengthy paragraphs, this book gives unambiguous, simple step-by-step procedures. Additionally, detailed screenshots help you to confirm that you are on the right track. This guide also explains Secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you get stuck, refer to the Troubleshooting section to isolate and solve the problem. Help is here!

Apple Watch Tips & Tricks: Unlocking the Amazing, Time Saving Potentials & Fun Features in WatchOS 6 (The Simplified Manual for Kids and Adults)-Dale Brave 2019-12-13 Apple Watch Series 5 is the latest Smartwatch in the Apple lineup. It offers several unique features to make the users more active and better monitor their health among several other great features for humanity. This high-end Smartwatch could be useful for business users, including improved travel notifications and call capabilities. The Apple Watch looks pretty attractive, right? You must have read and heard about the exciting features like: monitoring your ECG and heart beat rate, fitness and exercise, location navigation and many more. As amazing as all the new features are, it's not quite as easy to use like an iPhone or iPad; the lack of buttons, the smaller screen, and general UI can make a frustrating initial experience. To make things simple, Author Dale Brave has exclusive tips and tasks you can achieve with your new Apple Watch Series. This book has exclusive tips and in-depth tutorials

iPad 2: The Missing Manual-J.D. Biersdorfer 2011-11-23 With iOS 5, Apple added more than 200 new features to the iPad 2, but there's still no printed guide to using all its amazing capabilities. That's where this full-color Missing Manual comes in. You'll learn how to stuff your iPad with media, organize your personal life, wirelessly stream content to and from your tablet, stay connected to friends, and much more. The important stuff you need to know: Build your media library. Fill your iPad with music, movies, TV shows, eBooks, eMagazines, photos, and more. Go wireless. Sync content between your computer and iPad—no wires needed. Get online. Connect through WiFi or Wi-Fi + 3G, and surf the Web using the iPad's new tabbed browser. Consolidate email. Read and send messages from any of your email accounts. Get social. Use built-in apps like iMessage, Twitter, and Ping to stay in touch. Store stuff in iCloud. Stash your content online for free, and sync up all your devices automatically. Interact with your iPad. Learn new finger moves and undocumented tips, tricks, and shortcuts.

RealAge-Michael F. Roizen, M.D. 1999-03-03 What is aging? Aging is not a mysterious metaphysical phenomenon. Aging happens in the particulars. Your arteries become clogged. Your arthritis flares up. Age is not just a chronological measurement; it's the rate at which the primary internal guardians of health--your cardiovascular and immune systems--decline. While your chronological age is fixed, your biological age may be years older--or younger--depending on a combination of factors. RealAge offers a revolutionary, systematic program that calculates the aging effect of more than 100 different health behaviors--ranging from diet and medication to stress control and chronic smoking--and enables you to assess your own biological age. Most important, it shows you how to design a specific path to improving or reversing your own aging trajectory. Developed by Dr. Michael F. Roizen, chair of anesthesia and critical care at the University of Chicago and preventive gerontologist, along with four other scientists, the RealAge program is based on cutting-edge scientific research. Dr. Roizen and his team have pored over 25,000 medical studies, evaluating what they tell us about aging and what they tell us about the prevention of aging. In RealAge, they present the complete results of their analysis for the first time. Each chapter covers a broad health topic--for example, how the right vitamins and supplements, exercise, or diet can be used to control how your genes affect you--and calculates the RealAge advantage you will gain by adopting a specific behavior. Charts, fact sheets, and tests give you specific choices to make and describe benefits to be gained so you can measure your success. Suggested behavior changes are rated in order of difficulty so you can decide whether the result is worth the effort. Ultimately, this program is about maintaining your health. The better condition you are in, the better prepared you will be to fight the factors that age you. RealAge demonstrates that you can have more control over the aging process. It makes science simple and its promise is irresistible: You may live as young at seventy as you did at forty-four. Remember your high school reunion? Even though everyone was the same chronological age, people no longer looked the same. Some wore the years well, staying young and exuberant despite the passage of time, whereas others looked as if they had aged ten years more than everyone else--and probably had. Did you know that: Financial stress can make your RealAge two to thirty-two years older? The difference between having the ideal blood pressure 115/76--and high blood pressure--higher than 140/90--can make a RealAge difference of more than twenty years? A tablet of aspirin a day can make your RealAge 1.9 years younger? Flossing daily and seeing a dentist and dental hygienist every six months can make your RealAge 6.4 years younger? In RealAge you will discover many other easy-to-institute Age Reduction Strategies that will enable you to live longer and younger.

Teach Yourself VISUALLY iPhone 11, 11Pro, and 11 Pro Max-Guy Hart-Davis 2020-02-11 Know your new iPhone 11, 11 Pro, and 11 Pro Max from the inside-out with 900 color screen shots!
