April-Audrey Carlan 2015-08-03 "Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." – Katy Evans, NYT Bestselling Author Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason “Mace” Murphy the next “it” pitcher for the Boston Red Sox and my client. He’s immature, arrogant, sexy as sin, and the last man that’s going to get into my panties. He’s not used to hearing the word no from women, so I’m going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he’s everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he’s God’s gift to women, a man-whore, throws money around like it grows on trees, and concocted. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. *** Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia’s journey as an escort to twelve clients in twelve different locations. I am in love with these books. –Hooks & Books Blog “This story was exciting, quick; but well paced and full of loveable characters. I haven’t met a character in this series that I haven’t liked yet!” –Nico and Nau Synopsis It’s really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn’t matter. All that mattered is that at the end of that price tag held my father’s life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you’re faced with an ultimatum like this, you do whatever you have to do. And that’s exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she’d fallen head over heels for. Not anymore. Mia’s mission is simple. Serve as a high-priced escort for her Aunt’s company and pay monthly against her Father’s bad debt. A month with a rich man who she doesn’t have to sleep with if she doesn’t want to? Easy money. At least that’s the way it was supposed to go. February-Audrey Carlan 2015-08-03 “Mia’s whirlwind journey is a refreshing mix of adventure, soul-searching, and steaming hot physical intensity that packs an emotional punch.” –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A muse. Me. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist’s muse. For a month, I had no idea when I took the escort job with Exquisite Escorts I would be standing naked in front of a blank canvas in a Seattle warehouse. “Love on Canvas” he calls his exhibit, a combination of photographic stills and painting intended to create the most awe-inspiring pieces the world will ever see. Except every last one of them features me and a moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities, teaching me lessons about love and life that would stay with me through the rest of my days. *** Mia Saunders continues her mission to bail out her comatose father whose life is on the line to a dangerous loan-shark who happens to be Mia’s ex-boyfriend. For this journey, she serves as a high-priced escort to French artist named Alec Dubois in Seattle, Washington. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content. May-Audrey Carlan 2015-08-03 “A sexy, fast-paced, and downright addictive read. I devoured every word of Mia’s journey.” –Meghan March, USA Today Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D’Amico, to serve as head model for the “Beauty Comes in All Sizes” swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling “partner,” I’d never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, trew trunk thighs, and a look that rivaled “The Rock.” The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I’d ever seen, and I couldn’t wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia’s journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content. December-Audrey Carlan 2015-12-29 “Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books.” –Hooks & Books Blog Synopsis Mountains, miracles, and marriage. I had no idea what to expect when the producers of Dr. Hoffman sent me to the pristine white mountains of Aspen, Colorado. As the town of Aspen is known for being a winter haven for uber-rich Americans, I knew this desert cactus was going to be way out of her element. The ace up my sleeve however, was a high-class movie-making surfer whose family owned a cabin in those snowy hills. With him by my side, I’d make the most out of the experience. The job was assigned under unusual circumstances. An anonymous mountain man paid a hefty fee to persuade the producers of my show to send me out for a segment on local artisans. Sued up in my parka and Ugg boots, I put the warmth of the California sun in the rearview mirror and headed to a winter wonderland. With my newfound family in tow, I was prepared to celebrate the best month the year had to offer...until the one woman who drastically changed my life all those years ago appeared like a shadow out of pure frosted air, shattering my soul all over again. *** In the twelfth and final book in the Calendar Girl serial, Mia is off to Aspen, Colorado to film a segment on local artists. Prepare to be wowed as Mia’s journey merges into the ending everyone has been waiting for. Warning: This book is designed for audiences 18+ due to language and graphic sexual content. Calendar Girl Anthology-Audrey Carlan 2018-08-01 Volume One: Mia Saunders needs money. A lot of money. Spend a month with a rich man whom she doesn’t have to sleep with if she doesn’t want to? Easy money. Unlucky in love with a spirit that never gives up, this curvy motorcycle-riding vixen plans to get in, make her money, and get out. Volume Two: Unwilling escort Mia Saunders’s journey continues in the second anthology of the Calendar Girl series! In the next three months, Mia heads to Boston, Oahu, and Washington DC. Mia rounds out June as the arm candy for Warren Shipley, a member of the wealthy one percenters. Although she’s pretending to be a gold-digger, Warren turns out to have a heart of gold. March-Audrey Carlan 2015-08-03 “Be prepared for a serious book hangover as you embark on a year’s worth of sexy heroes and wild rides!” –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I’m going to Chicago to pretend to be some Italian Stallion’s future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I’m not paid to know why. I’m paid \$100,000 to be his escort, or in this case, the woman he’s supposedly “going” to marry. The moment I met Antony “Tony” Fasnano, I thought I might have lost my ability to breathe. In my twenty four years of life, I’d not seen anything like him. Clad only in a small towel precariously dangling from his hips–water droplets streaming down every inch of his muscular frame–I knew right then and there, I’d finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée. June-Audrey Carlan 2015-08-03 “Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books.” –Hooks & Books Blog Synopsis Politics, phallic statues, and pretty women. Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms. Looks as though my hot streak ended when Warren Shipley, one of the nation’s wealthiest men, hired me to play arm-candy to save face with the other one percenters he did business with. At least that’s what I thought when I arrived in Washington, DC, until I was met by old man Shipley’s debonair and insanely handsome son. The Senator from California, Aaron Shipley, Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere wanted a taste of that power. Me, I’d always thought politics were boring...boy was I wrong. Democracy had never been more exciting. *** In the sixth book of the Calendar Girl serial, Mia is sent to our nation’s capital, Washington, DC. Still on her mission to save her father, she embraces the life of a gold-digging mistress in order to get a life-saving project off the ground. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia’s journey as an escort to twelve clients in twelve different locations. Biker Beauties-Audrey Carlan 2019-12-30 From Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. The Biker Beauties is a collection of interconnected standalone novellas. They can be read out of order if desired. They are high in heat, but don’t forget the sweet. Calendar Girl-Tricia Stewart 2003-11-25 It was a crazy idea and good for a laugh at the time: When Tricia Stewart proposed a more risqué treatment for her local Women’s Institute’s annual calendar, which normally featured tranquil scenes from nature, laughing alongside her was John Baker, the husband of the soon-to-be Miss February, Angela. When John passed away from cancer, the Ladies of Rylstone decided that posing nude for the calendar and donating the proceeds was one way to honor his memory and cope with this devastating loss. No one could have predicted what happened next. The calendar began to sell, and soon the whole world, it seemed, was interested in their story, with an American tour following and appearances on the Today show, 20/20, CNN, and the Tonight Show. Redeeming Lottie-Melissa Ellen 2018-02-01 I had a plan for my life. One that would never involve marriage, or kids, or being stuck in the one-horse Texas town I grew up in. I saw how it worked out for my parents, and I wanted no part of their heartbreak. So I ran. My career was the only commitment I had time for. The only one I was ever willing to make. But life didn’t care about my plan. I went to expect to go home again, but here I am. I never, ever planned on seeing Tucker Monroe again, but here he is. His sexy smile and country charm were the reason I left. But with every smirk this single dad gives me, I’m finding it hard to remember why. All that’s on my mind is Tucker, but I can’t give in to the feelings that never quite went away. I have to remember what my ambitions are. But he’s too tempting. And just as dangerous for me as he ever was... Valentine-Elizabeth Wetmore 2020-03-31 An instant New York Times Bestseller A Read with Jenna Today Show Book Club Pick! “A thrilling debut that deserves your attention.” –Ron Charles, the Washington Post Written with the haunting emotional power of Elizabeth Strout and Barbara Kingsolver, an astonishing debut novel that explores the lingering effects of a brutal crime on the women of one small Texas oil town in the 1970s. Mercy is hard in a place like this . . . It’s February 1976, and Odessa, Texas, stands on the cusp of the next great oil boom. While the town’s men embrace the coming prosperity, its women intimately know and fear the violence that always seems to follow. In the early hours of the morning after Valentine’s Day, fourteen-year-old Gloria Ramirez appears on the front porch of Mary Rose Whitehead’s ranch house, broken and barely alive. The teenager had been viciously attacked in a nearby oil field—an act of brutality that is tried in the churches and barrooms of Odessa before it can reach a court of law. When justice is evasive, the stage is set for a showdown with potentially devastating consequences. Valentine is a haunting exploration of the intersections of violence and race, class and region in a story that plumbs the depths of darkness and fear, yet offers a window into beauty and hope. Told through the alternating points of view of indelible characters who burrow deep in the reader’s heart, this fierce, unflinching, and surprisingly tender novel illuminates women’s strength and vulnerability, and reminds us that it is the stories we tell ourselves that keep us alive. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world. Think Like a Monk-Jay Shetty 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you’ll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills joy -How to love your fear -Why you can’t find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk’s path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world’s largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world’s most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world’s #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power: Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk. Triple Crown-Felix Francis 2016-10-11 Jefferson Hinkley is back in the newest thriller in the Dick Francis tradition, this time on a special mission to the United States to investigate a conspiracy involving the biggest horse races in the country. Jeff Hinkley, investigator for the British Horseracing Authority, has been seconded to the US Federal Anti-Corruption in Sports Agency (FACSA) where he has been asked to find a mole in their organization—an informant who is passing on confidential information to those under suspicion in American racing. At the Kentucky Derby, Jeff joins the FACSA team in a raid on a horse trainer’s barn at Churchill Downs, but the bust is a disaster, and someone ends up dead. Then, on the morning of the Derby itself, three of the most favored horses in the field fall sick. These suspicious events can be no coincidence. In search of answers, Jeff goes undercover as a groom on the backstretch at Belmont Park racetrack in New York. But he discovers far more than he was bargaining for: corrupt individuals who will stop at nothing—including murder—to capture the most elusive prize in world sport, the Triple Crown. From the Hardcover edition. Soul-Audrey Carlan 2015-10-27 I was a dead woman. I’d finally had a glimpse of true love, admiration, and the kind of devotion only your soulmate, your other half, could provide...until it was physically ripped away. Taken. My stalker had me, and there was little hope I’d be found. I knew Chase would use all his money and resources to search the ends of the Earth for me, but I knew the monster I was dealing with. Years of looking into the eyes of pure evil gave me the unique experience to know that my situation was dire. If Chase didn’t find me soon, I’d be gone forever. *** In the third and final novel in the erotic suspense, Trinity Trilogy, SOUL connects with the reader by providing the story through the eyes of Gillian, Chase, and the man that wants to own her soul but can’t for she’s already given it to another. Everyone is on the hunt to save Gillian from the arms of a killer. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy, Book 1) the issue of domestic violence plays heavily in the storyline, and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. As with all my books, the characters will ultimately have their happily ever after. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. SOUL is book 3 of a three-part trilogy. Body (Trinity Trilogy - Book 1) and Mind (Trinity Trilogy - Book 2) must be read prior to reading SOUL.
