This is the book you need for those times in your life when even your most strenuous efforts to follow Christ end in frustration. Christian Self-Mastery explains why following Him can be so difficult — and how you can start now to make progress even in the most vexing areas of your life. Author Fr. Basil W. Maturin insists that no matter how hard you're trying now, you can have a better relationship with God and greater self-mastery — if you follow his simple steps to getting your passions in check and improving your knowledge of your own motives, desires, and fears. Fr. Maturin emphasizes the crucial role that self-discipline plays in your spiritual life and gives you solid ways you can distinguish it from counterfeits and avoid common mistakes people make when they try to change their habits and live for God. This extraordinary book will help you in myriad ways to rise above your limitations and truly meet God! Start on the way to true self-mastery as you learn: Two things you must know in order to make any progress at all in your spiritual life Why it's dangerous for you to try to adopt a large number of spiritual disciplines all at once Self-knowledge: why it involves so much more than its contemporary counterfeit, self-analysis Two ways to avoid self-deception when you look at yourself (caution: you'll probably be surprised at who you really are!) Why self-control and self-denial are not morbid and gloomy, but hopeful and even joyful — when undertaken properly Self-discipline: how it will restore your soul to its full power. Three things you must have in order to gain this power The mistake many people make when trying to rid themselves of evil thoughts: are you falling into this trap too? Love: the holy school that will purify and ennoble yours — and help you steer clear of prevalent modern counterfeits And more that will show you the value of self-mastery — and give you solid directions for attaining it!

A Book of Angels-Marigold Hunt 2006-09-01

Angel stories from the Bible — for kids

Modern believers may be tempted to look upon angels as one of the more fanciful elements of Scripture, but this illuminating and entertaining collection of angel stories from the Bible shows that there are just too many angels for them to be metaphorical, allegorical, or unimportant.

So that children will come to know and learn to revere angels, Marigold Hunt explains what angels are (and are not!) and gathers here in one volume most of the stories of angels in the Bible, including exciting tales of:

1. The fallen angels, beginning with the devil himself, tempting Adam and Eve
2. The angel who barred the gates of Eden so Adam and Eve could never enter again
3. The angels who announced that Sara, Abraham's aged wife, would have a baby
4. The angels who tried to save Lot from destruction with the city of Sodom
5. The angel who stayed Abraham's hand as he was about to sacrifice his son Isaac
6. The angels in Jacob's dream who climbed the stairway to Heaven
7. The angels who saved Sidrach, Misach, and Abdenago from the fiery furnace
8. The angel Raphael, who shielded Tobias from death, and protected his wife Sara
9. The angels at the Ascension who chided the apostles for staring at the sky
10. The angel Gabriel, who foretold the birth of Jesus and John the Baptist
11. The choirs of angels who sang above Bethlehem when Jesus was born
12. The angel who carried food to Daniel when he was imprisoned in the lion's den
13. The angel who freed Peter from prison, and, of course:
14. The countless angels who fill the marvelous pages of the Book of Revelation

Children will be charmed by these exciting tales.
