Amazed and Confused-Heather Zempel 2014-03-11 Most people have prayed for something or someone in earnest, seeking God's will, only to be left confused by God's response. Sometimes we ask, "Why would a good God allow bad things to happen to good people?" In Amazed and Confused, Heather Zempel tackles this question head-on by exploring the book of Habakkuk. When the prophet Habakkuk prayed that God would bring change to the backsliding nation of Israel, this issue came to the forefront. Habakkuk begged God for revival and that He would turn the hearts of faithless people back to Him. God's answer to Habakkuk was, "Take a look at the nations and watch what happens! You will be shocked and amazed" (1:5, The Voice). The vision God gave Habakkuk was one of warfare and exile. How do you respond when God answers your prayers in a way that seems out of line with his character and promises? Amazed and Confused proceeds systematically through the book of Habakkuk, exploring the prophet's prayer, God's response, and the prophet's journey from confusion to worship. This interactive Bible study is the perfect choice for those who are hurting and confused about God's responses to their prayers. Features include: Helpful guidance on a question without an easy answer Practical tools for studying the Minor Prophets Easy-to-understand, accessible language
