Cuckold Nights Trilogy (Interracial Erotica Bundle)-Jane Snow This hot bundle pulls together three tales of interracial cuckold romance. One story features a couple finding a big black man through an app and inviting him to a bar for a wild night. The second story features a couple that decides to get some room service and gets a lot more than they hoped for. The last features a hot wife and her husband who wants to watch her with a black man in their bed... Cuckold Nights 1 - At the Bar Amy stumbled upon her husband's secret stash of adult videos and is confused by some of the titles. There's a constant reference to an acronym, BBC, and a word she's not familiar with, cuckold. She decides to try watching one and is stunned to see it's an amateur film with a white woman and a well hung black man... with the white woman's husband filming! She's stunned and enthralled by the footage, and doesn't realize when her husband walks in. An awkward silence fills the air before Amy questions her husband on exactly what the footage is. He meekly responds to her, admitting that its his fantasy to see her with a black man, like in the amateur movie. Amy struggles to understand her husband's fantasy but as she glances at the paused footage, she feels her body growing warm at the sight of the black man's impressive member. Amy agrees to fulfill her husband's fantasy and immediately loads a hookup app on her phone. Her husband is nervous at first but once the married couple meets Tyrone on the app, he gets excited. Amy agrees to meet Tyrone at a bar in a seedy neighborhood and Ryan follows along. The two have quite the wild night at the bar... Cuckold Nights 2 - Room Service Rick and Lyn are on a trip to Jamaica for a long awaited vacation. Rick has been busy at work, getting it ready to go from a bustling private startup to a stream lined public company. Unfortunately for Lyn, that has meant long, lonely nights and she can't wait to get in bed with her husband. When they arrive in Jamaica, she can't keep her eyes off the well built statuesque black men wearing tight briefs on the beach playing volleyball. Rick takes notice but doesn't say a word. Once they reach the hotel, Lyn pounces on Rick but he's a bit quick... He washes up and steps back out to ask if Lyn is interested in fulfilling a fantasy of his. She's hesitant at first but asks what it is. When Rick informs her that its to see her with a big black man, she can't help but say yes, feeling not only frustrated but also wondering if the big packages in the black men's briefs were real... Cuckold Nights 3 - In Our Bed Carrie and John are in a sexless marriage, and with all the stress John has been going through, he's been having a hard time getting excited in bed. They visit a doctor and John informs Carrie that the doctor thinks its mental. Apparently, according to the doctor, John should consider talking through his fantasies with Carrie. Carrie is interested and immediately asks John what his fantasy is. John is hesitant at first but he finally opens up... He wants to see her with a black man, in their bed. Most likely some sort of repressed sexual desire from growing up in Alabama. Even after moving to New York, John thinks the desire must have followed. After a short pause, Carrie agrees to fulfill John's fantasy. John is stunned but the two begin using a casual dating app to find someone. They find a big black man to fulfill John's wild interracial cuckold fantasy... Books in the Well Endowed Charity Series also donates all earnings to well rated charities to help causes that the PEAR Stories authors believe in.

Black Owned: The Collection: Volume 1: Books 1 - 3-Constance Pennington Smythe 2017-05-11 The first three Black Owned themed books by erotic and fetish author Constance Pennington Smythe have been assembled into this Volume 1 collection. The books include Black Owned, Black Owned: Society Slaves, and WSB Club. The books contain stories and scenes of Dominant Females, Black Masters, chastity, cuckolds, cross dressing, sissy maids and humiliation. Note: While the manuscripts have been tweaked there is NO new content, all the original characters, scenes, dialogue and story lines are intact. If you bought the original books, the story has not changed. This collection simply puts a cleaner version all in one place in reading order. The discounted collection price represents a good buy over purchasing the individual books for someone who has not read them. FROM the AUTHOR: When I first wrote Black Owned (OMG, it seems ages ago!) it was a one-off, simply a short story on a new theme: Interracial BDSM. It was never intended to be a 'series'. Yet, it sold. And sold. Much better than my other fetish fiction: Gay, Lesbian, Vanilla Bedroom Bondage, etc. So my publisher said we should do more. And we did, rolling out several other "Black Owned" themed books. It was a series only in that they all dealt with the Interracial BDSM theme. Any of the books could have been read on their own. And now, the first three of these Black Owned themed works have been assembled into this collection. I have taken the opportunity to look over the manuscripts, fix errors, and do a rewrite here or there to clarify a scene. But the characters, content, scenes and dialogue remain intact. If you've purchased and read the original individual books there is nothing "new" here for you. I did rewrite the original Black Owned for this collection, changing it from a first person Point of View to third person, to make it more in line with the other books in the 'series'. I originally wrote Black Owned in the first person as an experiment, in hopes of drawing the reader more into the scenes. It was not something, a writing style, I was comfortable with, however, and I was never really completely satisfied with the results. First person POV can be wonderful, if handled in the correct literary hands: Robert B. Parker in his Spenser novels for instance. For me, not so much. As I said, these books are not necessarily a series in the strict sequential sense, however they do have some recurring characters that crop up here and there (something I borrowed from the late, great Robert B. Parker) so I have assembled the books in this collection in that order. To reiterate, there is nothing "new" here, but if you'd like the tweaked versions, all in one place and in 'order', here it is my darlings. Enjoy, C. P.Smythe

How to Get Your Wife to Cuckold: a Couples Guide-Greg Webber 2017-07-17 We are Kat and Greg and we have been married for five years as of the writing of this book. To our friends and family, we have a normal monogamous relationship that is happy. We own a successful business together. Behind closed doors however, we have a cuckold or hotwife relationship. We will make a few assumptions about your knowledge of the topic since you found this book. We expect that you at least have a general idea of what cuckolding is. We are writing this book to help other couples who are interested in the lifestyle. We want to share our experiences with the world. Our relationship didn't start out this way, it evolved over time. We both read a lot about the topic as our relationship evolved. In particular, we enjoyed reading about other couple's experiences to help find our way through this new territory. Hearing about first-hand experiences on any topic you wish to learn about and explore is helpful. Now that we have settled into a comfortable place, we want to help others find their way. The format of this book will be general information to start each chapter, followed by personal thoughts from both Kat and Greg individually. We hope this will give you the basic information plus a more personal spin that you can relate to. It is a well-known fact that men and women think differently about everything. Even if we agree on something, we usually have different reasons for thinking the way we do. By sharing not just general information, but also two different views of that information, we hope to really give you a great sense of the topics.

British Indian Wife - Our Cuckold Game-Dante X 2019-02-17 This is a six chapter 19,800 word story that is all about Layla and Adams wife watching and cuckold game... Excerpt ... Chapter 1 - Night out with her friends I could smell it on her breath, as soon as she slid into bed next to me and started kissing me as she was obviously still very aroused. Was it the smell of another man's cum! I'm sure I could even taste it as

she started to put her tongue in my mouth and snog away like a woman on heat. I didn't say anything at the time but just rolled onto my back and let her continue. Her hand had found my semi hard xxxx as I had already come a couple of times lying in bed fantasizing about her meeting some guy in the casino where she went with her mates tonight. She came in at 4am and went out at 8pm last night so what the xxxx has she been doing... Excerpt... Chapter 3 - Oscar's house His house was very secluded and must have been worth a couple of million at least... As I pulled into the driveway behind them, he was already at the passenger door and helping Layla out. He quickly put his arm around her and started fingering her from behind again as they walked to the front door. Layla looked back at me and said "Love you babe" I followed them inside and could see Oscar had done very well for himself financially. We went into his lounge and he sat next to Layla on the sofa and said, "Adam... I want you to sit over there and film. My wife and I were just like you two, many years ago and we used to go to Rome in Italy as they were far more into the swinging scene than the boring old UK ... Then we were introduced to a very exclusive club in Amsterdam ... Have you ever been there?" - Excerpt... Chapter 4 - Amsterdam Then... an announcement was made, directing all the new couples to the initiation room. We followed another 3 couples into an adjoining room that was typical of a dungeon play room full of equipment and racks etc. in a fetish club. Layla and the other 3 girls were stripped naked by the big black naked waiters and given long white cloaks to wear buttoned at the neck but fully open at the front. They were then all shackled to a long bar suspended from the ceiling by their wrists and ankle bars near the floor to spread their legs were attached to their ankles. The 4 girls were all shackled and standing in a line. Then we 4 husbands were made to wear a studded collar with ring attached and a lead attached to each of our necks. We were also stripped totally naked, except for the collar and leather lead. Some girls then appeared dressed as dominatrix's and carried these leather G string pouches with a built in ring that they inserted over our xxxx. They pulled and caressed our xxxx to make them hard and tightened the xxxx rings so our xxxx stood up front at all times. We were then made to stand facing our respective wives and told that we must not play with our own xxxx while watching the initiation but the other members may come and play with, suck, insert butt plugs and even xxxx us if they chose. But we must not come, until given permission. Layla was looking so xxxxx sexy being the only dark skinned Indian girl attached to the rail. Music started playing and the lights went down to almost blackness. I could just see Layla in front of me and all the other guests had formed a long line and were moving along the girls one by one, touching them all over.

Bred In Front Of My Husband Cuckold Bundle-Dominique Paige 2019-09-22 These humiliated husbands will have to watch their wives having the time of their life with another man right in front of them! Cucking My Husband Being stood up by her inattentive husband yet again is too much for Jenny to take, and she decides to get drunk at the hotel bar where they were supposed to meet. Her plans change when a couple of men come in and mistake her for an escort. She decides not to correct them... and finds herself getting the attention she wants from the black, white and well hung men. Bred By The Doctor Sam and Carla have tried everything to get pregnant, even resorting to artificial insemination. Nothing seems to work, and the doctor is stymied to figure out what is wrong. A new nurse sees their plight, and mentions a new radical therapy that might work for the couple. They are beside themselves with worry over never having a family, and they are desperate to try just about anything. Soon they're being impregnated by the doctor in a way they never thought possible... This story involves graphic themes of a husband being cuckolded and forced to watch his wife being impregnated by another man! Making My Husband Watch At a house party Cindy and Scott have a few too many drinks, and find themselves doing things they never thought they would. Scott has always had a fantasy of Cindy cuckolding him, but it's been a long time since he's even acknowledged those feelings since he doesn't think she would go along with it. However when they start playing the drinking game Never Have I Ever and the question gets asked "Have you ever been with a black man?" Cindy shocks Scott with her blunt answer, saying she's always longed to have sex with a black man. Jamal loudly asks her if she wants too, and Scott is just drunk enough to suggest that Cindy give it a shot. Scott never thinks she'll do it but to his shock she gets down on her knees right then and there to allow herself to be used and stretched out by Jamal in every way possible in front of the entire party. The only question is, will Sarah find out her husband's dirty little secret or will Desiree get her cake and eat it too?

Black Owned: The Collection: Volume 2: Books 4 - 6-Constance Pennington Smythe 2017-05-11 The second three Black Owned themed books by erotic and fetish author Constance Pennington Smythe has been assembled into this Volume 2 collection. The books include Club Cuckold, Black Owned: Sissy Fluffy's Downfall and Black Daddy: White Sissy. The books have been re-edited, tweaked and assembled in reading order. The stories contain scenes of Dominant Females, Black Masters, chastity, cuckolds, cross

dressing, sissy maids and humiliation. Note: While the manuscripts have been tweaked there is NO new content, all the original characters, scenes, dialogue and story lines are intact. Although two characters from Black Owned: Life Sentence are mentioned at the end of Club Cuckold, I did not include Black Owned: Life Sentence in this work due to its length of 53,000 words. Its omission does not affect the flow or storylines of the other works. Enjoy, C. P. Smythe

Insatiable Wives-David J. Ley 2012-01-16 This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. It is called by many names, and lived in a variety of ways by different couples. The most common terms used to describe it are 'hotwife' or 'cuckold lifestyle.' This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men. The author includes interviews and comments from couples living the lifestyle throughout the U.S., and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships. He explores the psychological, social, biological, and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious.

Breaking the Bonds-Merril D. Smith 1992-03-01 "In Breaking The Bonds, Merrill Smith establishes the ambitious goal of determining 'what kind of problems arose in troubled marriages' and of analyzing 'how men and women coped with marital discord.' . . . To accomplish this, Smith studied hundreds of divorce petitions, other legal documents, newspapers, almshouse dockets, and prescriptive literature. She concludes that, as in the present day, married couples fought and parted over sex, money, and abuse." —Pennsylvania History "A richly textured study. . . With an eye to cross-class and cross-race representation, Smith utilizes diverse sources, including memoirs and diaries, correspondence, probate records, newspaper advertisements, depositions and petitions for divorce, and various moral reform and social regulatory organization records. . . . A brave attempt to write a description of 'the development of the Puritan concept of spiritual growth.' . . . Gracefully written. . . provides specific new insights into a too-neglected area of early republican domestic politics." —William and Mary Quarterly

The late eighteenth century marked a period of changing expectations about marriage: companionship came to coexist as a norm alongside older patriarchal standards, men and women began to see their roles in more disparate ways, expectations about the satisfaction of marriage grew, and gender distinctions between husbands and wives became more complicated. Marital strife was an inevitable outcome of these changing expectations. The difficulties that rose, including abuse, a lack of sexual communication, and domestic violence (frequently brought on by alcoholism) differ little from those with which couples struggle today. Breaking The Bonds is an imaginative and original account that brings to light a strongly communicative world in which neighbors knew of, discussed, and even came to the aid of those locked in unhappy marriages.

Hotwife Brittany: Ravished In The Jungle-Thomas Roberts 2020-02-14 Brittany and I were the perfect suburban couple until she took a high-paying engineering job in the jungle. Her rugged black assistant, Amare, already had several wives, but he wanted to add a beautiful sexy blonde to his collection. Now I can only watch her online as she gives herself to another man—until she needs rescuing from roving

gangs. ~~~~~ PG Excerpt ~~~~~ "How do I know you won't get jealous? Maybe I should - you know, take a 'bull' here. I mean, you know, play with a black bull but, like, not for real." She giggled. "I think I've handled my jealousy pretty well." "Yes, you handled an old man and a rich guy, can you handle a big black bull?" "Oh God." I nearly exploded. "In fairness, there was a woman in there, too." "It got you close, didn't it?" Brittany straddled my lap, her mouth close to my ear. "I have a secret." I could feel her lips just touching my ear, along with the brush of her breath when she pronounced 's.' "I've been on a dating site looking for a bull, and I think I found one." My heart was pounding so hard I was sure Brittany would be able to hear. "Brittany?" It was all I could get out. "I probably won't have sex with him, but I'm curious." The next Friday I was in our car driving to pick up Tyrone and bring him back to our apartment. He would go upstairs, and I'd stay with the car. When they were done doing, whatever it was, I would drive Tyrone back to his home. The area he lived in was somewhere between respectable and ghetto. It would go one way or another in the next few years. I parked the car between a jacked-up Chevrolet from the 1960s and a newer luxury car. Tyrone himself was a good-looking, Ali-type guy. Except his jeans exposed the boxers he wore, and the baseball cap on his head was turned sideways. He looked arrogant, and he walked with a swagger, as if his equipment was so big, he couldn't move normally. "I understand your wife wants to play with a bull tonight," I might have been wrong about him. He had a big smile and an easy way. He didn't appear to be taking this too seriously. "Well, here I am, your wife's bull. Riiight, that's what I do, I take care of white women." He laughed so hard I had to join in. "Riiight," I added. I couldn't help looking at him in the rearview mirror. He had sprawled in the seat, seeming to take up the entire car. When he caught me looking, he grinned. "You're the husband." It wasn't a question. I nodded, without saying a word. "Don't you worry, Tyrone take care your woman," he tried to get into character but ended up laughing again. I liked him, if Brittany was going to let a black man between her legs, this was the black man she'd want. Still, I felt humiliated, despite his good humor. After all, I had been told to pick up a man to service my wife, and I was doing it. What did he really think of me? As I drove the bull to our apartment, I touched myself through my pants. It was torture sitting in the car waiting for Tyrone to return. He seemed to be gone for a very long time. I wondered if I could sneak in the front door of our apartment before giving up the plan as unworkable. I understood my wife's sudden interest in black guys and maybe they were actually up there doing it. Would Brittany do that to me? Hours passed before Tyrone returned. After he was in the backseat, he gave me a huge smile and put on a pair of dark sunglasses. "Man, that wife of yours is something. I've never been with a woman who liked to be spanked like she does." I nearly drove into a tree. Brittany loved to be spanked when she was fully aroused. Maybe she just told him about it, or maybe he found out by actually spanking her.

Pornography-Peter Lehman 2006 Brings critical insights to the reality of porn and what it can tell us about ourselves sexually, culturally, and economically. In Spades-Kate Rousseau 2013-01-27 In Spades is the unusual and erotic story of two women, a mother and daughter, who, without knowing it at the time, were sharing very similar journeys of sexual discovery. Originally posted as a series of blog entries, a large fan base encouraged the women to compile these short stories into a single book. It chronicles both women's involvement with interracial romance, drugs, kink and BDSM, prostitution, infidelity and the strange set of coincidences that eventually brought them together. Kate was a woman who married and had children at a very early age. Feeling a creeping stagnation in her marriage, she yearned for some kind of charge or excitement in her life. What she discovered was that not only were there men in the world who could excite her, but that her libido, long

suppressed, was much more powerful than she'd ever expected. At the same time, her daughter, Jessica was going through all the usual trials of teenage sexuality. But after accidentally seeing her mother having sex with a man who was not her father, Jessica's path altered down a dangerous road. Set in post-Katrina New Orleans, both women tell a story that is brutally honest, highly erotic and sometimes disturbingly unsafe. Each woman tells the story from her own point of view and we're allowed to see how each of them evolved and how eerily parallel their lives were without realizing it. They pull no punches, they tell the stories as they happened and they'll take you on a journey through their sexuality that you will never forget.

Is Marriage for White People?-Ralph Richard Banks 2012 Examines a sharp decline in marriage rates among the African-American middle class while analyzing probable causes, tracing the rise of educated and independent black women and evaluating the potential of interracial marriages.

White Feathers-Bernd Heinrich 2020 The surprising, rich life of tree swallows in nesting season--with Heinrich's beautiful illustrations and photographs--by the acclaimed naturalist. Heinrich is sparked one early spring day by a question: Why does a pair of swallows in a nest-box close to his Maine cabin show an unvarying preference for white feathers--not easily available nearby--as nest lining? He notices, too, the extreme aggressiveness of "his" swallows toward some other swallows of their own kind. And he wonders, given swallows' reputation for feistiness, at the extraordinary tameness and close contact he experiences with his nesting birds. From the author of the beloved books Ravens in Winter and A Naturalist at Large, this richly engaging view of the lives of wild birds, as always with Heinrich, yields "marvelous, mind-altering" insight and discoveries. --Los Angeles Times

Betrayal-Harold Pinter 2014-01-07 "One of the most essential artists produced by the twentieth century. Pinter's work gets under our skin more than that of any living playwright." —New York Times Upon its premiere at the National Theatre, Betrayal was immediately recognized as a masterpiece. It won the Olivier Award for best new play, and has since been performed all around the world and made into an Academy Award-nominated film starring Jeremy Irons, Ben Kingsley, and Patricia Hodge. Betrayal begins with a meeting between adulterous lovers, Emma and Jerry, two years after their affair has ended. During the nine scenes of the play, we move back in time through the stages of their affair, ending in the house of Emma and her husband Robert, Jerry's best friend. "[Betrayal] deals with the shifting balance of power in

triangular relationships, and with the pain of loss. . . . Pinter probes the corrosive nature of betrayal . . . a world where pain and loss are explored with poetic precision.” —Guardian “Betrayal is an exquisite play, brilliantly simple in form and courageous in its search for a poetry that turns banality into a melancholy beauty.” —Newsweek “There is hardly a line into which desire, pain, alarm, sorrow, rage or some kind of blend of feelings has not been compressed, like volatile gas in a cylinder less stable than it looks . . . The play's subject is not sex, not even adultery, but the politics of betrayal and the damage it inflicts on all involved.” —Times (UK)

The Slave Across the Street-Theresa L. Flores 2019-08-17 *** Wall Street Journal and USA Today best seller! *** While more and more people each day become aware of the dangerous world of human trafficking, most people in the U.S. still believe this is something that happens to foreign women, men, and children--not something that happens to their own. In this powerful true story, Theresa L. Flores shares how her life as an All-American, blonde-haired 15-year-old teenager who could have been your neighbor was enslaved into the dangerous world of sex trafficking while living in an upper-middle class suburb of Detroit. Her story peels the cover off of this horrific criminal activity and gives dedicated activists as well as casual bystanders a glimpse into the underbelly of trafficking. And it all happened while living at home without her parents ever knowing about it. Involuntarily involved in a large underground criminal ring, Ms. Flores endured more as a child than most adults will ever face their entire lives. In this book, Ms. Flores discusses how she healed the wounds of sexual servitude and offers advice to parents and professionals on preventing this from occurring again, educating and presenting significant facts on human trafficking in modern day America.
