Pleased by the English Spy-Bronwyn Scott 2009-02-01 English spy Andrew Truesdale has been sent to Florence on a mission--to befriend widowed contessa Olivia di Montebaldi and discover if she's plotting a nationalist revolution in the aftermath of Napoleon's defeat. Andrew expects the assignment to be easy. After all, his job with the British Diplomatic Corps required him to perfect the art of flirtation and become a consummate seducer of women. Everything changes, however, when he arrives at Olivia's villa. Instead of the middle-aged woman he expects, Andrew finds a vivacious young beauty who piques his interest...and his lust. But while Andrew may be taken aback by the contessa, Olivia knows exactly who Andrew is...and that he is dangerous. She may let him claim her body, but can she trust him with her secrets?

Thugs and Why Women Should Run From Them-Lucy Dennis 2010-02-11 Woman to woman, I wish I would have been more attentive and mom would have stomped her feet a little harder when she saw I wasn't paying close attention when she spoke about dealing with men and relationships. Now at the age where I probably have more days behind me, than ahead of me and the misadventures I've incurred down those years, I'm stomping my feet and asking my beautiful Sisters and Brothers, young and not so young, to just stop and listen for a minute. No one wants to see their love ones go through complexities, especially those that can be avoided. Most of us hate to say, 'We told you this was going to happen if...' but if insightful words continue to fall upon closed ears, 'He'll walk, stomp and spit on your feelings.' It is so easy to gain a man's respect and loyalty. It starts by respecting and being loyal to ourselves, he'll soon catch on!
