Download FREE teacher notes and FREE kids activities. www.karentyrell.com Endorsed by Kids Helpline, supporting Kids in Crisis. Supported by teachers and school counselors. STOP the Bully offers specific strategies for dealing with bullying at school. - Kids Book Review

Bully in the Ivory Tower-Leah P. Hollis 2012 Several studies have examined workplace bullying in the general population or in the K-12 student population. This book examines the manifestation of workplace bullying in American Higher Education Administration. After surveying over 175 four-year colleges and universities in an independent study, Hollis confirms that workplace bullying occurs at alarming rates in higher education. Further, this study calculates the cost of employee disengagement. Staff who have been bullied either seek to separate from an institution or mentally "check out" as a way of enduring a bully. In the midst of souring tuition costs, no organization can afford the millions of dollars lost to employee disengagement due to a bully. After gathering data through surveys and several interviews with administrators in higher education, Hollis develops a model for a healthy workplace specifically for higher education, which is also applicable to the general population. The model offers solutions for the leadership and organizational level, middle managers, and for the bullies who are seeking healthier management strategies. While this book is an academic study, the writing is accessible, reflects on popular culture at times, and considers the urgency of workplace bullying in relationship to cost, potential accreditation issues, and the personal anguish of the target. The findings and solutions are appropriate for executive leadership, middle management or anyone working in higher education.

Bully at Work-Gary Namie 2009-06-01 A landmark book that blazed light on one of the business world's dirtiest secrets, The Bully at Work exposed the destructive, silent epidemic of workplace bullying that devastates the lives, careers, and families of millions. In this completely updated new edition based on an updated survey of workplace issues, the authors explore new grounds of bullying in the 21st century workplace. Gary and Ruth Namie, pioneers of the Campaign Against Workplace Bullying, teach the reader personal strategies to identify allies, build their confidence, and stand up to the tormentor - or decide when to walk away with their sanity and dignity intact. The Namies' expertise on workplace bullying has been featured in such media outlets as The Early Show, CBS Radio, The Howard Stern Show, CNN, PBS, NPR, USA Today, and theWashington Post. "This is the best book on what workplace bullies do and how to stop them in their tracks. The Namie's remarkably useful and concrete advice has helped millions of people, and The Bully at Work will spread their tried-and-true wisdom to millions more." Robert I. Sutton, Stanford Professor and author of The No Asshole Rule "Sheds light on one of the business world's dirtiest secrets - corporate bullying." Dayton Business Journal "Filled with remedies for an ailment that is ravaging workplaces..." Harvey A. HorNSTein, PhD Mean Girls Grown Up-Cheryl Dellasega 2010-12-08 Almost every woman has experienced bullying. Whether her role was that of victim, aggressor, or bystander, the pain of relational aggression (female bullying) lasts long after the incident has passed. In Mean Girls Grown Up, Cheryl Dellasega explores why women are often their own worst enemies, offering practical advice for a variety of situations. Drawing upon extensive research and interviews, she shares real-life stories from women as well as the knowledge of experts who have helped women overcome the negative effects of aggression. Readers will hear how adult women can be just as vicious as their younger counterparts, learn strategies for dealing with adult bullies, how to avoid being involved in relational aggression, and more. Dellasega outlines how women can change their behavior successfully by shifting away from aggression and embracing a spirit of cooperation in interactions with others.

My Red Hat-Socrates 2019-04-25 Who knew wearing a red hat could cause such trouble? "My Red Hat" is a modern anti-bullying story with a twist. For Piper and her father Rick, what was a fun-filled day, and an ordinary trip to the store changes quickly when a bully is triggered by the sight of matching hats. They have to think fast and act smart. Else, they stand a chance of being the subject of the latest viral video to be passed around online. Intended to be a work of fiction, this type of behavior between adults bullying children is an increasingly modern reality. Using a layered approach to storytelling, "My Red Hat" is designed to provide discussion opportunities between children and parents. As serious as it is entertaining, this anti-bullying children's book serves as an early detection if a child is being bullied, has been a witness to others being bullied, or if the child has been taking on the role of a bully. We live in a very digital world, and the rules have changed. One wrong move in public can be a big problem, edited down to a few seconds of video, with no context of what happened before or after. We owe it to children to teach smart approaches to navigate the world. We owe it to adults to remind them to take the high road, control their impulses, and be a role model. Too many adults are seeking their 15 minutes of fame, even if it's at the expense of a child. The bully in our story is a work of fiction. However, stories of adult bullies trying to trap and record others in an effort to shame and put a video online seem to be a modern trend that repeats itself every few weeks. One wrong move in public can be a big problem, edited down to a few seconds of video, with no context of what happened before or after. The way the story uses imagery is covert. Some will see this as political humor. That's not the intent. Regardless of your political affiliation, most adults can find value in using a red hat as an example. They either view the red hat as a metaphor to not bully a person because of his/her appearance or as a more direct example that highlights modern concerns that parents have towards bullies in the digital age. While many adults will enjoy the storyline, ultimately children are the audience. Young children are taught about the importance of tolerance towards others different than them. In early reviews, children have universally seen the bully as a villain with behavior that is inappropriate. And while parents and other family members of these children may have a very different view of the bully, and at the extreme end some will believe the young girl was 'asking for it,' it gives us great hope that children reject the bully, and side with Piper for her freedom to wear the red hat of her choice. Children see Piper's choice to wear a red hat as something that should be respected. We agree 100%.

Stand Strong-Nick Vujicic 2015-07-21 With no arms, no legs, and no defense, Nick Vujicic was once a bully's target and knows what it feels like to be picked on and pushed around. It makes your stomach hurt, gives you nightmares, and feels like there is no hope in sight. But Nick shows how you too can overcome and rise above bullying. No Bully Can Define Who You Are Nick has experienced bullying of all kinds for every reason. "But he's learned that he doesn't have to control the bully's game—and neither do you. In Stand Strong Nick gives you strategies for developing a "bully defense system," so you can handle bullies of all kinds by building your strength from the inside out. Find out how to: • Turn being bullied into a great opportunity (yes, really!) • Create a safety zone within yourself • Establish strong values that no bully can shake • Deal with cyber bullies • Develop a spiritual foundation to stay strong against bullying • Monitor your emotions and control your response to them • Help others who are being bullied Are you facing the unwanted attention of a bully? You can stand up to the challenge, because you have greater power over your feelings and your life than you may think! Just ask Nick—the man with no arms or legs...and "a ridiculously good life."

How to Beat the Bully Without Really Trying-Scott Starkey 2012-01-03 When luck gives a new kid a false reputation as a tough guy, can he find the strength to live up to his image? Rodney Rathbone is a self-admitted coward. Things scare him, and he can't help it. So naturally he's terrified when he moves to a new town and the bully is ready to pounce. But just as Rodney is about to flee, a baseball flies in from out of nowhere and knocks out the bully. Now everyone thinks Rodney's invincible—when really he feels just the opposite. Can he figure out how to live up to his new reputation and make friends along the way? Told with warmth and heart, this debut novel from a middle-school teacher will speak to the hidden insecurities—and strengths—of every middle-grade reader.

Billy Gets Bullied-James Minter 2017-10-29 Suitable for boys and girls aged 7 to 9. In this first book of the Billy Growing Up series, Billy Field is uber excited at his approaching tenth birthday. Not only is it his first double-digit birthday, but he'll be ten on the tenth day of the tenth month—a once in a lifetime event. Billy's invited his best friend Ant to his party. They're having a magician who's being assisted by Max, Ant's sister. Granddad magics Billy's present – a twenty-pound note, but soon after the party, Billy has his money stolen by the local bully. Bullying is unacceptable, and has to be dealt with... Billy Has A Birthday is a wonderful example of a story that young children can enjoy reading alone or together with their parents. Using traditional storytelling, it is entertaining while dealing with a serious issue that affects many children as they grow up. Bullying can be a difficult subject for children to talk about, and many feel frightened or embarrassed if they fall victim to bullying. This book acts as the perfect icebreaker for adults and children to begin discussing these issues. Find out how this negative experience turns out. A perfect read for children who enjoy school fiction, but with a positive learning to help other bullied children. If you enjoy reading David Walliams or Jeff Kinney you will love the Billy Growing Up series.

Zoom! Boom! Bully-Jon Scieszka 2008-06-03 Every time the trucks try to build something, Big Rig comes along, and - ZOOM! BOOM! - knocks it down! What can they do to stop such a powerful bully?

The Survival Guide to Bullying: Written by a Teen-Aija Mayrock 2015-08-25 Advice on dealing with bullies, written by a kid for a kid! "One day I realized that I had to create a little, yet powerful survival guide that any kid could use as a life-saving device when they were being bullied in the gym, the cafeteria, the locker room, the hallways -- anywhere. A guide that could help any kid dry their tears and put a half smile on their face. A guide that could convince a kid to come out of the bathroom stall that they have locked themselves in and see the flickering light at the end of the tunnel. A guide that could be a road map, a flashlight, or a friend."

Free Yourself from Workplace Bullying-Aryanne Oade 2015-05-31 "Exactly the book you need if you are feeling intimidated by a bully." Workplace bullying can be a toxic experience. It can lead to plummeting self-esteem, destroy your self-confidence, and impair your ability to perform. But the good news is there is no need for expensive and risky legal action - which you might not even win - or a stressful formal complaint. You don't have to leave your job, either. Discover how to protect yourself from grooming and bullying. Learn how to defend yourself at the time of an attack. Re-gain your self-confidence and self-esteem following the devastation of bullying. This practical guide includes real life examples and proven strategies which will stop bullying in its tracks. It is packed full of tactics, insight and empathy which will benefit you if you have experienced workplace bullying, or if you are concerned that you may be targeted in the future. It includes how to: - Recognise and defeat bullying behaviour simply and straightforwardly. - Understand the bullying dynamic, and learn how to alter it in your favour. - Respond effectively to a range of bullying tactics including slander, gossip, rage, lies and innuendo. - Defend yourself when your performance is questioned as part of a bullying campaign. - Respond effectively when a bullying team member opposes your authority on principle. - ...and much more. 'A must read for anyone who is being bullied or who needs to recover from workplace bullying.' Aryanne Oade has worked as a chartered psychologist for over twenty years. She coaches clients to recover from the debilitating effects of workplace bullying, and to re-discover their energy and enthusiasm. She is the bestselling author of six books. www.oadeassociates.com "This is a brilliant, insightful guide and toolbox for managing, escaping and recovering from bullying in the workplace...essential reading." PROFESSOR DONAL MACINTYRE Investigative Journalist and Broadcaster; Visiting Professor, School of Applied Criminology, Birmingham City University "This is a seriously courageous - and much-needed - book. Aryanne ... gracefully empowers the bullied to take responsibility for resolving the situation without in any way 'blaming the victim.'" BENNIE NAUDE International Energy Psychology Expert "Easy-to-read and practical, this book gives effective, realistic help for those who are being bullied... The extensive toolkit provides a myriad of ideas for tackling bullying situations." PROFESSOR CHARLOTTE RAYNER Outgoing President: International Association of Workplace Bullying and Harassment "This is exactly the book you need if you are feeling intimidated by a bully at work, are involved in HR or L&D, or are managing staff." TRACY WRAY Deputy HR Director, Sheffield University "This very readable book is from an author with real insight into this difficult area. The book is full of practical tools to assist the reader to regain their power from the bully in a professional and dignified way." JACKIE GREEN FCIPD former HR Director for Leeds Teaching Hospitals NHS Trust and Royal Liverpool and Broadgreen University Hospitals "Aryanne's insightful book is an invaluable aid and toolkit to understanding, addressing and overcoming bullying behaviour." STEVE MOON former Head of Energy, Global Project Finance, Bank of Ireland "Aryanne ...ardrity and sensitively highlights the nuanced character of bullying, sharing with readers an empowering set of tools through which to address it." DR PREMILLA D'CRUZ Professor of Organizational Behaviour at Indian Institute of Management Ahmedabad "I wish I'd had this book to hand early in my career... This book will provide a treasure trove of useful information and help for anyone suffering from - or having suffered - bullying." JOHN ALLISON former General Manager of a large publishing company" Bully-Penelope Douglas 2016 When Tate's best friend turns his back on him and sets out to ruin Tate's life, he decides to fight back.

Bully-Sky Corgan 2016-11-21 Just the sight of Dustin Nikoli spiked fear in my heart. The memories of the things that he had put me through in high school made me want to run in the other direction. I was the dirt on the bottom of his shoes, my only purpose someone for him to torment. No one else saw it. To his peers, he was a man's man. To all of the girls unaffected by his cruelty, a lust object. He was the hottest *sshole you could ever meet. Pretty face. Amazing body. Ugly on the inside. I moved to another city to college to avoid him. I never expected that he would already be there. Maybe I should have done my research better. The night that I ran into him couldn't have been any worse. He was the straw that broke the camel's back. I wasn't taking his crap anymore though. I used my inebriation to give me courage and told him everything I thought about him. And then I ended up in his bed... This is a stand alone novel. Keywords: college romance, new adult romance, romantic comedy, alpha male romance, bad boy romance, school romance, love triangle romance

Vengeance-Crystal North 2019-10-21 What you're about to witness comes from a dark place. It's taken a lot of planning, but you should know that every single thing I'm about to do is deserved. More than deserved, it's owed, tenfold. Nothing I could do to those people will ever be enough to get even.**Charlotte McLintock has a new identity and a new look as Raven Deighton. She needs it so that she can infiltrate the elite private school that's covering up her twin's death. They claimed it was suicide, but she knows better. Her plan's been almost two years in the making. What started off as a desire to know the truth has turned into a burning compulsion for vengeance. However, she soon finds that the world she expected and that everyone's hiding secrets - even the four hot guys she's rapidly falling for. Her one mission is to uncover the truth about what happened to Lizzie so that she can make everyone involved pay, and she's not about to let anyone or anything - even her own torturous heart- stop her from burning them all to the ground.**Vengeance is a contemporary New Adult reverse harem bully romance, with dark themes and a twist. It works as a savage standalone piece (if you love a cliffhanger) but will actually form part of a trilogy with closure at the end of the series.**WARNING**This book carries an 18+ warning. Vengeance is a medium to fast burn dark romance. It contains hot guys, foul language and sexual scenes, including some graphic physical bullying, and potential suicide, depression and sexual assault triggers.I would love for you to read this book, but please be aware that it comes with a warning.

When the Saint Falls-A D McCarmon 2020-01-11 Thatcher Michaelson is a bully. Arrogant. Cruel. Ruthless. And the most attractive guy I've ever laid eyes on. He's the rebel of Westbrook High, and I'm merely the annoying goodie-two-shoes he dubbed the saint. There must be something wrong with me. After nearly two years of dirty looks and constant humiliation, I'm still crushing on the guy who hated me on sight. Then he kissed me and instead of the ice-cold gaze I was accustomed to, I saw passion burning behind his dark molten eyes. Violet St. James doesn't belong in my world. Good. Kind. Pure. She's everything I'm not.She doesn't just look like an angel, she is one. And I've fought every impulse to make her mine.But all my efforts went up in flames the second I tasted her sweet lips. My inability to stay away has changed everything. She's determined to break down all my walls, but my little saint doesn't understand the consequences of her actions. She tells me she's not afraid of the fall. But she should be.

Fighting Back-David Graves 2002 'Fighting Back' represents a comprehensive analysis of a major industrial problem: bullying.The book sets out a practical and strategic approach for dealing withand combating a very serious problem.' Tony Young, President, T.U.C. This is a long awaited and welcome book. It contains the straightforward advice that people being bullied have been asking for and have yet to receive.' Baroness Gould, House of Lords 'This is an outstanding, plain-talking manual that explains exactly how bullies operate at variouslevels, how victims can protect themselves and how the bullying behaviour can be effectivelycountered. Highly recommended for individuals, managers and concerned colleagues.' Tim Roberts, Partner, Peace Makers UK, reviewer and journalist,visiting lecturer at University of Liverpool Fighting Back is a hard-hitting, authoritative guide to combating bullying in thework place. Taking a simple, straightforward approach, this book looks at how toreconcise a bully, how to protect yourself, how to gather evidence, and the steps to taketo make an immediate and lasting difference. This book features real life case studies, which will arm those being bullied with realisticadvice to remedy the situation. Practical and inspirational, the book shows you how to: develop assertive behaviour gain control and assert your rights recognise stressful behaviour and deal with it positively recognise when you are being bullied and when you are not tackle 'flaming' (a form of bullying via e-mail) If the bullying persists, the book provides you with practical advice and information onto the tribunal and legal issues both in the UK and Europe

The Bully of Order-Brian Hart 2014-09-02 Set in a logging town on the lawless Pacific coast of Washington State at the turn of the twentieth century, a spellbinding novel of fate and redemption—told with a muscular lyricism and filled with a cast of characters Shakespearean in scope—in which the lives of an ill-fated family are at the mercy of violent social and historical forces that tear them apart. Keen to make his fortune, Jacob Ellstrom, armed with his medical kit and new wife, Nell, lands in The Harbor—a mud-filled, raucous coastal town teeming with rough trade pioneers, sawmill laborers, sailors, and prostitutes. But Jacob is not a doctor, and a botched delivery exposes his reser, driving him onto the streets in a plunge towards alcoholism. Alone, Nell scrambles to keep herself and their young son, Duncan, safe in this dangerous world. When a tentative reunion between the couple—in the company of Duncan and Jacob's malicious brother, Matus—results in tragedy, Jacob must flee town to elude being charged with murder. Years later, the wild and reckless Duncan seems to be yet another of The Harbor's hoodlums. His only salvation is his overwhelming love for Teresa Boyerton, the daughter of the town's largest mill owner. But disaster will befall the lovers with heartbreaking consequences. And across town, Bellhouse, a union boss and criminal rabble-rouser, sits at the helm of The Harbor's seedy underbelly, perpetuating a cycle of greed and violence. His thug Tartan directs his pack of thieves, pimps, and murderers, and conceals an incendiary secret involving Duncan's mother. As time passes, a string of calamitous events sends these characters hurtling towards each other in an epic collision that will shake the town to its core.

Captain Deadeye-Dianne de Las Casas 2016-08-10 Fourth grader John goes to Oceanside Elementary and because of his lazy eye, he is bullied by a boy who calls himself "Shark." Shark gives him the hurtful nickname "Deadeye John." John feels awful so his mom cheers him up by sending him on a treasure hunt where he discovers a magical chest full of loot! He finds an eye patch and a pirate hat, and becomes "Captain Deadeye, Master of the Seven Seas." Join Captain Deadeye on this seafaring pirate adventure where he battles a fierce storm; his nemesis, Captain Blackheart; and a vicious shark all while finding the courage to make a new friend and stand up to his real-life bully at school.

Bullycide-Neil Marr 2001

My Secret Bully-Trudy Ludwig 2014-07-30 THE SECRET'S OUT ON BULLYING Here is the all-too-familiar story of Monica. She and Katie have been friends since kindergarten. Monica loves being around her when she's nice. But there are times when Katie can be just plain mean. And Monica doesn't understand why. Monica is a target of relational aggression, emotional bullying among friends who will use name-calling and manipulation to humiliate and exclude. But with a little help from a supportive adult—her mother—Monica learns to cope and thrive by facing her fears and reclaiming power from her bully. Including a foreword by the founder of The Ophebia Project, as well as helpful tips, discussion questions, and additional resources, My Secret Bully is a vital resource for children, parents, teachers, and counselors.

Sticks-Ben Shapiro 2014-07-08 "From the editor-at-large of Breitbart.com, a timely and compelling look at how liberals use bullying toward their opponents on today's top political issues"--

Bullies and Stone-Beth Ferry 2015-04-07 When Stick rescues Stone from a prickly situation with a Pinecone, the girl becomes fast friends. But when Stick gets stuck, can Stone return the favor? Author Beth Ferry makes a memorable debut with a warm, rhyming text that includes a subtle anti-bullying message even the youngest reader will understand. New York Times bestselling illustrator Tom Lichtenheld imbues Stick and Stone with energy, emotion, and personality to spare. In this funny story about kindness and friendship, Stick and Stone join George and Martha, Frog and Toad, and Elephant and Piggie, as some of the best friend duos in children's literature.

Break You: An Enemies to Lovers College Bully Romance-Mv Ellis 2019-10-20 XavierThis is not a love story.I hate you not for who you are, but who you represent.I'm the whispers in the darkness you can't quite hear.I'm the unease that can't be explained, but won't go away.I'm your worst nightmare come to life.I'm the filthy rich guy who's coming for revenge.Everything you've ever had.Everything you hold dear.I won't stop until I break you.RockyYou were once my savior.Now you're my bully.I'm the girl from the wrong side of the wrong side of the tracks.No match for your money, your might, or your wrath.But I'm not going down without a fight.When I go, I'll take you with me.Because we're more alike than you want to admit.And more connected than you know.This is not a love story.

Save Me-Lisa Scottoline 2011-04-12 From the New York Times bestselling author of Think Twice and Look Again comes an emotionally powerful novel about a split-second choice, agonizing consequences, and the need for justice Rose McKenna volunteers as a lunch mom in her daughter Melly's school in order to keep an eye on Amanda, a mean girl who's been bullying her daughter. Her fears come true when the bullying begins, sending Melly to the bathroom in tears. Just as Rose is about to follow after her daughter, a massive explosion goes off in the kitchen, sending the room into chaos. Rose finds herself faced with the horrifying decision of whether or not to run to the bathroom to rescue her daughter or usher Amanda to safety. She believes she has accomplished both, only to discover that Amanda, for an unknown reason, ran back into the school once out of Rose's sight. In an instance, Rose goes from hero to villain as the small community blames Amanda's injuries on her. In the days that follow, Rose's life starts to fall to pieces, Amanda's mother decides to sue, her marriage is put to the test, and worse, when her daughter returns to school, the bullying only intensifies. Rose must take matters into her own hands and get down to the truth of what really happened that fateful day in order to save herself, her marriage and her family. In the way that Look Again had readers questioning everything they thought they knew about family, Save Me will have readers wondering just how far they would go to save the ones they love. Lisa Scottoline is writing about real issues that resonate with real women, and the results are emotional, heartbreaking and honest.

Filled with exercises, assessments, and real-life examples, this empowering guide helps you recognize what's been making you a victim...and reveals how to: Avoid typical bully traps * Remain aware and in charge * Move past your fear * Calm yourself in any confrontation * Keep your dignity intact * Build confidence * Handle sneak attacks * Strengthen your resolve * Understand the steps that your employer or supervisors can take to address the issue * Combat cyberbullying * And more With this practical, personal coaching program in your corner, you can reclaim your power-and defeat the office bully once and for all.

The Werewolf Bully-Blake Hoena 2018-08 When the Moon is full Frankenstein Elementary is disrupted by Harriet the werewolf and her gang of were-bullies, and tonight they have a new target, a mummy (who is actually a human boy wrapped in toilet paper)—so Brian the zombie and his monster friends come up with a plan to protect the human boy and defeat the bullies.

Travels Into Several Remote Nations of the World. By Lemuel Gulliver. ...Jonathan Swift 1779

The Book of Unknown Americans-Cristina Henriquez 2014-06-03 "A triumph of storytelling. Henriquez pulls us into the lives of her characters with such mastery that we hang on to them just as fiercely as they hang on to one another and their dreams. This passionate, powerful novel will stay with you long after you've turned the final page." —Ben Fountain, author of Billy Lynn's Long Halftime Walk A boy and a girl who fall in love. Two families whose hopes collide with destiny. An extraordinary novel that offers a resonant new definition of what it means to be American. Arturo and Alma Rivera have lived their whole lives in Mexico. One day, their beautiful fifteen-year-old daughter, Maribel, sustains a terrible injury, one that casts doubt on whether she'll ever be the same. And so, leaving all they have behind, the Riveras come to America with a single dream: that in this country of great opportunity and resources, Maribel can get better. When Mayor Toro, whose family is from Panama, sees Maribel in a Dollar Tree store, it is love at first sight. It's also the beginning of a friendship between the Rivera and Toro families, whose web of guilt and love and responsibility is at this novel's core. Woven into their stories are the testimonials of men and women who have come to the United States from all over Latin America. Their journeys and their voices will inspire you, surprise you, and break your heart. Suspenseful, wry and immediate, rich in spirit and humanity, The Book of Unknown Americans is a work of rare force and originality. This eBook edition includes a Reading Group Guide.

The Bully Pulpit-Doris Kearns Goodwin 2013-11-05 One of the Best Books of the Year as chosen by The New York Times, The Washington Post, The Economist, Time, USA TODAY, Christian Science Monitor, and more. "A tale so gripping that one questions the need for fiction when real life is so plump with drama and intrigue" (Associated Press). Doris Kearns Goodwin's The Bully Pulpit is a dynamic history of the first decade of the Progressive era, that tumultuous time when the nation was coming unseamed and reform was in the air. The story is told through the intense friendship of Theodore Roosevelt and William Howard Taft—a close relationship that strengthens both men before it ruptures in 1912, when they engage in a brutal fight for the presidential nomination that divides their wives, their children, and their closest friends, while crippling the progressive wing of the Republican Party, causing Democrat Woodrow Wilson to be elected, and changing the country's history. The Bully Pulpit is also the story of the muckraking press, which arouses the spirit of reform that helps Roosevelt push the government to shed its laissez-faire attitude toward robber barons, corrupt politicians, and corporate exploiters of our natural resources. The muckrakers are portrayed through the greatest group of journalists ever assembled at one magazine—Ida Tarbell, Ray Stannard Baker, Lincoln Steffens, and William Allen White—teamed under the mercurial genius of publisher S.S. McClure. Goodwin's narrative is founded upon a wealth of primary materials. The correspondence of more than four hundred letters between Roosevelt and Taft begins in their early thirties and ends only months before Roosevelt's death. Edith Roosevelt and Nellie Taft kept diaries. The muckrakers wrote hundreds of letters to one another, kept journals, and wrote their memoirs. The letters of Captain Archie Butt, who served as a personal aide to both Roosevelt and Taft, provide an intimate view of both men. The Bully Pulpit, like Goodwin's brilliant chronicles of the Civil War and World War II, exquisitely demonstrates her distinctive ability to combine scholarly rigor with accessibility. It is a major work of history—an examination of leadership in a rare moment of activism and reform that brought the country closer to its founding ideals.

The Adventures of Tom Sawyer-Mark Twain 2013-03-07 The Adventures of Tom Sawyer, by Mark Twain, is a popular novel about a young boy growing up in a village on the banks of the Mississippi River. Tom Sawyer, a mischievous orphan taken in by his aunt Polly, goes through a series of adventures involving his friends, Joe Harper and Huckleberry Finn. Tom is an escape master and a small crook in a long list of adventures, as a symbol of celebration of childhood.

The Bully-Proof Workplace: Essential Strategies, Tips, and Scripts for Dealing with the Office Sociopath-Peter J. Dean 2017-03-03 Smart strategies for managing workplace bullies out of your life and business More than one in four Americans deals with an on-the-job bully. These office sociopaths don't just make individuals miserable. Their poison spreads throughout the company, damaging overall morale, creativity, productivity, and profitability. It doesn't have to be this way. Leading consultants Peter Dean and Molly Shepard have helped vanquish workplace bullying and now share their proven methods with you. In The Bully-Proof Workplace, they provide vital insight into the four major types of bullies: The Belier | Weapons of choice: slander, deception, and gossip The Blocker | Weapons of choice: negativity and inflexibility The Braggart | Weapons of choice: narcissism and a sense of superiority The Brute | Weapons of choice: aggression and intimidation These bullies may operate differently, but they all have one thing in common: a desperate need for control based on deep-seated fear and insecurity. This invaluable survival guide equips individuals with strategies, tips, and scripts for managing interactions with bullies. Managers learn how to identify bullying, deal with it swiftly, and introduce zero tolerance for such behavior. And executives gain the information they need to create a corporate policy regarding bullying. We spend about 60 percent of our waking moments at work. Spending that much time under the thumb of a bully and dealing with the negative business effects of bad behavior is simply unacceptable. Whether you're a victim of bullying or a business leader tasked with building a collaborative corporate culture, The Bully-Free Workplace provides the critical insight and practical tools you need to successfully combat this ubiquitous but rarely addressed business challenge and ensure that bullies behave—or leave—so you and everyone else can get on with your work.

How to Resolve Bullying in the Workplace-Alan Sharland 2016-04-19 Bullying in the workplace is an increasingly present phenomenon within relationships at work. However, the need to prove that bullying has occurred before action can be taken is an immediate obstacle to moving forward in difficult workplace relationships. The ambiguity and subjectivity associated with the concept of bullying becomes an obstacle to creating more effective responses to their situation for all involved in difficult workplace relationships. Those who feel bullied, those who are accused of bullying and those who manage such situations can be distracted from attempts to resolve the situation by the subjectivity and confusion associated with the need for 'proof.' As a result a circle of blame will often arise that leaves all involved dissatisfied with the outcome - if a clear outcome is even possible. This book recounts the experiences of the author, who works as a mediator and conflict coach, in which he has seen work colleagues involved in bullying allegations find ways of resolving their difficulties through a focus on discussing the detail of the behaviours involved in the situation rather than simply focus on proving bullying has or has not occurred. The 'one size fits all' concept of bullying is usually inadequate as a description of the experiences of those involved in broken working relationships and the accusations and counter-accusations tend to maintain the broken relationship rather than mend it. The book gives examples of dialogues that can occur, distilled from real-life discussions, that focus on creating more effective working relationships instead of allocation of blame, seeking retribution and retaliation. The hypocrisy and ultimate ineffectiveness of traditional approaches to allegations of bullying is addressed from the start and the combative and retaliatory language associated with most literature about the topic is highlighted as an indication of how the phenomenon of bullying is self-perpetuating when it is responded to and discussed in this way.

Every Vote Matters-Thomas A. Jacobs 2016-08-10 Encourage teens to recognize the importance of voting and making their voices heard in the democratic process with this timely book focused on Supreme Court decisions that came down to a single vote. Chapters examine key Supreme Court rulings and explore how these cases have affected the lives and rights of U.S. citizens—especially teens. Using a straightforward, impartial tone, the authors take a close look at often controversial cases and at the history of voting in the United States. The emphasis is involvement in local and national elections as well as other ways to be an engaged citizen. With an accompanying digital discussion guide, the book is a perfect choice for teachers and youth leaders to offer teens in the upcoming 2016 presidential election cycle.

Bystander-James Preller 2009-09-29 Eric is the new kid in seventh grade. Griffin wants to be his friend. When you're new in town, it's hard to know how to hang out with—and who to avoid. Griffin seems cool, confident, and popular. But something isn't right about Griffin. He always seems to be in the middle of bad things. And if Griffin doesn't like you, you'd better watch your back. There might be a target on it. As Eric gets drawn deeper into Griffin's dark world, he begins to see the truth about Griffin: he's a liar, a bully, a thief. Eric wants to break away, do the right thing. But in one shocking moment, he goes from being a bystander . . . to the bully's next victim. This title has Common Core connections.

Billy Helps Max-James Minter 2016-04-05 For 7 to 9-year-old boys and girls. Stealing or theft is taking something without permission or payment. Help your child realise stealing is not an acceptable thing to do. Max Turner, Ant Turner's younger sister, decides she wants to be more like her older brother and do boy things. She starts by painting her pink girle bike green, but then thinks what it really needs are go-faster stickers. As she has no money, she steals them from a shop. Billy Field

finds out and sets out to help her undo her misdoings. Does Max get caught? Will she own up to her what she's done? Will she understand the consequences of stealing? Billy Helps Max is the fifth title in the Billy Growing Up series. Each book addresses a unique topic—bullying, arrogant pride, jealousy, lying, stealing, lack of self-belief, understanding money, and secrets. Written to help parents, guardians and teachers deal with the issues that challenge pre-teen children; each topic is presented in a gentle way through storytelling. Setting the issues in a meaningful context helps children to understand the challenges, and to see things from a different perspective. The books act as icebreakers allowing for discussions of difficult subjects. Additionally, each title is supported by a free activity book to reinforce the learning, while having fun. Buying this book today will aid your child in working out right from wrong, and honesty from dishonesty.
