MY STRUGGLE FOR EXCELLENCE-BIRENDRA NATH SINGH 2020-10-13 Struggles are inbuilt in the system of human life and they automatically start the moment anyone takes birth. On the other side, life is precious and only a one-time gift of God with no provision for 'Retake' or 'Once More'. Hence, whatever any individual wants to do, has to be done in this short life only. In order to achieve anything, one has to properly plan one's goals or dreams and has to work hard and struggle continuously with rock-like strong determinations and be ready to accept all challenges and threats of life. Failures are bound to come in the way, but one should not be upset by that, rather try to learn lessons from those failures. Moreover, one has to continuously reset one's goals, re-channelize energy levels, boost up moral strengths and confidence and fight back until success is achieved. Struggles that people normally undertake could be of any of the following kind: i. Struggle for Existence ii. Struggle for Survival iii. Struggle for Success iv. Struggle for Excellence They depend on the results one expects out of one's struggles. This book revolves around the themes of "Struggle for Success" and "Struggle for Excellence" and makes sincere attempts to provide readers with necessary guidelines and time-tested principles with the help of numerous interesting and real-life incidents, examples and heart-melting stories of a young man who, under all adverse circumstances, decides to struggle hard to be successful and ultimately to achieve excellence in life...
