Church Administration in the Black Perspective-Floyd Massey 2003 With over 60,000 copies in print, Church Administration in the Black Perspective, first published in 1976, has become a classic reference manual. African American pastors through the years have looked to this informational guide as a source for details on church structure, management, and organization. This resource addresses the particular needs of the pastor and church staff who have been charged with the responsibilities of administration in the black church context. Not only does this revised edition feature updated language, but it also includes fresh information in such areas as budgeting and the use of modern technology. The authors supply detailed information on creating a church budget, and discuss the role websites, computer technology, and cable access television can play in helping churches to carry out their mission. The book includes guidelines for effectively organizing church boards and committees, as well as details pertaining to overall church structure. The authors' perspectives are well grounded in the experience of the African American Christian community, as the text explores how the African heritage and slave experience have molded black church traditions. The authors bring to the writing of this book a blend of practical and academic experience. Book jacket.

The Book of Mormon- 1907

Powerful Program Keys-Christine Butler 1998-12

Atlanta's Ebenezer Baptist Church-Benjamin C. Ridgeway 2009 Ebenezer Baptist Church in Atlanta was founded in 1886. The name Ebenezer means "rock or stone of help." From a small group of believers, many of whom were former slaves, in a boxlike structure on Airline Alley, Ebenezer has grown to an internationally known church with over 4,000 members. The Gothic architecture of the Heritage Sanctuary on Auburn Avenue, coupled with the influence of the African meetinghouse seen in the architecture of the Horizon Sanctuary across the street, reflects the diversity of outreach of Ebenezer's ministry. Ebenezer has been a beacon of racial pride and social consciousness. The love and cooperation between the members and the pastor have created a family atmosphere that has sustained the growth and expansion of the church.

QuickBooks for Churches and Other Religious Organizations-Deep River Press, Inc. 2013-11 Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, *The Accountant Beside You*, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let *The Accountant Beside You* take one more worry off your crowded to-do list.

Fighting the Good Fight-Houston Bryan Roberson 2013-10-08 The Dexter Avenue King Memorial Church played an important role in the Civil Rights movement-it was the backbone of the Montgomery bus boycott, which served as a model for other grassroots demonstrations and which also propelled Martin Luther King, Jr. into the national spotlight. Roberson chronicles five generations in the life of this congregation. He uses it as a lens through which to explore how the church functioned as a formative social, cultural, and political institution within a racially fractured and continually shifting cultural and civil landscape. Roberson highlights some of the prominent figures associated with the church, such as Martin Luther King, Jr., as well as some of the less prominent figures--for example the many women whose organizational efforts sustained the church.

The Other Great Migration-Bernadette Pruitt 2013-10-24 The twentieth century has seen two great waves of African American migration from rural areas into the city, changing not only the country's demographics but also black culture. In her thorough study of migration to Houston, Bernadette Pruitt portrays the move from rural to urban homes in Jim Crow Houston as a form of black activism and resistance to racism. Between 1900 and 1950 nearly fifty thousand blacks left their rural communities and small towns in Texas and Louisiana for Houston. Jim Crow proscription, disfranchisement, acts of violence and brutality, and rural poverty pushed them from their homes; the lure of social advancement and prosperity based on urban-industrial development drew them. Houston's close proximity to basic minerals, innovations in transportation, increased trade, augmented economic revenue, and industrial development prompted white families, commercial businesses, and industries near the Houston Ship Channel to recruit blacks and other immigrants to the city as domestic laborers and wage earners. Using census data, manuscript collections, government records, and oral history interviews, Pruitt details who the migrants were, why they embarked on their journeys to Houston, the migration networks on which they relied, the jobs they held, the neighborhoods into which they settled, the culture and institutions they transplanted into the city, and the communities and people they transformed in Houston.

Christianity Contrasted with Hindū Philosophy-James Robert Ballantyne 1859

Anniversary Exercises Commemorating the 187th Anniversary of the Church, and the 150th of the Precinct Held in the First Parish Church October 16 and 17, 1904-William Lorison Walsh 1905

Seventy-fifth Anniversary Program of the Unitarian Church, Ann Arbor, Michigan, January 21, 1867--January 21, 1942-First Unitarian Church (Ann Arbor, Mich.) 1942

The Heidelberg Catechism, 450th Anniversary Edition-The Reformed Church in the United States 2013-07-06 This edition of the Heidelberg Catechism is produced by the Reformed Church in the United States. It is reprinted with all of the references in the New King James Version of the Bible and the updated language adopted by the Synod of the RCUS in 2011. This small book is one of the finest fruits of the Reformation and epitomizes its essential teaching. Holding forth faith in Jesus Christ as our only comfort in life and in death, it presents, very personally and eloquently, what is necessary to know that we may live and die in that comfort. While many played a role in its composition, it was especially Zacharias Ursinus and Caspar Olevianus who imparted its theological content and practical spirit. Having received hearty approval by the pastors and teachers in Heidelberg, it was published on January 19, 1563. Its influence in Germany, the Netherlands, Hungary, and beyond exceeded all expectations. It was welcomed by Reformed believers everywhere. Today, those who are yearning for a

beautiful statement of biblical truth will find this work a treasure. It remains as fresh as when it was first published 450 years ago.

Amusement-Marvin Richardson Vincent 1867

Seventy-fifth Anniversary of the First Presbyterian Society in the Village of Syracuse, 1824-1899-First Presbyterian Church (Syracuse, N.Y.) 1899

Fiftieth Anniversary of the Old Blake's Prairie Church, Now the Bloomington and Blake's Prairie Congregational Churches, June 12th and 13th, 1897- 1897

Urban Ministry-Ronald E. Peters 2011-07-01 A comprehensive introduction to the particular challenges and opportunities of congregational ministry in urban settings. Urban ministry has long been a part of seminary curricula, but a basic and definitive understanding of what students should know as they prepare for congregational ministry in the city has remained elusive. Too often it is assumed that the theological resources developed for ministry in other settings are adequate for urban ministry, but these resources fail to account for the unique challenges and opportunities of the urban setting. Ronald Peters clarifies the nature of urban ministry as a theological discipline by showing how its core values of love, justice, community, and reconciliation (among others) engage the issues of economics, education, family life, public health, ethnic relations, and religious life in the urban environment. Arguing that the city has always served as an arena of God's activity, Peters articulates a theological rationale for urban ministry that is both hopeful and yet realistic, affirming that God loves the city and its people and encouraging practitioners to do the same.

Difficulties Associated with Articles of Religion Among Particular Baptists-David Clarke 2018-10-11 Articles of religion or confessions of faith are used to inform others of what a person, a church or society believe with respect to religious beliefs. Some churches restrict membership to those who will subscribe to their articles of religion. One of the problems that this brings is that there comes a time when a new believer cannot, in conscience, subscribe to a tenet of belief that they do not understand. It may be the article is badly worded or poorly written or may, in fact, be in error. In which case a new believer could not in conscience

When Church Became Theatre-Jeanne Halgren Kilde 2002-07-11 For nearly eighteen centuries, two fundamental spatial plans dominated Christian architecture: the basilica and the central plan. In the 1880s, however, profound socio-economic and technological changes in the United States contributed to the rejection of these traditions and the development of a radically new worship building, the auditorium church. When Church Became Theatre focuses on this radical shift in evangelical Protestant architecture and links it to changes in worship style and religious mission. The auditorium style, featuring a prominent stage from which rows of pews radiated up a sloping floor, was derived directly from the theatre, an unusual source for religious architecture but one with a similar goal-to gather large groups within range of a speaker's voice. Theatrical elements were prominent; many featured proscenium arches, marquee lighting, theatre seats, and even opera boxes. Examining these churches and the discussions surrounding their development, Jeanne Halgren Kilde focuses on how these buildings helped congregations negotiate supernatural, social, and personal power. These worship spaces underscored performative and entertainment aspects of the service and in so doing transformed relationships between clergy and audiences. In auditorium churches, the congregants' personal and social power derived as much from consumerism as from piety, and clerical power lay in dramatic expertise rather than connections to social institutions. By erecting these buildings, argues Kilde, middle class religious audiences demonstrated the move toward a consumer-oriented model of religious participation that gave them unprecedented influence over the worship experience and church mission.

The Church School Journal- 1917

Jack's Anniversary-Dean Chills 2015-01-22 In this sequel to "Jack's Birthday Surprise," Jack and Mitchell have been together for a year now. Mitchell's having problems with his family, and needs some cheering up. They decide to celebrate by revisiting the beach house where they first got together. They head out to the beach for some naughtiness which involves Jack burying Mitchell in a shallow grave of sand until the tide comes in. When Jack eventually digs Mitchell up, Mitchell wants his revenge, but he wants it wet. Too back for Jack they're right next to the ocean. Will they both survive the weekend? If they do, will they solve their personal problems? Find out in this gay romantic tale of burial, bagging, drowning, and masturbation.
