You could purchase lead corrections in america 13th edition or get it as soon as feasible. You could speedily download this corrections in america 13th edition after getting deal. So, when you require the book swiftly, you can straight get it. Its therefore very easy and for that reason fats, isnt it? You have to favor to in this heavens

Corrections in America-Harry E. Allen 2012-03-14 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Corrections in America has been the best-selling text in the field since the 1970s. The 13th edition continues its established tradition of comprehensive, student-friendly coverage with extensive supplemental material. It covers virtually all aspects of corrections, including its history, prisons in the present, correctional ideologies, sentencing and legal issues, alternatives to imprisonment, institutional corrections, and correctional clients. Freshly updated, this new edition includes research and issues important today, such as the recent decline in prison populations. Effective photos and figures provide a visual learning experience that presents complex data in a very simple and readable manner.

Corrections in America-Harry E. Allen 2015-03-02 For the Introduction to Corrections course An easy-to-use, easy-to-teach, comprehensive overview of the field of correctionsBased on its established tradition of comprehensive, student-friendly coverage with extensive supplemental material, Corrections in America has been the best-selling text in the field for over 40 years. It covers virtually all aspects of corrections, including its history, prisons in the present, correctional ideologies, sentencing and legal issues, alternatives to imprisonment, institutional corrections, and correctional clients. This new edition includes expanded coverage of contemporary issues, including juvenile facilities, state and federal prisons, and security threats and gangs. Photos and figures provide a visual learning experience that presents complex data in a very simple and readable manner. Key words, review questions, definitions and objective-based summaries make instruction more focused, and help students master the materials. ¿ Also available with MyCJLab This title is also available with MyCJLab—an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. This powerful homework and test manager lets you create, import, and manage online homework assignments, quizzes, and tests that are automatically graded. You can choose from a wide range of assignment options, including time limits, proctoring, and maximum number of attempts allowed. The bottom line: MyLab means less time grading and more time teaching. NOTE: You are purchasing a standalone product; MyCJLab does not come packaged with this content. If you would like to purchase both the physical text and MyCJLab search for ISBN-10: 0134099664/ISBN-13: 9780134099668. Corrections in the Community-Edward J. Latessa 2015-03-27 Corrections in the Community, Sixth Edition, examines the current state of community corrections and proposes an evidence-based approach to making programs more effective. As the U.S. prison system approaches meltdown, options like probation, parole, alternative sentencing, and both residential and non-residential programs in the community continue to grow in importance. This text provides a solid foundation and includes the most salient information available on the broad and dynamic subject of community corrections. Authors Latessa and Smith organize and evaluate the latest data on the assessment of offender risk/need/responsivity and successful methods that continue to improve community supervision and its effects on different types of clients, from the mentally ill to juveniles. This book provides students with a thorough understanding of the theoretical and practical aspects of community corrections and prepares them to evaluate and strengthen these crucial programs. This sixth edition includes a new chapter on specialty drug and other problem-solving courts. Now found in every state, these specialty courts represent a new way to deal with some of the problems that face our citizens, be it substance abuse or reentry to the community from prison. Chapters contain key terms, boxed material, review questions, and recommended readings, and a glossary is provided to clarify important concepts.

Probation and Parole-Howard Abadinsky 2017-05-08 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For use in Community Corrections/Probation and Parole courses An insider's view of the rapidly changing field of community corrections/probation and parole Probation and Parole: Corrections in the Community, Thirteenth Edition, looks at the history of the field, and how it moved from a focus on treatment/rehabilitation and the indeterminate sentence toward a model based on control/law enforcement and the determinate sentence. Written by a former community corrections professional, the author provides an insider's view on how these changes affected the roles and responsibilities of probation and parole officers. In contrast to competing texts, the author weaves his experience with the practices of probation and parole agencies throughout the United States to provide a realistic, state-of-the-art view of the field. Cutting-edge topics examined and critiqued include: restorative justice, broken windows/community-based supervision, place-based supervision, evidence-based practice, motivational interviewing, cognitive-behavioral therapy, "truth-in-sentencing" and "three-strikes-and-you're-out". Additionally, this edition features a thorough examination of how "tough on crime" and "war on drugs" has resulted in a need for "justice reinvestment" and a new focus on community-based correction.

Criminal Justice Today-Frank J. Schmalleger 2014

American Corrections-Todd R. Clear 2012 Long at the forefront of the course and now in its Tenth Edition, AMERICAN CORRECTIONS has been a trusted resource for introducing students to the dynamics of corrections in a way that captures their interest and encourages them to enter the field. Complete with valuable career-based material, insightful guest speakers, illuminating real-world cases, and uniquely even-handed treatment of institutional and community sanctions, the text examines the U.S. correctional system from the perspectives of both the corrections worker and the offender, providing students with the most well-rounded, balanced introduction to corrections available. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

American Prison-Shane Bauer 2018 "In 2014, Shane Bauer was hired for \$9 an hour to work as an entry-level prison guard at a private prison in Winnfield, Louisiana. An award-winning investigative journalist, he used his real name; there was no meaningful background check. Four months later, his employment came to an abrupt end ... In [this book], Bauer weaves a ... reckoning with his experiences together with a ... history of for-profit prisons in America from their origins in the decades before the Civil War"--

America's Courts and the Criminal Justice System-David Neubauer 2010-01-01 Widely used and widely respected, AMERICA'S COURTS AND THE CRIMINAL JUSTICE SYSTEM, Tenth Edition, offers a comprehensive explanation of the courts and the criminal justice system, presented in a streamlined, straightforward manner that appeals to instructors and students alike. Neubauer and Fradella's crisp, clear writing style, characterized by careful chunking of material into small sections within chapters, ensures that readers gain a firm handle on the material, while the text's innovative courtroom workhouse model, which focuses on the interrelationships among the judge, prosecutor, and defense attorney, brings the courtroom to life. This popular text has long been known for the way it

Downloaded from apexghana.org on January 21, 2021 by

gives students a true glimpse what it is like to work within the American criminal justice system, and the tenth edition is no exception. This modern edition offers coverage that reflects recent policy shaping and headline-making developments as well as incorporation of additional student-learning and review tools. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Inside Private Prisons-Lauren-Brooke Eisen 2017-11-07 When the tough-on-crime politics of the 1980s overcrowded state prisons, private companies saw potential profit in building and operating correctional facilities. Today more than a hundred thousand of the 1.5 million incarcerated Americans are held in private prisons in twenty-nine states and federal corrections. Private prisons are criticized for making money off mass incarceration—to the tune of \$5 billion in annual revenue. Based on Lauren-Brooke Eisen’s work as a prosecutor, journalist, and attorney at policy think tanks, *Inside Private Prisons* blends investigative reportage and quantitative and historical research to analyze privatized corrections in America. From divestment campaigns to boardrooms to private immigration-detention centers across the Southwest, Eisen examines private prisons through the eyes of inmates, their families, correctional staff, policymakers, activists, Immigration and Customs Enforcement employees, undocumented immigrants, and the executives of America’s largest private prison corporations. Private prisons have become ground zero in the anti-mass-incarceration movement. Universities have divested from these companies, political candidates hesitate to accept their campaign donations, and the Department of Justice tried to phase out its contracts with them. On the other side, impoverished rural towns often try to lure the for-profit prison industry to build facilities and create new jobs. Neither an endorsement or a demonization, *Inside Private Prisons* details the complicated and perverse incentives rooted in the industry, from mandatory bed occupancy to vested interests in mass incarceration. If private prisons are here to stay, how can we fix them? This book is a blueprint for policymakers to reform practices and for concerned citizens to understand our changing carceral landscape.

The New Jim Crow-Michelle Alexander 2020-01-07 Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—“one of the most influential books of the past 20 years,” according to the Chronicle of Higher Education—with a new preface by the author “It is in no small part thanks to Alexander’s account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system.” —Adam Shatz, London Review of Books Seldom does a book have the impact of Michelle Alexander’s *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander’s unforgettable argument that “we have not ended racial caste in America; we have merely redesigned it.” As the Birmingham News proclaimed, it is “undoubtedly the most important book published in this century about the U.S.” Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

Forensic Science-Richard Saferstein 2007-01 *Forensic Science: An Introduction*, by Richard Saferstein, is adapted from his own best-selling college text, *Criminalistics: An Introduction to Forensic Science*, currently in its ninth edition. This new, highly accessible high school text includes cutting-edge forensic techniques, practices and procedures, including DNA profiling, automated firearms search systems, digital imaging, and evidence collection and preservation. The book also focuses on possible career opportunities in the expanding forensic science field. Each chapter opens with a Case Study, incorporating real life examples of forensic science applications. Throughout the text, Learning Objectives highlight key concepts of each chapter; Forensic Brief boxes provide students with quick and pertinent facts about forensic cases; and Key Terms are explained in the margins. Each chapter contains summaries and review questions; and a full chapter examines the increasingly significant role computers are playing in criminal activity and the collection of forensic evidence. The book is accompanied by a companion Website (www.prenhall.com/hsforensics) that provides additional exercises, text information, and WebExtras, which serve to expand on information available in the text through video presentations and graphic displays that enhance the reader's understanding of the subject's more difficult concepts. - Publisher.

Probation, Parole, and Community-Based Corrections: Supervision, Treatment, and Evidence-Based Practices-Gary Bayens 2012-01-06

United States Government Publications Monthly Catalog- 1946

U.S. History-P. Scott Corbett 2017-12-19 Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Just Mercy-Bryan Stevenson 2014-10-21 #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn’t commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinksmanship—and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer’s coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice.

Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “Every bit as moving as To Kill a Mockingbird, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields.”—David Cole, The New York Review of Books “Searing, moving . . . Bryan Stevenson may, indeed, be America’s Mandela.”—Nicholas Kristof, The New York Times “You don’t have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful.”—Ted Conover, The New York Times Book Review “Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he’s also a gifted writer and storyteller.”—The Washington Post “As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty.”—The Financial Times “Brilliant.”—The Philadelphia Inquirer

American Corrections-Barry Krisberg 2014-09-23 American Corrections: Concepts and Controversies, by Barry Krisberg, Susan Marchionna, and Chris Hartney, presents an incisive view of every aspect of corrections (including jails, probation, sentencing, prisons, and parole), prompting students to think critically about the complex issues involved in responding to the current crisis in the U.S. correctional system. Incorporating theory, research, and the most recent available data, the book takes a contemporary and issues-oriented approach as it explores the most interesting and progressive developments in correctional policy and practice. Students will come away with practical knowledge, as well as a framework for thoughtful analysis of a subject that can seem mysterious or impenetrable. In addition, the book covers subjects many corrections texts treat only minimally, including women in corrections, the death penalty, and special populations. Perhaps most importantly, the book offers a point of view on what is plaguing the American correctional system and a realistic look at the solutions that offer real promise.

American Corrections-Todd R. Clear 2015-01-01 Long at the forefront of the course and now in its Eleventh Edition, AMERICAN CORRECTIONS has been a trusted resource for introducing students to the dynamics of corrections in a way that captures their interest and encourages them to enter the field. Introduction to Corrections in Michigan- 1987

Introduction to Corrections-Robert D. Hanser 2018-11-29 Introduction to Corrections provides students with a comprehensive foundation of corrections that is practitioner-driven and grounded in modern research and theoretical origins. This text uniquely illustrates how the day-to-day practitioner conducts business in the field of corrections in both institutional and community settings. Experienced correctional practitioner, scholar, and author Robert D. Hanser shows students how the corrections system actually works, from classification, to security, to treatment, to demonstrating how and why correctional practices are implemented. Furthering the reality of the modern correctional experience, the Third Edition includes a new chapter on immigration detention centers. The Second Founding: How the Civil War and Reconstruction Remade the Constitution-Eric Foner 2019-09-17 From the Pulitzer Prize-winning scholar, a timely history of the constitutional changes that built equality into the nation's foundation and how those guarantees have been shaken over time. The Declaration of Independence announced equality as an American ideal, but it took the Civil War and the subsequent adoption of three constitutional amendments to establish that ideal as American law. The Reconstruction amendments abolished slavery, guaranteed all persons due process and equal protection of the law, and equipped black men with the right to vote. They established the principle of birthright citizenship and guaranteed the privileges and immunities of all citizens. The federal government, not the states, was charged with enforcement, reversing the priority of the original Constitution and the Bill of Rights. In grafting the principle of equality onto the Constitution, these revolutionary changes marked the second founding of the United States. Eric Foner's compact, insightful history traces the arc of these pivotal amendments from their dramatic origins in pre-Civil War mass meetings of African-American "colored citizens" and in Republican party politics to their virtual nullification in the late nineteenth century. A series of momentous decisions by the Supreme Court narrowed the rights guaranteed in the amendments, while the states actively undermined them. The Jim Crow system was the result. Again today there are serious political challenges to birthright citizenship, voting rights, due process, and equal protection of the law. Like all great works of history, this one informs our understanding of the present as well as the past: knowledge and vigilance are always necessary to secure our basic rights.

United States Government Publications Monthly Catalog- 1948

Are Prisons Obsolete?-Angela Y. Davis 2011-01-04 With her characteristic brilliance, grace and radical audacity, Angela Y. Davis has put the case for the latest abolition movement in American life: the abolition of the prison. As she quite correctly notes, American life is replete with abolition movements, and when they were engaged in these struggles, their chances of success seemed almost unthinkable. For generations of Americans, the abolition of slavery was sheerest illusion. Similarly, the entrenched system of racial segregation seemed to last forever, and generations lived in the midst of the practice, with few predicting its passage from custom. The brutal, exploitative (dare one say lucrative?) convict-lease system that succeeded formal slavery reaped millions to southern jurisdictions (and untold miseries for tens of thousands of men, and women). Few predicted its passing from the American penal landscape. Davis expertly argues how social movements transformed these social, political and cultural institutions, and made such practices untenable. In *Are Prisons Obsolete?*, Professor Davis seeks to illustrate that the time for the prison is approaching an end. She argues forthrightly for "decarceration", and argues for the transformation of the society as a whole.

The Growth of Incarceration in the United States-Committee on Causes and Consequences of High Rates of Incarceration 2014-12-31 After decades of stability

Downloaded from apexghana.org on January 21, 2021 by

from the 1920s to the early 1970s, the rate of imprisonment in the United States has increased fivefold during the last four decades. The U.S. penal population of 2.2 million adults is by far the largest in the world. Just under one-quarter of the world's prisoners are held in American prisons. The U.S. rate of incarceration, with nearly 1 out of every 100 adults in prison or jail, is 5 to 10 times higher than the rates in Western Europe and other democracies. The U.S. prison population is largely drawn from the most disadvantaged part of the nation's population: mostly men under age 40, disproportionately minority, and poorly educated. Prisoners often carry additional deficits of drug and alcohol addictions, mental and physical illnesses, and lack of work preparation or experience. The growth of incarceration in the United States during four decades has prompted numerous critiques and a growing body of scientific knowledge about what prompted the rise and what its consequences have been for the people imprisoned, their families and communities, and for U.S. society. The Growth of Incarceration in the United States examines research and analysis of the dramatic rise of incarceration rates and its affects. This study makes the case that the United States has gone far past the point where the numbers of people in prison can be justified by social benefits and has reached a level where these high rates of incarceration themselves constitute a source of injustice and social harm. The Growth of Incarceration in the United States examines policy changes that created an increasingly punitive political climate and offers specific policy advice in sentencing policy, prison policy, and social policy. The report also identifies important research questions that must be answered to provide a firmer basis for policy. This report is a call for change in the way society views criminals, punishment, and prison. This landmark study assesses the evidence and its implications for public policy to inform an extensive and thoughtful public debate about and reconsideration of policies.

Fire in the United States-

Slaves of the State-Dennis Childs 2015-02-27 The Thirteenth Amendment to the United States Constitution, passed in 1865, has long been viewed as a definitive break with the nation's past by abolishing slavery and ushering in an inexorable march toward black freedom. Slaves of the State presents a stunning counterhistory to this linear narrative of racial, social, and legal progress in America. Dennis Childs argues that the incarceration of black people and other historically repressed groups in chain gangs, peon camps, prison plantations, and penitentiaries represents a ghostly perpetuation of chattel slavery. He exposes how the Thirteenth Amendment's exception clause—allowing for enslavement as “punishment for a crime”—has inaugurated forms of racial capitalist misogynist incarceration that serve as haunting returns of conditions Africans endured in the barracoons and slave ship holds of the Middle Passage, on plantations, and in chattel slavery. Childs seeks out the historically muted voices of those entombed within terrorizing spaces such as the chain gang rolling cage and the modern solitary confinement cell, engaging the writings of Toni Morrison and Chester Himes as well as a broad range of archival materials, including landmark court cases, prison songs, and testimonies, reaching back to the birth of modern slave plantations such as Louisiana's “Angola” penitentiary. Slaves of the State paves the way for a new understanding of chattel slavery as a continuing social reality of U.S. empire—one resting at the very foundation of today's prison industrial complex that now holds more than 2.3 million people within the country's jails, prisons, and immigrant detention centers.

American Corrections in Brief-Todd R. Clear 2016-01-01 A condensed, more accessible version of the best-selling corrections book on the market, AMERICAN CORRECTIONS IN BRIEF, 3rd Edition, introduces students to the dynamics of corrections in a way that captures their interest and encourages them to enter the field. The brief paperback format makes this book more approachable, and the well-respected author team incorporates several pedagogical elements to promote students' success. Complete with valuable career-based material, insightful guest speakers, illuminating real-world cases, and uniquely even-handed treatment of institutional and community sanctions, the text examines the U.S. correctional system from the perspectives of both the corrections worker and the offender, providing students with a well-rounded, balanced introduction to corrections. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Locked In-John Pfaff 2017-02-07 "Pfaff, let there be no doubt, is a reformer...Nonetheless, he believes that the standard story--popularized in particular by Michelle Alexander, in her influential book, The New Jim Crow--is false. We are desperately in need of reform, he insists, but we must reform the right things, and address the true problem."--Adam Gopnik, The New Yorker A groundbreaking examination of our system of imprisonment, revealing the true causes of mass incarceration as well as the best path to reform In the 1970s, the United States had an incarceration rate comparable to those of other liberal democracies-and that rate had held steady for over 100 years. Yet today, though the US is home to only about 5 percent of the world's population, we hold nearly one quarter of

Downloaded from apexghana.org on January 21, 2021 by guest

its prisoners. Mass incarceration is now widely considered one of the biggest social and political crises of our age. How did we get to this point? Locked In is a revelatory investigation into the root causes of mass incarceration by one of the most exciting scholars in the country. Having spent fifteen years studying the data on imprisonment, John Pfaff takes apart the reigning consensus created by Michelle Alexander and other reformers, revealing that the most widely accepted explanations—the failed War on Drugs, draconian sentencing laws, an increasing reliance on private prisons—tell us much less than we think. Pfaff urges us to look at other factors instead, including a major shift in prosecutor behavior that occurred in the mid-1990s, when prosecutors began bringing felony charges against arrestees about twice as often as they had before. He describes a fractured criminal justice system, in which counties don't pay for the people they send to state prisons, and in which white suburbs set law and order agendas for more-heavily minority cities. And he shows that if we hope to significantly reduce prison populations, we have no choice but to think differently about how to deal with people convicted of violent crimes—and why some people are violent in the first place. An authoritative, clear-eyed account of a national catastrophe, Locked In transforms our understanding of what ails the American system of punishment and ultimately forces us to reconsider how we can build a more equitable and humane society.

Criminal Law Today—Frank Schmalleger 2014-08-06 Bringing criminal law to life. Criminal Law Today, Fifth Edition, brings criminal law to life by relating it to real stories from today's headlines. The text's approach is strongly influenced by the belief that the law has always been, and remains, a vital policy-making tool. As a topic for study and discussion, the nature and life of the law is more important today than ever before. The text highlights the challenges that face the law as it continues to adapt to the needs of a complex and rapidly changing society and features a balanced text/casebook approach that provides a lively introduction to criminal law. Effective in-text learning tools give students the resources they need to master the material presented in the text. MyCJLab was designed to meet the needs of today's instructors and students. MyCJLab provides instructors with a rich and flexible set of course materials, along with course management tools that make it easy to deliver all or a portion of your course online. MyCJLab provides students with a personalized interactive learning environment, where they can learn at their own pace and measure their progress.

The American Spirit 13th Edition Update—David M. Kennedy 2019-08-12 Primary source documents, often accessible only in musty archives, are the raw material from which historians craft their stories. The American Spirit is a virtual archive where students can touch the evidence deposited by the living, breathing, often conflicted and frequently contentious men and women who lived and shaped America's past.

Criminal Law—Thomas J. Gardner 2011-01-01 Highly accessible and student friendly, Gardner and Anderson's CRIMINAL LAW, 11e combines a traditional presentation and organization with a highly prescriptive approach to teaching criminal law. The longtime market leader—a favorite of professors and students alike for over three decades—is ideal for instructors who want a more narrative, descriptive approach with fewer lengthy case excerpts. Exposing students to the language of criminal law without overwhelming them, the text delivers comprehensive coverage of all the major components of substantive criminal law. Thoroughly updated, the 11th Edition of this proven classic features compelling coverage of current issues and cases and plentiful learning tools that help students of all backgrounds quickly master even complex legal topics. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Evaluating the Effectiveness of Correctional Education—Lois M. Davis 2013-08-21 After conducting a comprehensive literature search, the authors undertook a meta-analysis to examine the association between correctional education and reductions in recidivism, improvements in employment after release from prison, and other outcomes. The study finds that receiving correctional education while incarcerated reduces inmates' risk of recidivating and may improve their odds of obtaining employment after release from prison.

Probation and Parole—Howard Abadinsky 2011-11-21 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Written by a former community corrections professional, PROBATION AND PAROLE, 11/e provides an insider's view of probation and parole. Featuring a two-color design, it addresses both juvenile and adult populations and includes authentic reports, forms and narrative from agencies throughout the country. This edition features material on motivational interviewing, restorative justice, community-based supervision, evidence-based practice, offender re-entry, and other state-of-the-art practices. Expanded review questions engage students in material as they examine the controversial issues impacting the system.

"The Full Potential section in this book is a welcome guide for those who want to go beyond just studying hard: it addresses all the psychological and emotional processes involved in test-taking. Students of Sapir's holistic approach have enjoyed success in New York City for years. Now others can learn about and incorporate the valuable techniques described in this clear and easy-to-read guide. The techniques are effective and time-tested. Sapir and van Hoek have produced a winning book for those whose scores are compromised by test anxiety, as well as those striving for peak performance." -- Tom Akiva, PhD. Assistant Professor University of Pittsburgh School of Education "Bara Sapir's/TPNY's progressive test preparation technique is good for test-takers who want an edge when taking the test, as well as test-takers who require extra assistance. The model is effective because it teaches mediation of cognitive, academic, attentional, and emotional control. This book contains the necessary ingredients to succeed on the GMAT--it skillfully teaches the essential components of test taking through a clever blend of aggressiveness, logic, and relaxation. After practicing the techniques herein, the trepidatious test taker can expect to enter testing arenas with a greater confidence to achieve that may have alluded them in the past." -- Dr. Jason Smith, School and Clinical Psychologist "Full Potential GMAT Sentence Correction Intensive is by far and away the most advanced study aid available for the sentence correction section of the GMAT. We highly recommend this guide to all test takers seeking the 700+ scores the top business schools like to see." -- David Petersam, President, AdmissionsConsultants

The American Psychiatric Association Practice Guidelines for the Psychiatric Evaluation of Adults, Third Edition-American Psychiatric Association 2015-07-29 Since the publication of the Institute of Medicine (IOM) report Clinical Practice Guidelines We Can Trust in 2011, there has been an increasing emphasis on assuring that clinical practice guidelines are trustworthy, developed in a transparent fashion, and based on a systematic review of the available research evidence. To align with the IOM recommendations and to meet the new requirements for inclusion of a guideline in the National Guidelines Clearinghouse of the Agency for Healthcare Research and Quality (AHRQ), American Psychiatric Association (APA) has adopted a new process for practice guideline development. Under this new process APA's practice guidelines also seek to provide better clinical utility and usability. Rather than a broad overview of treatment for a disorder, new practice guidelines focus on a set of discrete clinical questions of relevance to an overarching subject area. A systematic review of evidence is conducted to address these clinical questions and involves a detailed assessment of individual studies. The quality of the overall body of evidence is also rated and is summarized in the practice guideline. With the new process, recommendations are determined by weighing potential benefits and harms of an intervention in a specific clinical context. Clear, concise, and actionable recommendation statements help clinicians to incorporate recommendations into clinical practice, with the goal of improving quality of care. The new practice guideline format is also designed to be more user friendly by dividing information into modules on specific clinical questions. Each module has a consistent organization, which will assist users in finding clinically useful and relevant information quickly and easily. This new edition of the practice guidelines on psychiatric evaluation for adults is the first set of the APA's guidelines developed under the new guideline development process. These guidelines address the following nine topics, in the context of an initial psychiatric evaluation: review of psychiatric symptoms, trauma history, and treatment history; substance use assessment; assessment of suicide risk; assessment for risk of aggressive behaviors; assessment of cultural factors; assessment of medical health; quantitative assessment; involvement of the patient in treatment decision making; and documentation of the psychiatric evaluation. Each guideline recommends or suggests topics to include during an initial psychiatric evaluation. Findings from an expert opinion survey have also been taken into consideration in making recommendations or suggestions. In addition to reviewing the available evidence on

psychiatry evaluation, each guideline also provides guidance to clinicians on implementing these recommendations to enhance patient care.

These Truths: A History of the United States-Jill Lepore 2018-09-18 New York Times Bestseller In the most ambitious one-volume American history in decades, award-winning historian and New Yorker writer Jill Lepore offers a magisterial account of the origins and rise of a divided nation, an urgently needed reckoning with the beauty and tragedy of American history. Written in elegiac prose, Lepore's groundbreaking investigation places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. And it rests, too, on a fearless dedication to inquiry, Lepore argues, because self-government depends on it. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore traces the intertwined histories of American politics, law, journalism, and technology, from the colonial town meeting to the nineteenth-century party machine, from talk radio to twenty-first-century Internet polls, from Magna Carta to the Patriot Act, from the printing press to Facebook News. Along the way, Lepore's sovereign chronicle is filled with arresting sketches of both well-known and lesser-known Americans, from a parade of presidents and a rogues' gallery of political mischief makers to the intrepid leaders of protest movements, including Frederick Douglass, the famed abolitionist orator; William Jennings Bryan, the three-time presidential candidate and ultimately tragic populist; Pauli Murray, the visionary civil rights strategist; and Phyllis Schlafly, the uncredited architect of modern conservatism. Americans are descended from slaves and slave owners, from conquerors and the conquered, from immigrants and from people who have fought to end immigration. "A nation born in contradiction will fight forever over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. "The past is an inheritance, a gift and a burden," *These Truths* observes. "It can't be shirked. There's nothing for it but to get to know it."

Between the World and Me-Ta-Nehisi Coates 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

American Government-Glen Krutz 2018-01-07 Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to

thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

Electromyography and Neuromuscular Disorders-David C. Preston 2004
