Running Through the Ages-Edward Seldon Sears 2001-01-01 "Here is the first comprehensive history of running, from prehuman times through the year 2000. Beginning with an exploration of how human anatomy evolved to make possible the running down of prey, it moves on through racing in the ancient world and the Middle Ages, the coming of "pedestrians" (professional runners) in the nineteenth century, the rise of amateur running in events like the Olympics, and the era of the modern superstar runners. Rich with illustrations and detailed information, this book is an excellent resource for anyone with an interest in the facts, legends, and lore of running."--BOOK JACKET.

Everyday Fashions, 1909-1920, as Pictured in Sears Catalogs-JoAnne Olian 1995-07-31 Presents a selection of fashion illustrations originally published in Sears catalogs between 1909 and 1920, focusing on ready-to-wear apparel for women and children.

User's Guide to Sears List of Subject Headings-Mohinder P. Satija 2008-05-16 This book is a companion to the 19th edition of the Sears List and a complete course in the theory and practice of the List for practitioners, teachers, and learners. The object of this small, practical introduction is to be simple, clear, and illustrative, assuming the reader has little prior knowledge either of the Sears List or of subject headings work in general.

A Slice of the Pie-Nick Sarillo 2012-09-13 How does a suburban pizza joint end up profiled on national magazine covers and network TV news? (Hint: The secret is not in the sauce.) When Nick Sarillo decided to open a family-friendly pizza restaurant in the suburbs of Chicago, people thought he was nuts. Having worked as a carpenter for much of his adult life, he lacked any formal experience in restaurants or in managing a small business. Everyone told him no one else would ever care about his place the way he did. They warned he'd have to work 20-hour-days and monitor every employee just to stay in business. But Sarillo saw things differently, and set out to run his business in a radically different way. Today Nick's Pizza & Pub is one of the top ten busiest independent pizza restaurants in the country, with two locations that gross about six times the revenue of the typical pizza restaurant. And in an industry where most employees leave within less than a year, Nick's annual turnover rate is less than 20 percent. How did he do it? The secret lies in Nick's purpose-driven culture, in which every employee—from the waiters to the chefs to the managers—is equipped with the tools necessary to do their jobs while also advancing the company's overall mission. The result is higher sales, a dedicated team, and a big little business that is beloved by the entire community. In A Slice of the Pie Sarillo tells the story of how he built his extraordinary culture and shows how anyone can follow his methods. For instance, Nick's managers engage the staff by tracking and rewarding unusual metrics, such as how many guests request a particular server or the average check amount of each carryout host. Likewise, team members of all ages and levels of experience are encouraged to express themselves, acquire new skills, and suggest ideas to help the business grow. A Slice of the Pie will help transform even the smallest, simplest, and most ordinary business into a successful, high-performance organization.

Popular Mechanics- 1974-03 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

CSS3: The Missing Manual-David Sawyer McFarland 2012-12-17 CSS3 lets you create professional-looking websites, and this manual shows you how to take your HTML and CCS skills to the next level with tips, tricks, and step-by-step instructions to build web pages that look great and run fast on devices and screens of all sizes.

Automotive Technician Training: Theory-Tom Denton 2014-04-16 A blended learning approach to automotive engineering at levels one to three. Produced alongside the ATT online learning resources, this textbook covers all the theory and technology sections that students need to learn in order to pass levels 1, 2 and 3 automotive courses. It is recommended by the Institute of the Motor Industry and is also ideal for exams run by other awarding bodies. Unlike the current textbooks on the market though, this title takes a blended learning approach, using interactive features that make learning more enjoyable as well as more effective. When linked with the ATT online resources it provides a comprehensive package that includes activities, video footage, assessments and further reading. Information and activities are set out in sequence so as to meet teacher and learner needs as well as qualification requirements. Tom Denton is the leading UK automotive author with a teaching career spanning lecturer to head of automotive engineering in a large college. His nine automotive textbooks published since 1995 are bestsellers and led to his authoring of the Automotive Technician Training multimedia system that is in common use in the UK, USA and several other countries.

Georges Brassens and Jacques Brel-Chris Tinker 2005 This book explores the various personal and social narratives within the songs of Brassens and Brel, the auteurs-compositeurs-interpretes who epitomised what is now widely regarded as the golden era of chanson francaise during the 1950s and 60s. Tinker's discussion reveals the tensions in thenarrators' relationship with themselves, other individuals, and society. The book builds upon, and moves beyond, the two dominant critical approaches used to write about French song: the exclusively biographical oriented approach and the purely linguistic analysis. Tinker focuses both on identity,viewed primarily as a relational process, and on representation: linguistic, musical, vocal, and gestural.

The Haynes Small Engine Repair Manual-Curt Choate 1990

Small Engine Repair Manual-Curt Choate 1991

Estimating Excavation-Deryl Burch 1997 This manual shows you, in simple, easy -to-understand language, how to calculate the amount of dirt you'll have to move, the cost of owning and operating the machines you'll do it with, and finally, how to assign bid prices to each part of the job. Using clear, detailed illustrations and examples, the author makes it easy to follow and duplicate his system. The book ends with a complete sample estimate, from the take-off to completing the bid sheet.Included in this book: -- How to set up & use an organized & logical estimating system -- How to read plans & specs -- Why a site visit

is mandatory -- How to assess accessibility & job difficulty -- How soil characteristics can affect your estimate -- The best ways to evaluate subsurface conditions -
- Figuring your overhead -- How to get the information you need from contour maps -- When you have to undercut -- Dealing with irregular regions and odd areas -- Factors for estimating swell and shrinkage -- Balancing the job: spoil & borrow -- Calculating machine owning & operating costs -- The two common methods of estimating earthwork quantities

Small Engines and Outdoor Power Equipment-Editors of Cool Springs Press 2014-03-15 This new book is more than a simple engine repair manual. Designed for the beginner with little or no mechanical experience, Small Engines & Outdoor Power Equipment is a graphically appealing, step-by-step guide that covers all of the most important engine maintenance and repair skills you'll need to keep your equipment running at peak performance. It also shows exactly how to perform mechanical upkeep and repairs on the most common outdoor power implements, including lawn mowers, snow blowers, chain saws, power washers, generators, leaf blowers, rototillers, wood splitters, lawn edgers, and weed whips. With clear 'how-to' photos and detailed diagrams, you'll see exactly what needs to be done. A comprehensive troubleshooting guide helps you define problems and enact solutions. With Small Engines & Outdoor Power Equipment in your library, you won't need to haul the lawn mower off to the repair center and wait a few weeks just because a filter is plugged or the old gas needs to be replaced. Among the many skills you'll learn are seasonal tune-ups, changing oil, servicing spark plugs, cleaning filters, replacing muffler, servicing the fuel tank, overhauling the carburetor, servicing brakes, inspecting flywheels, replacing the fuel pump, and replacing a rewind cord.

The Tractor in the Haystack-Scott Garvey For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

Rantoul and Chanute Air Force Base-Mark D. Hanson 2011-04-18 Rantoul and the former Chanute Air Force Base are inseparably intertwined as primary players in a single historical narrative. Rantoul was first founded as an agriculturally based community in 1848 near an area known as Mink Grove. The settlement boomed with the coming of the Illinois Central Railroad in 1854; a railroad championed by the town's namesake, Robert Rantoul Jr. Disaster followed in 1899 and again in 1901 with devastating fires. Then, in 1917, a U.S. Army flying field was built on the outskirts of Rantoul. Named after the aviation pioneer Octave Chanute, Chanute Field, later Chanute Air Force Base, became a premier technical training facility. A mutually beneficial relationship quickly developed between these civilian and military establishments that would last for over 75 years. Chanute Air Force Base closed in 1993, ushering in yet another new era for the village of Rantoul.

More Craftsman Homes-Gustav Stickley 2012-08-09 Stickley pioneered a style of architecture that came to be known as Mission. Complete plans for 78 authentic Mission-style dwellings are reprinted here from an original 1912 publication with over 300 black-and-white illustrations.

How to Restore Volkswagen Beetle-Jim Tyler 2004-08-27 "Your complete guide to all aspects of restoration including chassis, body, engine, suspension, steering, brakes, electrical equipment, interior trim and exterior trim"--Page 4 of cover.

Just a Spoonful of Laughter Helps the Medicine Go Down-Richard D. Edgerly, MD 2011-03-29 Just a Spoon Full of Laughter...is a great read for anyone that's been to a doctors office and made it out alive. Written by an actual physician, it will keep you in stitches (no pun intended) from one story to the next. See for yourself what could be so funny about the physician office visit. Whether it's recalling his first sigmoidoscopy or performing an autopsy, you'll keep this riveting series of short humorous stories right there in the bathroom for pleasurable reading. You may even find yourself somewhere between the pages. From an author who will never be a New York Times Best Seller, it's a great book for young or old, male or female, professional or not. It's especially ideal for that person in your life who has everything except a sense of humor. It's ideal as a stocking stuffer, white elephant gift or for future yard sales. "The funniest book I ever read." Says Dr. Zhivago "Yes! Yes! Yes!" Says Dr. No

Cisco IOS 12.0 Solutions for Network Protocols-Cisco Systems, Inc 1999 Cisco IOS 12.0 Solutions for Network Protocols Volume I is a comprehensive guide detailing available Cisco IP routing alternatives. It offers real implementation scenarios, demonstrating how to deploy and configure IP addressing and IP services for support of a wide range of IP routing protocols including BGP for ISP networks and basic and advanced IP Multicast functionality.

Dragon's Soul-Michelle Rabe 2017-01-03 Crown Prince Killian Rhys's life has been defined by duty for as long as he can recall. Duty ties him to a wife he does not love. Duty separates him from the woman he loves, a woman once believed to be beneath him. Duty holds him to the people he will one day rule. Can Killian break free of duty's chains before his wife binds him with more than vows? Will he find a path to his true love, or will duty wrap him in inescapable shackles?

Take advantage of home improvement jobs you may never have bid on before by relying on the solid cost figures in this reference. That's why so many home improvement contractors use this manual as their company price book. You'll be able to quickly locate hard-to-find costs for demolition, foundations, framing, structural repairs, decking, deck repairs, window repair and replacement, door repair and replacement. wall and ceiling repairs, floor repair and replacement, kitchen and bathroom improvement prices, and much more.

Probability, Statistics And Random Processes-Veerarajan 2002-11-01

Wingfield College and Its Patrons-Peter Bloore 2015 The 650th anniversary of the foundation of Wingfield College was the occasion for a special two-day symposium marking the culmination of a three-year UEA-funded research project into the college and castle. The building projects of the late medieval aristocracy focused on their homes and the monasteries, churches or chantry foundations under their patronage where their family were buried and commemorated. This commemoration allowed a visual celebration of their achievements, status and lineage, the scale and prestige of which reflected on the fortunes of the family as a whole. Wingfield is explored in the context of both the actual building of the castle, chantry chapel and the college, and that of the symbolic function of these as a demonstration ion of aristocratic status. The contributions to this book examine many topics which have hitherto been neglected, such as the archaeology of the castle, which had never been excavated, the complex history of the college's architecture, and the detailed study of the monuments in the church. The latest techniques are used to reconstruct the college and castle, with a DVD to demonstrate these. And the context of the family and its fortunes are explored in chapters on the place of the de la Poles in fifteenth century history, as soldiers, administrators and potential claimants to the throne.

Toro Proline Hydrostatic: Commercial Walk-Behind Mowers, 1990 & Later (Lawn Mower)-Penton Staff 2000-05-24 Toro Proline commercial walk-behind mowers (produced from 1990-2001) manual.

Walk Behind Lawn Mower Service Manual- 1987

Praxis Manned Spaceflight Log 1961-2006-Tim Furniss 2007-02-22 This flagship work charts a complete chronological log of orbital manned spaceflight. Included are the X-15 "astroflights" of the 1960s, and the two 1961 Mercury and Redstone missions which were non-orbital. There is an image depicting each manned spaceflight, and data boxes containing brief biographies of all the space travelers. The main text is a narrative of each mission, its highlights and accomplishments, including the strange facts and humorous stories connected to every mission. The resulting book is a handy reference to all manned spaceflights, the names of astronauts and cosmonauts who flew on each mission, their roles and accomplishments.

The Economics of Regional Clusters-Uwe Blien 2008-01-01 This important new book takes a critical view on regional industry clusters, in particular their identification and formation, and the policies which help create and support them.

The Age-Free Zone-Barry Sears 2010-10-05 Enter The Age-Free Zone... You have the power to reverse aging -- beginning with your next meal! Ask yourself these life-changing questions: Is it too late to reverse aging? What type of diet will increase my sexual energy and desire? Can I make my hormones work more

effectively? Do high-carbohydrate diets accelerate aging? How can I reduce free-radical-induced aging? How does stress reduce brain longevity? No one wants to get old or show the signs of age. In this breakthrough book Dr. Barry Sears goes beyond looking at food simply as a source of calories and explains the incredibly powerful biological effects it has on your hormones. In addition to unravelling the mysteries of your hormones and their role in aging, Dr. Sears reveals the essential dietary information you need to start your own age-reversal journey. Begin your age-free lifestyle today! The Age-Free Zone includes: A week of Age-Free Zone meals for men and women Age-Free Zone meals for the business traveller Age-Free Zone meals in fast-food restaurants A simple, at-home Age-Free Zone exercise program
