Da Piazza San Sepolcro a Piazzale Loreto-Gianfranco Bianchi 1978

Da piazza san Sepolcro a piazzale Loreto-Cesare Sacerdote 1978

Unwanted-Maddalena Marinari 2019-10-29 In the late nineteenth century, Italians and Eastern European Jews joined millions of migrants around the globe who left their countries to take advantage of the demand for unskilled labor in rapidly industrializing nations, including the United States. Many Americans of northern and western European ancestry regarded these newcomers as biologically and culturally inferior--unassimilable--and by 1924, the United States had instituted national origins quotas to curtail immigration from southern and eastern Europe. Weaving together political, social, and transnational history, Maddalena Marinari examines how, from 1882 to 1965, Italian and Jewish reformers profoundly influenced the country's immigration policy as they mobilized against the immigration laws that marked them as undesirable. Strategic alliances among restrictionist legislators in Congress, a climate of anti-immigrant hysteria, and a fickle executive branch often left these immigrants with few options except to negotiate and accept political compromises. As they tested the limits of citizenship and citizen activism, however, the actors at the heart of Marinari's story shaped the terms of debate around immigration in the United States in ways we still reckon with today.

Mussolini's Last Republic-Luisa Quartermaine 2000

Ambassadors of the Working Class-Ernesto Semán 2017-08-17 In 1946 Juan Perón launched a populist challenge to the United States, recruiting an army of labor activists to serve as worker attachés at every Argentine embassy. By 1955, over five hundred would serve, representing the largest presence of blue-collar workers in the foreign service of any country in history. A meatpacking union leader taught striking workers in Chicago about rising salaries under Perón. A railroad motorist joined the revolution in Bolivia. A baker showed Soviet workers the daily caloric intake of their Argentine counterparts. As Ambassadors of the Working Class shows, the attachés' struggle against US diplomats in Latin America turned the region into a Cold War battlefield for the hearts of the working classes. In this context, Ernesto Semán reveals, for example, how the attachés' brand of transnational populism offered Fidel Castro and Che Guevara their last chance at mass politics before their embrace of revolutionary violence. Fiercely opposed by Washington, the attachés' project foundered, but not before US policymakers used their opposition to Peronism to rehearse arguments against the New Deal's legacies.

Handbook for Travellers in Northern Italy-John Murray (Firm) 1877

Fascism, Architecture, and the Claiming of Modern Milan, 1922-1943-Lucy M. Maulsby 2014-02-05 Fascism, Architecture, and the Claiming of Modern Milan, 1922-1943 chronicles the dramatic architectural and urban transformation of Milan during the nearly twenty years of fascist rule. The commercial and financial centre of Italy and the birthplace of fascism, Milan played a central role in constructing fascism's national image and identity as it advanced from a revolutionary movement to an established state power. Using a wide range of archival sources, Lucy M. Maulsby analyses the public buildings, from the relatively modest party headquarters to the grandiose Palace of Justice and the Palazzo del Popolo d'Italia, through which Mussolini intended to enhance the city's image and solidify fascism's presence in Milan. Maulsby establishes the extent to which Milan's economic structure, social composition, and cultural orientation affected Il Duce's plans for the city, demonstrating the influences on urban development that were beyond the control of the fascist regime. By placing Milan's urban change in its historic context, this book expands our understanding of the relationship between fascism and the modern city.

Cantine, Caverne, Bunkers-Massimo Rasse 2013

Sardinia-Clare Griffiths 2001 A travel series unlike any other, Insight Guides go beyond the sights and into reality. Their incomparable photojournalistic approach captures the uniqueness of each culture they cover: their traditions, their arts, their history, their lives. The stunning photography is married to compelling text, written by local writers; the people most qualified to convey their culture's "secrets". Yes, Insight Guides will tell you which attractions to visit, but they'll also tell you a whole lot more. From the most popular resort cities to the world's most remote and exotic villages, Insight Guides will give you the insider's perspective you need to truly experience any destination you visit.

Viaggio da Venetia al S. sepolcro et al monte Sinai; col disegno delle citta, ... monasterij, isole, porti e fiumi, che sin la si ritrouano ... Di nuouo aggioutoui vna tauola, che dinota quante miglia sono da luoco a luoco insino a Gierusalemme-Noe Bianchi 1668

Legal Theory in the Crucible of Constitutional Justice-Rory O'Connell 2000 Constitutional adjudication straddles law and politics, legal and political theory.

Referring to legal controversies in Canada (free expression), Ireland (sexual morality) and Italy (religion), this book examines how constitutional judgements rely upon unarticulated political commitments. This interaction between "law" and "morality" allows us to escape the dichotomy of natural law versus positivism in a time when judges increasingly act as moral guardians.

Subject Catalog-Library of Congress

The British Library general catalogue of printed books 1976 to 1982. 5. Benz - Blun-British Library 1983

Tuscany-Cathy Muscat 2006 Featuring the same portable and user-friendly format as the Insight City Guides and drawing on the best features of the original Insight Guides, the all-new Insight Regional Guide is filled with insightful writing, lavish full-colour photography and provides greater emphasis on practical information to create the most complete portable regional travel guide. .Magazine-style articles .Lively essays written by local writers on culture, history, and people .Expert evaluations of must-see-site - plus maps and floor plans .Restaurant listings at the end of each chapter ."Best of" section highlighting attractions, walks, activities for children and families, festivals and events, cafes, pubs, bars and more .Bonus pull-out Touring Map with tour suggestions and full-colour photos .Tabbed Travel Tips section for quick reference .Comfortable, rounded spine makes these volumes ideal for use on the go

International Bibliography of Historical Sciences- 1978 Verzeichnis der exzerpierten zeitschriften: 1926, p. [XXXI]-XVII.

Milan-Insight 1993

Haeckel's Monism and the Birth of Fascist Ideology-Daniel Gasman 1998 Utilizing hitherto unexplored material that has become available only after the dismantling of the Berlin Wall, this book examines the Monist philosophy of the German zoologist Ernst Haeckel, and its role in stimulating the birth of Fascist ideology in Italy and France. Focusing on the relevance of evolutionary science, Fascist thought is revealed as intimately related to Haeckel's scientific Monism - an approach that differs from most interpretations that tend to voice skepticism about the existence of a specific intellectual origin for Fascist ideology.

Milano Un Secolo-Alberto Lorenzi 1965

Scritti E Discorsi Di Benito Mussolini-Benito Mussolini 1934

Il 1924 (II-III E.F.)-Benito Mussolini 1992

Lo stivale zoppo-Roberto Gervaso 2013-10-01 Mussolini non è morto nell'aprile del 1945. Il corpo esposto in piazzale Loreto non era il suo. Grazie a una fuga rocambolesca con scambio di persona, è riuscito a rifugiarsi in Svizzera sotto mentite spoglie. Lì ha ricominciato una seconda vita trovando lavoro come giornalista (la sua prima passione) per un piccolo quotidiano ticinese. Dopo i primi pungenti articoli, il direttore lo manderà inviato in Italia per una serie di reportage, che racconteranno il nostro paese dalla ricostruzione al '68, dal rapimento di Moro all'ascesa di Berlusconi, fino alle vicende del governo Letta e della condanna del Cavaliere. Con questo vertiginoso stratagemma narrativo, Roberto Gervaso fa il pelo e il contropelo a cento anni di storia d'Italia, dal trattato di Versailles ai giorni nostri, e ci accompagna in una vivacissima e spericolata cavalcata lungo il secolo che ci ha resi quel che siamo. Lo fa con una penna in stato di grazia, uno stile storiografico oggettivo ma ricco di aggettivi, con la competenza del saggista (che ha visto da vicino molti dei personaggi e degli eventi raccontati) e la passione del romanziere. Fra queste pagine si sente il gusto della provocazione che fu di Leo Longanesi, e quello della divulgazione di Indro Montanelli, con cui Gervaso firmò i primi sei volumi della mitica Storia d'Italia.

Florence, Venice & Milan Access-Richard Saul Wurman 1994-03-17 ACCESS guides are filled with striking graphics, detailed maps and color-coded entries that distinguish hotels, restaurants, shops, parks, and sights. Travelers can venture beyond Venice's Piazza San Marco, Florence's Ponte Vecchio, and Milan's Centro to discover Etruscan frescoes, Roman living quarters, palazzos, basilicas, and more.

Florence Access, Venice Access, Milan Access-Richard Saul Wurman 1991 The latest book in the continuing Access travel series makes finding your way around three of the most popular Italian destinations fun and easy. Divided by neighborhood rather than category, readers get a feel for each area. Includes numbered maps, color-coded entries, personal favorites contributed by celebrities, and more. Color maps; line drawings.
