Drums, Girls, and Dangerous Pie-Jordan Sonnenblick 2010-01-01 From first-time novelist Jordan Sonnenblick, a brave and beautiful story that will make readers laugh and break their hearts at the same time. Thirteen-year-old Steven has a totally normal life: he plays drums in the All-Star Jazz band, has a crush on the hottest girl in the school, and is constantly annoyed by his five-year-old brother, Jeffrey. But when Jeffrey is diagnosed with leukemia, Steven's world is turned upside down. He is forced to deal with his brother's illness and his parents' attempts to keep the family in one piece. Salted with humor and peppered with devastating realities, DRUMS, GIRLS, AND DANGEROUS PIE is a heartwarming journey through a year in the life of a family in crisis.

Drums, Girls, and Dangerous Pie-Jordan Sonnenblick 2014-04-29 The life of eighth-grader Steven Alper, already complicated by his friendship with two girls and a prodigious talent for drumming, is turned upside down when his five-year-old brother Jeffrey is diagnosed with leukemia.

After Ever After-Jordan Sonnenblick 2012-05-01 An amazing sequel to the groundbreaking debut, DRUMS, GIRLS & DANGEROUS PIE. Jeffrey isn't a little boy with cancer anymore. He's a teen who's in remission, but life still feels fragile. The aftereffects of treatment have left Jeffrey with an inability to be a great student or to walk without limping. His parents still worry about him. His older brother, Steven, lost it and took off to Africa to be in a drumming circle and "find himself." Jeffrey has a little soul searching to do, too, which begins with his escalating anger at Steven, an old friend who is keeping something secret, and a girl who is way out of his league but who thinks he's cute.

Notes From The Midnight Driver-Jordan Sonnenblick 2010-02-01 Just when you thought you had it all figured out...“Alex Peter Gregory, you are a moron!” Laurie slammed her palms down on my desk and stomped her foot. I get a lot of that. One car crash. One measly little car crash. And suddenly, I'm some kind of convicted felon. My parents are getting divorced, my dad is shacking up with my third-grade teacher, I might be in love with a girl who could kill me with one finger, and now I'm sentenced to babysit some insane old guy. What else could possibly go wrong? This is the story of Alex Gregory, his guitar, his best gal pal Laurie, and the friendship of a lifetime that he never would have expected.

Falling Over Sideways-Jordan Sonnenblick 2016-09-27 It's not easy being Claire. (Really.) Claire's life is a joke . . . but she's not laughing. While her friends seem to be leaping forward, she's dancing in the same place. The mean girls at school are living up to their mean name, and there's a boy, Ryder, who's just as bad, if not worse. And at home, nobody's really listening to her -- if anything, they seem to be more in on the joke than she is. Then into all of this (not-very-funny-to-Claire) comedy comes something intense and tragic -- while her dad is talking to her at the kitchen table, he falls over with a medical emergency. Suddenly the joke has become very serious -- and the only way Claire, her family, and her friends are going to get through it is if they can find a way to make it funny again.

Zen and the Art of Faking It-Jordan Sonnenblick 2010-02-01 From masterfully funny and poignant Jordan Sonnenblick, a story that will have everyone searching for their inner Zen. Meet San Lee, a (sort of) innocent teenager, who moves against his will to a new town. Things get interesting when he (sort of) invents a new past for himself, which makes him incredibly popular. In fact, his whole school starts to (sort of) worship him, just because he (sort of) accidentally gave the impression that he's a reincarnated mystic. When things start to unravel, San needs to find some real wisdom in a hurry. Can he patch things up with his family, save himself from bodily harm, stop being an outcast, and maybe even get the girl?

The Little Red Stroller-Joshua Furst 2019 Luna outgrows her stroller just as Ernie needs one, and when he outgrows it he passes it along to Gigi, and soon many different families have received and shared the gift.

Proposing a plan to help you improve your life? 4. Did we say imaginary? 5. Driving you crazy?!?! Now you have an idea of what Willie Ryan's life is like when he meets Dodger. Identical-Ellen Hopkins 2008-08-26 Do twins begin in the womb? Or in a better place? Kaeleigh and Raeanne are identical down to the dimple. As daughters of a district-court judge father and a politician mother, they are an all-American family -- on the surface. Behind the facade each sister has her own dark secret, and that's where their differences begin. For Kaeleigh, she's the misplaced focus of Daddy's love. Intended for a mother whose presence on the campaign trail means absence at home. All that Raeanne sees is Daddy playing a game of favorites -- and she is losing. If she has to lose, she will do it on her own terms, so she chooses drugs, alcohol, and sex. Secrets like the ones the twins are harboring are not meant to be kept -- from each other or anyone else. Pretty soon it's obvious that neither sister can handle it alone, and one sister must step up to save the other, but the question is -- who?

Dodger for Sale-Jordan Sonnenblick 2010-05-25 What would you do if your best friend was: 1. Still imaginary (and getting into trouble with other “imaginary” creatures, such as leprechauns!)? 2. In danger of losing his home, and the only forest in your town, the magical Field of Dreams? 3. Driving you crazy?!?! (But in a best-friend-type of way. . . .) Now you have an idea of what Willie Ryan's life is like in the third and final installment of the hilarious Dodger and Me series. Only this time, Dodger's gone and peeved a band of leprechauns; Willie's sister, Amy, is missing; and class bully James Beeks's dad wants to build a housing development in the Field of Dreams. The Glass Sentence-S. E. Grove 2014-06-12 A New York Times Best Seller An Indiebound Best Seller A Kids' Next Top Ten Book A Summer/Fall 2014 Indies Introduce New Voices SelectionA Junior Library Guild Selection One of Publishers Weekly's Best Summer Reads “Not since Philip Pullman's The Golden Compass have I seen such an original and compelling world built inside a book.”—Megan Whalen Turner, New York Times best-selling author of A Conspiracy of Kings She has only seen the world through maps. She had no idea they were so dangerous. Boston, 1891. Sophia Tims comes from a family of explorers and cartographers who, for generations, have been traveling and mapping the New World—a world changed by the Great Disruption of 1799, when all the continents were flung into different time periods. Eight years ago, her parents left her with her uncle Shadrack, the foremost cartogier in Boston, and went on an urgent mission. They never returned. Life with her brilliant, absent-minded, adored uncle has taught Sophia to take care of herself. Then Shadrack is kidnapped. And Sophia, who has rarely been outside of Boston, is the only one who can search for him. Together with Theo, a refugee from the West, she travels over rough terrain and uncharted ocean, encounters pirates and traders, and relies on a combination of Shadrack's maps, common sense, and her own slantwise powers of observation. But even as Sophia and Theo try to save Shadrack's life, they are in danger of losing their own. The Glass Sentence plunges readers into a time and place they will not want to leave, and introduces them to a heroine and hero they will take to their hearts. It is a remarkable debut. “I think The Glass Sentence is absolutely marvelous. It's the best book I've read in a long time. I love this book.”—Nancy Farmer, National Book Award-winning author of The House of the Scorpion “I loved it! So imaginative!”—Nancy Pearl “An exuberantly imagined cascade of unexplored worlds, inscribed in prose and detail as exquisite as the ... maps young Sophia uses to navigate such unpredictable landscapes. Wholly original and marvelous beyond compare.”—Kirkus Reviews, starred review “A thrilling, time-bending debut . . . It's a cracking adventure, and Grove bolsters the action with commentary on xenophobia and government for hire, as well as a fascinating system of map magic.”—Publishers Weekly, starred review

See You at Harry's Jo Knowles 2012-05-08 Starting middle school brings all the usual challenges -- until the unthinkable happens, and Fern and her family must find a way to heal. Twelve-year-old Fern feels invisible. It seems as though everyone in her family has better things to do than pay attention to her: Mom (when she's not meditating) helps Dad run the family restaurant; Sarah is taking a gap year after high school; and Holden pretends that Mom and Dad and everyone else doesn't know he's gay, even as he fends off bullies at school. Then there's Charlie: three years old, a “surprise” baby, the center of everyone's world. He's devoted to Fern, but he's annoying, too, always getting his way, always dirty, always commanding attention. If it wasn't for Ran, Fern's calm and positive best friend, there'd be nowhere to turn. Ran's mantra, “All will be well,” is soothing in a way that nothing else seems to be. And when Ran says it, Fern can almost believe it's true. But then tragedy strikes- and Fern feels not only more alone than ever, but also responsible for the accident that has wrenched her family apart. All will not be well. Or at least all will never be the same.

They Cage the Animals at Night-Jennings Michael Burch 2017 Shuttled through a bleak series of foster homes, orphanages, and institutions, Jennings never remained in any of them long enough to make a friend. Here, in his own words, Jennings Michael Burch reveals the abuse and neglect he experienced during his lost childhood. But while his experiences are both shocking and devastating, his story is ultimately one of hope - the triumphant tale of a forgotten child who somehow found the courage to reach out for love and found it waiting for him.

Replica-Lauren Oliver 2016-10-04 From Lauren Oliver, New York Times bestselling author of Before I Fall and the Delirium trilogy, comes an epic, masterful novel that explores issues of individuality, identity, and humanity. Lyra's story begins in the Haven Institute, a building tucked away on a private island off the coast of Florida that from a distance looks serene and even beautiful. But up close the locked doors, military guards, and biohazard suits tell a different story. In truth, Haven is a clandestine research facility where thousands of replicas, or human models, are born, raised, and observed. When a surprise attack is launched on Haven, two of its young experimental subjects—Lyra, or 24, and the boy known only as 72—manage to escape. Gemma has been in and out of hospitals for as long as she can remember. A lonely teen, her life is circumscribed by home, school, and her best friend, April. But after she is nearly abducted by a stranger claiming to know her, Gemma starts to investigate her family's past and discovers her father's mysterious connection to the secretive Haven research facility. Hungry for answers, she travels to Florida, only to stumble upon two replicas and a completely new set of questions. While the stories of Lyra and Gemma mirror each other, each contains breathtaking revelations critically important to the other story. Using hotlinks in this electronic edition, readers can decide how they would like to read the book, as with the print version. They can read the story of Gemma or Lyra straight through first, followed by the other girl's story, or they can move between chapters in Lyra's and Gemma's sections. No matter how it is read, Replica is an ambitious, thought-provoking masterwork.
