Errant Knight-George Wier 2020-05-04 Ten years ago, Shelby Knight turned in his badge and put his gun under glass. Since that time there hasn’t been a day he hasn’t replayed the shooting death of Aiden Holloway in his mind. When a man kills another man, it changes him forever on the inside. While lost and adrift amid the pieces of his unreconstructed life, Knight is brought in for questioning regarding a recent murder. His own gun has been used in a cold-blooded killing—the ballistics match, he has no alibi, and the police brotherhood of which he was once a well-loved and respected member is now out to nail him to the wall. Long after the press has dubbed him “The Black Knight,” Shelby takes the fight for his life to the streets in the persona of a self-styled vigilante complete with armor, shield and sword. Only from behind the protection and anonymity of a medieval steel shell can he discover the truth before the killer strikes yet again. But what are these disturbing dreams where he’s killing people he’s never met? Is his only friend the killer? Is it a conspiracy? Or is there a hidden, darker half of himself that takes pleasure in bloodshed?

Men of Smithfield: Mark and Tony-L.B. Gregg 2012-08-06 Coming home from work to find my boyfriend banging our hairy, married landlord—in our bed—was bad enough. Discovering Jamie had also cleaned out my bank accounts made it officially the worst day of my life. I think I can be forgiven for wanting revenge, even if a few little laws (and possibly Jamie’s nose) got bent in the process. Fortunately, the law is on my side in the form of my oldest friend, Tony Gervase. I’ve tried to deny my attraction to the sexy trooper for years. After all, he made it clear long ago that he wasn’t interested in me that way. But if the hot encounter in his kitchen is any indication, he is now. At least the day is ending a whole lot better than it began... But the morning after, the Jamie situation goes from bad to seriously messed up. The jerk’s in more trouble than I could have imagined. And as it turns out, I don’t know Tony as well as I thought I did either... Previously published, newly revised by author. 36,000 words
