Fred & Rose-Howard Sounes 2017-03-14 The definitive account of one of Britain's most notorious killer couples, who loved, tortured, and slayed together as husband and wife. Updated with a new afterword from the author on the twenty-fifth anniversary of the arrests From the outside, 25 Cromwell Street in Gloucester, England, looked as commonplace as the married couple who lived there. But in 1994, Fred

and Rose West's home would become infamous as a "house of horrors" when the remains of nine young women—many of them decapitated, dismembered, and showing evidence of sexual torture—were found interred under its cellar, bathroom floor, and garden. And this wasn't the only burial ground: Fred's first wife and nanny were unearthed miles away in a field, while his eight-year-old stepdaughter was found entombed under the Wests' former residence. Yet, for more than twenty years, the twosome maintained a façade of normalcy while abusing and murdering female boarders, hitchhikers, and members of their own family. Howard Sounes, who first broke the story about the Wests as a journalist and covered the murder trial, has written a comprehensive account of the case. Beginning with Fred and Rose's bizarre childhoods, Sounes charts their lives and crimes in forensic detail, constructing a fascinating and frightening tale of a marriage soaked in blood. Indeed, the total number of the Wests' victims may never be known. A case reminiscent of the "Moors Murders" committed in the 1960s in Manchester by Myra Hindley and Ian Brady—as if Hindley and Brady had married and kept on killing for decades—Fred & Rose "is a story of obsessive love as well as obsessive murder" (The Times, London).

What was left of Fred West's eight-year-old stepdaughter was dug up from under the Wests' previous Gloucester home; his first wife and nanny were buried in open country. Most victims had been decapitated and dismembered, their remains showing signs of sexual torture. These twelve are just the ones police found when the Wests were arrested in 1994. Fred & Rose West-Ryan Green 2016-04-20 Fred & Rose West - Britain's Most Infamous Killer Couples On the 24th of February 1994, police knocked on the door of an aging house in the English town of Gloucester. They'd come to serve a search warrant in the case of a missing girl - the daughter of the house's inhabitants. What they uncovered would shock the world: decades of child abuse, an underground torture chamber, and a burial ground containing the bodies of the spent victims of the torture - including that of the missing daughter. The address was 25 Cromwell Street, and these discoveries would earn it the moniker "The House of Horrors". At the end of the investigation, the number of the murdered was twelve -

all young females, including one daughter and one stepdaughter. The couple responsible were Rosemary and Frederick West, and this book will tell you their story. We'll start from the very beginning, with the killers' childhoods and upbringings, exploring in detail the factors that contributed to their later depravities. From there we'll detail the crimes themselves, following the tragic tales of their victims, including the mechanisms that led them to their grim fates. We'll examine how the full extent of their crimes was uncovered in the subsequent investigation. Finally, we'll dig into the malignancies both surrounding the killers and within themselves that drove them to perpetrate their heinous acts. This book is not one for the faint of heart. It enters into graphic details that may upset those of a delicate constitution. It is a true life report on real events. If you believe as I do that we are better served knowing and understanding the full depths of darkness the human soul is capable of, and if you are able to stomach this knowledge, then read on and discover the story of one of Britain's most infamous killer couples. Stalin's Man in Canada-David Levy 2011-12-20 The first book about a key Soviet spy and Canadian communist. Fred Rose was deeply involved in Atomic espionage.

Understanding Fred & Rose West-Leo Samuel Goatley 2019-10 Fred and Rose West, between them were charged with the serial murder of twelve young women and girls, spanning a period of over twenty years. While they were known to the police, incredibly the monsters that lurked within remained undetected, concealed in a cocoon of mundane domesticity, surrounded by children and the frenetic humdrum of

Gloucester working-class life. Yet their crimes had a depth of depravity and horror quite beyond belief, where this psychopathic folie a deux acted out uncontrollable sexual perversions on innocent young women before their lives were taken and their bodies destroyed. Fred committed suicide awaiting trial. Rose West was convicted in 1995 of ten murders after a lengthy trial at Winchester Crown Court. So, who were Fred and Rose West, and how did they become the monsters they were? What in their respective nurturing and personalities made them do what they did? These are the questions the law does not ask. Rose West's solicitor for twelve years, Leo Samuel Goatley, uses an eclectic mix of experience and knowledge to offer some philosophical leads to consider and apply in a subjective and innovative psychoanalysis to the aberrant lives of Fred and Rose West.

Out of the Shadows-Anne Marie West 1995 The poignant and horrifying life story of Anne Marie West, Fred West's eldest daughter, brought up by Fred and Rose West until the age of 15, when she ran away from home. Anne's mother and two sisters were murdered, but her story unfolds as one of hope and survival.

Red Professor-Peter Monteath 2015-06-04 Fred Rose's life takes us through rip-roaring tales from Australia's northern frontier to enthralling intellectual tussles over kinship systems and political dramas as he runs rings around his Petrov inquisitors. More than any other injustice, the abuse of Aborigines leads him into the Communist Party in 1942. His move to academic life in what he insisted on calling the German Democratic Republic made him a dissident against anthropological orthodoxies in the Soviet Bloc as he had been in Australia. Those final three decades also see his informing on his children to his Stasi handlers. Out of relentless research, Peter Monteath and Valerie Munt present an engrossing portrait of the short twentieth century from Rose's birth during the Great War to his death in Berlin shortly after the Wall comes down. The result is unputdownable for its sweep of events while causing us to reflect on how someone can be heroic and horrendous, appalling and admirable.

Heist-Howard Sounes 2010-03-18 On 22 February 2006, £53 million was stolen from a cash warehouse belonging to the Securitas company in Tonbridge, Kent. In terms of value, the robbery puts previous British capers, such as the Great Train Robbery, in the shade. This was a crime notable for its audacity, carried out by an unlikely crew of players that included a used car salesman, two Albanian casual workers and a roofer. Five men were convicted at the Old Bailey in January 2008, which attracted nationwide media coverage. A sixth man, Paul Allen, was sentenced in October 2009 for his part. Having become close to the Tonbridge gang and the police during three years of research, Sounes relates a classic crime caper in irresistible, almost forensic detail. After the robbery comes the exciting, sometimes comical story of the getaway. Money is found and arrests are made but key characters slip out of the country, and millions of pounds are still missing. HEIST is the definitive account of these compelling events, is wildly entertaining, and a must for all fans of well-written true crime. Since the book has been written, Darren Aronofsky (director of *The Wrestler*) has announced he will direct a British-made film about the robbery. Depraved - Fred & Rose-C G C Cook 2018-10-12

Half Full-Bill C. Castengera 2015-03-23 Why don't good things ever happen to me? Why can't I catch a break? How come I'm not lucky? Feeling this way is more common than one might think. We see and perceive things through a filter and if we consciously work at it, we can alter the filter through which we see the world. When the filter changes, and our perception changes, reality changes. Two years ago, I began a soul-searching experiment in perception. I blogged about my thoughts and feelings simply to gain an understanding about myself before the real experiment began. As I put words on paper, I began to realize that simply knowing myself began to shift my outlook in a positive direction. I hadn't even begun what I thought was the real meat of the experiment! Things changed rapidly as I began to learn who I was. I came to the understanding that many of us are strangers to ourselves and that the simple act of thinking

about who we really are and being honest with ourselves about it, can make a huge impact on our lives. This book is the simple beginning. It is the culmination of the blogs I began writing two years ago that lead me to this self-discovery. In some small way, I hope the insights herein will benefit others and help them to gain awareness of who they are and meet themselves for the very first time.

River of Fire-Gary T. Brideau 2012-11-19 Oh, one more thing. Admiral Sam wants to know, if you need back-up. Great! The more, the merrier. A minute later, Sam appeared next to Debbie, clad in his long cloak and wide brimmed hat and asked, When does the fun, begin? Debbie instantly snapped to attention and saluted. Hold on there, cadet. Dont go military, on me. Relax, were in the field. Calistus explained, We have to stop, about two dozen men and two gun boats, before sunup. Su should be sending a large tank of flammable solvent, through a portal, any moment now. But, I havent seen any guards as of yet. A horizontal portal opened twenty, feet above the water and a large metal tank slipped through unnoticed, and hovered just above the water to close to their position. Calistus sighed and said, I cant ignite it there, itll fry us all. I’m on it, whispered Debbie, eager to show off, for the admiral. As she dove in the water and pushed the container into position. Just then, a pirate poked his head out of one of the gun ships, spotted something moving and hollered, Whos there? And began to fire at the tank of flammable solvent, igniting it into a ball of fire. That swiftly spread over the water turning, the inlet into a river of fire. Debbie quickly dove underwater, to avoid getting hit. But she was struck in the side, before she could react. She

struggled desperately to stay afloat, and managed to make it to shore, where she collapsed. Calistus hollered, Sam, lets try and get them in a crossfire! In minutes, the camp was swarming with pirates, firing at anything that moved. After a ten-minute gun battle, the pirates strapped Debbies limp body, to a tree and the leader hollered, Drop your weapons and surrender, or the woman dies! Sam, theyve got Debbie! Hold your fire! The two men approached the pirates, with their hands and guns over their heads, Sam whispered, Protective shields on, weapons on stun, once we reach Debbie, we position ourselves in front of her, to protect her, then, we let 'em have it. As they reached Debbie, the men quickly spun around, Calistus hollered, as he leveled his rifle at the pirates, I think its you, who should surrender! Laughter suddenly broke out, amongst the crowd, mocking Calistuss bold statement. Sam shouted, Fire! Blasts of energy streaked through the night rapidly finding their marks as bullets ricocheted off their shields. Once silence reined, Calistus glanced at Sam and inquired, What's wrong? I was hoping for a knockdown, drag out, gun fight. Instead, all we got, was a bunch of wimps! Whatever, Sam. Why dont you round them up, before they come to, while I take care of Debbie. Carefully untying her and lying her on the ground, Calistus contacted Moon Base One, Su, I need you here and fast, cadet Debbies been injured. Seconds later, Su appeared, then, hollered, as she dove for the ground, firing her pistol Look out! A blast of energy struck the would-be assassin, liquefying his body into a yellow-brown ooze, which swiftly seeped into the sand. Su quickly returned, with Debbie. Sam bellowed A little help, here, if you dont mind! Having the prisoners tied up, Sam surveyed the pirates and commented What a motley crew they are. Do you think well get any information, out of 'em, Cal? Nope! None of them, look like, they have the brains to come up with a strategy, as complex as this. Deb did mention about Norm, who tried to waste her. Hes probably their contact. How are we going to locate one person, in this jungle? questioned a frustrated Sam. Sam, youre slipping in your old age. Deb mentioned that she was washed up on the beach after the ship was destroyed. That should be on the other side of the island. Calistus contacted Su and inquired, Can you contact the nearest coast guard, and inform them about the bunch of pirates, we have tied up. Then, see if

I Saw the Light-Colin Escott 2015-11-10 The book that inspired the major motion picture I Saw the Light. Originally published as Hank Williams: The Biography. In his brief life, Hank Williams created one of the defining bodies of American music. Songs such as "Your Cheatin' Heart," "Hey, Good Lookin'," and "Jambalaya" sold millions of records and became the model for virtually all country music that followed. But by the time of his death at age twenty-nine, Williams had drunk and drugged and philandered his way through two messy marriages and out of his headline spot on the Grand Ole Opry. Even though he was country music's top seller, toward the end he was so famously unreliable that he was lucky to get a booking in a beer hall. Colin Escott's enthralling, definitive biography--now the basis of the major motion picture I Saw the Light--vividly details the singer's stunning rise and his spectacular decline, revealing much that was previously unknown or hidden about the life of this country music legend.
