The Fall of Freddie the Leaf-Leo F. Buscaglia 2002 As Freddie experiences the changing seasons along with his companion leaves, he learns about the delicate balance between life and death, in a twentieth anniversary edition of the classic story. 40,000 first printing.

What Color is Your Brain?-Sheila N. Glazov 2008 Rather than offer an excuse for people’s behavior, this book helps to explain why our perspectives differ from or relate to the viewpoints of others.

Family Britain, 1951-1957-David Kynaston 2009-11-02 As in Austerity Britain, an astonishing array of vivid, intimate and unselfconscious voices drive the narrative. The keen-eyed Nella Last shops assiduously at Barrow Market as austerity and rationing gradually give way to relative abundance; housewife Judy Haines, relishing the detail of suburban life, brings up her children in Chingford; the self-absorbed civil servant Henry St John perfects the art of grumbling. These and many other voices give a rich, unsentimental picture of everyday life in the 1950s. We also encounter well-known figures on the way, such as Doris Lessing (joining and later leaving the Communist Party), John Arlott (sticking up on Any Questions? for the rights of homosexuals) and Tiger’s Roy of the Rovers (making his goal-scoring debut for Melchester). All this is part of a colourful, unfolding tapestry, in which the great national events - the Tories returning to power, the death of George VI, the Coronation of Queen Elizabeth, the Suez Crisis - jostle alongside everything that gave Britain in the 1950s its distinctive flavour: Butlin’s holiday camps, Kenwood food mixers, Hancock’s Half-Hour, Ekco television sets, Davy Crockett, skiffle and teddy boys. Deeply researched, David Kynaston’s Family Britain offers an unrivalled take on a largely cohesive, ordered, still very hierarchical society gratefully starting to move away from the painful hardships of the 1940s towards domestic ease and affluence.

One Crazy Summer-Rita Williams-Garcia 2010-01-26 Eleven-year-old Delphine has it together. Even though her mother, Cecile, abandoned her and her younger sisters, Vonetta and Fern, seven years ago. Even though her father and Big Ma will send them from Brooklyn to Oakland, California, to stay with Cecile for the summer. And even though Delphine will have to take care of her sisters, as usual, and learn the truth about the missing pieces of the past. When the girls arrive in Oakland in the summer of 1968, Cecile wants nothing to do with them. She makes them eat Chinese takeout dinners, forbids them to enter her kitchen, and never explains the strange visitors with Afros and black berets who knock on her door. Rather than spend time with them, Cecile sends Delphine, Vonetta, and Fern to a summer camp sponsored by a revolutionary group, the Black Panthers, where the girls get a radical new education. Set during one of the most tumultuous years in recent American history, one crazy summer is the heartbreaking, funny tale of three girls in search of the mother who abandoned them—an unforgettable story told by a distinguished author of books for children and teens, Rita Williams-Garcia.

The Code-G B Joyce 2012-01-10 For fans of Elmore Leonard and Robert B. Parker, meet hockey scout turned private detective Brad Shade, from “one of the best sports writers on the continent” Brad Shade has been just about everywhere hockey is played. He has ridden the buses in the minors, shared dressing rooms with the legends of the game, closed bars with guys destined for the Hall of Fame, and dropped the gloves with journeymen like himself who’ll never get near it. And even though he’s retired after fourteen years of bouncing around the league with more losses than wins and his net worth eroding, he’s still living out of a suitcase and still taking numbers. That’s his day job—scout for LA, where someone in management owes him a favour from his playing days. But when the brutally murdered body of coaching legend Red Hanratty turns up in the parking lot after an old-timers charity game (Shade goes scoreless, again), Shade’s job of scouting the local phenom starts to overlap with investigating the killing of the kid’s stranded old coach. When the killer goes after Shade’s girlfriend, he finds out that guys don’t stay in the league because they’re good—they stick around because they’re smart enough to know what needs to get done, and just ornery enough to actually do it. From small-town rinks to the draft tables in the big league, G.B. Joyce introduces us to a character Canadians already love—the fourth-liner with a self-deprecating sense of humour and an oversized will to win—and weaves a story out of strands of resentment, greed, and fear that span generations and build to a surprising, thrilling conclusion.

Real Friends-Shannon Hale 2017-05-02 “Fresh and funny.” —New York Times Book Review Newbery Honor author Shannon Hale and New York Times bestselling illustrator LeUyen Pham join forces in this graphic memoir about how hard it is to find your real friends—and why it’s worth the journey. When best friends are not forever . . . Shannon and Adrienne have been best friends ever since they were little. But one day, Adrienne starts hanging out with Jen, the most popular girl in class and the leader of a circle of friends called The Group. Everyone in The Group wants to be Jen’s #1, and some girls would do anything to stay on top . . . even if it means bullying others. Now every day is like a roller coaster for Shannon. Will she and Adrienne stay friends? Can she stand up for herself? And is she in The Group—or out? Parents Magazine Best Graphic Novel of 2017 A School Library Journal Best Book of 2017 A Chicago Public Library Best Book of 2017 A 2017 Booklist Youth Editors’ Choice A 2018 YALSA Great Graphic Novel

Welding with Children-Tim Gautreaux 2009-01-06 A master storyteller’s triumphant, moving collection about lost souls, found love, and rediscovered tradition Tim Gautreaux returns to the form that won him his first fans, wit, tales of family, sin, and redemption: from a man who realizes his grandchildren are growing up without any sense of right or wrong, and he’s to blame; to a camera repairman who uncovers a young woman’s secret in the undeveloped film she brings him; to a one-armed hitch-hiker who changes the life of the man who gives her a ride. Each one a small miracle of storytelling and compassion, these stories in Welding with Children are a joyous confirmation of Tim Gautreaux’s rare and generous talent.

Billboard- 1942-01-31 In its 114th year, Billboard remains the world’s premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

THE DEAD (English Classics Series)-James Joyce 2017-11-15 Considered as one of the greatest short stories in the Western Canon, James Joyce’s complex narrative “The Dead”, explores the intricate issues of identity and power through the lens of language, patriarchy, and imperialism. These issues are directly tied to the longstanding political turmoil of his native Ireland and the social questions of his day. Joyce’s story reveals that we often achieve what we tried to avoid by pretending to be what we are not. At 15,672 words The Dead is often considered a novella and the best of Joyce’s shorter works. James Joyce (1882–1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses (1922), a landmark work in which the episodes of Homer’s Odyssey are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he perfected. Other major works are the short-story collection Dubliners (1914), and the novels A Portrait of the Artist as a Young Man (1916) and Finnegans Wake (1939). His complete oeuvre also includes three books of poetry, a play, occasional journalism, and his published letters.

This Savage Song-Victoria Schwab 2016-07-05 #1 New York Times Best Seller \* An Amazon Best Book of the Year There’s no such thing as safe in a city at war, a city overrun with monsters. In this dark urban fantasy from acclaimed author Victoria Schwab, a young woman and a young man must choose whether to become heroes or villains—and friends or enemies—with the future of their home at stake. The first of two books, This Savage Song is a must-have for fans of Holly Black, Maggie Stiefvater, and Laini Taylor. Kate Harker and August Flynn are the heirs to a divided city—a city where the violence has begun to breed actual monsters. All Kate wants is to be as ruthless as her father, who lets the monsters roam free and makes the humans pay for his protection. All August wants is to be human, as good-hearted as his own father, to play a bigger role in protecting the innocent—but he’s one of the monsters. One who can steal a soul with a simple strain of music. When the chance arises to keep an eye on Kate, who’s just been kicked out of her sixth boarding school and returned home, August jumps at it. But Kate discovers August’s secret, and after a failed assassination attempt the pair must flee for their lives. In This Savage Song, Victoria Schwab creates a gritty, seething metropolis, one worthy of being compared to Gotham and to the four versions of London in her critically acclaimed fantasy for adults, A Darker Shade of Magic. Her heroes will face monsters intent on destroying them from every side—including the monsters within.

Stolen-Richard Bell 2020-12-01 This “superbly researched and engaging” (The Wall Street Journal) true story about five boys who were kidnapped in the North and smuggled into slavery in the Deep South—and their daring attempt to escape and bring their captors to justice belongs “alongside the work of Harriet Beecher Stowe, Edward P. Jones, and Toni Morrison” (Jane Kamensky, Professor of American History at Harvard University). Philadelphia, 1825: five young, free black boys fall into the clutches of the most fearsome gang of kidnappers and slavers in the United States. Lured onto a small ship with the promise of food and pay, they are instead met with blindfolds, ropes, and knives. Over four long months, their kidnappers drive them overland into the Cotton Kingdom to be sold as slaves. Determined to resist, the boys form a tight brotherhood as they struggle to free themselves and find their way home. Their ordeal—an odyssey that takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward still—shines a glaring spotlight on the Reverse Underground Railroad, a black market network of human traffickers and slave traders who move thousands of legally free African Americans from their families in order to flue slavery’s rapid expansion in the decades before the Civil War. “Rigorously researched, heartfelt, and dramatically concise, Bell’s investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans” (Booklist).

Tall Tall Tree-Anthony D. Fredericks 2017-09-01 Tall Tall Tree is a tribute to the last remaining old-growth redwood forests that stand along the northern Californian coast. The perfect forest book for kids, Tall Tall Tree includes accurate scientific information about redwood trees and the habitat they create, making this book important for young readers at home and in the classroom. Tall Tall Tree is the perfect California book for kids eager to learn about the state and its surrounding environment. With its counting format and rhyming text, this book doubles as a counting book for kids and young readers. There’s a world teeming with life that’s very few people ever see. Take a peek at some of the animals that make their home in a Tall Tall Tree—a magnificent coast redwood. Count the animals, one through ten—chipmunks chattering, bats roosting, slugs sliding, and many more. Tony Frederick’s playful rhyme makes this a book young children will want to look at and listen to again and again, while early readers will enjoy reading it on their own. The turn of every page reveals a unique perspective on the redwood’s many moods, illustrated with Chad Wallace’s stunning colors. Enriching STEAM activities complement the content. Come discover and explore this wild and magic world! Parents, teachers, gift givers, and many others will find: backmatter includes further information about redwood trees and the animals that live there An explore more section for teachers & parents includes STEAM activities and further learning websites A book for young readers learning how to count!

Brothers at Bat-Audrey Vernick 2012-04-03 The Acerra family had sixteen children, including twelve ball-playing boys. It was the 1930s, and many families had lots of kids. But only one had enough to field a baseball team . . . with three on the bench! The Acerras were the longest-playing all-brother team in baseball history. They loved the game, but more important, they cared for and supported each other and stayed together as a team. Nothing life threw their way could stop them. Full of action, drama, and excitement, this never-before-told true story is vividly brought to life by Audrey Vernick’s expert storytelling and Steven Salerno’s stunning vintage-style art.

The Begonian- 1946

The Ground Beneath Her Feet-Salman Rushdie 2011-11-02 In this remaking of the myth of Orpheus, Rushdie tells the story of Vina Apsara, a pop star, and Ormus Cama, an extraordinary songwriter and musician, who captivate and change the world through their music and their romance. Beginning in Bombay in the fifties, moving to London in the sixties, and New York for the last quarter century, the novel pulsates with a half-century of music and celebrates the power of rock ‘n’ roll. Fortnight- 1993

Harvest of Sighs-Sierra Simone 2020-05-07 The genius and the sunshine girl. As children, we fought bitterly and often, bickering every chance we got. But then we grew up. Then we came back. Delphine Dansey carries her heart on the outside of her body; she’s looking for love and chasing dreams. She’s spoiled and selfish, the kind of beautiful that’s made for money and fame. But somehow she’s ended up in my keeping; a pretty submissive I can’t seem to resist, a lover who obsesses and tempts me. I thought I’d locked my heart away a long time ago, along with all my other weaknesses. But some doors won’t stay closed, no matter how hard I fight to keep them shut. She unravels me, just like our friends are unraveling, just like Thornchapel itself is unraveling. All year long, we’ve been showing lust and jealousy and pain, heedless of the consequences. But a harvest is inevitable, and so now we must reap our sorrows. And our sighs. \*Harvest of Sighs is Book Three in the Thornchapel series.\*

Something Fresh-P. G. Wodehouse 2015-10-22 WITH A NEW INTRODUCTION BY NINA STIBBE A hundred years ago P.G. Wodehouse, now widely regarded as the best comic novelist of the twentieth century, wrote SOMETHING FRESH, the first of his novels set in Blandings Castle. Here resides the dotty Lord Emsworth, who is ‘as completely happy as only a fluffy-headed old man with excellent health and a large income can be’; his son, the Hon. Freddie Threepwood, who ‘had been expelled from Eton for breaking out at night and roaming the streets of Windsor in a false moustache’ and their butler, Beach, who had ‘acquired a dignified inertia which almost qualified him for inclusion in the vegetable garden’. Featuring a valuable scarab unwittingly acquired from a dyspeptic American billionaire, plus imposters, engagements, broken engagements, elopements, mistaken identities, family spats and shots fired in the dead of night, SOMETHING FRESH is Wodehouse at his glorious best. ‘The gardens of Blandings Castle are that original garden from which we are exiled.’ Evelyn Waugh

On Killing-Dave Grossman 2014-04-01 A controversial psychological examination of how soldiers’ willingness to kill has been encouraged and exploited to the detriment of contemporary civilian society. Psychologist and US Army Ranger Dave Grossman writes that the vast majority of soldiers are loath to pull the trigger in battle. Unfortunately, modern armies, using Pavlovian and operant conditioning, have developed sophisticated ways of overcoming this instinctive aversion. The mental cost for members of the military, as witnessed by the increase in post-traumatic stress, is devastating. The sociological cost for the rest of us is even worse: Contemporary civilian society, particularly the media, replicates the army’s conditioning techniques and, Grossman argues, is responsible for the rising rate of murder and violence, especially among the young. Drawing from interviews, personal accounts, and academic studies, On Killing is an important look at the techniques the military uses to overcome the powerful reluctance to kill, of how killing affects the soldier, and of the societal implications of escalating violence.

International Television Almanac- 1978

Edexcel GCSE (9-1) Mathematics: Higher Student Book-Pearson Education, Limited 2015-03-10 Our brand-new resources are written specifically to tackle the demands of the GCSE (9-1) Maths.

Tools for Teaching-Barbara Gross Davis 2009-07-17 This is the long-awaited update on the bestselling book that offers a practical, accessible reference manual for faculty in any discipline. This new edition contains up-to-date information on technology as well as expanding on the ideas and strategies presented in the first edition. It includes more than sixty-one chapters designed to improve the teaching of beginning, mid-career, or senior faculty members. The topics cover both traditional tasks of teaching as well as broader concerns, such as diversity and inclusion in the classroom and technology in educational settings.

Bluefishing-Steve Sims 2017-10-17 Whether it’s climbing Everest, launching a business, applying for a dream job, or just finding happiness in everyday life, Steve Sims, founder of the luxury concierge service, Bluefish, reveals simple and effective ways to sharpen your mind, gain a new perspective, and achieve your goals. From helping a client get married in the Vatican, to charming and connecting with business mogul Elon Musk, Bluefish founder Steve Sims is known to make the impossible possible. Now, in his first book, he shares tips, techniques, and principles to break down any door and step onto whatever glamorous stage awaits you. By following Steve’s succinct yet insightful advice—as well as inspiration gleaned from the moving stories of others—you, too, can transform your life and achieve the impossible.

The Quest for Artificial Intelligence-Nils J. Nilsson 2009-10-30 Artificial intelligence (AI) is a field within computer science that is attempting to build enhanced intelligence into computer systems. This book traces the history of the subject, from the early dreams of eighteenth-century (and earlier) pioneers to the more successful work of today’s AI engineers. AI is becoming more and more a part of everyone’s life. The technology is already embedded in face-recognizing cameras, speech-recognition software, Internet search engines, and health-care robots, among other applications. The book’s many diagrams and easy-to-understand descriptions of AI programs will help the casual reader gain an understanding of how these and other AI systems actually work. Its thorough (but unobtrusive) end-of-chapter notes containing citations to important source materials will be of great use to AI scholars and researchers. This book promises to be the definitive history of a field that has captivated the imaginations of scientists, philosophers, and writers for centuries.

International Motion Picture Almanac-Terry Ramsaye 1978

Rainbow Colors-words&pictures 2020-03-17 Red, orange, yellow, green, blue, indigo, violet! Which color is your favorite? Introduce your child to the colors of the rainbow with this bright, layered board book. Humorous, rhyming text, and bold illustrations introduce each of the seven rainbow colors in turn. Curved and layered "touch-and-feel" board pages increase in size as you move through the book, developing your child's hand-eye coordination as they turn the pages. The final spread shows a "rainbow" of children from all around the world, reinforcing a positive message of diversity and inclusivity. Open the rainbow pages, read the rhyming text together, and spot the objects in each and every color.

The Forty Rules of Love-Elif Shafak 2010-02-18 In this lyrical, exuberant follow-up to her novel, The Bastard of Istanbul, acclaimed Turkish author Elif Shafak unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together incarnate the poet’s timeless message of love. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams’s search for Rumi and the dervish’s role in the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams’s lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi’s story mirrors her own and that Zahara—like Shams—has come to set her free.

Nightshade-Anthony Horowitz 2020-04-07 From internationally bestselling author Anthony Horowitz comes the twelfth thrilling installment of the Alex Rider series! Follow the world’s greatest teen spy as he sets off to Gibraltar after the death of Scorpia, and enters into a battle against a new criminal organization: Nightshade. Following the shocking events of Never Say Die, Alex Rider’s world has changed: his biggest enemy, the evil organization Scorpia, has been destroyed. Alex is hoping his life can finally go back to normal, that he can go to school and spend time with his friends—but very quickly everything changes. A new and dangerous criminal organization–Nightshade–is rising. When Alex discovers they’ve planned a mysterious attack on London, he will stop at nothing to take them down. But protecting his home city means facing off a ruthless new enemy and putting his life at stake, again. And this time, there’s no one to save him if he makes a mistake. The #1 New York Times and internationally bestselling Alex Rider series is back with a vengeance in this edge-of-your-seat adventure. Perfect for fans of James Bond and Jason Bourne!

Dune-Frank Herbert 2005 Follows the adventures of Paul Atreides, the son of a betrayed duke given up for dead on a treacherous desert planet and adopted by its fierce, nomadic people, who help him unravel his most unexpected destiny.

Dubliners-James Joyce 2020-07-28 “With just one collection of stories, Joyce left his mark on almost every short-story writer who followed him”. The Guardian In this collection of revelatory stories of Dublin in the late 19th century, James Joyce presented the everyday depiction of ordinary characters in moments of an epiphany. The fifteen stories begin with characters in childhood, and progress into adolescence, and finally into maturity. The final story, “The Dead” is considered one of the most extraordinary stories ever written in the English language. Many of the characters within this collection reappear in Joyce’s later work. Dubliners is a remarkably modern work, yet the most accessible of all of Joyce’s writing. Authored in his early twenties, the short stories were completed in 1907, but were not published until 1914 due to many passages in the narratives that were considered too provocative to print. The stories in Dubliners were initially commissioned by an Irish farming magazine to depict quaint and brief tales of Irish life. Three stories were published before the magazine editor deemed the material unsuitable for the readership. Those appear among this extraordinary collection of 15 stories, which include: The Sisters, An Encounter, Araby, Eveline, After the Race, Two Gallants, The Boarding House, A Little Cloud, Counterparts, Clay, A Painful Case, Ivy Day in the Committee Room, A Mother, Grace, The Dead. With an eye-catching new cover, and professionally typeset manuscript, this edition of Dubliners is both modern and readable.

Poultry Farmer- 1943

A Royal Entanglement-Emma Lea 2018-04-19 On the day of the new Queen’s coronation, a man from Lady Alexandra’s past turns up unannounced in Merveille. Lord Frederic intercepts him and discovers that Alex had left this man at the altar six months ago and now he was here to claim her. The last thing Freddie wants is to get entangled with a woman. He liked to keep his options open, but now that he has returned to Merveille for good, his mother is trying her damndest to get him married off and producing the next Bingham heir. When Alex asks for his help, he is only too eager to help her and maybe get his mother off his back in the process. Alex hasn’t told anyone the real reason she left everything she had worked so hard for in the States to return to Merveille and take up the position of Queen Alyssa’s personal assistant. But now the main reason for her flight from the US as turned up on the palace’s doorstep and she is backed into a corner. The only person that she can think of to help her is Freddie, but she worries that getting too close to him might just do more harm than good. \*This is a sweet romance

Hitchers-Will McIntosh 2012-02-01 Two years ago, on the same day but miles apart, Finn Darby lost two of the most important people in his life: his wife Lorena, struck by lightning on the banks of the Chattahoochee River, and his abusive, alcoholic grandfather, Tom Darby, creator of the long-running newspaper comic strip Toy Shop. Against his grandfather’s dying wish, Finn has resurrected Toy Shop, adding new characters, and the strip is more popular than ever, bringing in fan letters, merchandising deals, and talk of TV specials. Finn has even started dating again. When a terrorist attack decimates Atlanta, killing half a million souls, Finn begins blurtng things in a strange voice beyond his control. The voice says things only his grandfather could know. Countless other residents of Atlanta are suffering a similar bizarre affliction. Is it mass hysteria, or have the dead returned to possess the living? Finn soon realizes he has a hitcher within his skin... his grandfather. And Grandpa isn’t terribly happy about the changes Finn has been making to Toy Shop. Together with a pair of possessed friends, an aging rock star, and a waitress, Finn races against time to find a way to send the dead back to Deadland... or die trying!

1100 Words You Need to Know-Murray Bromberg 1993 Contains over two hundred lesson plans that introduce students to new vocabulary words, each with a list of words with pronunciation keys, a paragraph that uses the words in context, sample sentences, definitions, and a daily idiom.

Eclipsed-Dominic Holland 2017-12 An explanation of how a boy called Tom Holland who was never even in a school play, managed to become Marvel’s new Spider-Man while still in his teens. Written with great humour and affection by his dad, the British comedian, Dominic Holland who is as proud as he is bemused at his son’s burgeoning career.

The Blue Guitar-John Banville 2015-09-15 John Banville, the Man Booker Prize-winning author of The Sea and Ancient Light, now gives us a new novel—at once trenchant, witty, and shattering—about the intricacies of artistic creation, about theft, and about the ways in which we learn to possess one another, and to hold on to ourselves. Equally self-aggrandizing and self-deprecating, our narrator, Oliver Otway Orme (“O O O. An absurdity. You could hang me over the door of a pawnshop”), is a painter of some renown and a petty thief who has never before been caught and steals only for pleasure. Both art and the art of thievery have been part of his “endless effort at possession,” but now he’s pushing fifty, feels like a hundred, and things have not been going so well. Having recognized the “man-killing crevasse” that exists between what he sees and any representation he might make of it, he has stopped painting. And his last act of thievery—the last time he felt its “secret shiver of bliss”—has been discovered. The fact that the purloined possession was the wife of the man who was, perhaps, his best friend has compelled him to run away—from his mistress, his home, his wife; from whatever remains of his impulse to paint; and from a tragedy that has long haunted him—and to sequester himself in the house where he was born. Trying to uncover in himself the answer to how and why things have turned out as they have, excavating memories of family, of places he has called home, and of the way he has apprehended the world around him (“one of my eyes is forever turning towards the world beyond”), Oly reveals the very essence of a man who, in some way, has always been waiting to be rescued from himself. From the Hardcover edition.

The Virgin Illustrated Encyclopedia of Pop & Rock-Nic Oliver 2002 Cut through the haze of rock reference with the updated second edition of this illustrated encyclopedia. There are over 1800 entries on the stars who have shaped rock history, whether they were destined to become icons or bygones, influential or infamous. Each entry provides essential facts and opinion on songwriters, musicians and producers and includes a sidebar of star-rated recommended albums. There are over 600 goodies to complement the text and a full album listing for each act at the back of the book.

Goodbye Freddie Mercury-Nadia Akbar 2018-06-18 Lahore is burning. General elections are right around the corner. The summer city rages with the drug-fuelled parties of the oblivious, the rich and famous, while campaign posters and rally cries dominate the airwaves. Buggy, rock RJ and host of the nation’s top English radio show, is young and fabulous. Seeking more than wealth, fame and prestige, he performs a dangerous favour for an old friend that plunges him into the dark recesses of desi politics. Nida, a young college student desperate to escape the oppressive atmosphere of her traditional family home and her conservative college, still mourning the death of her brother, throws herself recklessly into the drug-addled arms of Omer Ali, son of the prime minister’s right-hand man. As Nida spirals into decadence and Buggy descends into darkness, their paths cross and sparks begin to fly. Nadia Akbar’s audacious debut has all the makings of a cult novel-parties, drugs, mysteries, love triangles, political intrigue and power struggles-but its lush, sexy writing has the assuredness and precision of the most acute style of our time. Told in alternating voices and brimming with sharp observation, Goodbye Freddie Mercury hits the rocks and trails atwist.
