The Bikini Body 28-Day Healthy Eating & Lifestyle Guide-Kayla Itsines 2016-12-27 The new healthy eating and lifestyle book from the inspirational and widely followed personal trainer, Kayla Itsines.

You Are Your Own Gym-Mark Lauren 2011-01-04 From an elite Special Operations physical trainer, an ingeniously simple, rapid-results, do-anywhere program for getting into amazing shape For men and women of all athletic abilities! As the demand for Special Operations military forces has grown over the last decade, elite trainer Mark Lauren has been at the front lines of preparing nearly one thousand soldiers, getting them lean and strong in record time. Now, for regular Joes and Janes, he shares the secret to his amazingly effective regimen—simple exercises that require nothing more than the resistance of your own bodyweight to help you reach the pinnacle of fitness and look better than ever before. Armed with Mark Lauren's motivation techniques, expert training, and nutrition advice, you'll see rapid results by working out just thirty minutes a day, four times a week—whether in your living room, yard, garage, hotel room, or office. Lauren's exercises build more metabolism-enhancing muscle than weightlifting, burn more fat than aerobics, and are safer than both, since bodyweight exercises develop balance and stability and therefore help prevent injuries. Choose your workout level—Basic, 1st Class, Master Class, and Chief Class—and get started, following the clear instructions for 125 exercises that work every muscle from your neck to your ankles. Forget about gym memberships, free weights, and infomercial contraptions. They are all poor substitutes for the world's most advanced fitness machine, the one thing you are never without: your own body. From the Trade Paperback edition.

CrossFit Level 1 Training Guide-Greg Glassman 2020-03 The CrossFit Level 1 Training Guide is an essential resource for anyone seeking to understand the CrossFit methodology and foundational movements. This compendium of articles, written over the last two decades primarily by Coach Greg Glassman, may be used to support any successful training venture that seeks to forge a broad, general, and inclusive fitness. Readers will find proven teaching progressions, detailed programming guidance, and precise coaching and nutritional strategies. The content prepares the reader for the application of the CrossFit methodology with clients of any level. Readers will become familiar with functional movements and essential skills that will help prepare them for any of life's demands. CrossFit's nine foundational movements - the squat, front squat, overhead squat, press, push press, jerk, deadlift, sumo deadlift high pull, and medicine-ball clean - are covered in detail with full-color photos and learning progressions.

Progressions for the snatch, GHD sit-up, hip and back extension, pull-up, thruster, and muscle-up are also included, as are recommendations for improving CrossFit's 10 general physical skills: cardiovascular/respiratory endurance, stamina, strength, flexibility, power, speed, coordination, agility, balance, and accuracy. This guide is designed for use in conjunction with the two-day CrossFit Level 1 Certificate Course that is a prerequisite to opening a CrossFit affiliate, but the guide can also be used as a standalone resource for coaches, fitness enthusiasts, and individuals seeking to improve their own health. The CrossFit Level 1 Training Guide is the key to a lifetime of health and fitness.

Bigger Leaner Stronger-Michael Matthews 2019-04-27 If you want to be muscular, lean, and strong as quickly as possible without steroids, good genetics, or wasting ridiculous amounts of time in the gym and

money on supplements...then you want to read this book. Here's the deal: Getting into awesome shape isn't nearly as complicated as the fitness industry wants you to believe. You don't need to spend hundreds of dollars per month on the worthless supplements that steroid freaks shill in advertisements. You don't need to constantly change up your exercise routines to "confuse" your muscles. I'm pretty sure muscles lack cognitive abilities, but this approach is a good way to just confuse you instead. You don't need to burn through buckets of protein powder every month, stuffing down enough protein each day to feed a third world village. You don't need to toil away in the gym for a couple of hours per day, doing tons of sets, supersets, drop sets, giant sets, etc. (As a matter of fact, this is a great way to stunt gains and get nowhere.) You don't need to grind out hours and hours of boring cardio to shed ugly belly fat and love handles and get a shredded six-pack. (How many flabby treadmillers have you come across over the years?) You don't need to completely abstain from "cheat" foods while getting down to single-digit body fat percentages. If you plan cheat meals correctly, you can actually speed your metabolism up and accelerate fat loss. In this book you're going to learn something most guys will never know: The exact formula of exercise and eating that makes putting on 10 to 15 pounds of quality lean mass a breeze...and it only takes 8-12 weeks. This book reveals secrets like... The 6 biggest myths and mistakes of building muscle that stunt 99% of guys' muscle gains. (These BS lies are pushed by all the big magazines and even by many trainers.) How to get a lean, cut physique that you love (and that girls drool over) by spending no more than 5 percent of your time each day. The 4 laws of muscle growth that, when applied, turn your body into an anabolic, muscle-building machine. You'll be shocked at how easy it really is to get big once you know what you're doing... How to develop a lightning-fast metabolism that burns up fat quickly and leaves you feeling full of energy all day long. The carefully-selected exercises that deliver MAXIMUM results for your efforts, helping you build a big, full chest, a wide, tapered back, and bulging biceps. A no-BS guide to supplements that will save you hundreds if not THOUSANDS of dollars each year that you would've wasted on products that are nothing more than bunk science and marketing hype. How to get shredded while still indulging in the "cheat" foods that you love every week like pasta, pizza, and ice cream. And a whole lot more! The bottom line is you CAN achieve that "Hollywood hunk" body without having your life revolve around it--no long hours in the gym, no starving yourself, no grueling cardio that turns your stomach. Imagine, just 12 weeks from now, being constantly complimented on how you look and asked what the heck you're doing to make such startling gains. Imagine enjoying the added benefits of high energy levels, no aches and pains, better spirits, and knowing that you're getting healthier every day. SPECIAL BONUS FOR READERS! With this book you'll also get a free 75-page bonus report from the author called "The Year One Challenge." In this bonus report, you'll learn exactly how to train, eat, and supplement to make maximum gains in your first year of training. By applying what you learn in the book and in this report, you can make more progress in one year than most guys make in three, four, or even five (seriously!). Scroll up, click the "Buy" button now, and begin your journey to a bigger, leaner, and stronger you!

The Muscle and Strength Pyramid: Training-Andy Morgan 2019-03-24 Navigating the available fitness information online can be confusing and time-consuming at best, and a minefield of misinformation at worst. One inherent problem is that information online is always presented as supremely important and as the next 'big thing,' without context or any understanding of priorities. Enter The Muscle and Strength Pyramid books. The foundational concept of these books is understanding priorities and context, so you can take all the pieces of the puzzle and fit them together into an actionable plan. * Six sample routines to get you started quickly Six programs for novice, intermediate, and advanced-level bodybuilders and strength-focussed athletes. * Break through those training plateaus With our full progression guidelines and examples, you'll never be left frustrated and wondering what to do next. * Learn how to tailor your own programming for faster results Our quick-start programming guide will show you how to apply all the principles that go into program design. The chief author of the books, Dr. Eric Helms, has not only the academic understanding of training and nutrition as an active researcher but also extensive practical experience. He has been a personal trainer, powerlifting and bodybuilding coach since 2005, helping hundreds bridge the gap between science and practice to reach their goals. In addition, he has the minds of Andrea Valdez, and Andy Morgan to ensure the concepts are communicated clearly and effectively and no stone is left unturned. Andrea is a lifelong athlete with extensive coaching experience and her Masters in Exercise Physiology, and Andy is a successful writer and consultant for body composition change with a unique grasp of how to communicate topics to diverse groups, as he produces content for both the Japanese and English speaking fitness communities. Together, they bring you The Muscle and Strength Training Pyramid, the hierarchical, comprehensive, evidence-based guide that is a must-have for every serious lifter or trainer.

Fitness Made Simple-John Basedow 2007-09-14 Discover John Basedow's secrets for getting the body you've always wanted Fitness expert and media icon John Basedow's body-transforming plan is literally Fitness Made Simple. After trying just about every fitness fad and gimmick with little success, John developed this multidimensional approach that is improving the bodies and lives of thousands of men and women, from teenagers to grandparents. Fitness Made Simple is not just about losing weight. It's about changing your entire body composition so that you increase lean muscle mass and decrease body fat. This easy-to-follow program eliminates all the guesswork for building the body of your dreams with John's comprehensive "Fitness Triangle": Nutrition: By concentrating on natural protein sources, healthy fats, and slow-digesting carbs, you'll never be hungry, your junk food cravings will disappear, and fat will melt from your body. Exercise: Utilizing a combination of cardiovascular and weight training workouts, you'll look great, feel better, and strip away fat to reveal those six-pack abs! Supplementation: Not all supplements are created equal. John shows you which fat loss and muscle building products can actually produce cosmetically significant results, rather than just false hope and a depleted bank account. Plus, John tells his own inspiring story of how he took control of his body and life, while accumulating years of health and fitness wisdom along the way. His signature "John-isms"--helpful quotes sprinkled throughout this book--will keep you motivated to stick with your new fitness lifestyle.

Healing PCOS-Amy Medling 2018-05-01 A proven 21-day diet and lifestyle plan to help women with polycystic ovary syndrome (PCOS) take back control of their health and resolve their symptoms from a certified health coach and founder of the large PCOS Diva online community. PCOS is one of the most common hormonal disorders, and the most common cause of female infertility, affecting roughly five million American women. Because it's symptoms are widespread—including stubborn weight gain, acne, mood swings, abnormal hair loss or growth, and irregular menstrual cycles—women suffering from PCOS are often misdiagnosed and treated with "Band-Aid" pharmaceuticals with uncomfortable side effects that only mask PCOS's root causes. While there is no cure for PCOS, women can learn to control their symptoms naturally. In this welcome guide, Amy Medling shows how to combine an anti-inflammatory and hormone-balancing diet, daily movement, and stress-reducing self-care to successfully treat their PCOS. Grounded in the latest medical research and filled with the knowledge she's acquired dealing with PCOS herself and working with thousands of women, Healing PCOS offers women small, manageable steps that help alleviate their symptoms and control the inflammation, hormonal imbalance, and insulin resistance that underlie the condition. Amy's revolutionary program consists of: A 21-day anti-inflammatory, hormone-balancing and gluten-free meal plan, including meal prep and plan-ahead tips to make eating this way simple and fast 85 delicious recipes—half fan favorites and half new dishes Daily self-care exercises, including meditation and journaling prompts Amy has helped tens of thousands of women with PCOS take back control of their health and their lives through lasting, healing, and sustainable lifestyle change. Whether you're newly diagnosed or have struggled with PCOS, her revolutionary program can now work for you.

Complete Calisthenics-Ashley Kalym 2019-11-30

Convict Conditioning-Paul Wade 2012-11-15 How to Train As If Your VERY LIFE Depended on Your Degree of REAL Strength, Power and Toughness Most physical training systems are designed for the domesticated human animal. That is to say, for us humans who live lives of such relative security that we cultivate our strength and power more out of pride and for a sense of accomplishment than out of an absolute need to survive in the wild. The professional athlete hones his body to function well in a sports event—rather than to emerge safe from a life-or-death struggle. And even those in our military and LEO rely more on the security of their weapons and armor than on their own personal, raw power and brute strength to carry the day. There remains one environment where exuding the necessary degree of authoritative strength and power can mean the difference between life or death: the maximum security prison. In maximum security, the predator preys on the weak like we breathe air. Intimidation is the daily currency. You either become a professional victim or you develop that supreme survival strength that signals the predator to stay at bay. Paul Wade spent 19 years in hell holes like San Quentin, Angola and Marion. He entered this world a gangly, terrorized weakling and he graduated to final freedom, pound-for-pound one of the strongest humans on the planet. Paul Wade dedicated his prison life to the cultivation of that supreme survival strength. And ironically, it is in America's prisons that we can find some of the great, lost secrets of how to get immensely powerful and strong. Paul Wade mined these secrets as if his life depended on it—and of course in many ways it did. Finally free, Paul Wade pays his debt to society—not just with the horrors of his years in the hole—but with the greatest gift he could possibly give us: a priceless set of progressions that can take ANYONE who has the will from abject weakling to strength specimen extraordinaire. In Convict Conditioning Paul Wade has laid out a logical and effective zero to hero progression in key bodyweight strength exercises and presented a solid training philosophy. Get this book. -Pavel Tsatsouline, author of The Naked Warrior Convict Conditioning gives honor and respect to body-weight training. I feel Convict Conditioning provides the progression, precision and clarity that is necessary to combat our cultural decline in simple body knowledge. -Gray Cook, MSPT, OCS, CSCS, Functional Movement Systems, author of Body in Balance Convict Conditioning is a fantastic text crammed with solid information, and tons of vital nuggets and powerful insights that when followed will pack your frame with rock-hard, functional muscle. You provide the body, Convict Conditioning gives you the rest in a highly readable, easy-to-understand format that teaches you what to do and how to do it. As a guy who has written extensively on exercise, I highly recommend this book. -Loren Christensen, author of Solo Training and The Fighter's Body. Coach Wade has laid out a set of progressions in Convict Conditioning that can lead to mastery of the big 6 bodyweight exercises and you would be wise to listen. This is knowledge proven in extreme conditions. So respect the progressions and put in your time—you'll be stronger for it. -Brett Jones Master RKC, CSCS, CK-FMS Outstanding! By far the most innovative fitness book in years. Many talk about mastering your body weight yet Convict Conditioning actually

delivers a blueprint for anyone, regardless of your current fitness. The training progressions are genius.

Tim Larkin, Master Close Combat Instructor If you are a serious student of bodyweight exercise and physical culture, you must get this book. -Craig Ballantyne, Turbulence Training

I LOVE IT. Convict Conditioning is probably the best compilation of callisthenic exercises and training progressions I have seen. Coach Wade goes to the heart of true training with correct biomechanics, kinesiology and training progressions that so many in the world of physical training just seem to miss these days. Bravo Coach, bravo, an epic book that deserves to be in the library of all who love the world of strength.

Mark Reifkind, Master RKC Instructor, Girya Kettlebell Training

Convict Conditioning is jam packed with the most powerful bodyweight training information I have ever come across. It's the book I WISH I had in my hands when I was a competitive wrestler, BUT, even more important to me is that I can pass on this knowledge to my clients AND my son and daughter when they grow up.

Yoga for Regular Guys-Diamond Dallas Page 2005 If there's one obstacle to selling wellness books to guys, it's this: none of them are written by professional wrestlers. In the nick of time, the one and only DDP-Diamond Dallas Page-steps out of the ring and onto the mat to offer Yoga for Regular Guys. Most yoga books marketed to men are earnest and straightforward. Yoga for Regular Guys brims with guy humour and an extremely irreverent attitude but still manages to pack in a legitimate, comprehensive and rigorous introduction to real yoga practice. The foreword is written by Rob Zombie of the band White Zombie.

How to Gain Weight-Khail Kapp 2017-03-12 Q: Will this book provide me with extensive meal plans? A: How to Gain Weight will empower you to pack on pounds through changing your mindset and adjusting your habits. This is not a recipe book, meal planner, or workout scheduler. Although full of relevant details and sample plans, the information is given concisely and the methods described are easy to act on. With free information so readily available, extensive meal plans were purposely left out to avoid fluff. When it comes to gaining weight, there are simpler ways than keeping an overly detailed calendar. Q: Will this book tell me how to work out? A: How to Gain Weight comes with many exercise routines, technical pearls and tried-and-true methods. But, workout routines are not one-size-fits-all. To avoid fluff, the specifics of every single workout are omitted as these are readily available for free online. Q: I don't have time for the gym or to eat enough. Will this book help me? A: Yes! These things haven't limited my fitness progress and you will learn how to manage your goals despite your schedule. Q: I've never had a problem until recently. How can I figure out what I am doing wrong? A: You will learn to scrutinize your current situation so that you can uncover your hidden problems. Q: I find that the hardest part of maintaining my fitness goals is staying motivated. Will this book be able to do that? A: Yes! You will learn to empower yourself and feel better about diet and exercise. Q: Am I too old (or too young) to make a change? What if I don't understand? A: Never. You will find this book easily digestible and be able to readily apply it to your life! Q: What if I need to talk with someone about this? A: See the end of the book or message me on my website <https://khail.space/contact> If I can't help you, I will find someone who can. Q: Will my experience level be a problem when reading this book? A: How to Gain Weight is written for all audiences, from a novice to a seasoned gym rat. If your problem is gaining weight, you've come to the right place. Q: Will your methods work for someone who is 6'5"? A: How to Gain Weight gives you the tools to gain weight and keep it despite your size! Q: Is this more conceptual or does this book give any specifics? A: Both. This book gives you the understanding you need to gain weight, with many specifics including unique experiences, diets and work out routines. Q: What else can I get out of this purchase? A: This is not merely a weight gaining book. It is chocked full of useful information, motivation, tried-and-true techniques and plenty of experience. You're getting Khail's commitment towards helping you achieve your fitness goals. Contact for more information! I believe that everyone is capable of gaining weight and building the body of their dreams, yet so many are unable to even after experimenting with diets and shakes, using calorie counters, and seeking every bit of advice available. Every day, folks struggle to increase their strength and their weight, often plateauing for months if not indefinitely. I want to encourage you that you aren't alone. There are simple yet rapid and incredibly effective ways of increasing your weight and strength naturally. Whether you are new to the gym or an experienced power lifter looking for another route, How to Gain Weight promises to be your straight-forward, easily digestible and fast-acting fitness guide. With over fifteen years of weight training and dieting experience and research, Khail Kapp has designed this book to support you in building the bigger and better you.
