Fundamentals of Canadian Business Law-John A. Willes 2008-01 The key words for this text are: "clear, concise and relevant". Most students taking this course are not going to be lawyers and therefore the emphasis is on a strong business orientation. Key features and competitive advantages include additional core topics such as risk management, negligence, and intellectual property. Case material has also been integrated into each chapter to illustrate the key topics and is presented in summary format as well as in hypothetical examples. Numerous features within the text demonstrate business law to students in a real world context. This text will assist and guide the entrepreneurial student who is aiming to start a business and needs the legal knowledge to avoid pitfalls.

Legal Fundamentals for Canadian Business-Richard Yates 2015-03-10 This text gives business law instructors the flexibility to deal with all of the topics, to customize their course by supplementing it with additional material, and/or to concentrate on an area of specialization.

Legal Fundamentals for Canadian Business-Richard Yates 2012-02-01 Concise and clear. This text provides the flexibility that instructors want and the accessibility that students need. A streamlined approach allows instructors flexibility in the way the course is taught without sacrificing essential content, while providing students with a solid foundation of essential business law concepts. This thoroughly updated third edition provides a succinct and economical approach to Canadian Business Law. Contemporary Canadian Business Law-John A Willes 2015-02

Canadian Business Law-Tamra Alexander 2018-02

Business Law in Canada-Richard Yates 1998-06 Appropriate for one-semester courses in Administrative Law at both college and university levels. Legal concepts and Canadian business applications are introduced in a concise, one-semester format. The text is structured so that five chapters on contracts form the nucleus of the course, and the balance provides stand-alone sections that the instructor may choose to cover in any order. We've made the design more reader-friendly, using a visually-appealing four-colour format and enlivening the solid text with case snippets and extracts. The result is a book that maintains the strong legal content of previous editions while introducing more real-life examples of business law in practice.

Instructor's Manual to Accompany Contemporary Canadian Business Law : Principles and Cases-John A. Willes 1982

Fundamentals of Business (black and White)-Stephen J. Skripak 2016-07-29 (Black & White version) Fundamentals of Business was created for Virginia Tech's MGT 1104 Foundations of Business through a collaboration between the Pamplin College of Business and Virginia Tech Libraries. This book is freely available at: <http://hdl.handle.net/10919/70961> It is licensed with a Creative Commons-NonCommercial ShareAlike 3.0 license.

Birth to Buyout spins forward on the story of two cubicle workers who make a run for entrepreneurship just as big corporate culture is closing in, all with the help of their corporate lawyer (if you just want the law, you can skip the story pages). Birth to Buyout was written to be an easy-to-follow guide to business law.

That's why: \* All explanations are in plain English \* Charts and diagrams are used to make the law clear \* The book celebrates American entrepreneurship and how it can truly set you free

International Business Law and the Legal Environment-Larry A. DiMatteo 2021-01-29 The fourth edition of International Business Law and the Legal Environment. A Transactional Approach gives business and law students a clear understanding of the legal principles that govern international business. This book goes beyond compliance by emphasizing how to use the law to create value and competitive advantage. DiMatteo's transactional approach walks students through key business transactions—from import and export, contracts, and finance to countertrade, dispute resolution, licensing, and more—giving them both context and providing real-world applications. More concise than previous editions, this new edition also features: • Added coverage of new technologies, such as smart contracts, digital platforms, and blockchain technology • Discussion of businesses and sustainability, climate change, and creating a circular economy • Greater focus on UNIDROIT Principles and a review of INCOTERMS 2020 • Expansion of common carrier coverage to include CMI trucking and CMR railway conventions • International perspective and use of a variety of national and international law materials • Great coverage of EU substantive law Upper-level undergraduate and postgraduate students of business law and international business will appreciate DiMatteo's lucid writing style, and professionals will find this book to be a comprehensive resource. Online resources include an instructor's manual, PowerPoint slides, test bank, and other tools to provide additional support for students and instructors.

Fundamentals of Canadian Trucking Law-Richard J Lande and John Petrosoniak 2018-08-23 "Fundamentals of Canadian Trucking Law - A Practitioner's Guidebook is a must-read for anyone wanting to understand the Canadian trucking industry of today. It is an easy to read and informative reference book on the laws and regulations affecting highway carriers." -- Doug Munro, President, Maritime Ontario "This textbook provides an important primer on the contractual clauses which can protect manufacturers from liability relating to highway carriers and load brokers. It is useful to help understand the law relating to cargo claims in Canada and the U.S." -- Dave Corcoran, Director, Transportation & Distributor Management, Nestlé Canada Inc. "This textbook provides an important primer on the contractual clauses which can protect manufacturers from liability relating to highway carriers and load brokers. It is useful to help understand the law relating to cargo claims in Canada and the U.S." -- Dave Corcoran, Director, Transportation & Distributor Management, Nestlé Canada Inc. "This book should be on the desk of any Quebec trucking company manager who wants to know the rules and defence strategies available for highway tickets in Canada. Another component of the book which will be very useful are detailed guidelines toward understanding the rules of the Ontario Small Claims Court when collecting unpaid freight claims." -- Ferris Abraham, Vice-President, Simard Transport" Fundamentals of Canadian Trucking Law - A Practitioner's Guidebook by Richard Lande and John Petrosoniak is a comprehensive collection of legal issues pertaining to truck transportation. It is a handbook that anyone associated with the trucking industry whether carrier, broker, shipper, consignee, or government official should have at his or her fingertips." -- The Honourable Marshall Rothstein C.C., Q.C., Judge-Supreme Court of Canada-Retired

Additional features that distinguish this text's teaching and learning advantages, including links connecting the law to other disciplines, a balanced mix of classic and current cases, For Future Reading lists, Applying the Law to the Facts features and more.

Kingdom Patterns for International Business: The Little Book of Wisdom-Charles Chiera

Canadian Business and the Law-Dorothy DuPlessis 2001-01

Foundations of Corporate Law-Roberta Romano 2010 The most comprehensive and interdisciplinary anthology of corporate law material available, this reader reflects the enormous changes that have occurred in business organization and legal scholarship since the hostile takeover was introduced in the 1980s. The second edition has both completely revised and expanded the material covered in the first edition. New and revised topics include capital markets, agency theory, behavioral economics, state competition for corporate charters, boards of directors, shareholder voting rights, executive compensation, activist investors, takeovers, securities regulation and comparative corporate governance.

Business Law and the Legal Environment, Standard Edition-Jeffrey F. Beatty 2015-01-01 Packed with current examples and engaging scenarios, BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 7E has earned the stamp of approval from trial and appellate judges, working attorneys, scholars, and teachers for its full breadth of business law coverage. Extremely reader-friendly, the text is known for its lively, conversational writing style that explains complex topics in easy-to-understand language as it illustrates how legal concepts apply to everyday business practice. The seventh edition includes a new emphasis on the digital landscape, expanded coverage of international law, and new information on privacy issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Fundamentals of Canadian Income Tax-Vern Krishna 1986-01-01

Don't Mess It Up-Les Trachtman 2018-05-01 In Don't Mess It Up: How Founders and Their Successors Can Avoid the Clichés That Inhibit Growth, author and six-time second CEO Les Trachtman offers his expertise on the most effective ways to successfully hand off your company to a worthy successor. He also has advice for those who are inheriting a business and want to take it to the next level, as well as for boards who are dealing with these leadership transitions. In his direct, no-nonsense approach, Les shows readers how seemingly harmless business clichés such as "get it right" and "be careful" can have a detrimental effect on a company's future by conveying that such imperative ingredients such as risk and innovation are things to now be avoided. Readers will learn how to: • Understand the metamorphosis required to transition from great founder to great CEO • Know when, and if, it's time to replace yourself • Pick the right successor • Prepare yourself and your company for the fragile transition • Create a successful CEO transition • Separate yourself from the company There is likely no one more experienced in founder transitions than Les Trachtman. He has been an innovative and respected successor at six different companies; let his hard-won advice guide you through your transition and toward success.

Canadian Law-Neil Boyd 1995

An Introduction to Business Law for Entrepreneurs-Chris Haroun 2016-01-24 This book will focus on an introduction to business law for entrepreneurs. This book is a great very high level introduction to the law topics that are most important to entrepreneurs, including how to register a company, how to protect my family, patents, term sheets, dealing with investors and much more; the course assumes that the reader has no background in law! Most business books are significantly outdated. There are some incredibly engaging and entertaining video links in the book to YouTube and other sources; education rocks! I tried to visualize the content of this book as much as possible as this is a more impactful and enjoyable way to learn (think Pinterest versus the tiny words in the Economist!) The contents of this book are all based on my work experience at several firms, including Goldman Sachs, the consulting industry at Accenture, a few companies I have started, the hedge fund industry where I worked at Citadel and most recently based on my experience at a prominent San Francisco based venture capital firm. I will also include helpful practical business concepts I learned while I did an MBA at Columbia University and a Bachelor of Commerce degree at McGill University. Think of this book as a "greatest hits" accounting summary from my MBA, undergraduate business degree, work experience in consulting, equities, hedge funds, venture capital and starting my own companies. I have also included two bonus chapters on incredibly important business best practices and recent trends that many people often overlook in business. As the title of this book suggests, this is a great introduction to business law for entrepreneurs. I have minimized "boring theoretical concepts" in this book in order to keep it as close to reality as possible. I hope you enjoy it! In addition to teaching at 4 universities in the Bay Area, you can find other courses that I teach online at :[www.tiny.cc/chris11](http://www.tiny.cc/chris11) hope you enjoy this book! I am a firm believer that "education" works best! Thanks a lot, Chris Haroun : )

Business Law I Essentials-MIRANDE, DE ASSIS VALBRUNE (RENEE, CARDELL, SUZANNE.) 2019-09-27 A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Prisoner Prodigal Pawn-Robert Sparkman 2020-03-20 Tribal politics and a family torn apart are at the root of compelling conflicts revolving around the thought-provoking question "Do you believe life is pulled by fate or pushed by luck?" that keeps this tale moving in several directions. Who's being manipulated, and who's pulling the strings? Prisoner Prodigal Pawn is a complex murder mystery, set in Albuquerque, New Mexico that revolves around a law firm, an Indian casino, and tribal politics. The story unravels with Elton Mozingo, as the main suspect in the murder of his colleague at the Baxter and Baxter law firm, going on the run. Bill Baxter is the ambitious and successful lawyer who is preparing to run for political office. His equally ambitious wife, Liz, is going to take his place as head of the family firm. As the story continues, we learn that Elton's father, who also worked for Baxter, is in jail serving a sentence for murder, eerily the same situation Elton finds himself in. The Mzingo brothers, Elton and Charles, as well as their convicted-felon father, BP, are the eponymous prisoner, prodigal son, and pawn caught up in an elaborate scheme that its perpetrators would kill to keep hidden. Elton and his estranged brother, a tribal police officer, have individually set out to investigate their father's case, and are on a quest to clear his name. The quest will open a Pandora's box of murder, betrayal and greed. When Elton seeks the aid of a childhood friend who uses him to pursue an agenda of her own, the brothers soon discover that there is virtually nobody around them whom they can trust. Prisoner Prodigal Pawn infuses a unique blend of family, intrigue, and corruption, with shocking twists. It is fast paced and full of adventure with an intricate plot, flawlessly woven with many interesting characters that will keep the reader turning those pages.

Successful Stock Speculation-John James Butler 1922

Board Member Orientation-Michael E. Batts 2011-02-01 Finally! Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hoey Alerts! Watch for Hoey Alerts! where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA \*\*\*\*\* The Simple Board Member Orientation Process Using This Book: 1.Your board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2.You will provide the board members with copies of the documents described in Chapter 10 related to your organization. 3.You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done!

Fundamentals of Franchising, Canada-Peter Snell 2005 A large number of American franchise systems have, over the last 40 years, made Canada one of their choice international expansion targets. This new book, written by experienced Canadian franchise lawyers, will help you advise your clients who are considering expansion into the Canadian marketplace. The book outlines a host of important differences when comparing the business, law and practice of franchising in Canada and the United States, as well as the numerous similarities between the culture and law of both societies. Topics include: structuring and expansion to Canada; trade-mark and other intellectual property issues; the Canadian franchise agreement; franchise disclosure issues; privacy issues and dispute resolution and franchise litigation in Canada. The book also includes practice notes throughout the book, highlighting key points.

Coloring Book of Canada. I-K. S. Bank 2017-04-05 32 coloring photo of Canada.

Fundamentals of Québec Business Law and Ethics-Frank Crooks 2016

Statistical Methods for Behavioral Science Research-Leonard A. Marascuilo 1971

Bad Faith in Pennsylvania-Clifford Rieders 2015-07-10 This book discusses the law of insurance bad faith in Pennsylvania. Cliff Rieders' book discusses the Pennsylvania statutes creating a cause of action for insurance bad faith, and various scenarios where such insurance bad faith claims can arise, including on underinsurance motorist claims, as well as the types of damages that are available for bad faith. In addition, this book contains an up to date discussion of relevant case law concerning insurance bad faith in Pennsylvania.

The Vanishing Chemist-Peter Alpert 2016-01-08 Greed and opportunity become a volatile mix in retired attorney Peter Alpert's novel The Vanishing Chemist. Chemist Madison Bellamy first contacts attorney Mark Conover when he faces a \$12 million judgement for allegedly polluting Colorado waterways with his platinum refinery. Conover gets the judgment overturned, but he hears from Bellamy again when the eccentric chemist continues his unscrupulous practices in Arizona. That won't be the last contact. Bellamy's greed leads him into high-stakes finance deals and takes him around the world in pursuit of cash. Getting governmental approval before he sells stocks is simply a formality that Bellamy doesn't have time to deal with. What he does have time for is a Bulgarian beauty who joins him in his quest. Throughout it all, he phones Conover, hoping to stay one step ahead of the authorities as he tries to get the pot of money of his dreams. How long can he keep it up? Conover merely wonders as the calls keep coming and he finds himself circling the globe in an effort to keep up with Bellamy. Based on factual events, Alpert weaves a tale of international intrigue that gives readers an inside look at courtroom proceedings, high-finance risks, and the trappings of greed.

Canadian Organizational Behaviour-Steven Lattimore McShane 2009 The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

Business Organizations-Robert Yalden 2018 Business Organizations: Practice, Theory and Emerging Challenges, 2nd Edition is more than just a comprehensive update to Business Organizations: Principles, Policies, and Practice. It provides a detailed discussion of the fundamentals that shape this area of law, and reviews important debates surrounding the nature of business organizations and the role they play in Canadian society. Through this approach, this casebook aims to enhance the reader's understanding of business organizations, and the ways in which legal and policy decisions impact how they function. In addition to substantial revisions and updates, this edition features entirely new material. Most notably, the text now includes chapters that engage emerging issues related to Indigenous peoples, which in part act as a response to the calls to action from the Final Report of the Truth and Reconciliation Commission of Canada. This edition also features a new chapter on social enterprises and the increased momentum of social entrepreneurship. Drawing on the perspectives of leading Canadian business scholars and commentators, this text is designed to be an accessible classroom and research resource. It is a must-have addition to the faculty, firm, or private library of anyone interested in the various dimensions of the law of business organizations.

Forever Young-Anna Anahit Paitian 2016-04-05 "Forever Young" is an autobiographical novel dedicated to author's son. The book is a powerful witness of the sorrowful mother, who goes through the mental torture, because of the probate codes of the USA health care, which give absolute decision making power to a legal spouse, disregarding the adult child's parents' will, and by these laws the health care facilities have unlimited rights to hide the unconscious patients and treat them according their 'good faith,' even if it is an unprofessional mistreatment, as long as it is in 'accordance with generally accepted health care decisions.' (Section 4740, CA Probates Codes). The book addresses the good-will community to consider the moral side of the issue and amend the law. It is about the most inhuman treatment toward the authority of a mother, parents, in situations when the moral and the divine establishment of the family is being ruined on a 'legal' ground. These health care regulations also secure a free hand to murder the patients in strong confidentiality- disguised as 'a course of treatment' - never scrutinized and disclosed. "I wrote this book by my blood," writes the author.

Canadian Contract Law-John Swan 2008

The Contracts Handbook-MARGARET, KERR 2018-02

Bowker's Law Books and Serials in Print- 1988

Canadian Escapades- Kanadische Eskapaden-Klaus Conrad 2009

Canadian Small Business Kit For Dummies-Margaret Kerr 2011-04-04 Canadian Small Business Kit For Dummies is the bestselling Canadian guide to starting and running a successful small business. This guide covers every aspect of starting, building, staffing, and running a small business, offering information for entrepreneurs starting from scratch, people buying a business, or new franchise owners. With updated information about the HST and its impact on small businesses, insight into how small business can take advantage of social media such as Facebook, LinkedIn, and Twitter, and new resources, including information about new sources of government funding for small businesses, this book is an essential guide to small business success. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

The Fundamentals of Income Tax Law-Vern Krishna 2009 Fundamentals of Income Tax Law is a completely up-to-date exposition of Canadian income tax in terms of legislation, administrative practices and case law. The text is a systematic examination of the foundational principles of Canadian income tax law and an analysis of the interpretation of those principles in leading Canadian cases. The text contains extensive illustrations and examples that facilitate an understanding of complex provisions. Fundamentals has four themes: determination of income and tax liability; basic corporate taxation; administration and compliance; and tax avoidance. The text examines all of the fundamental principles—constitutional, economic and interpretive—of Canadian income tax law pertaining to the computation of income, taxable income and tax payable. The text comprehensively covers all matters pertaining to the administrative aspects of the income tax law, compliance provisions, tax filings, and legal procedures for disputes in the tax courts. In addition to the general principles that apply to all taxpayers, there are four chapters specifically on income. Finally, the text has a comprehensive chapter and analysis of the rules pertaining to tax avoidance and, in particular, the general anti-avoidance rule (GAAR), which is now an intrinsic part of all tax planning and compliance. The text is written in an easy to read style. Students and practitioners will find the analysis thoughtful without being obtuse. Each chapter is supplemented by comprehensive supplementary materials in the form of bibliographies to facilitate further research.

Understanding Human Resources Management-Melanie Peacock 2019 "This first edition is an Introduction to Human Resource Management text for students in Intro HR courses, who do not plan to become HR practitioners. It views the various HR functions through a general manager's lens, rather than an HR specialist's lens, providing a less technical and more applied introduction to the field."
