New Statesman- 1998

Research Methods in Education-Louis Cohen 2017-10-12 This thoroughly updated and extended eighth edition of the long-running bestseller Research Methods in Education covers the whole range of methods employed by educational research at all stages. Its five main parts cover: the context of educational research; research design; methodologies for educational research; methods of data collection; and data analysis and reporting. It continues to be the go-to text for students, academics and researchers who are undertaking, understanding and using educational research, and has been translated into several languages. It offers plentiful and rich practical advice, underpinned by clear theoretical foundations, research evidence and up-to-date references, and it raises key issues and questions for researchers planning, conducting, reporting and evaluating research. This edition contains new chapters on: Mixed methods research The role of theory in educational research Ethics in Internet research Research questions and hypotheses Internet surveys Virtual worlds, social network software and netography in educational research Using secondary data in educational research Statistical significance, effect size and statistical power Beyond mixed methods: using Qualitative Comparative Analysis (QCA) to integrate cross-case and within-case analyses. Research Methods in Education is essential reading for both the professional researcher and anyone involved in educational and social research. The book is supported by a wealth of online materials, including PowerPoint slides, useful weblinks, practice data sets, downloadable tables and figures from the book, and a virtual, interactive, self-paced training programme in research methods. These resources can be found at: www.routledge.com/cw/cohen.

The British National Bibliography-Arthur James Wells 2009

The Psychologist- 1997

Deported to Death-Jeremy Slack 2019-07-30 What happens to migrants after they are deported from the United States and dropped off at the Mexican border, often hundreds if not thousands of miles from their hometowns? In this eye-opening work, Jeremy Slack foregrounds the voices and experiences of Mexican deportees, who frequently become targets of extreme forms of violence, including migrant massacres, upon their return to Mexico. Navigating the complex world of the border, Slack investigates how the high-profile drug war has led to more than two hundred thousand deaths in Mexico, and how many deportees, stranded and vulnerable in unfamiliar cities, have become fodder for drug cartel struggles. Like no other book before it, Deported to Death reshapes debates on the long-term impact of border enforcement and illustrates the complex decisions migrants must make about whether to attempt the return to an often dangerous life in Mexico or face increasingly harsh punishment in the United States.

British Education Index- 2003

The Pink Steering Wheel Chronicles-Laura Fahrenthold 2018-06-26 When Bloomberg journalist Mark Pittman suddenly died, his widow spent four summers driving 31,152 miles searching for answers. In her fearless memoir, The Pink Steering Wheel Chronicles: A Love Story, author Laura Fahrenthold presents a moving portrait of marriage, motherhood and mourning as she captains a 1993 RV sprinkling her husband’s ashes with their two young daughters and a stray dog in an epic quest for healing and understanding. Filled with insight and wit from a career in journalism, the story captures the family’s adventures and misadventures, her deeply-layered love story, and her hilarious slice-of-life dispatches where the pink steering wheel becomes her spiritual GPS.

New Statesman Society- 1989

Secondary Education Journal- 1985

Toxic Childhood-Sue Palmer 2015-02-12 One in six children in the developed world is diagnosed as having 'developmental or behavioural problems' - this book explains why and shows what can be done about it. Children throughout the developed world are suffering: instances of obesity, dyslexia, ADHD, bad behaviour and so on are all on the rise. And it's not simply that our willingness to diagnose has increased; there are very real and growing problems. Sue Palmer, a former head teacher and literacy expert, has researched a whole range of problem areas, from poor diet, lack of exercise and sleep deprivation to a range of modern difficulties that are having a major effect: television, computer games, mobile phones. This combination of factors, added to the increasingly busy and stressed life of parents, means that we are developing a toxic new generation. TOXIC CHILDHOOD illustrates the latest research from around the world and provides answers for worried parents as to how they can protect their families from the problems of the modern world and help ensure that their children emerge as healthy, intelligent and pleasant adults.

France in Revolution, 1774-1815-Sally Waller 2016-05-07 Retaining well-loved features from the previous editions, France in Revolution 1774-1815 has been approved by AQA and matched to the new 2015 specification.This textbook explores in depth a key period of history which was to change the relationship between the ruler and the governed, not only in France but throughout Europe and, in time, the wider world. It focuses on key ideas such as absolutism, enlightenment, republic and dictatorship, and covers events and developments with precision. Students can further develop vital skills such as historical interpretations and source analyses via specially selected sources and extracts. Practice questions and study tips provide additional support to help familiarize students with the new exam style questions, and help them achieve their best in the exam.

Sociological Abstracts- 2004-04

Learning to Labor-Paul E. Willis 1981 A landmark work in sociology, cultural studies, and ethnography since its publication in 1977, Paul Willis's Learning to Labor is a provocative and troubling account of how education links culture and class in the reproduction of social hierarchy. Willis observed a working-class friendship group in an English industrial town in the West Midlands in their final years at school. These "lads" rebelled against the rules and values of the school, creating their own culture of opposition. Yet this resistance to official norms, Willis argues, prepared these students for working-class employment.

Pygmalion in the Classroom-Robert Rosenthal 2003 This reissue of a classic book (the first edition of which sold 50,000 copies) explores the 'Pygmalion phenomenon', the self-fulfilling prophecy embedded in teachers' expectations.

Some Principles of Stratification-Kingsley Davis 1993-08-01

Sociology for AS AQA-Ken Browne 2013-04-29 The fourth edition of Ken Browne’s widely used textbook has been extensively revised to satisfy fully the AQA’s AS sociology specification. The book combines sociological rigour and accessibility in a way unrivalled by any other book at this level. Drawing on insights from recent examiners’ reports and mark schemes, and restructuring the materials to follow more closely the AS specification and the AQA’s recommended scheme of work, the new edition also includes: up-to-date discussions of a wide range of recent sociological data and debates extra exam-style questions on every specification topic special sections on research methods in the chapters on health and education full-colour photographs, diagrams and cartoons, to bring ideas to life and fire students’ imaginations a dedicated website at www.politybooks.com/browne, with resources for teachers and additional material designed to help students revise or research themes in the book. Key sociological terms are systematically highlighted throughout the text and are included in a comprehensive glossary, with questions and activities incorporated throughout to develop and test students’ understanding further. Pitched at exactly the right level for the AQA AS sociology specification, the book provides all the tools necessary to help students achieve top grades, whatever their needs, interests and abilities. Together with the accompanying Sociology for A2 AQA, this is the perfect resource for success in sociology. You can also find pointers to new contemporary resources for both AS and A2 Sociology by following @BrowneKen on Twitter.

Whitaker's Books in Print- 1998

GCSE English Literature for AQA Short Story Anthology Student Book-Chris Sutcliffe 2015-06-11 A new series of bespoke, full-coverage resources developed for the 2015 GCSE English qualifications. Written for the AQA GCSE English Literature specification for first teaching from 2015, this print Student Book provides specific set text coverage for the modern British fiction aspect of the specification. With progress at its heart and designed for classroom and independent use, students will build their skills through a range of active learning approaches, including class, group and individual activities. Incorporating differentiated support, activities will also help students develop whole-text knowledge. An enhanced digital version and free Teacher’s Resource are also available.

AQA GCSE English Language Grades 1-5 Student's Book-Keith Brindle 2015-04-24 Target grade improvement at every level and enable each student to reach their potential by boosting the knowledge and skills they need to understand the demands of the new AQA GCSE English Language examinations. - Focus completely on exam preparation and success as you are led question by question through both exam papers - Deliver higher levels of improvement and lift student performance with examiner insight that explains exactly what the examiner is looking for in each question - Differentiate your teaching for varying ability levels with this tiered Student's Book that teaches and develops the exam skills students need, using accessible, less-daunting texts with extra help to break down the questions - Support progression through the grades with annotated student responses that show how to improve answers - Build students' confidence and ensure readiness for exam conditions with practice questions and examination tips - Enhance students' reading skills through extensive practice for exam questions on the 19th century texts - Emphasise the importance of rolling revision with this ideal tool for students to use across the years We will not be submitting these resources to AQA for approval. Instead, our author team of senior examiners and teachers have matched these resources to the new specification and assessment objectives.

New Society- 1986
