Marley & Me-John Grogan 2009-03-17 Is it possible for humans to discover the key to happiness through a bigger-than-life, bad-boy dog? Just ask the Grogans. John and Jenny were just beginning their life together. They were young and in love, with not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley grew into a barreling, ninety-seven-pound streamroller of a Labrador retriever. He crashed through screen doors, gouged through drywall, and stole women's undergarments. Obedience school did no good -- Marley was expelled. But just as Marley joyfully refused any limits on his behavior, his love and loyalty were boundless, too. Marley remained a model of devotion, even when his family was at its wit's end. Unconditional love, they would learn, comes in many forms. Marley & Me is John Grogan's funny, unforgettable tribute to this wonderful, wildly neurotic Lab and the meaning he brought to their lives.

101 Fun Things to Do With Your Dog-Matthew Hollinder 2015-05-07 There are so many games, tricks, sports, and activities to do for dogs and their owners. Dogs really are a man's best friend. There are scent games for dogs. There are speed tests for dogs. There are obstacle courses for dogs. And some activities better match some breeds of dogs than they match other breeds of dogs. Some activities could involve more than one dog; or a dog and one or more other animals. Some activities can be done indoors; while some activities can be done outdoors. And the props needed for these activities can be simple or intricate. It is a great idea to have your dog try new things. And not only your dog will enjoy hours of fun, so will you and your family. If dogs are loyal companions of humans, then why not engage your dog in fun activities that really strengthen the bond between you and your dog. An example of the bond between a dog and its owner can be seen in the book called the Island of the Blue Dolphins by Scott O'Dell.

**Strongheart: Wonder Dog of the Silver Screen-Candace Fleming 2018** For fans of Balto and other real-life dog stories, here's a heavily illustrated middle-grade novel about a canine movie star of the 1920s, dramatically told in both words and pictures by an acclaimed author and a Caldecott Medal-winning illustrator. When movie director Larry Trimble travels to Berlin searching for his next big star--a dog!--he finds Etzel, a fierce, highly trained three-year-old German shepherd police dog. Larry sees past the snarls and growls and brings Etzel back to Hollywood, where he is renamed Strongheart. Along with screenwriter Jane Murfin, Larry grooms his protege to be a star of the silver screen--and he succeeds, starting with Strongheart's first film, *The Love Master*, which is released in 1921. Strongheart is soon joined by a leading lady, a German shepherd named Lady Julie, and becomes a sensation. But when Strongheart is accused of attacking a girl, he must prove his innocence--and it will take his best acting skills to do so. Touching, charming, playful, and based on real events, this moving tale by Candace Fleming and illustrated by Eric Rohmann tells all about "the wonder dog" who took America by storm.
