Getting Through the Tough Stuff-Charles R. Swindoll 2006-09-10 We live in a time when things are tough for a lot of folks. The boomers are beginning to feel anxiety as they move toward retirement. Many people are facing financial pressure and are up to their ears in debt. We are having to care for both our kids and our parents. The pace of life, and the demands of life, just keep getting more intense. And for many, these tough times bring life crises. This is a book of encouragement, hope and freedom... an invitation to meet Christ at the crossroads of our lives and move beyond the tough times.

Getting Through the Tough Stuff-Jacob Tannenbaum 2004-07 I would like these two testimonials to be on the back of the book to explain the benefits of buying the book. "If you are trying to create and nurture an intimate relationship with your lover, "GETTING THROUGH THE TOUGH STUFF" is the best communication book you can find and I don't say this lightly. It is the mother of all communication techniques. Use these skills and you will build an intimate relationship that creates wisdom, passion and maturity in you and your partner. I don't think you can create an intimate relationship, as a mature person, without them. Jack Tannenbaum is a master teacher and he makes the learning curve safe, manageable and clear better than anyone I know." Philip Belove, Ed.D., psychologist and creator of www.datingatmidlife.com, Director of the Midlife Learning Institute. Working with Jack doing the RAP Process helped bring my wife Rosalie and me much closer together. I found the RAP Process simple, powerful and effective and believe that Jack is a wonderful communicator of this essential information. I believe that Jack Tannenbaum is a gifted teacher and that he gives his wisdom lovingly and without ego. My wife and I lead workshops around the world and we found that his approach, the RAP Process has been well integrated into our lives and our teaching. Efraim Eisen, Spiritual leader and Psychotherapist

Getting Through the Tough Stuff Workbook-Charles R. Swindoll 2005-02-01 Life is tough. It's that simple. If you don't agree, you haven't lived long enough, because when we stop to think about the trials that life sends our way, it's always something! Despite our deep-seated and very natural desire for a trouble-free, happy, secure existence, Christians everywhere face family struggles, financial crises, debilitating diseases, and crushing disappointments. So what do you do when life gets so tough you think you can't endure another minute? If you're feeling . . . Sandwiched between aging parents who need your help and teenagers with demanding schedules; Stretched beyond your limits at work, trying to survive the next round of corporate downsizing; Dazed and emotionally bruised after your spouse walked out on the marriage you thought would last for a lifetime . . . This Getting Through the Tough Stuff Workbook offers help and hope! Based on Chuck Swindoll's characteristic insight, humor, and powerful yet gentle teaching style, this workbook delivers a strong message of encouragement, hope, faith, and the freedom we have in Jesus Christ. This practical resource will help you to get through the tough times of life. Perfect for personal devotions, small-group Bible studies, and church curriculum, this workbook offers special features including "Getting to the Root," which explores biblical words and concepts, and "Taking Truth to Heart," which guides you into personal reflection and application.

Dealing With the Tough Stuff-Margot Fraser 2009-11-09 Your business plan is only going to get you so far. When you're actually running a values-driven business problems come up that you never could have anticipated. And as a mission-driven organization you face issues your more conventional colleagues never have to grapple with. The whole experience can be incredibly isolating and draining. Margot Fraser and Lisa Lorimer have been there, and they're here to help. Together with five of their colleagues—including Stonyfield Yogurt founder Gary Hirschberg and former Ms. Foundation president Marie C. Wilson—they offer the kinds of personal insights and seasoned advice you just can't get in business school. It's like having a coaching session with some of the nation's top socially conscious entrepreneurs. Each chapter of Dealing with the Tough Stuff tackles a particular challenge. How open and honest can you really be with your employees and still run an efficient business? At what point do you seek outside expertise? What do you do when things go terribly wrong? When is it time to leave? The authors and the members of their "advisory board" share their experiences—not just what worked, but sometimes what spectacularly didn't. Some of these stories are harrowing: a worker getting killed by factory equipment, a supplier embezzling funds, a false accusation of intellectual property theft. Others are simply day-to-day conundrums: meeting payroll when you're always in debt, deciding when and how to expand in a responsible way, balancing business needs with your commitment to the triple bottom line. At the end of each chapter, Lorimer and Frasier draw on the stories to offer practical "survival suggestions" that can guide readers through similar situations. This is a book that readers can look to for affirmation, hope and tools. Others have been through what you're going through, if not worse. They made it and so can you—because they're going to show you how they did it. No book can cover every challenge that might arise, but if you learn from the attitudes, techniques and coping mechanisms these seasoned leaders offer, you'll get through the tough stuff with your sanity and your business intact.

Encourage Me-Charles R. Swindoll 1993-10-01 Are you discouraged? Do your shoulders ache with the weight of carrying your problems alone? Do you wish you could find someone who understands, someone who won't condemn you for your failures or ridicule you for your mistakes? Let Chuck Swindoll put a friendly arm around your shoulders and show you how the burdens can be lifted from your heart. Encourage Me offers tender insight into the needs of the human heart and how God wants to meet those needs through the gift of encouragement. Swindoll says, "Encouragement is awesome. Think about it: It has the capacity to lift a man's or a woman's shoulders. To breathe fresh air into the fading embers of a smoldering dream. To actually change the course of another human being's day . . . or week . . . or life." This classic devotional is a treasury of thoughts on finding the encouragement you need -- and learning to share that encouragement with others.

Tough Stuff-Wendy Coy 2003 Such desperately cheery responses from your students don't fool you—you've been in youth ministry long enough to sense when they're up to their ears in life's tough stuff. You know it better than most adults: There's just a lot of brokenness out there—families splitting up and recombining, abuse of all kinds (physical, psychological, sexual, substance), rampant sexual pressures, violence, isolation . . . the list seems endless. So let Tough Stuff be your guide through these deep and painful issues. It's a 12-session curriculum that not only familiarizes you with the complex roots and symptoms of these major hurts, but also informs and inspires your high schoolers on dealing with them from the inside out.Tough Stuff can start the healing process in the areas of— Denial (escaping denial and admitting our pain) Parents (God is the perfect parent—not Mom or Dad) Masks (removing the facades and living confidently as the real you) Abuse (healing the hurts of abuse from the inside out) Forgiveness (how forgiveness sets us free) Temptation (resisting temptation and breaking addictions) Boundaries (how boundaries affect . . . everything!) Orientation (making sense of gender identity) . . . and more. And don't think you'll be doing all the talking—Tough Stuff is full of engaging and provocative teaching tools: improv and drama, thematic worship, video and music clips, inductive discussions, as well as creative exercises.Tough Stuff is everything you need to navigate your kids through the heartrending realities that they (and their friends) are facing daily. Get into this curriculum, and let the healing begin.

Hand Me Another Brick-Charles R. Swindoll 1998-10-16 Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Yet through the application of timeless leadership principles, Nehemiah completed this nearly impossible project, and laid a pattern for success which is just as valid for us today. Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such as these: Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever.

21 Days to Resilience-Dr. Zelana Montminy 2016-04-05 Happiness is not about wishful thinking, good luck, or avoiding negative thoughts. In fact, the only path to true happiness requires seeing challenges as opportunities and discovering emotional strength during times of struggle. In other words, it's about resilience. Resilience is a quality most of us want to possess. The big issue is that no one knows how to access it in their day-to-day life. We understand that it's important, that it's crucial even, but it seems like an ephemeral thing that you either have or you don't. How we actually attain the skills to become resilient has been left out of the conversation. Until now. In 21 Days to Resilience, Dr. Zelana Montminy, a leading expert in positive psychology, offers a practical, science-backed toolkit to develop your capacity to handle whatever life throws your way—and thrive. Each day of her powerful program, Dr. Montminy introduces a key trait necessary to improve resiliency and enhance wellbeing, such as gratitude, focus, playfulness, self-respect, and flexibility, then provides three simple tasks to accomplish that day—one in the morning, one during the day, and one in the evening. In addition, the book offers a "Take Stock" section that will help you gauge your current level of skill and each chapter ends with a "Lifelong" exercise that offers ways to build the skill as needed to keep your resiliency muscles strong. Dr. Montminy writes, "Being resilient does not mean that you won't encounter problems or have difficulties overcoming a challenge in your life. The difference is that resilient people don't let their adversity define them. At its core, resilience is about being capable and strong enough to persevere in adverse or stressful conditions—and to take away positive meaning from that experience. Living with resilience is more than just bouncing back; it is about shifting our perceptions, changing our responses, and growing from them." Combining proven science, unique exercises, and insights from real-life experience, 21 Days to Resilience lays the foundation for happiness and shows you how to build your strength to carry you through the rest of your life.

Tuff Stuff-Amanda Pasley Gray, LPC 2013-10-31 Having a mom, dad, stepparent, or guardian that is police officer or in the military can make you feel lots of positive emotions. You may feel proud to have a parent who helps others. You may feel happy and safe knowing that they protect people. On the other hand, having a parent in this job can also bring negative feelings, such as fear, confusion, or sadness. My dad, Lieutenant Randall Pasley Sr., was a police officer for Austin Police Department and also a veteran of the Air Force. I can remember many different situations with my dad where I was happy and grateful, but then I can also remember the times I felt confused and sad. The stories I share with you come first hand from my own experiences, along with some from friends and clients in similar situation. All of the people's names have been disguised to protect their identity. Through these stories, I to give you some insight and direction through the "tuff stuff" you face in this particular situation.
