The American Vision-Joyce Oldham Appleby 2010

American History-Glencoe/McGraw-Hill 1997

Glencoe World History-Spielvogel 2008

U.S. History-P. Scott Corbett 2017-12-19 Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Discovering Our Past-Joyce Appleby 2018

The Red Badge of Courage-Stephen Crane 2008-09-27 Stephen Crane's Red Badge of Courage (1895) is a psychological study of a young soldier that deals with the true meaning of courage. Henry Fleming enlists himself as a recruit in the American Civil War over his mother's objection. During the battle, he flees into the forest, thinking that saving his life is the best thing. But when his battalion has won, he feels guilty and returns to his unit. After mastering his fear, Henry goes into the final battle as the flag bearer.

American Government-Frank Abbott Magruder 1917

Autobiography of a Face-Lucy Grealy 1994-09-27 A New York Times Notable Book "This is a young woman's first book, the story of her own life, and both book and life are unforgettable." —The New York Times "Engaging and engrossing, a story of grace as well as cruelty, and a demonstration of [Grealy's] own wit and style and class." —Washington Post Book World This powerful memoir is about the premium we put on beauty and on a woman's face in particular. It took Lucy Grealy twenty years of living with a distorted self-image and more than thirty reconstructive procedures before she could come to terms with her appearance after childhood cancer and surgery that left her jaw disfigured. As a young girl, she absorbed the searing pain of peer rejection and the paralyzing fear of never being loved.

CQ's Desk Reference on the Economy-Richard J. Carroll 2000-04-01 CQ's Desk Reference on the Economy includes more than 600 questions and answers covering U.S. economic issues in the context of our government institutions, as well as presidential and congressional policy. Students, researchers, and interested citizens can easily find understandable information they need about front-page, high-profile economic issues. CQ's Desk Reference on the Economy is designed to help voters, teachers, and students gain a basic understanding of the most important policies and issues in the U.S. economy. Readers will see the light go on perhaps for the first time ever as they begin to make more and more sense of such complicated issues as: Medicaid spending and the impact of managed care Social Security funding for future generations. Is the federal budget really balanced? What are the implications of the U.S. trade deficit?

CQ's Desk Reference on the Economy also includes an historical context by tracking presidential and party-based economic performance since WWII, from Truman to Clinton. Especially valuable during this past year of presidential politics and debate, the book is a valuable tool to understanding what the economic policies of presidential candidates can mean for the pocketbooks of American voters, as well as helping students understand how the economy works in a democracy. CQ's Desk Reference on the Economy is the perfect basic reference for everyone who wants to understand more about the economic issues that affect them directly every day of their lives.

The Luck of Roaring Camp, and Other Sketches-Bret Harte 1899

The American Journey-Joyce Oldham Appleby 2009-01-01

Grandma Never Lived in America-Abraham Cahan 1985

A Winter Walk-Henry David Thoreau 2018-07 A Winter Walk Henry David Thoreau New England transcendentalist Henry David Thoreau's 1843 essay "A Winter Walk" is a loving celebration of winter and walking. Thoreau vividly renders the winter season, writing of its sparkling beauty, its purity, and its stillness, and perfectly describing the warmth, coziness, and cheer to be found back at the home hearth. This short work is part of Applewood's "American Roots," series, tactile mementos of American passions by some of America's most famous writers. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

The Invisible Thread-Yoshiko Uchida 1991 Children's author, Yoshiko Uchida, describes growing up in Berkeley, California, as a Nisei, second generation Japanese American, and her family's internment in a Nevada concentration camp during World War II.

American Government-Glen Krutz 2018-01-07 Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

Glencoe World Geography-Glencoe Publishing Co 1995

How the Other Half Lives - Scholar's Choice Edition-Jacob a Riis 2015-02-08 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

World History & Geography-Jackson J. Spielvogel 2018

Ancient World History-Roger B. Beck 2008-01-14

The American Crisis-Thomas Paine 2018-02-16 The American Crisis was a series of pamphlets published from 1776 to 1783 during the American Revolution by eighteenth century Enlightenment philosopher and author Thomas Paine. The first volume begins with the famous words "These are the times that try men's souls." There were sixteen pamphlets in total together often known as "The American Crisis" or simply "The Crisis." Thirteen numbered pamphlets were published between 1776-1777 with three additional pamphlets released between 1777-1783. The writings were contemporaneous with the early parts of the American Revolution, during the times that colonists needed inspiring. They were written in a language the common man could manage and are indicative of Paine's liberal philosophies. Paine signed them with one of his many pseudonyms "Common Sense." The writings bolstered the morale of the American colonists, appealed to the English people's consideration of the war with America, clarified the issues at stake in the war and denounced the advocates of a negotiated peace. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
