Mobilities, Tourism and Travel Behavior-Leszek Butowski 2018-01-17 The notion of "mobilities," when looked at from a practical point of view, turns out to cover different kinds of human activity. It is not surprising, then, that when approached from an academic perspective, it reveals enormous potential for interdisciplinary research, which has proven extremely attractive to many scholars from different continents, disciplines, and schools of academic inquiry. The scholars in this volume focus on the specific aspects of mobilities, namely, tourism and travel behavior, but approach them from a plethora of positions. Such a myriad of perspectives is bound to be challenging in methodological terms, but it seems there is a growing agreement as to the worthiness of this interdisciplinary research. By means of combining various approaches, researchers obtain access to a fascinating and increasingly ubiquitous phenomenon of contemporary human mobility.

The English of Tourism-Georgeta Rață 2013-01-03 The English of Tourism is a collection of essays on the English specific to the Tourism Industry. The approach is a linguistic one: the different aspects of the English used in the field of tourism (tourism industry, types of tourism, travel agencies, Internet sites of travel agencies, eco-tourism, travel) and in tourism-related fields (accommodation, advertising, entertainment, food services, hospitality, transportation) are analysed from a morphological (combination, derivation), syntactical (nominal phrases, verbal phrases), lexical and lexicographical, semantic (homonymy, semantic fields, synonymy, terminology), pragmatic (academic discourse, idiom, metaphor), etymological (etymon, Latin heritage), and contrastive (Croatian-Romanian, English-Croatian, English-Romanian, French-English, Romanian-English) points of view. This book will appeal to people employed in industries including hotels, transportation, events, food and beverage, parks and recreation, as well as to professors, researchers, students, and translators from Croatian-, English-, French-, and Romanian-speaking countries, active in their own countries or abroad. The types of academic readership it will appeal to include: academic teaching staff, researchers and students in the field of tourism, of tourism-related fields - accommodation, advertising, entertainment, food services, hospitality, and transportation - and of languages.

Tourism Impacts, Planning and Management-Peter Mason 2012-08-06 Tourism Impacts, Planning and Management is a unique text, which links these three key areas of tourism: impacts, planning and management. Tourism impacts are multi-faceted and therefore are difficult to plan for and manage. This book looks at all the key players involved - be they tourists, host communities or industry members - and considers a number of approaches and techniques for managing tourism successfully. Divided into four parts, this text discusses: * The growth, development and impacts of tourism * Tourism planning and management: concepts, issues and key players * Tools and techniques in tourism planning and management: education, regulation and information technology * The future of tourism planning and management: issues of sustainability and the future Up-to-date, international case studies are used, for example the impacts of 9/11 and terrorism in Bali, to illustrate and provide a real-life context for the theories discussed. Exercises are also included to consolidate learning.

Managing Tourism in South Africa-Richard George 2007 Managing Tourism in South Africa equips students as well as practitioners with a combination of industry-specific knowledge and general managerial skills needed to succeed. It explores the fundamental business management aspects of tourism including law, management, human resource management,marketing, finance, and shows how the industry is structured. This book meets the need for a good South African book pitched at the right level on this subject. The book has a southern African focus and is made accessible to students through the use of South African examples and case studies.

Tourism in Tasmania-Can-Seng Ooi 2020 "Tasmania is a truly remarkable place which attracts growing numbers of visitors from the four corners of the globe. Our collective challenge is to ensure that tourism in Tasmania is sustainable and delivers benefits to the wider community while protecting and promoting what is truly unique about our island state."Richard EcclestonProfessor Director, Institute for the Study of Social Change, University of Tasmania"At a critical time for the industry, this book demands that Tasmanians consider the shape of the Island's future tourism industry. The book is not just relevant for the government and industry leaders who are currently debating this topic ; it challenges all Tasmanians in their respective communities to voice their opinions, so that what is special to them, remains so."David ReedLeading tourism industry consultant and operator, and former General Manager of Strahan Village

Cultural and Tourism Innovation in the Digital Era-Vicky Katsoni 2020-02-13 This book explores a wide range of emerging cultural, heritage, and other tourism issues that will shape the future of hospitality and tourism research and practice in the digital and innovation era. It offers stimulating new perspectives in the fields of tourism, travel, hospitality, culture and heritage, leisure, and sports within the context of a knowledge society and smart economy. A central theme is the need to adopt a more holistic approach to tourism development that is aligned with principles of sustainability; at the same time, the book critically reassesses the common emphasis on innovation as a tool for growth-led and market-oriented development. In turn, fresh approaches to innovation practices underpinned by ethics and sustainability are encouraged, and opportunities for the exploration of new research avenues and projects on innovation in tourism are highlighted. Based on the proceedings of the Sixth International Conference of the International Association of Cultural and Digital Tourism (IACuDIT) and edited in collaboration with IACuDIT, the book will appeal to a broad readership encompassing academia, industry, government, and other organizations.

Virtual Dark Tourism-Kathryn N. McDaniel 2018-04-23 This book takes the concept of "dark tourism"—journeys to sites of death, suffering, and calamity—in an innovative yet essential direction by applying it to the virtual realms of literature, film and television, the Internet, and gaming. Essays focus both on the creative construction of imaginary journeys and the historiographic and civic consequences of such memorializations. From World War II time-travel novels to Game of Thrones, and from Internet reproductions of Rwandan genocide locations to invented tragedies in futuristic domains, authors from various fields examine the purpose and influence of simulated travels to morbid sites. Designed for a wide audience of scholars and travelers virtual and real, this volume raises awareness about the many pathways through which we encounter death experiences in contemporary society. What we know about the past—or, what we think we know about it—is shaped daily by such imagined journeys as these.
