The Girls' Guide to Growing Up-Anita Naik 2018-10-23 A friendly, reassuring and positive guide for girls as they approach puberty, explaining the changes that will happen to their bodies as they grow up and how these changes might make them feel. Covering everything from periods and breast development to body hair and personal hygiene, puberty and parenting expert Anita Naik addresses any worries that girls may have relating to what is 'normal'. She reassures readers and boosts their confidence, encouraging them to feel positive about the changes they will experience as they go through puberty. The book also includes lifestyle advice on topics like healthy eating and exercise, and information on how puberty affects boys. Topics covered: What is puberty? Your puberty timeline Breasts and bras Same age, different stage Skin changes Sweat, smells and personal hygiene Hair in new places Down there What are periods? The practical side of periods Coping with periods Sex explained Making babies New feelings Managing your moods Healthy eating The power of exercise Self-esteem and body image Privacy and your body Puberty for boys Boys have worries, too

The Girls' Guide to Growing Up Great-Sophie Elkan 2018-04-19 Going through puberty? Thinking about puberty? Worried about growing up? Don't worry! This book is for you. Packed with facts and thoughtful advice, plus words of wisdom from older women and quotes and questions from girls who are also going through it, this book covers every aspect of going through puberty for girls (and even has a chapter on what's going on with boys because knowledge is power, after all). Also filled with quirky illustrations from the fabulous Flo Perry, coupled with space to scribble your own thoughts and ideas. From body basics like breasts, spots and periods, to the questions with no easy answers (Does how you look matter? Is a crush ever wrong? Is it bad to be jealous of your best friends - and does having a best friend even matter?) Plus, of course, clear and empowering information on sex, sexuality and gender and a whistle-stop guide to the wonderful world of online. Written by women who just happen to be mums: word whizz Sophie Elkan, psychotherapist Laura Chaisty and GP Dr Maddy Podichetty.

Where the Girls Are-Susan Jeanne Douglas 1995 A scholar and media critic takes a provocative look at the portrayal of women in American popular culture from the 1950s to the present day and assesses the impact of such images on women's real lives

Growing Up Girl-Valerie Walkerdine 2001 Girls growing up today face huge changes in the organisation of family, education and work. This book explores the complex ways that wealth and poverty, class and ethnicity, are going to impact on the lives of girls and women today.

Growing Up with Girl Power-Rebecca C. Hains 2012-01 For more than a decade, girl power has been a cultural barometer, reflecting girlhood's ever-changing meanings. How did girl power evolve from a subcultural rallying cry to a mainstream catchphrase, and what meaning did young girls find in its pop culture forms? From the riot grrrls to the Spice Girls to &ltI>The Powerpuff Girls, and influenced by books like &ltI>Reviving Ophelia and movements like Take Our Daughters to Work Day, &ltI>Growing Up With Girl Power charts this history. It considers how real girls who grew up with girl power interpreted its messages about empowerment, girlhood, strength, femininity, race, and more, and suggests that for young girls, commercialized girl power had real strengths and limitations - sometimes in fascinating, unexpected ways. Encompassing issues of pre-adolescent body image, gender identity, sexism, and racism, &ltI>Growing Up With Girl Power underscores the importance of talking with young girls, and is a compelling addition to the literature on girls, media, and culture. Supplemental resources are available online at GrowingUpWithGirlPower.com.

The Period Book-Karen Gravelle 2017-06-20 Celebrating over twenty years in print, this best-selling, essential illustrated guidebook for adolescent girls is now available as a refreshed edition, with new and updated content. This revised edition features new sections on: - getting braces - bra sizing - shaving - relatable anecdotes from real girls - changing friendships - romantic feelings - dealing with sexual harassment both on social media and in real life Complete with charming and informative interior illustrations, The Period Book is a trusty friend that can help girls feel confident about this new phase of their lives.

The Growing Up Guide for Girls-Davida Hartman 2015-03-21 The Growing Up Guide for Girls is a one-stop guide for young girls on the autism spectrum explaining all they need to know about puberty and adolescence. The pre-teen and teenage years are a bumpy time when bodies change, emotions are high and peers are developing at different paces. Using simple, literal language and delightful colour illustrations, this book explains the facts about body changes such as growing hair in new places, periods, wearing a bra and keeping spots away! It gives cool tips on what makes a real friend, what it means to have a crush on somebody, and how to stay safe online. Most importantly, it explains that every body is beautiful and unique and encourages young girls with autism to celebrate difference! Perfect preparation for the teenage years for girls aged 9-14.

Growing Up It's a Girl Thing-Mavis Jukes 1998 A guide for pre-adolescent girls to the changes that puberty brings to their bodies, including information about menstruation.

Growing Up God's Way for Girls-Chris Jones 2014-04 Growing up God's way forGirls is a colourful, fully illustrated book available as separate versions for boys and girls. It is intended for children approaching or experiencing puberty, typically represented by the 10-14 years old age range. The artwork has been specially produced for the book and includes accurate biological drawings as well as 'cartoon' illustrations to keep the young reader interested. Most importantly of all, the Bible is the constant reference point, so that what the Bible has to say about the matters dealt with is always front and centre. The result is that this book conveys essential biblical ethical teaching as well as the facts about puberty. For example, here's an extract from the teaching on the chapter on 'Physical Intimacy' (in this case in the girls version): So special that God has given us rules It might seem attractive to live in a world where there are no laws. (Of course it would mean that your parents would never be able to tell you that you were doing something wrong!) But have you ever thought what would happen if there were no laws about how we should drive a car? The laws of the road make it safe for us to drive. If there were none, many more people on the road would get injured and driving would be a very frightening experience. God has given us a law regarding how we relate to the opposite sex in sexual intimacy. This law is the seventh of the Ten Commandments: 'You shall not commit adultery' (Exodus 20:14). From this verse and other passages in the Bible, we learn that all sexual activity outside marriage is wrong. The word adultery means either being married and experiencing sexual intimacy with someone who is not your husband, or experiencing sexual intimacy with someone else's husband. In the New Testament, God warns us to 'flee from sexual immorality' (1 Corinthians 6:18). The term 'sexual immorality' includes any sexual activity that is not between a husband and his wife. The fact that God has given us a specific command to keep sexual intimacy for marriage shows how important God considers sexual intimacy to be. The husband and wife are important to Him, their marriage is important to Him, and the new life that may result from sexual intimacy is important to Him. God's law about sexual intimacy is for our safety and well-being - it protects us, it protects marriage, and it protects young life.

Bunk 9's Guide to Growing Up-Adah Nuchi 2017-12-19 CONGRATS! YOU HAVE FOUND "THE BOOK"! Growing Up a Girl-Duchess Harris Jd 2017-12-15 A principal sends a girl homo from school for not wearing a bra, A manager fires a woman at work because she questions the difference in pay between herself and her male counterpart. The public ignores a female athlete's accomplishments and instead scrutinizes her for how she looks. There are many differences between the female and male experience in American society today. The Being Female in America series draws out the biases, double standards, and discriminatory attitudes embedded in American culture and considers their impact on women natlonwide, Prepare to engage meaningfully In the conversation through Being Female in America.

Growing Up Girls-Sharon R. Mazzarella 1999 In today's society, more and more mass media and popular culture is being produced for, about, and by pre-adolescent and adolescent girls than ever before. The intent of this book is to help us better understand the complex relationship between girls and their culture. Informed by a broad range of theoretical perspectives and employing a variety of methodologies, the essays in this collection address the ways that mainstream culture «instructs» girls on how to become a woman - the ways in which the culture approves of «growing up girls.» Specifically, these essays examine the messages mainstream culture gives girls about romance, sexuality, life experiences, body image, gender and culture identity, and the way girls themselves negotiate these messages.

Girl Stuff-Margaret Blackstone 2006 A guide for girls explaining both the physical and psychological aspects of puberty.

Muslim Girl, Growing Up-Natalia Nabil 2018-01-05 "How can I prepare her for this new phase? I wanted to find a resource that can explain the details of this special stage while also integrating the important aspects of it from the Islamic religion. Being from the West, most books I found only explained the physiological changes. But I found that Muslim girls, especially ones from Western countries, need to know more about the religious implications of this stage. So I decided to write this guide to help young girls understand the basic things a Muslim girl should know about puberty, including the religious aspects that come along with it. However, this guide is just a starter to the journey ahead. I encourage parents to talk with your teens and pre-teens about this important stage of life to have a full and thorough understanding." - Natalia Nabil Includes: What is puberty and its stages. Hygiene tips. Religious duties to perform. And ones to stay away from. And much more

South Side Girls-Marcia Chatelain 2015-02-25 In South Side Girls Marcia Chatelain recasts Chicago's Great Migration through the lens of black girls. Focusing on the years between 1910 and 1940, when Chicago's black population quintupled, Chatelain describes how Chicago's black social scientists, urban reformers, journalists and activists formulated a vulnerable image of urban black girlhood that needed protecting. She argues that the construction and meaning of black girlhood shifted in response to major economic, social, and cultural changes and crises, and that it reflected parents' and community leaders' anxieties about urbanization and its meaning for racial progress. Girls shouldered much of the burden of black aspiration, as adults often scrutinized their choices and behavior, and their well-being symbolized the community's moral health. Yet these adults were not alone in thinking about the Great Migration, as girls expressed their views as well. Referencing girls' letters and interviews, Chatelain uses their powerful stories of hope, anticipation and disappointment to highlight their feelings and thoughts, and in so doing, she helps restore the experiences of an understudied population to the Great Migration's complex narrative.

Little Book of Growing Up-Victoria Parker 2016-01-07 Everything a girl needs to know about puberty and periods in one brilliant little book. Written in a friendly, accessible style, this is an essential guide for all girls approaching puberty.

Girls Growing Up in Late Victorian and Edwardian England-Carol Dyhouse 2012-10-09 Girls learn about "femininity" from childhood onwards, first through their relationships in the family, and later from their teachers and peers. Using sources which vary from diaries to Inspector's reports, this book studies the socialization of middle- and working-class girls in late Victorian and early-Edwardian England. It traces the ways in which schooling at all social levels at this time tended to reinforce lessons in the sexual division of labour and patterns of authority between men and women, which girls had already learned at home. Considering the social anxieties that helped to shape the curriculum offered to working-class girls through the period 1870-1920, the book goes on to focus on the emergence of a social psychology of adolescent girlhood in the early-twentieth century and finally, examines the relationship between feminism and girls' education.

Girls Growing Up. [A study of the lives of young working girls.].-Agnes Pearl JEPHCOTT 1942

The Corner House Girls Growing Up-Grace Hill 2017-09-05

Girl to Girl-Sarah O'Leary Birmingham 2013-11-26 Being a girl isn't always easy, and growing up is far from a walk in the park. This time of transition is particularly confusing without a confidante to help. The Girls' Life-Karen Bokram 2009-03-19

The Littlest Bigfoot-Jennifer Weiner 2016-09-13 A New York Times Bestseller “A charming story about finding a safe place to let your freak flag fly.” —People “Young readers who have ever felt too big or been made to feel small will feel just right in the cheerful glow of Weiner’s contemporary fairy tale.” —The New York Times Book Review From #1 New York Times bestselling author Jennifer Weiner comes a “smartly crafted” (BCCB) and “heartwarming” (School Library Journal) tale of friendship, furry creatures, and finding the place where you belong. Alice Mayfair, twelve years old, slips through the world unseen and unnoticed. Ignored by her family and shipped off to her eighth boarding school, Alice would like a friend. And when she rescues Millie Maximus from drowning in a lake one day, she finds one. But Millie is a Bigfoot, part of a clan who dwells deep in the woods. Most Bigfoots believe that people—NoFurs, as they call them—are dangerous, yet Millie is fascinated with the No-Fur world. She is convinced that humans will appreciate all the things about her that her Bigfoot tribe does not: her fearless nature, her lovely singing voice, and her desire to be a star. Alice swears to protect Millie’s secret. But a league of Bigfoot hunters is on their trail, led by a lonely kid named Jeremy. And in order to survive, Alice and Millie have to put their trust in each other—and have faith in themselves—above all else.

Constructing Girlhood-Penny Tinkler 1995 This text explores the contribution of magazines to the social construction of female adolescence during a historical period of rapid change and locates the role of magazines in the lives of contemporary girls. In addressing this theme, the book explores the changing social, economic, political and cultural conditions which shaped, and continue to influence, the experience of girlhood. The author discusses key concepts such as adolescence and "girlhood" and outlines theories concerning the interpretation of gender relations, cultural production, meaning and reading.; The chapters use life-course events and changes such as schooling, work, entrance into relationships, marriage and motherhood as their main themes. The author discusses the importance attached to age and social class for the form and content of the magazines and explores the interlinked factors which contributed to decisions about what were legitimate concerns for girls - for example, publisher's objectives and culture; reader interests; and ideologies of femininity. The final chapter outlines the patterns of leisure consumption in this era, providing insights into the changing role of leisure in today's society.

The Smart Girl's Guide to Growing Up-Anita Ganeri 2011 THE SMART GIRL'S GUIDE TO GROWING UP is the essential guide to problem-free puberty. Every smart girl knows when to ask for advice, and this book is an indispensable companion to growing up. Addressing all those cringey questions about periods, boys and boobs that adults squirm at answering, Anita Ganeri's sensible, light-hearted advice will calm the fears of any worried young woman. With trendy, friendly - not frightening! - illustrations, this book should be on every girl's shelf.

Just a Girl-Lucinda Jackson 2019-10-08 Just A Girl is the sensitive, personal story of the author's ambition to become and succeed as a scientist during the "white man in power" era of the 1950s to 2010s. In the male-dominated science world, she struggles from girlhood unworthiness to sexist battles in jobs on the farms and in the restaurants of America, in academia's laboratories and field research communities, and in the executive corner office. Jackson overcomes pain, shame, and self-blame, learns to believe in herself when others don't, and becomes a champion for others. The turbulent legal and social background of sexual harassment and sexism in America over seven decades is delivered as "history with emotion." Just a Girl is also a call to action: it identifies the court cases and lawsuits that helped advance the cultural changes we see today; outlines the pressing need for a Boys and Men Liberation (BAML) movement; highlights new approaches by parents; advocates for changes in our universities; and suggests a different direction for corporate America to take to stop the cycle of sexual harassment. Eye-opening and inspiring, it points the way to a brighter future for women everywhere.

Facts of Life-Susan Meredith 1985

Bloom- 2003 Practical advice from a Christian viewpoint about the internal and external changes experienced by teenage girls, touching on everything from shopping wisely to good hygiene to eating disorders.
