Star Wars and Philosophy-Kevin S. Decker 2005-04-01 The Star Wars films continue to revolutionize science fiction, creating new standards for cinematographic excellence, and permeating popular culture around the world. The films feature many complex themes ranging from good versus evil and moral development and corruption to religious faith and pragmatism, forgiveness and redemption, and many others. The essays in this volume tackle the philosophical questions from these blockbuster films including: Was Anakin predestined to fall to the Dark Side? Are the Jedi truly role models of moral virtue? Why would the citizens and protectors of a democratic Republic allow it to descend into a tyrannical empire? Is Yoda a peaceful Zen master or a great warrior, or both? Why is there both a light and a dark side of the Force? Star Wars and Philosophy ponders the depths of these subjects and asks what it truly means to be mindful of the “living force.”

Lies We Believe About God-Wm. Paul Young 2017-03-07 From the author of the bestselling novel The Shack and the New York Times bestsellers Cross Roads and Eve comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes crossing long-held beliefs, but always centered in the eternal, all-encompassing nature of God’s love. Now, in Wm. Paul Young’s first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we’ve presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the “Papa” portrayed in The Shack—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God’s deep and abiding love.

Purpose-Prem Baba 2019-10-28 Each and every one of us has come to this earthly plane with a mission, a purpose to be fulfilled. Despite the fact that, on the surface, we are not equal and have different qualities, we are united in one unique purpose that, at the end of the day, is the expansion of consciousness. Consciousness expands through love. That is why I often say that our work as human beings is to awaken love in everyone, everywhere. I now want to invite you to embark with me on a journey towards the expansion of consciousness. It is an adventure full of uncertainty and challenges that will take us from the seed to the fruit, from Earth to heaven, from forgetfulness to remembrance, from being asleep to the state of an awake consciousness. It is a journey that reveals the infinite unfoldings of love—this power that inhabits us, moves us and liberates us. It is part of our mission to reach the answer to these questions. We are constantly being encouraged to ask and find answers to questions like these and invited to perceive and understand the Mystery. Nature has sent very clear messages that the time has arrived for us to awaken from the dream of forgetfulness and wake up to reality. With so much information available on the unsustainable nature of our lifestyle, it is no longer acceptable for us to continue to act without a minimum of environmental awareness. It is now inconceivable that we are still so skeptical and closed that we cannot perceive the greater reality that transcends matter, since it is this shut-down state that prevents us from having access to the purpose of life. I, as a spiritual master but, above all, as a conscientious human being, have the obligation to tell the truth, no matter how painful it might be: we human beings are heading for a great failure. We have been unable to find this so desired happiness until this point in our passage here on Earth. This is because we are looking in the wrong place—outside ourselves. Happiness does not lie in the future, in material goods or in the opinion other people have of us. It is here and now, inside us. We need to have the courage and humility to give up our pride and take responsibility for our mistakes. We need to cure ourselves of egoism and only self-knowledge can bring about this cure. It was precisely with the intention of offering instruments that allow and facilitate the process of self-knowledge but, above all, with the aim of giving movement to an energy that can drive a real transformation that I decided to write this book. Love is the seed, the sap and the flavor of the fruit. It is the beauty and the fragrance of the flower. The beginning, the middle and the end. Awakening love is the reason why we are here. May the message contained in this book serve as an inspiration and guide for your journey. About the Author: Sri Prem Baba was born in São Paulo, Brazil and studied psychology and yoga. He became a disciple of the master Sri Sachcha Baba Maharaj Ji, of the Indian Sachcha lineage. He splits his time between Brazil and India, where he gives lectures and offers retreats. Dinosaur Tracks-Peter L. Falkingham 2016-08-15 The latest advances in dinosaur ichnology are showcased in this comprehensive and timely volume, in which leading researchers and research groups cover the most essential topics in the study of dinosaur tracks. Some assess and demonstrate state-of-the-art approaches and techniques, such as experimental ichnology, photogrammetry, biplanar X-rays, and a numerical scale for quantifying the quality of track preservation. The high diversity of these up-to-date studies underlines that dinosaur ichnological research is a vibrant field, that important discoveries are continuously made, and that new methods are being developed, applied, and refined. This indispensable volume unequivocally demonstrates that ichnology has an important contribution to make toward a better understanding of dinosaur paleobiology. Tracks and trackways are one of the best sources of evidence to understand and reconstruct the daily life of dinosaurs. They are windows on past lives, dynamic structures produced by living, breathing, moving animals now long extinct, and they are every bit as exciting and captivating as the skeletons of their makers.

The Communist Manifesto-Karl Marx 2018 Celebrating Karl Marx’s 200th Birth Anniversary The Communist Manifesto has been recognized as one of the world’s most influential political manuscripts. Commissioned by the Communist League, it laid out the League’s purposes and program. It presents an analytical approach to the class struggle (historical and present) and the problems of capitalism, rather than a prediction of communism’s potential future forms. The book contains Marx and Engels’ theories about the nature of society and politics, that in their own words, “The history of all hitherto existing society is the history of class struggles.” It also briefly features their ideas for how the capitalist society of the time would eventually be replaced by socialism, and then eventually communism. Born in Westphalia in 1820, Friedrich Engels was the son of a textile manufacturer. After military training in Berlin and already a convert to communism, Engels went to Manchester in 1842 to represent the family firm. A relationship with a mill-hand, Mary Bums, and friendship with local Owenites and Chartists helped to inspire his famous early work, The Condition of the Working Class in England in 1844. Karl Marx was born in 1818 in Trier, Germany and studied in Bonn and Berlin. Influenced by Hegel, he later reacted against idealist philosophy and began to develop his own theory of historical materialism. He related the state of society to its economic foundations and mode of production, and recommended armed revolution on the part of the proletariat.

A Port in Global Capitalism-Sérgio Costa 2019-11-14 Through a study of the port district of Rio de Janeiro and its history, from its emergence as a major slave market to its modern-day incarnation as a hub of tourism, real estate and financial speculation, this book examines the different dimensions of the manner in which capitalism expands its global process of accumulation to incorporate spaces not yet integrated into chains of value production. As such, it sheds new light on the use of explicit non-economic violence on the part of capitalist expansion, in the form of colonial or imperial policies, plundering or legal forms of expropriation. As such, it will appeal to sociologists, historians, economists, legal scholars and political theorists with interests in capitalism and inequalities.

The Scorpion’s Sweet Venom-Bruna Surfistinha 2010-10-01 “If I’m going to be a prostitute, I refuse to be an ordinary one.” Known to her clients as “Bruna the Surfer Girl,” Surfistinha is the beautiful 17-year-old Brazilian run-away from a middle class family who detailed online her three years working as a prostitute in a posh Brazilian suburb. Her candid and explicit entries on life as a high-class call girl caught the attention of millions and set off a vigorous national debate about sexual identity, values, and practices. As a result, Bruna became an immediate celebrity, the Paris Hilton of Brazil. Here, in The Scorpion’s Sweet Venom, she draws back the sheets to reveal the whole story. Bruna writes passionately about her estranged family, her out-of-control drug use, her unbridled sexuality, and her unusual adventures in the world’s oldest profession. “I have seen and done everything,” she confesses. “There is nothing left that scares me.” Part memoir, part cautionary tale, part sex guide, Bruna brings to life the raw, desperate and dangerous underbelly of the Brazilian sex trade, and shares outrageous advice for the bedroom, like what men really want but are too afraid to ask. Provocative, seductive and unforgettable, The Scorpion’s Sweet Venom is the vivid account of a young girl’s life on the street, and a fearless expression of human sexuality. Bruna Surfistinha is the pseudonym of a now twenty-something Brazilian prostitute who attracted the attention of the Brazilian public after she published sexually charged diary entries on her blog, www.brunasurfistinha.com. She currently lives in Sao Paolo.

When God Whispers Your Name-Max Lucado 1999-04-15 Are you ready to hope again? Are you ready to let go of doubt and sorrow? Just listen carefully. God is whispering your name. Somewhere, between the pages of this book and the pages of your heart, God is speaking. And He is calling you by name. Maybe that’s hard to believe. Maybe you just can’t imagine that the One who made all things of you that personally -- that He keeps your name on His heart and lips. But it’s true. In the Bible and in the circumstances of your life, He whispers your name lovingly. Tenderly. Patiently but persistently. Let these stories remind you of the God who knows your name. Some of the stories are from the Bible. Some are drawn from everyday life. Most are about people who are lost . . . or weary . . . or discouraged -- just like you may be. If you let them, they will tell the story of your life. And the story of a God who speaks into your situation. So listen closely as you turn these pages. Listen for the Father’s gentle whisper that can erase your doubt, your sorrow, your weariness, your despair. It really is your name that you hear, and the Voice that calls is more loving than that of your ever dared dream. Listen. And learn to hope again.

Cilka’s Journey-Heather Morris 2019-10-01 From the author of the multi-million copy bestseller The Tattooist of Auschwitz comes a new novel based on a riveting true story of love and resilience. Her beauty saved her — and condemned her. Cilka is just sixteen years old when she is taken to Auschwitz-Birkenau Concentration Camp in 1942, where the commandant immediately notices how beautiful she is. Forcibly separated from the other women prisoners, Cilka learns quickly that power, even unwillingly taken, equals survival. When the war is over and the camp is liberated, freedom is not granted to Cilka: She is charged as a collaborator for sleeping with the enemy and sent to a Siberian prison camp. But did she really have a choice? And where do the lines of morality lie for Cilka, who was sent to Auschwitz when she was still a child? In Siberia, Cilka faces challenges both new and horribly familiar, including the unwanted attention of the guards. But when she meets a kind female doctor, Cilka is taken under her wing and begins to tend to the ill in the camp, struggling to care for them under brutal conditions. Confronting death and terror daily, Cilka discovers a strength she never knew she had. And when she begins to tentatively form bonds and relationships in this harsh, new reality, Cilka finds that despite everything that has happened to her, there is room in her heart for love. From child to woman, from woman to healer, Cilka’s journey illuminates the resilience of the human spirit—and the will we have to survive.

Taking Action-Reinhard Bonkke 2012-05-01 DIV God uses manpower. We need God’s power. God works when we work. Millions of people all over the world have been introduced to Jesus through the ministry of Reinhard Bonkke. In Taking Action he describes how we too can be an extension of God’s love to the world by partnering with the Holy Spirit. With a firsthand account of the mighty manifestations of God at work today, Bonkke takes a careful look at what Scripture teaches about the anointing and gifts of the Holy Spirit in general and then explains each of the specific gifts listed by the apostle Paul. Jesus lived, worked, and prayed in the power of the Holy Spirit. In the Gospel of John He says, “He who believes in Me, the works that I do he will do also.” With this same anointing, we can live this way as well. /div

Interthinking: Putting Talk to Work-Karen Littleton 2013-08-15 Through using spoken language, people are able to think creatively and productively together. This ability to ‘interthink’ is an important product of our evolutionary history that is just as important for our survival today. Many kinds of work activity depend on the success of groups or teams finding joint solutions to problems. Creative achievement is rarely the product of solitary endeavour, but of people working within a collective enterprise. Written in an accessible and jargon-free style, Interthinking: putting talk to work explores the growing body of work on how people think creatively and productively together. Challenging purely individualistic accounts of human evolution and cognition, its internationally acclaimed authors provide analyses of real-life examples of collective thinking in everyday settings including workplaces, schools, rehearsal spaces and online environments. The authors use socio-cultural psychology to explain the processes involved in interthinking, to explore its creative power, but also to understand why collective thinking isn’t always productive or successful. With this knowledge we can maximise the constructive benefits of our ability to interthink, and understand the best ways in which we can help young people to develop, nurture and value that capability. This book will be of great interest to academic researchers, postgraduates and undergraduates on Education and Psychology courses and to practicing teachers. It will also appeal to anyone with an interest in language, creativity and the role of psychology in everyday life.
