'A' Level Computing-P. M. Heathcote 2004-08-15 This standard textbook has been comprehensively revised by experienced teacher and examiner Sylvia Langfield. Arranged in five modules corresponding to the AQA specification, there are exercises and past exam questions at the end of each chapter.

AS Level Computing-Pat M. Heathcote 2004-07-15 This book covers the first three modules of 'A' Level Computing course in a comprehensive but concise and readable manner. Each chapter covers material that can comfortably be taught in one or two lessons, and contains questions taken from recent examination papers. It covers the following topics: Module 1: Computer Systems, Programming and Network Concepts. Module 2: Principles of hardware, software and applications. Module 3: Practical Systems Development. -- Publisher description.

Nurse's Quick Check-Lippincott Williams & Wilkins 2008-04-01 Nurse's Quick Check: Diseases, Second Edition presents vital information on over 450 diseases in an easy-to-scan format using bulleted lists, charts, and illustrations. Each disease is covered on a two-page spread that includes pathophysiology, causes, risk factors, complications, assessment, treatment, nursing interventions, outcomes, and patient education. Life-Threatening Disorder banners indicate the most serious diseases. Alert icons highlight crucial patient safety information. This edition covers fifteen new diseases, includes a newly updated rare disease appendix, has more illustrations, includes prevention guidelines sidebars, and has Special Populations icons indicating clinical tips for pediatric, geriatric, and other patients. Enhanced treatment sections in each entry include names of individual medications.

Plunkett's Retail Industry Almanac 2003-Jack W. Plunkett 2002-12-01 No other guide covers the complete retail picture like this exciting new volume. America's retail industry is in the midst of vast changes - superstores and giant discounters are popping up on major corners while traditional smaller stores are struggling. Malls are lagging while "power centers" are surging ahead. Who are the hottest retailers? What lies ahead? Our market research section shows you the trends and a thorough analysis of careers, suppliers, chain stores, shopping centers, mergers, finances and future growth within the industry. Included are 13 major statistical tables showing everything from monthly U.S. retail sales, by sector, to mall sales per square foot, to the 10 largest malls in the US. Meanwhile, the corporate profiles section covering Plunkett's Retail 400 Firms gives you complete profiles of the leading, fastest growing retail chains across the nation. From Wal-Mart and Costco to Barnes & Noble and Amazon, we profile the major companies that marketing executives, investors and job seekers most want to know about. These profiles include corporate name, address, phone, fax, web site, growth plans, competitive advantage, financial histories and up to 24 executive contacts by title. Purchasers of the printed book or PDF version may receive a free CD-ROM database of the corporate profiles, enabling export of vital corporate data for mail merge and other uses. 540 pages.

Design & Make It!-Dave Mawson 2001 This volume was written by a team to classroom teachers and examiners to support pupils as they work through their GCSE course in design and technology. It is intended to guide them through the important stages of their coursework and to prepare for the final examination paper. It contains a mixture of extended projects, focused tasks and activities which together with the key points and sample examination questions support the AQA syllabus. The Channel 4 television programme associated with this series provides an introduction to the whole course and there is a range of specific opportunities to view and integrate the content throughout the extended projects.
