Hard Time-Robert Johnson 2002 A seminal work, this is a unique book in that it provides personal accounts from prisoners telling what it is really like to live in prison as well as historical and contextual information. It is the personal stories, which provide a realistic and poignant look at what life is like as a prisoner, that are the strength of this book.

Hard Time-Robert Johnson 2016-08-29 Hard Time: A Fresh Look at Understanding and Reforming the Prison, 4th Edition, is a revised and updated version of the highly successful text addressing the origins, evolution, and promise of America's penal system. Draws from both ethnographic and professional material, and situates the prison experience within both contemporary and historical contexts Features first person accounts from male and female inmates and staff, revealing what it's actually like to live and work in prison Includes all-new chapters on prison reform and on supermax correctional facilities, including the latest research on confinement, long-term segregation, and death row Explores a wide range of topics, including the nature of prison as punishment; prisoner personality types and coping strategies; gang violence; prison officers' custodial duties; and psychological, educational, and work programs Develops policy recommendations for the future based on qualitative and quantitative research and evidence-based initiatives

Hard Time-Ted McCoy 2012 The success and failure of prison reform and the corresponding social history of punishment in Canada.

Crisis and Reform-Alexis M. Durham 1994 After 300 years of the American struggle with crime and punishment-related issues, the nation seems less able to deal with them now than at any other time in history. Why have we failed? Is the worst yet to come? In Crisis and Reform, criminology expert Alexis M. Durham III explores the most serious problems currently plaguing America's correctional system, their historical background, and possible solutions. Topics covered include:--Prison Crowding-AIDS in Prison-Difficulties Associated with Older Inmates-Women in Prison-Changing the Offender-Alternatives to Incarceration, including Electronic Monitoring, Intensive Supervision, House Arrest, Community Services, and Day-Reporting Centers-Boot Camps-Prison Privatization-The Death Penalty

Counseling Criminal Justice Offenders-Ruth E. Masters 2003-09-19 Counseling Criminal Justice Offenders, Second Edition offers individuals a practical preparation for communicating with offenders. Recognising that individuals who counsel offenders in the criminal justice system often have not had the extensive training of a licensed psychologist. This book gives essential information, proven systems that have stood the test of time in American prisons and appropriate and effective counsellor attitudes.

The Oxford Handbook of Juvenile Crime and Juvenile Justice-Barry C. Feld 2011-12-23 Over the last two decades, researchers have made significant discoveries about the causes and origins of delinquency. Specifically, we have learned a great deal about adolescent development and its relationship to decision-making, about multiple factors that contribute to delinquency, and about the processes and contexts associated with the course of delinquent careers. Over the same period, public officials have made sweeping jurisprudential, jurisdictional, and procedural changes in our juvenile justice systems. The Oxford Handbook of Juvenile Crime and Juvenile Justice presents a timely compilation of state-of-the-art critical reviews of knowledge about causes of delinquency and their significance for justice policy, and about developments in the juvenile justice system to prevent and control youth crime. The first half of the handbook focuses on juvenile crime and examines trends and patterns in delinquency and victimization, explores causes of delinquency-at the individual, micro-social, and macro-social levels, and from natural and social science perspectives-and their implications for structuring a youth justice system. The second half of the handbook concentrates on juvenile justice and examines a range of issues-including the historical origins and re-invention of the juvenile court; juvenile offenders' mental health status and considerations of trial competence and culpability; intake, diversion, detention, and juvenile courts; and transfer/waiver strategies-and considers how the juvenile justice system itself influences delinquency. The Oxford Handbook of Juvenile Crime and Juvenile Justice provides a comprehensive overview of juvenile crime and juvenile justice administration by authors who are all leading scholars involved in cutting-edge research, and is an essential resource for scholars, students, and justice officials.

Corrections: A Text/Reader-Mary K. Stohr 2012-03-20 Corrections: A Text/Reader, Second Edition is designed for undergraduate and/or graduate corrections courses. Organized like a traditional corrections text, it offers brief authored introductions in a mini-chapter format for each key Section, followed by carefully selected and edited original articles by leading scholars. This hybrid format - ensuring coverage of important material while emphasizing the significance of contemporary research - offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field, and how these advances are determined by research.

Heinous Crime-Frederic G. Reamer 2004-12-29 What circumstances lead someone to commit murder, rape, or acts of child molestation? Why does society have such a deep-seated wish for vengeance against perpetrators of heinous crimes? Can those found guilty of such crimes ever be rehabilitated? What are the long-term consequences of incarceration, for inmates and society? Officials of the criminal justice system, politicians, and ordinary citizens argue about possible answers to these controversial and vital questions, with little agreement. Violent crime and overflowing prisons continue to be unfortunate aspects of our society as the criminal justice system struggles to develop a coherent strategy to deal with heinous crimes. This book offers innovative perspectives on the difficult issues concerning a civilized society's response to offenders guilty of heinous crimes. It considers specific cases and the chilling accounts of victims and the criminals themselves. In providing detailed strategies for prevention and rehabilitation, Frederic G. Reamer draws on his extensive experience as a member of the Rhode Island Parole Board, where he has heard more than 13,000 cases, and as a social worker in correctional facilities. He examines the psychological and social factors that lead individuals to commit reprehensible crimes, arguing that a fuller understanding of different criminal types is crucial to developing successful answers to the problem of heinous crimes. Closely looking at various criminal typologies, Reamer examines the effectiveness and rationale of various responses, including revenge and retribution, imprisonment for public safety, rehabilitation, and restorative justice.

Prisons Today and Tomorrow-Joycelyn M. Pollock 2009-10-05 Prisons: Today and Tomorrow, Second Edition uses current case studies and research to present balanced and comprehensive coverage of prisons and prisoners. Featuring chapters contributed by leading authorities on the modern prison system, this text examines the many purposes of prisons-punishment, deterrence, rehabilitation, and incapacitation-and examines controversial issues such as whether imprisonment actually deters crime or merely serves as punishment.

Reforming Government-United States 1994

Policy Studies Review- 1988 Some vols. include special issues

Hard Time-Robert Johnson 1996 A seminal work, this text provides a realistic and poignant look at what life is like as a prisoner.

Prison Reform- 1989

Reforming Schools-Kimberly Kinsler 2004-11-01 "Reforming Schools" will transform the study of school reform, development and improvement. It not only provides an overview of research findings, professional and political issues and policy developments and their history; it also relates such thinking to practice through a rich and multi-faceted case study of school reform. Particular emphasis is given to urban schooling, with a candid look at what can be learnt not only from successful school reforms but also from failure. The authors provide questions and exercises throughout to help readers interact with case-study material. "Reforming Schools" enables the readers to experience what it is like to work in the field in a way that no other book on school reform does.

It's about Time-John Irwin 1997 This book is a brief critical examination of American society's tendency to use prisons as the sole way of dealing with crime and criminals. The book also looks at the devastating impact both have on individuals within the prison system.

Reforming Punishment-Craig Haney 2006 This hard-hitting book challenges current prison practice and points to ways psychologists and policy makers can strive for a more humane justice system.

Crisis and Reform at Minnesota's Stillwater Prison, 1960-2000-Denise Suzette Hesselton 2007 This dissertation examines Minnesota's Stillwater prison between 1960 and 2000, focusing specifically on the violence and disorder that plagued the prison in the early 1970s. A framing approach is adopted to understand the factors that gave rise to the disorder, as well as the reforms that restored order in the late 1970s and beyond. In an effort to contextualize these trends, the research also explores why Minnesota responded to prison disorder in unexpected ways, and why the state ultimately abandoned these reforms in favor of the more punitive reforms adopted elsewhere.

Lawlessness and Reform-Tony G. Poveda 1990 This is a critical inquiry into the FBI in the aftermath of Watergate. It attempts to develop an understanding of the FBI in terms of organizational dynamics as well as of the broader social and historical forces which have shaped the Bureau.

The Invisible Woman-Joanne Belknap 1996 Publisher description: The definitive text for the course, Belknap covers women and the criminal justice system with a focus on three major areas: (1) female offenders and their treatment by the criminal justice system; (2) female victims of crime; and (3) female employees of the agencies of the criminal justice system.

Youth Gangs in American Society-Randall G. Shelden 1997 This comprehensive book, based on current research findings, examines the issues surrounding troubled youth. The authors provide historical, structural, and cultural context for analyzing gang members. They also furnish strategies on how to respond to the problems of gangs in America, from a community to a national level. 15 illustrations.

The Color of Justice-Professor of Criminal Justice Samuel Walker 1996 This text contains recent research on the topic of justice and includes the experiences of different minority groups. It explores all relevant topics including: patterns of criminal behavior and victimization; police practices; court processing and sentencing; death penalty; prisons, and other correctional programs..

Angolite- 2003

Corrections-Stan Stojkovic 1997

Justice Administration-Kenneth J. Peak 1995 This book is an examination of police, courts, and corrections management as well as personnel and financial administration and criminal justice employees' rights.

Michigan Law Review- 2005

Banking Reform- 1913

The Fellas-Charles M. Terry 2003 An engaging writer, Chuck Terry presents this powerful study on the tremendous obstacles that drug addicts drifting in and out of prison must overcome in order to get clean and "make it" in society. Thoroughly researched and based on sound theory, this text covers how societal reaction to drugs and addiction shape criminal policy and behavior. Terry's powerful voice as a writer brings each of "the fellas" to life as he tells their story on how they became addicts and documents their on going struggle with addiction--both in and out of prison. Terry follows the story of "the fellas" as they beat the odds, get clean, and try to make a better life for themselves. And, he tells the somber story of those who are not able to overcome the obstacles of drugs and prison.

Sentencing, Sanctions, and Corrections-Nicholas N. Kittrie 2002 The editors of Sentencing, Sanctions and Corrections have tested and modified the materials of the casebook through several years of class room use. New as well as experienced instructors can be assured that the broad range of these materials permit its several and diverse ways for the utilization of the text. The scope and contents of the book offer, as well, many opportunities for instructor innovations and enhancements.

Journal of Crime & Justice- 2003

Introduction to Criminal Justice-Robert M. Bohm 2001-08

Impossible Jobs in Public Management-Erwin C. Hargrove 1990 Greene focuses on Japanese techniques and approaches that often lead to cheaper and more effectively implemented technologies. He points out that the Japanese build in competitive advantage from the very inception of their AI programs. No bibliography or index. A systematic analysis of the factors that determine the difficulty of a public management job. Annotation copyrighted by Book News, Inc., Portland, OR

Crime, Delinquency and Justice-Ramesh Deosaran 2007 This reader presents fresh insights on the rapidly expanding and changing crime-related problems in the Caribbean as well as provides information on new dimensions of crime and criminology that are occurring with increasing regularity. A path-breaking and comprehensive work, Crime Delinquency and Justice: A Caribbean Reader has come at a time when all societies in the Caribbean region are grappling with crime in all its forms; and when the structure of the justice system on which all these societies are founded is being challenged to adjust to changes in society locally and internationally. The work addresses both theoretical and practical issues indicated by the broad range of areas covered including: Theorizing a Caribbean Criminology; Juvenile Delinquency and Public Policy; Domestic Violence and the Criminal Justice System; Community Policing, Police Styles and Use of Force; Corrections; Crime Statistics; the Jury System; Drug Trafficking; Terrorism, Social Upheaval and Political Violence and Human Trafficking. Much of the contributions are research and data-driven and overall have policy development as their focus. This makes the volume suitable for courses in criminology and criminal justice at both the undergraduate and graduate levels as well as for specialist courses in various aspects of policing and law enforcement.

Criminal Justice-Joel Samaha 1999 With substance and style, Samaha helps students master the complexities of the criminal justice system and the law. His presentation engages students in active learning and encourages them to understand, rather than memorize. That students truly enjoy reading CRIMINAL JUSTICE is a testament to Samaha's skill as a teacher, writer, and scholar. Featuring a critical-thinking approach that encourages students to explore all sides of the criminal justice system, this thorough introduction draws students in and encourages them to learn more. Samaha provides students with an important and realistic understanding of the formal and informal dimensions of criminal justice: from there, they have the ideal framework to learn about the sociology, politics, economics, and law of the discipline.

Contemporary Issues in Crime and Criminal Justice-Gilbert Geis 2001 Assembled in honor of the preeminent criminologist and scholar, Gilbert Geis, on the occasion of his seventy-fifth birthday, this volume features original, interesting, cutting-edge essays written by internationally known contributors in such areas as white collar crime, punishment and social control, public policy issues, comparative criminology, law, victimology, and policing. Features writing, for example, by Braithwaite, Vaughn, Short, Farrington, Levi, Pontell, Calavita, Meier, Simpson, Huff, Cullen on a broad array of topics in THEORY AND METHOD IN CRIMINOLOGICAL RESEARCH; WHITE-COLLAR CRIME AND CORPORATE CRIME; SOCIAL CONTROL; INTERNATIONAL AND COMPARATIVE STUDIES; And Various FORMS OF CRIME. For scholars, students, and practitioners of criminal justice.

Punishment for Profit-David Shichor 1995-01-17 This thought-provoking book presents a systematic and complete review of the literature on prison privatization. In light of the current trend towards private prisons, David Shichor examines the key ethical, legal, political and theoretical issues concerning a prison population not only regarded as undesirable but also open to social and political manipulation. He addresses a number of fundamental questions: What are the limits of civil liberties? What are the bonds holding members of society together? What are the functions of state and government? Punishment for Profit is an excellent resource for the continued efforts to resolve a critical issue facing our community.

Exploring Corrections-Tara Gray 2002 This collection of contemporary readings offers a frank exploration of corrections in the United States today. This ground breaking book explores issues in corrections by touring the underside of prison life, issues in prison administration, and the most hopeful alternatives to incarceration. The book presents contrasting views on what is needed to improve corrections, including: more control -- or more inmate participation -- or more and better alternatives to prison. Selections highlight current issues, including some of the hottest topics in today's headlines: Who gets convicted and punished?; Living and Working in Prisons and Jails; Do Prisons Work?; Do Alternatives to Prison Work Better? For anyone interested in the corrections aspect of law enforcement.

The Mythology of Crime and Criminal Justice-Victor E. Kappeler 2000 An insightful look at the realities of crime & justice that challenges basic assumptions & misconceptions about specific crimes or parts of the criminal justice system.

Criminal justice review- 1997

America's Courts & the Criminal Justice System-David W. Neubauer 1988 Open this book and step into America's court system! What's it like to be a judge? A prosecutor? A defense attorney? With Neubauer's best-selling book, you'll find out! This fascinating and well-researched text gives you the sense of being in the courthouse-of what it is like to work in and be a part of the system. This concept of the courthouse "players" illustrates each person's important role in bringing a case through the court process. Throughout the text, Neubauer highlights not only the pivotal role of the criminal courts within the criminal justice system but also the court's importance and impact on society as a whole.

Popular Culture and Corrections-Robert M. Freeman 2000 Popular Culture and Corrections researches the subject of popular culture and how it is created and able to maintain incredible influence over the public's perception of corrections. Freeman explores the complexities of negative correctional stereotypes and

their origins. The book is divided into two sections. The first explores the negative public perception of corrections and the individuals employed in the field. The latter details the proposed antidote to the popular culture of corrections through educating the community and dismantling the negative correctional stereotypes. Corrections professionals will learn how to make a difference in forming the public's image of corrections.
