She is content with the strict rules that define her life in Pineridge, the walled community where she lives with her father, his seven wives, and her twenty-eight siblings. This is the only world Alva has ever known, and she has never thought to challenge it. But everything changes when Alva is caught giving her long-time crush an innocent first kiss. Beaten, scorned, and now facing a forced marriage to a violent, fifty-year old man, Alva suddenly realizes how much she has to lose—and how impossible it will be to escape.
