Hidden Mountain, Secret Garden-Anthony Lynn Lilles Std 2012-11 "Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." THOMAS G. WEINANDY, O.F.M., CAP. Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! Do not be afraid to be loved, read this book. DEACON JAMES KEATING, PH.D, Institute for Priestly Formation, Omaha, NE

Hidden Truth from Prophecy—Beyond 2012-Robert B. Scott 2012-10-26 The Harbinger's warnings to America expose an important, untold story, the astounding truth about prophecy hidden from the Christian world. This work is like a sequel, unveiling the mysteries of prophecy. The keys to the enigma that is Bible prophecy consist in knowing these rarely understood truths: America is identified in the Bible and is a major player in prophecy. The books of Job and Isaiah are the foundations of all Bible prophecy. Aliens and giants are also mentioned in God's Word and will play a major role in end-time events. Quote from the book: "This is more than a book that warns the world of what is about to happen. It is also a book that offers a sure hope for the future. While the winter solstice of 2012 will indeed begin the time of the greatest spiritual darkness the world has ever known, it's not the end. It's not the end of the world; it's not even the end of this age."

The book attempts to unlock some of the 'great mysteries' of the world addressing difficult subjects such as 'the Jews', a place called Hell, what is the Church? Homosexuality, rebellion and sin. It directly addresses the mystery surrounding our spiritual relationship with our creator and the eternal destination of the soul. It also extends to orthodox themes such as truth, injustice and love.

Victory at Last-CO Emmanuel 2012-01-16 If what the enemies have stolen, destroyed, diverted, and polluted in your life is not making you mad, you may not accord this book the seriousness it rightly deserves. If your desire for change, restoration, and total recovery is not at an emergency level, you may see this book as any other book that is totally erroneous. This is not just another book. It is your key to divine intervention and total recovery. You have read books, gone to churches, and prayed prayers. This is a gift to our generation to unlock the secret of satanic oppression and usher the children of God into the center of Gods will for their lives. The conditions for using this book are high, but one thing is certain: you cannot comply with them without having a result. Jesus, because of the glory that was set before him, endured the cross, despite the shame, and is set at the right hand of majesty. As he is, so are we in this world. Therefore, because of the testimonies awaiting you, pay the price and cross over to the other sidethe side of glory (not story), side of inheritance, and side of your divine destiny. Bear in mind that anything God can do, prayer can do it. Every chapter and every prayer point in this book were directly inspired by the Lord. See you on the other side. Amen.
