The Dead Queens Club-Hannah Capin 2019-01-29 If your school's homecoming king had a little too much in common with Henry VIII, would you survive with your head still attached? You'd think being the new girl in a tiny town would equal one very boring senior year. But if you're me—Annie Marck, alias Cleves—and you accidentally transform into teenage royalty by entering Lancaster High on the arm of the king himself? Life becomes the exact opposite of boring. Henry has it all: he's the jock, the genius and the brooding bad boy all in one. Which sort of explains why he's on his sixth girlfriend in two years. What it doesn't explain is why two of them—two of us—are dead. My best friend thinks it's Henry's fault, which is obviously ridiculous. My nemesis says we shouldn't talk about it, which is straight-up sketchy. But as the resident nosy new girl, I'm determined to find out what really happened to Lancaster's dead queens...ideally before history repeats itself.

Lord of the Flies-William Golding 2016-11-15 William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry As provocative today as when it was first published in 1954, Lord of the Flies continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of Lord of the Flies. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Every You, Every Me-David Levithan 2011-09-13 A picture is worth a thousand lies in this psychological thriller by bestselling author David Levithan (Every Day; Will Grayson, Will Grayson with John Green). In this high school-set psychological tale, a tormented teen named Evan starts to discover a series of unnerving photographs—some of which feature him. Someone is stalking him . . . messing with him . . . threatening him. Worse, ever since his best friend Ariel has been gone, he's been unable to sleep, spending night after night torturing himself for his role in her absence. And as crazy as it sounds, Evan's starting to believe it's Ariel that's behind all of this, punishing him. But the more Evan starts to unravel the mystery, the more his paranoia and insomnia amplify, and the more he starts to unravel himself. Creatively told with black-and-white photos interspersed between the text so the reader can see the photos that are so unnerving to Evan, Every You, Every Me is a one-of-a-kind departure from a one-of-a-kind author. From the Hardcover edition.

The Dinner List-Rebecca Serle 2018-09-11 Delicious but never indulgent, sweet with just the right amount of bitter, Rebecca Serle's The Dinner List is a romance for our times. Bon appetit! A Bustle Book Club Selection "I have five words for Rebecca Serle's The Dinner List: wistful, delicious, romantic, magical, love." —Gabrielle Zevin, New York Times Bestselling Author of The Storied Life of A.J. Fikry and Young Jane Young "We've been waiting for an hour." That's what Audrey says. She states it with a little bit of an edge, her words just bordering on cursive. That's the thing I think first. Not: Audrey Hepburn is at my birthday dinner, but Audrey Hepburn is annoyed." At one point or another, we've all been asked to name five people, living or dead, with whom we'd like to have dinner. Why do we choose the people we do? And what if that dinner was to actually happen? These are the questions Rebecca Serle contends with in her utterly captivating novel, The Dinner List, a story imbued with the same delightful magical realism as One Day, and the life-changing romance of Me Before You. When Sabrina arrives at her thirtieth birthday dinner she finds at the table not just her best friend, but also three significant people from her past, and well, Audrey Hepburn. As the appetizers are served, wine poured, and dinner table conversation begins, it becomes clear that there's a reason these six people have been gathered together.

Speak-Laurie Halse Anderson 2011-05-10 The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.
