Five boys attacked her. Now they must repay her with their blood and flesh. Bethan is the apprentice to a green healer named Drina in a clan of Welsh Romanies. Her life is happy and ordered and modest, as required by Roma custom, except for one thing: Silas, the son of the chieftain, has been secretly harassing her. One night, Silas and his friends brutally assault Bethan and a half-Roma friend, Martyn. As empty and hopeless as she feels from the attack, she asks Drina to bring Martyn back from death’s door. “There is always a price for this kind of magic,” Drina warns. The way to save him is gruesome. Bethan must collect grisly pieces to fuel the spell: an ear, some hair, an eye, a nose, and fingers. Meet Monster-Ellen Blance 2020-06-30 **Monster** is curious about making friends, finding a home, and exploring his city. This book collects six Monster stories—written by educators Ellen Blance and Ann Cook, who worked with children to write the books—brought to life by Quentin Blake’s charming illustrations. Have you met Monster? He’s not scary or mean like other monsters. He’s kind of tall and his head is skinny, and he’s purple. He’s curious about everything: the city, the river, houses, cars, trains, and what people look like, the park, the kids, the swings, the stores and clothes and stuff. It is all new to him. “Monster thinks the city is fine so he thinks he will live here.” So begins the story of gentle, playful Monster, who conducts himself with grace and courtesy, and in short order finds a home, a best friend, and a bunch of kids to play with. First introduced in 1973, Monster returns in this omnibus edition of the first six stories of an extended emerging-reader series written not only for children, but also by them. Educators Ellen Blance and Ann Cook worked with schoolchildren to write stories a child would want, and be able, to read. While most children’s books are meant to be read by adults to children, these are stories children can read to themselves or to adults. The book includes illustrations by the illustrious Quentin Blake, and a new letter to children (and one to parents) by the authors.
