How to Make a Million Dollars an Hour-Les Leopold 2013-01-29 How hedge funds make money by taking it from the rest of us—and how you can join them! Top hedge fund managers make more than Oprah, Rupert Murdoch, and A-Rod combined—but they aren't running news and entertainment empires or playing baseball for the New York Yankees. Aren't you curious about how these hedge fund dudes make so much doing who knows what? You may even wonder if you can get there, too. After all, this is America! This book gives you the answers in a twelve-step guide to accumulating vast riches the way hedge fund managers do—by playing trillion-dollar poker with a marked deck. Through each easy step, you'll learn the sleight of hand and disregard for basic morality you'll need to move from making tens of dollars an hour to millions an hour! Along the way, you'll also question whether these hedge fund moguls make markets work better—as they and their apologists insist—or cause instability, siphon off capital, and destroy value without adding so much as a single widget to the economy. most common arguments about why speculating in financial markets is somehow "worth more" than creating entertainment, electronics, or consumer goods that consumers want

How to Make a Million F\*cking Dollars-Eric Sims 2016-01-19 From the Emmy winning and Comedy Central Comedy Award winning author Eric Sims. The description of this book isn't going to teach you anything. It won't teach you how to properly structure a business so you don't have to be present while it makes you a ton of cash. It won't help you pick the perfect product or make an airtight business plan. It won't teach you the secrets of good marketing or how to turn the small amount of money you have into large amounts of money. It also won't teach you how to take that large amount of money and make it work for you 24-7 to make even larger amounts of money and then take that supersized amount of money and buy cool stuff that will make you even more money. In short, the description of this book won't teach you how to make a million f\*cking dollars. Go read the inside of the book. The inside of the book will teach you all that. Plus, it's filled with jokes and stuff, too. So, as you're learning all that new info, you won't want to stop in midsentence and throw the book in the fire. Well, some of the jokes are stinkers but probably not bad enough to make you want to burn things. The point is, if you want to learn how to make a million f\*cking dollars, stop open-mouth breathing all over your screen and buy this book so you can read the inside parts and actually learn something. Warmest regards, Eric Sims
