Even relatively stable Gulf monarchies are not untouched by the impact of popular demand for change. For India, the Persian Gulf is an extended neighbourhood and the region of vital importance receives scant attention. In the light of the Arab Spring, Iranian nuclear deal and the rise of ISIS, it has become impossible for India to be indifferent to the changing internal dynamics. Another Thing to Fall-Laura Lippman 2009-10-13 New York Times Bestseller Award-winning and New York Times bestselling author Laura Lippman's Tess Monaghan—first introduced in the classic Baltimore Blues—must protect an up-and-coming Hollywood actress, but when murder strikes on a TV set, the unflappable PI discovers everyone's got a secret. "[A] welcome addition to Tess Monaghan's adventures and an insightful look at the desperation that drives those grasping for a shot at fame and those who will do anything to keep it."—San Francisco Chronicle When private investigator Tess Monaghan literally runs into the crew of the fledgling TV series Mann of Steel while sculling, she expects sharp words and evil looks, not an assignment. But the company has been plagued by a series of disturbing incidents since its arrival on location in Baltimore: bad press, union threats, and small, costly on-set "accidents" that have wreaked havoc with its shooting schedule. As a result, Mann's creator, Flip Tumulty, the son of a Hollywood legend, is worried for the safety of his young female lead, Selene Waites, and asks Tess to serve as her bodyguard. Tumulty's concern may be well founded. Recently, a Baltimore man was discovered dead in his home, surrounded by photos of the beautiful—if difficult—aspiring star. In the past, Tess has had enough trouble guarding her own body. Keeping a spoiled movie princess under wraps may be more than she can handle since Selene is not as naive as everyone seems to think, and instead is quite devout. Once Tess gets a taste of this world of make-believe—with their vanities, their self-serving agendas, and their remarkably skewed visions of reality—she's just about ready to throw in the towel. But she's pulled back in when a grisly on-set murder occurs, threatening to topple the wall of secrets surrounding Mann of Steel as lives, dreams, and careers are scattered among the ruins.

Katie.com-Katherine Tarbox 2000 Aged thirteen Katie Tarbox, met "Mark" in a chat room on America Online. He said he was 23 and a college student in California; he recognised her "as someone different from a typical 13-year-old," she says. In his eyes, she seemed to be smart. Sophisticated. Mature. Within a month, their online relationship graduated to the phone, where he heard about her 14th birthday and listened to her play piano when her family wasn't home. He always supported and encouraged her. She was a top student and nationally ranked swimmer, but where most of the adults in her life - parents, coaches, teachers - told her to work harder and be better, he made her laugh. Eventually, he made her feel loved. After six months, Katie agreed to meet him on March 12, 1996, when she was in Texas with her swim team for a meet. He got a room at the hotel where Katie and her team-mates - as well as her mom, a chaperone - were staying. But when she went to his room to meet him, the man she thought was her cyber-soul mate turned out to be not Mark, 23, but Frank, a 41-year-old paedophile. Police came banging on the door after her roommate, who knew about the plans, panicked and told Katie's mom. Shunned by her parents called a slut by her classmates this was the beginning of a nightmare. Eventually, "Mark," (real name Frank) was the first person to be prosecuted for sexual harassment of a minor arising from a Web contact: "It's something many young girls can identify with, a search for someone who understands them and gives them affection, but it can also lead them into some dark, scary places."
