This is likewise one of the factors by obtaining the soft documents of this **htawwym ow o ttract omen ith our ind** by online. You might not require more times to spend to go to the books instigation as with ease as search for them. In some cases, you likewise reach not discover the statement htawwym ow o ttract omen ith our ind that you are looking for. It will unquestionably squander the time.

However below, like you visit this web page, it will be in view of that unquestionably easy to get as without difficulty as download guide htawwym ow o ttract omen ith our ind

It will not acknowledge many get older as we run by before. You can complete it even though enactment something else at home and even in your workplace. consequently easy! So, are you question? Just exercise just what we allow below as capably as review **htawwym ow o ttract omen ith our ind** what you as soon as to read!

Small Screen, Big Feels-Melissa Ames 2020-12-02 While television has always played a role in recording and curating history, shaping cultural memory, and influencing public sentiment, the changing nature of the medium in the post-network era finds viewers experiencing and participating in this process in new ways. They skim through commercials, live tweet press conferences and award shows, and tune into reality shows to escape reality. This new era, defined by the heightened anxiety and fear ushered in by 9/11, has been documented by our media consumption, production, and reaction. In Small Screen, Big Feels, Melissa Ames asserts that TV has been instrumental in cultivating a shared memory of emotionally charged events unfolding in the United States since September 11, 2001. She analyzes specific shows and genres to illustrate the ways in which cultural fears are embedded into our entertainment in series such as The Walking Dead and Lost or critiqued through programs like The Daily Show. In the final section of the book, Ames provides three audience studies that showcase how viewers consume and circulate emotions in the post-network era: analyses of live tweets from Shonda Rhimes's drama, How to Get Away with Murder (2010–2020), ABC's reality franchises, The Bachelor (2002–present) and The Bachelorette (2003–present), and political coverage of the 2016 Presidential Debates. Though film has been closely studied through the lens of affect theory, little research has been done to apply the same methods to television. Engaging an impressively wide range of texts, genres, media, and formats, Ames offers a trenchant analysis of how televisual programming in the United States responded to and reinforced a cultural climate grounded in fear and anxiety.

Black Looks-bell hooks 2014-10-10 In the critical essays collected in Black Looks, bell hooks interrogates old narratives and argues for alternative ways to look at blackness, black subjectivity, and whiteness. Her focus is on spectatorship—in particular, the way blackness and black people are experienced in literature, music, television, and especially film—and her aim is to create a radical intervention into the way we talk about race and representation. As she describes: “the essays in Black Looks are meant to challenge and unsettle, to disrupt and subvert.” As students, scholars, activists, intellectuals, and any other readers who have engaged with the book since its original release in 1992 can attest, that’s exactly what these pieces do.

You Can’t Touch My Hair-Deluxe-Phoebe Robinson 2016-10-04 The deluxe eBook edition of stand-up comedian and WNYC podcaster Phoebe Robinson’s You Can’t Touch My Hair brings Phoebe’s hilarious voice off the page, directly into your eyes and ears. This enhanced edition features exclusive video footage with cameos by some of Phoebe’s comedy besties, plus more than an hour of audio where Phoebe talks regrettable crushes from the 90s, advice she wishes someone had given her as a teenager, the influence of RuPaul, and much more. Delivered in her signature style, Phoebe serves laughter and levity alongside more serious topics at rapid-fire speeds, topped—as always—with pop culture references for days. A hilarious and timely essay collection about race, gender, and pop culture from upcoming comedy superstar and 2 Dope Queens podcaster Phoebe Robinson Being a black woman in America means contending with old prejudices and fresh absurdities every day. Comedian Phoebe Robinson has experienced her fair share over the years: she’s been unceremoniously relegated to the role of “the black friend,” as if she is somehow the authority on all things racial; she’s been questioned about her love of U2 and Billy Joel (“isn’t that . . . white people music?”); she’s been called “uppity” for having an opinion in the workplace; she’s been followed around stores by security guards; and yes, people do ask her whether they can touch her hair all the. time. Now, she’s ready to take these topics to the page—and she’s going to make you laugh as she’s doing it. Using her trademark wit alongside pop-culture references galore, Robinson explores everything from why Lisa Bonet is “Queen. Bae. Jesus,” to breaking down the terrible nature of casting calls, to giving her less-than-traditional advice to the future female president, and demanding that the NFL clean up its act, all told in the same conversational voice that launched her podcast, 2 Dope Queens, to the top spot on iTunes. As personal as it is political, You Can’t Touch My Hair examines our cultural climate and skewers our biases with humor and heart, announcing Robinson as a writer on the rise.

Ain’t I a Beauty Queen?-Maxine Leeds Craig 2002-06-20 "Black is Beautiful!" The words were the exuberant rallying cry of a generation of black women who threw away their straightening combs and adopted a proud new style they called the Afro. The Afro, as worn most famously by Angela Davis, became a veritable icon of the Sixties. Although the new beauty standards seemed to arise overnight, they actually had deep roots within black communities. Tracing her story to 1891, when a black newspaper launched a contest to find the most beautiful woman of the race, Maxine Leeds Craig documents how black women have negotiated the intersection of race, class, politics, and personal appearance in their lives. Craig takes the reader from beauty parlors in the 1940s to late night political meetings in the 1960s to demonstrate the powerful influence of social movements on the experience of daily life. With sources ranging from oral histories of Civil Rights and Black Power Movement activists and men and women who stood on the sidelines to black popular magazines and the black movement press, Ain't I a Beauty Queen? will fascinate those interested in beauty culture, gender, class, and the dynamics of race and social movements.

Winner Take All-Laurie Devore 2018-01-30 "Intense and fiercely smart, this volatile love story is both timely and classic." —Maureen Goo, author of I Believe in a Thing Called Love For Nell Becker, life is a competition she needs to win. For Jackson Hart, everyone is a pawn in his own game. They both have everything to lose. Nell wants to succeed at everything—school, sports, life. And victory is sweeter when it means beating Jackson Hart, the rich, privileged, undisputed king of Cedar Woods Prep Academy. Yet no matter how hard she tries, Jackson is somehow one step ahead. They're a match made in hell, but opposites do attract. Drawn to each other by their rivalry, Nell and Jackson fall into a whirlwind romance that consumes everything in their lives. But when a devastating secret exposes their relationship as just another game, how far will Nell go to win? Visceral and whip-smart, Whip-smart, Laurie Devore's Winner Take All paints an unflinching portrait of obsessive love, toxic competition, and the drive for perfection. An Imprint Book "Intense and fiercely smart, this volatile love story is both timely and classic." —Maureen Goo, author of I Believe in a Thing Called Love "A bold, incisive, timely examination of the high price girls often have to pay for daring to want it all...Clever, romantic, and absolutely unputdownable." —Courtney Summers, author of Cracked up to Be and All the Rage "Darker and weightier than many stories about rivals falling in love, Devore's second novel draws a blurry line between honest emotions and calculated moves...a hard-hitting message about the pressures placed on teens to succeed." —Publishers Weekly "Heartbreakingly real... an unrelenting, incisive look at one young woman's highly pressurized world." —Kirkus Reviews "A clever plot twist reveals just how quick we are to judge the behavior of girls more harshly than that of boys...A winning choice." —School Library Journal

How to Get Away with Murder-Roger Harrington 2017-05-08 How To Get Away With Murder: Evil Mastermind Who Evaded Capture "There appear to be two types of situations in which one can be said to literally get away with murder. The first, and most common, is that the killer remained unknown until his criminal activity stopped. The second is that the killer was apprehended and tried, but was found innocent due to lack of evidence, loopholes in the justice system, or some other type of underhanded tactic.The cases which follow are all instances in which a perpetrator of a horrific crime evaded capture and continued to live their lives without repercussions. For each case, the actual truth is entirely unknown, and there exists the very real possibility that the killer (or killers) were imprisoned, died or suffered a similar deserved fate once their crimes ceased."Contains shocking true stories of evil murderers who got off scot-free, including serial killers who still remain at large. How To Get Away With Murder paints the true stories of some of the most horrific criminals to escape true justice.

The King of Torts-John Grisham 2012 Washed-up public defender Clay Carter's latest case, a routine street killing, takes an unexpected turn when he discovers evidence of a conspiracy involving a large drug company and a lawsuit with a huge potential settlement. Reprint. 35,000 first printing.

Digital Social-Danielle, Jessie 2016-11-16 This is the first book to connect digital media technologies in digital sociology and offers a much needed overview of it. It includes problems of the digital age in relation to inequality and identity, making it suitable for use for a global audience on a variety of courses. Divas on Screen-Mia Mask 2010-10-01 This insightful study places African American women's stardom in historical and industrial contexts by examining the star personae of five African American women: Dorothy Dandridge, Pam Grier, Whoopi Goldberg, Oprah Winfrey, and Halle Berry. Interpreting each woman's celebrity as predicated on a brand of charismatic authority, Mia Mask shows how these female stars have ultimately complicated the conventional discursive practices through which blackness and womanhood have been represented in commercial cinema, independent film, and network television. Mask examines the function of these stars in seminal yet underanalyzed films. She considers Dandridge's status as a sexual commodity in films such as Tamango, revealing the contradictory discourses regarding race and sexuality in segregation-era American culture. Grier's feminist-camp performances in exploitation pictures Women in Cages and The Big Doll House and her subsequent blaxploitation vehicles Coffy and Foxy Brown highlight a similar tension between representing African American women as both objectified stereotypes and powerful, self-defining icons. Mask reads Goldberg's transforming habits in Sister Act and The Associate as representative of her unruly comedic routines, while Winfrey's daily television performance as self-made, self-help guru echoes Horatio Alger narratives of success. Finally, Mask analyzes Berry's meteoric success by acknowledging the ways in which Dandridge's career made Berry's possible.

Shaded Lives-Beretta E. Smith-Shomade 2002 Since its invention, television has been one of the biggest influences on American culture. Through this medium, multiple visions and disparate voices have attempted to stake a place in viewer consumption. Yet even as this programming supposedly reflects characteristics of the general American populace, television-generated images are manipulated and contradictory, predicated by the various economic, political, and cultural forces placed upon it. In Shaded Lives, Beretta Smith-Shomade sets out to dissect images of the African American woman in television from the 1980s. She calls their depiction "binaristic," or split. African American women, although an essential part of television programming today, are still presented as distorted and deviant. By closely examining the television texts of African-American women in comedy, music video, television news and talk shows (Oprah Winfrey is highlighted), Smith-Shomade shows how these voices are represented, what forces may be at work in influencing these images, and what alternate ways of viewing might be available. Smith-Shomade offers critical examples of where the sexist and racist legacy of this country collide with the cultural strength of Black women in visual and real-lived culture. As the nation's climate of heightened racial divisiveness continues to relegate the representation of Black women to depravity and display, her study is not only useful, it is critical.

Gender in Post-9/11 American Apocalypse TV-Eve Bennett 2019-01-10 In the years following 9/11, American TV developed a preoccupation with apocalypse. Science fiction and fantasy shows ranging from Firefly to Heroes, from the rebooted Battlestar Galactica to Lost, envisaged scenarios in which world-changing disasters were either threatened or actually took place. During the same period numerous commentators observed that the American media's representation of gender had undergone a marked regression, possibly, it was suggested, as a consequence of the 9/11 attacks and the feelings of weakness and insecurity they engendered in the nation's men. Eve Bennett investigates whether the same impulse to return to traditional images of masculinity and femininity can be found in the contemporary cycle of apocalyptic series, programmes which, like 9/11 itself, present plenty of opportunity for narratives of damsels-in-distress and heroic male rescuers. However, as this book shows, whether such narratives play out in the expected manner is another matter.

Here We Are-Kelly Jensen 2017-01-24 LET'S GET THE FEMINIST PARTY STARTED! Have you ever wanted to be a superheroine? Join a fandom? Create the perfect empowering playlist? Understand exactly what it means to be a feminist in the twenty-first century? You've come to the right place. Forty-four writers, dancers, actors, and artists contribute essays, lists, poems, comics, and illustrations about everything from body positivity to romance to gender identity to intersectionality to the greatest girl friendships in fiction. Together, they share diverse perspectives on and insights into what feminism means and what it looks like. Come on in, turn the pages, and be inspired to find your own path to feminism by the awesome individuals in Here We Are. Welcome to one of the most life-changing parties around!

Representations of Black Women in the Media-Marquita Marie Gammage 2015-10-16 In 1920 W.E.B. Du Bois cited the damnation of women as linked to the devaluation of motherhood. This dilemma, he argues, had a crushing blow on Black women as they were forced into slavery. Black womanhood, portrayed as hypersexual by nature, became an enduring stereotype which did not coincide with the dignity of mother and wife. This portrayal continues to reinforce negative stereotypes of Black women in the media today. This book highlights how Black women have been negatively portrayed in the media, focusing on the export nature of media and its ability to convey notions of Blackness to the public. It argues that media such as rap music videos, television dramas, reality television shows, and newscasts create and affect expectations of Black women. Exploring the role that racism, misogyny and media play in the representation of Black womanhood, it provides a foundation for challenging contemporary media's portrayal of Black women.

My Mad Fat Diary-Rae Earl 2016-04-19 It's 1989 and Rae Earl is a fat, boy-mad 17-year-old girl, living in Stamford, Lincolnshire with her mum and their deaf white cat in a council house with a mint green bathroom and a refrigerator Rae can't keep away from. She's also just been released from a psychiatric ward. My Mad Fat Diary is the hilarious, harrowing and touching real-life diary Rae kept during that fateful year and the basis of the hit British television sries of the same name now coming to HULU. Surrounded by people like her constantly dieting mum, her beautiful frenemy Bethany, her mates from the private school up the road (called "Haddock", "Battered Sausage" and "Fig") and the handsome, unattainable boys Rae pines after (who sometimes end up with Bethany...), My Mad Fat Diary is the story of an overweight young woman just hoping to be loved at a time when slim pop singers ruled the charts. Rae's chronicle of her world will strike a chord with anyone who's ever been a confused, lonely teenager clashing with her parents, sometimes overeating, hating her body, always taking herself VERY seriously, never knowing how positively brilliant she is and keeping a diary to record it all. My Mad Fat Diary - 365 days with one of the wisest and funniest girls in England.

Is Marriage for White People?-Ralph Richard Banks 2012 Examines a sharp decline in marriage rates among the African-American middle class while analyzing probable causes, tracing the rise of educated and independent black women and evaluating the potential of interracial marriages.

The Adventure Zone: Here There Be Gerbilns-Clint McElroy 2018-07-17 Okay. Harken to my tale. Once upon a time (a couple of years ago) there were these brothers who had a bunch of really successful podcasts, and they decided to do a new podcast with their dad, where they all played D&D together as a family, and lo, this new podcast was called The Adventure Zone, and verily did it get downloaded over 10 million times, and wow did it totally eat the brains of all who listened, because: it was just. That. Rad. AND THEN did these guys team up with artist Carey Pietsch, and make a graphic novel where the weirdly sweet and brilliant but also super SUPER vulgar and honestly kind of bizarre story of The Adventure Zone got adapted into a goofy, innovative, and compelling graphic novel! Let no man deny that it was the best idea ever, right? Reader, we're publishing it.

White Shaming-Charles Negy 2020-01-13

The Evidence of Things Not Seen- 1706

Raising the Race-Riché J. Daniel Barnes 2015-12-01 Winner of the 2017 Race, Gender, and Class Section Book Award from the American Sociological Association Popular discussions of professional women often dwell on the conflicts faced by the woman who attempts to “have it all,” raising children while climbing up the corporate ladder. Yet for all the articles and books written on this subject, there has been little work that focuses on the experience of African American professional women or asks how their perspectives on work-family balance might be unique. Raising the Race is the first scholarly book to examine how black, married career women juggle their relationships with their extended and nuclear families, the expectations of the black community, and their desires to raise healthy, independent children. Drawing from extensive interviews with twenty-three Atlanta-based professional women who left or modified careers as attorneys, physicians, executives, and administrators, anthropologist Riché J. Daniel Barnes found that their decisions were deeply rooted in an awareness of black women’s historical struggles. Departing from the possessive individualistic discourse of “having it all,” the women profiled here think beyond their own situation—considering ways their decisions might help the entire black community. Giving a voice to women whose perspectives have been underrepresented in debates about work-family balance, Barnes’s profiles enable us to perceive these women as fully fledged individuals, each with her own concerns and priorities. Yet Barnes is also able to locate many common themes from these black women’s experiences, and uses them to propose policy initiatives that would improve the work and family lives of all Americans.

Lower Ed-Tressie McMillan Cottom 2018-08-07 “The best book yet on the complex lives and choices of for-profit students.” —The New York Times Book Review As featured on The Daily Show, NPR’s Marketplace, and Fresh Air, the “powerful, chilling tale” (Carol Anderson, author of White Rage) of higher education becoming an engine of social inequality “p>Lower Ed is quickly becoming the definitive book on the fastest-growing sector of higher education at the turn of the twenty-first century: for-profit colleges. With sharp insight and deliberate acumen, Tressie McMillan Cottom—a sociologist who was once a recruiter at two for-profit colleges—expertly parses the fraught dynamics of this big-money industry. Drawing on more than one hundred interviews with students, employees, executives, and activists, Lower Ed details the benefits, pitfalls, and real costs of the expansion of for-profit colleges. Now with a new foreword by Stephanie Kelton, economic advisor to Bernie Sanders’s presidential campaign, this smart and essential book cuts to the very core of our nation’s broken social contracts and the challenges we face in our divided, unequal society.

The Sisters Are Alright-Tamara Winfrey Harris 2015-07-07 GOLD MEDALIST OF FOREWORD REVIEWS' 2015 INDEFEAB AWARDS IN WOMEN'S STUDIES What's wrong with black women? Not a damned thing! The Sisters Are Alright exposes anti-black-woman propaganda and shows how real black women are pushing back against distorted cartoon versions of themselves. When African women arrived on American shores, the three-headed hydra—servile Mammy, angry Sapphire, and lascivious Jezebel—followed close behind. In the '60s, the Matriarch, the willfully unmarried baby machine leeching off the state, joined them. These stereotypes persist to this day through newspaper headlines, Sunday sermons, social media memes, cable punditry, government policies, and hit song lyrics. Emancipation may have happened more than 150 years ago, but America still won't let a sister be free from this coven of caricatures. Tamara Winfrey Harris delves into marriage, motherhood, health, sexuality, beauty, and more, taking sharp aim at pervasive stereotypes about black women. She counters warped prejudices with the straight-up truth about being a black woman in America. “We have facets like diamonds,” she writes. “The trouble is the people who refuse to see us sparkling.”

Black Rainbow-J. J. Mcavoy 2015-10-06 A sweet and steamy New Adult Romance from Amazon bestselling author of the Ruthless People series, J.J. McAvoy... After an erotic one-week fling with a musician she meets in a bar, Thea Cuning never expects to see Levi Black again. Then Monday morning comes around, and she discovers that her former lover is not only her professor, but he's also one of the top criminal lawyers in the state of Massachusetts. With everyone in class vying to be one of the twelve disciples-a group of twelve students that Professor Black takes under his wing-tensions run high. Thea considers dropping his class, given their passionate week together and their undeniable chemistry. After all, there are other (less infuriatingly sexy) law professors on campus. But to accomplish her goal and get her father out of prison, Thea knows she needs to learn under the best of the best-and that's Levi Black. But can she learn under the best, without being under the best?

Double Burden: Black Women and Everyday Racism-Yanick St. Jean 2015-03-04 Studies of contemporary black women are rare and scattered, and are often extensions of a legacy beginning in the 19th century that characterized black women as domineering matriarchs, prostitutes, or welfare queens, negative characterizations that are perpetuated by both white and non-white social scientists. Based on over 200 interviews, this book departs from these conventions in significant ways, and, using a “collective memory” conceptual framework, shows how black women cope with and interpret lives often limited by racial barriers and their making.

Locked Away-Riann C Miller 2016-06 Kiran Clark has kept his love life simple: no commitments, no relationships, no attachments of any kind. Lately, his reputation has left a lot to be desired, and his guilt is more than he is willing to admit. Moving to a new town, Kiran vows to start fresh and let go of his old ways, but life did not prepare him for Belle Paasch. Belle lived most of her life locked away from the world, but when she collides with Kiran, she is unprepared for what he has in store. When the shadows of Belle's past threaten the only people she has ever cared about, she is forced to sacrifice her new life for the sake of those she loves.

Sister Citizen-Melissa V. Harris-Perry 2011-09-20 DIVFFrom a highly respected thinker on race, gender, and American politics, a new consideration of black women and how distorted stereotypes affect their political beliefs/div

The B Word-Maria San Filippo 2013-04-12 Often disguised in public discourse by terms like “gay,” “homoeotic,” “homosocial,” or “queer,” bisexuality is strangely absent from queer studies and virtually untreated in film and media criticism. Maria San Filippo aims to explore the central role bisexuality plays in contemporary screen culture, establishing its importance in representation, marketing, and spectatorship. By examining a variety of media genres including art cinema, exploitation cinema and vampire films, “bronnances,” and series television, San Filippo discovers “missed moments” where bisexual readings of these texts reveal a more malleable notion of subjectivity and eroticism. San Filippo’s work moves beyond the subject of heteronormativity and responds to “compulsory monosexuality,” where it’s not necessarily a couple’s gender that is at issue, but rather that an individual chooses one or the other. The B Word transcends dominant relational formation (gay, straight, or otherwise) and brings a discursive voice to the field of queer and film studies.

Discourse of Twitter and Social Media-Michele Zappavigna 2012-02-23 Social media such as microblogging services and social networking sites are changing the way people interact online and search for information and opinions. This book investigates linguistic patterns in electronic discourse,looking at online evaluative language, Internet slang, memes and ambient affiliation using a large Twitter corpus (over 100 million tweets) alongside specialized case studies. The author argues that we are currently witnessing a cultural movement from online conversation to what can be termed ‘searchable talk’ - online talk where people affiliate by making their discourse findable (for example, via metadata such as Twitter hashtags) by others holding similar interests. This cutting edge text will be of interest to all scholars and students dealing with electronically mediated discourse.

The Psychopath Test-Jon Ronson 2011-05-12 In this madcap journey, a bestselling journalist investigates psychopaths and the industry of doctors, scientists, and everyone else who studies them. The Psychopath Test is a fascinating journey through the minds of madness. Jon Ronson's exploration of a potential hoax being played on the world's top neurologists takes him, unexpectedly, into the heart of the madness industry. An influential psychologist who is convinced that many important CEOs and politicians are, in fact, psychopaths teaches Ronson how to spot these high-flying individuals by looking out for little telltale verbal and nonverbal clues. And so Ronson, armed with his new psychopath-spotting abilities, enters the corridors of power. He spends time with a death-squad leader institutionalized for mortgage fraud in Cocksacke, New York; a legendary CEO whose psychopathy has been speculated about in the press; and a patient in an asylum for the criminally insane who insists he's sane and certainly not a psychopath. Ronson not only solves the mystery of the hoax but also discovers, disturbingly, that sometimes the personalities at the helm of the madness industry are, with their drives and obsessions, as mad in their own way as those they study. And that relatively ordinary people are, more and more, defined by their maddest edges.

The Journey to the West-Wu Cheng-en 2005 Containing chapters 51-100 of China's best-loved work, in an edited, yet complete and wholly accurate translation for the Western reader. Travel with Monkey, Pig, Friar Sand and the Tang Priest as they continue their journey to India and finally attain the scriptures. Volume 2 contains some of the most famous episodes from this classic, including Monkey's duel with the Princess Iron Fan.

How I Got This Way-Regis Philbin 2011-11-15 One of the most popular television and cultural icons ever, Regis Philbin has been entertaining television audiences for more than fifty years—as a beloved morning-show host (Live with Regis and Kelly), a nighttime game-show host (Who Wants to Be a Millionaire?) and also as a fixture on national and local late-night talk shows. The irrepressible “Reege” has regaled television audiences with his stories for more than half a century, but he’s saved the most hilarious, surprising, heartfelt, and inspiring tales for How I Got This Way. Both a fascinating show business memoir and a delightful primer for living the good life rolled into one, How I Got This Way is Reege being Reege, just the way we love him, as he shares the secrets to success and happiness that he has learned from his innumerable celebrity encounters, his close, personal friendships, and, of course, his relationship with his loving wife and family.

The Assassination of Fred Hampton-Jeffrey Haas 2019-11-05 On December 4, 1969, attorney Jeff Haas was in a police lockup in Chicago, interviewing Fred Hampton's fiancée. She described how the police pulled her from the room as Fred lay unconscious on their bed. She heard one officer say, "He's still alive." She then heard two shots. A second officer said, "He's good and dead now." She looked at Jeff and asked, "What can you do?" Fifty years later, Haas finds that there is still an urgent need for the revolutionary systemic changes Hampton was organizing to accomplish. With a new prologue discussing what has changed—and what has not—The Assassination of Fred Hampton remains Haas's personal account of how he and People's Law Office partner Flint Taylor pursued Hampton's assassins, ultimately prevailing over unlimited government resources and FBI conspiracy. Not only a story of justice delivered, the book puts Hampton in the spotlight as a dynamic community leader and an inspiration for those in the ongoing fight against injustice and police brutality.

Malignant Self-Love-Sam Vaknin 2001-01-01 THE FULL TEXT of Sam Vaknin's classic, groundbreaking BIBLE of NARCISSISM and NARCISSISTIC ABUSE, now in its 9th revision. Tips and advice as well as the most complete clinical background. Narcissistic Personality Disorder and its effects on the narcissist, the psychopath and their nearest and dearest - in 100 frequently asked questions and two essays - a total of 680 pages! Updated to reflect the NEW criteria in the second fifth edition of the Diagnostic and Statistical Manual (DSM).

What Makes a Marriage Last-Marlo Thomas 2020-05-05 NEW YORK TIMES BESTSELLER Power couple Marlo Thomas and Phil Donahue have created a compelling and intimate collection of intriguing conversations with famous couples about their enduring marriages and how they have made them last through the challenges we all share. What makes a marriage last? Who doesn't want to know the answer to that question? To unlock this mystery, iconic couple Marlo Thomas and Phil Donahue crisscrossed the country and conducted intimate conversations with forty celebrated couples whose long marriages they've admired—from award-winning actors, athletes, and newsmakers to writers, comedians, musicians, and a former U.S. president and First Lady. Through these conversations, Marlo and Phil also revealed the rich journey of their own marriage. What Makes a Marriage Last offers practical and heartfelt wisdom for couples of all ages, and a rare glimpse into the lives of husbands and wives we have come to know and love. Marlo and Phil's frequently funny, often touching, and always engaging conversations span the marital landscape—from that first rush of new love to keeping that precious spark alive, from navigating hard times to celebrating triumphs, from balancing work and play and family to growing better and stronger together. At once intimate, candid, revelatory, hilarious, instructive, and poignant, this book is a beautiful gift for couples of every age and stage. Rabbit & Robot-Andrew Smith 2019-09-24 "This provocative jaunt...dissests society, technology, othering, and what makes humanity human." —Publishers Weekly (starred review) "An unpredictable, gross, and prescient rumination on modernity, media consumption, and machine-aided communication." —Booklist (starred review) Told with Andrew Smith's signature dark humor, Rabbit & Robot tells the story of Cager Messer, a boy who's stranded on the Tennessee—his father's lunar-cruise utopia—with insane robots. To help him shake his Woz addiction, Billy and Rowan transport Cager Messer up to the Tennessee, a giant lunar-cruise ship orbiting the moon. Meanwhile, Earth, in the midst of three simultaneous wars, burns to ash beneath them. And as the robots on board become increasingly insane and cannibalistic, and the Earth becomes a toxic wasteland, the boys have to wonder if they'll be stranded alone in space forever. In Rabbit & Robot, Andrew Smith, Printz Honor author of Grasshopper Jungle, makes you laugh, cry, and consider what it really means to be human.

The Handbook of Gender, Sex and Media-Karen Ross 2013-12-04 The Handbook of Gender, Sex and Media offers original insights into the complex set of relations which exist between gender, sex, sexualities and the media, and in doing so, showcases new research at the forefront of the media and communication practice and theory. Brings together a collection of new, cutting-edge research exploring a number of different facets of the broad relationship between gender and media Moves beyond associating gender with man/woman and instead considers the relationship between the construction of gender norms, biological sex and the mediation of sex and sexuality Offers genuinely new insights into the complicated and complex set of relations which exist between gender, sex, sexualities and the media Essay topics range from the continuing sexism of TV advertising to ways in which the internet is facilitating the (re)invention of our sexual selves.

SCUM Manifesto-Valerie Solanas 2016-04-05 Classic radical feminist statement from the woman who shot Andy Warhol "Life in this society being, at best, an utter bore and no aspect of society being at all relevant to women, there remains to civic-minded, responsible, thrill-seeking females only to overthrow the government, eliminate the money system, institute complete automation and destroy the male sex." "Outrageous and violent, SCUM Manifesto was widely lambasted when it first appeared in 1968. Valerie Solanas, the woman who shot Andy Warhol, self-published the book just before she became a notorious household name and was confined to a mental institution. But for all its vitriol, it is impossible to dismiss as the mere rantings of a lesbian lunatic. In fact, the work has proved prescient, not only as a radical feminist analysis light years ahead of its time—predicting artificial insemination, ATMs, a feminist uprising against underrepresentation in the arts—but also as a stunning testament to the rage of an abused and destitute woman. In this edition, philosopher Avital Ronell's introduction reconsiders the evocative exuberance of this infamous text.

Glass Sword Collector's Edition-Victoria Aveyard 2018-11-06 A beautifully designed collector's edition of Glass Sword, the second book in the #1 New York Times bestselling Red Queen series by Victoria Aveyard, featuring exclusive content, stunning interior art, a redesigned cover, and more! And don't miss Broken Throne: A Red Queen Collection, featuring three brand-new novellas and other exclusive content, coming in April!

Prairie Tale-Melissa Gilbert 2009-06-09 A fascinating, heartbreaking, and ultimately uplifting tale of self-discovery from the beloved actress who earned a permanent place in the hearts of millions for her role in Little House on the Prairie when she was just a child. To fans of the hugely successful television series Little House on the Prairie, Melissa Gilbert grew up in a fantasy world with a larger-than-life father, friends and family she could count on, and plenty of animals to play with. Children across the country dreamed of the Ingalls' idyllic life—and so did Melissa. With candor and humor, the cherished actress traces her complicated journey from buck-toothed Laura “Halfpint” Ingalls to Hollywood starlet, wife, and mother. She parted with the Brat Pack, dated heartthrobs like Rob Lowe and bad boys like Billy Idol, and began a self-destructive pattern of addiction and codependence. She eventually realized that her career on television had earned her popularity, admiration, and love from everyone but herself. Through hard work, tenacity, sobriety, and the blessings of a solid marriage, Melissa has accepted her many different identities and learned to laugh, cry, and forgive in new ways. Women everywhere may have idolized her charming life on Little House on the Prairie, but Melissa's own unexpectedly honest, imperfect, and down-to-earth story is an inspiration.

The Last Werewolf-Glen Duncan 2011-07-12 Glen Duncan delivers a powerful, sexy new version of the werewolf legend, a riveting and monstrous thriller—with a profoundly human heart. Jake Marlowe is the last werewolf. Now just over 200 years old, Jake has an insatiable appreciation for good scotch, books, and the pleasures of the flesh. With a voracious libido and a hunger for meat that drives him crazy each full moon. Although he is physically healthy, Jake has slipped into a deep existential crisis, considering taking his own life and ending a legend that has lived for thousands of years. But there are two dangerous groups—one new, one ancient—with reasons of their own for wanting Jake very much alive.

Encyclopedia of African American Actresses in Film and Television-Bob McCann 2009-12-21 The first work of its kind, this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009. It includes entries on well-known and nearly forgotten actresses, running the gamut from Academy Award and NAACP Image Award winners to B-film and blaxploitation era stars. Each entry has a complete filmography of the actress's film, TV, music video or short film credits. The work also features more than 170 photographs, some of them rare images from the Schomburg Center for Research in Black Culture.

Small Screen, Big Feels-Melissa Ames 2020-12-02 While television has always played a role in recording and curating history, shaping cultural memory, and influencing public sentiment, the changing nature of the medium in the post-network era finds viewers experiencing and participating in this process in new ways. They skim through commercials, live tweet press conferences and award shows, and tune into reality shows to escape reality. This new era, defined by the heightened anxiety and fear ushered in by 9/11, has been documented by our media consumption, production, and reaction. In Small Screen, Big Feels, Melissa Ames asserts that TV has been instrumental in cultivating a shared memory of emotionally charged events unfolding in the United States since September 11, 2001. She analyzes specific shows and genres to illustrate the ways in which cultural fears are embedded into our entertainment in series such as The Walking Dead and Lost or critiqued through programs like The Daily Show. In the final section of the book, Ames provides three audience studies that showcase how viewers consume and circulate emotions in the post-network era: analyses of live tweets from Shonda Rhimes's drama, How to Get Away with Murder (2010–2020), ABC's reality franchises, The Bachelor (2002–present) and The Bachelorette (2003–present), and political coverage of the 2016 Presidential Debates. Though film has been closely studied through the lens of affect theory, little research has been done to apply the same methods to television. Engaging an impressively wide range of texts, genres, media, and formats, Ames offers a trenchant analysis of how televisual programming in the United States responded to and reinforced a cultural climate grounded in fear and anxiety.

Black Looks-bell hooks 2014-10-10 In the critical essays collected in Black Looks, bell hooks interrogates old narratives and argues for alternative ways to look at blackness, black subjectivity, and whiteness. Her focus is on spectatorship—in particular, the way blackness and black people are experienced in literature, music, television, and especially film—and her aim is to create a radical intervention into the way we talk about race and representation. As she describes: “the essays in Black Looks are meant to challenge and unsettle, to disrupt and subvert.” As students, scholars, activists, intellectuals, and any other readers who have engaged with the book since its original release in 1992 can attest, that’s exactly what these pieces do.

You Can’t Touch My Hair-Deluxe-Phoebe Robinson 2016-10-04 The deluxe eBook edition of stand-up comedian and WNYC podcaster Phoebe Robinson’s You Can’t Touch My Hair brings Phoebe’s hilarious voice off the page, directly into your eyes and ears. This enhanced edition features exclusive video footage with cameos by some of Phoebe’s comedy besties, plus more than an hour of audio where Phoebe talks regrettable crushes from the 90s, advice she wishes someone had given her as a teenager, the influence of RuPaul, and much more. Delivered in her signature style, Phoebe serves laughter and levity alongside more serious topics at rapid-fire speeds, topped—as always—with pop culture references for days. A hilarious and timely essay collection about race, gender, and pop culture from upcoming comedy superstar and 2 Dope Queens podcaster Phoebe Robinson Being a black woman in America means contending with old prejudices and fresh absurdities every day. Comedian Phoebe Robinson has experienced her fair share over the years: she’s been unceremoniously relegated to the role of “the black friend,” as if she is somehow the authority on all things racial; she’s been questioned about her love of U2 and Billy Joel (“isn’t that . . . white people music?”); she’s been called “uppity” for having an opinion in the workplace; she’s been followed around stores by security guards; and yes, people do ask her whether they can touch her hair all the. time. Now, she’s ready to take these topics to the page—and she’s going to make you laugh as she’s doing it. Using her trademark wit alongside pop-culture references galore, Robinson explores everything from why Lisa Bonet is “Queen. Bae. Jesus,” to breaking down the terrible nature of casting calls, to giving her less-than-traditional advice to the future female president, and demanding that the NFL clean up its act, all told in the same conversational voice that launched her podcast, 2 Dope Queens, to the top spot on iTunes. As personal as it is political, You Can’t Touch My Hair examines our cultural climate and skewers our biases with humor and heart, announcing Robinson as a writer on the rise.

Ain’t I a Beauty Queen?-Maxine Leeds Craig 2002-06-20 "Black is Beautiful!" The words were the exuberant rallying cry of a generation of black women who threw away their straightening combs and adopted a proud new style they called the Afro. The Afro, as worn most famously by Angela Davis, became a veritable icon of the Sixties. Although the new beauty standards seemed to arise overnight, they actually had deep roots within black communities. Tracing her story to 1891, when a black newspaper launched a contest to find the most beautiful woman of the race, Maxine Leeds Craig documents how black women have negotiated the intersection of race, class, politics, and personal appearance in their lives. Craig takes the reader from beauty parlors in the 1940s to late night political meetings in the 1960s to demonstrate the powerful influence of social movements on the experience of daily life. With sources ranging from oral histories of Civil Rights and Black Power Movement activists and men and women who stood on the sidelines to black popular magazines and the black movement press, Ain't I a Beauty Queen? will fascinate those interested in beauty culture, gender, class, and the dynamics of race and social movements.

Winner Take All-Laurie Devore 2018-01-30 "Intense and fiercely smart, this volatile love story is both timely and classic." —Maureen Goo, author of I Believe in a Thing Called Love For Nell Becker, life is a competition she needs to win. For Jackson Hart, everyone is a pawn in his own game. They both have everything to lose. Nell wants to succeed at everything—school, sports, life. And victory is sweeter when it means beating Jackson Hart, the rich, privileged, undisputed king of Cedar Woods Prep Academy. Yet no matter how hard she tries, Jackson is somehow one step ahead. They're a match made in hell, but opposites do attract. Drawn to each other by their rivalry, Nell and Jackson fall into a whirlwind romance that consumes everything in their lives. But when a devastating secret exposes their relationship as just another game, how far will Nell go to win
