Introduction to Dutch Law for Foreign Lawyers-J. Chorus 1998-12-09 Almost twenty years after its first edition, and five years after its second edition, The long-awaited third edition of Introduction to Dutch Law is now available in both hardback and paperback. This edition has incorporated most of the major changes in Dutch law, such as the revisions in the Constitution in 1983. In the 1980s, The Dutch criminal justice system lost some of its liberal characteristics of the 1970s, and, finally, The publication of the third edition comes just after the new Civil Code and General Administrative Law Act have entered into force. The impact of European law has increased considerably And The growing importance of environmental law has justified devoting a full chapter to this subject. Moreover, a continuous stream of case law and legislation has also necessitated updating the book. All these changes have led to important modifications as compared To The first two editions. For practical reasons, The order of the chapters has remained virtually unchanged. The 23 chapters in the book are divided into five parts: The Dutch Legal System, Private Law, Public Law, Labour Law and Legal Philosophy. In order to increase its usefulness for foreign students, The original --mainly Dutch-language--Bibliography has been extended to include a Bibliography of foreign publications on Dutch law. The editors have prepared this book under the auspices of the Netherlands Comparative Law Association. Many of the original contributors have collaborated in this revision; they have been joined by a new generation of comparative lawyers.

An Introduction to Roman-Dutch Law-R. W. Lee 2019-09 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. This reference volume will be of continuous value to the legal scholar and bibliographer, due not only to the works included but to the authoritative annotations, often citing more than one source. Besterman, A World Bibliography of Bibliographies 3461.

Introduction to Dutch law for foreign lawyers-D. C. Fokkema 1978

The Introduction to Dutch Jurisprudence of Hugo Grotius-Hugo Grotius 1845

The Introduction to Dutch Jurisprudence of Hugo Grotius, Now First Rendered Into English, by Charles Herbert-Hugo Grotius 1845

Introduction to Dutch Law-Jeroen Chorus 2016-04-18 A standard legal resource since its first edition in 1978, this matchless book has proven itself the ideal overview of Dutch law for foreign lawyers. This Fifth Edition fully updates its systematic description of the legal sources, institutions, and concepts in all major fields of law. Recent developments covered include the progressive implementation of standards set by international conventions, the reorganization of the judiciary, the statute on environmental law, and the (re)codification of private international law. The continuing influence of European law is evident in many fields, perhaps most notably in family law. The various chapters are written by experts - scholars and lawyers - in particular fields, and provide an authoritative overview of each field. The historical sources of Dutch law are discussed, as well as Dutch legal culture, judicial organization, legal education, and the legal profession. These chapters are followed by introductions to essential issues of private and public law and labour law. The last chapter examines questions of legal philosophy. The only resource of its kind available, this book is unmatched as a thorough guide to further research. It offers practitioners, particularly foreign lawyers, a quick and reliable way into any area of Dutch law that they may be required to research. It will also be of great value to comparatists (especially those studying the influence of European law on national legal systems), scholars, and students. Like previous editions, the Fifth Edition has been prepared under the auspices of the Netherlands Comparative Law Association.

South Africa, Greece, Rome-Grant Parker 2017-08-31 How have ancient Greece and Rome intersected with South African histories? This book canvasses architecture, literature, visual arts and historical memory. Some of the most telling manifestations of classical reception in South Africa have been indirect, for example neo-classical architecture or retellings of mythical stories. Far from being the mere handmaiden of colonialism (and later apartheid), classical antiquity has enabled challenges to the South African establishment, and provided a template for making sense of cross-cultural encounters. Though access to classical education has been limited, many South Africans, black and white, have used classical frames of reference and drawn inspiration from the ancient Greeks and Romans. While classical antiquity may seem antithetical to post-apartheid notions of heritage, it deserves to be seen in this light. Museums, historical sites and artworks, up to the present day, reveal juxtapositions in which classical themes are integrated into South African pasts.

Introduction to Dutch Law for Foreign Lawyers-Jeroen M. J. Chorus 1993-06-30 Since the first edition of this publication (1978) there have been many important changes in the Dutch legal system. Some of these changes include: the loss of some of its liberal characteristics of the 1970's; in 1983, the Dutch constitution was revised; the impact of European law has increased considerably and the new Dutch Civil Code has entered into force. The second edition of 'Dutch Law' has been updated to include the forementioned changes in Dutch law and now includes a Bibliography of foreign language publications on Dutch law. This book is ideal for foreign law students and foreign lawyers.
