It's Time to Sleep, My Love-Nancy Tillman 2013-07-30 It's time to sleep, it's time to sleep, the fishes croon in waters deep. The songbirds sing in trees above, "It's time to sleep, my love, my love." As children prepare for bed, the world around them is also settling down for the night. Animals who live in the jungle, the forest, the sea—all whisper to their babies a soft refrain: It's time to sleep, my love. As comforting as a soft blanket and warm as a goodnight hug, Eric Metaxas's lullaby is lovingly brought to life by bestselling artist Nancy Tillman (On the Night You Were Born), whose illustrations celebrate the wonders of the natural world, and the bonds of family. It's Time to Sleep, My Love is a 2009 Bank Street - Best Children's Book of the Year.

It's Time to Sleep in Your Own Bed-Lawrence E. Shapiro 2008 Contains a children's story about sleeping alone and advice for parents.

Time for Bed-Mem Fox 1997 As darkness falls parents everywhere try to get their children ready for sleep.

Go the F\*\*k to Sleep-Adam Mansbach 2011-06-14 The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f\*\*k to sleep." Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

Now It's Time to Sleep-Laura Thomae Young 2019-07-20 Now it's time to sleep is a sweet bedtime book for sleepy little ones. It recounts a busy day with all the activities, with poetic verse such as: You spied a bird, it flew away, and now it's time to sleep. You read a book, you played with toys, and now it's time to sleep. Your toddler will love the beautiful rhythmic nature of the story, and will be encouraged to turn each page as the day unfolds from playing, eating, brushing teeth, and finally settling down and sleeping. With colorful illustrations, and a winding-down cadence, this sleepy time book will be a family favorite.

Cómo Dan Las Buenas Noches Los Dinosaurios?-Jane Yolen 2000 In each playful spread of this read-aloud bedtime book, parents are ready to put their kids to bed—but these youngsters just happen to be dinosaurs!

It's Time to Sleep-Kevin J. Brougher 2019-09-02 A warm and wonderful night time book for babies and toddlers.

My Year of Rest and Relaxation-Otessa Moshfegh 2018-07-10 From one of our boldest, most celebrated new literary voices, a novel about a young woman's efforts to duck the ills of the world by embarking on an extended hibernation with the help of one of the worst psychiatrists in the annals of literature and the battery of medicines she prescribes. Our narrator should be happy, shouldn't she? She's young, thin, pretty, a recent Columbia graduate, works an easy job at a hip art gallery, lives in an apartment on the Upper East Side of Manhattan paid for, like the rest of her needs, by her inheritance. But there is a dark and vacuous hole in her heart, and it isn't just the loss of her parents, or the way her Wall Street boyfriend treats her, or her sadomasochistic relationship with her best friend, Reva. It's the year 2000 in a city aglitter with wealth and possibility; what could be so terribly wrong? My Year of Rest and Relaxation is a powerful answer to that question. Through the story of a year spent under the influence of a truly mad combination of drugs designed to heal our heroine from her alienation from this world, Moshfegh shows us how reasonable, even necessary, alienation can be. Both tender and blackly funny, merciless and compassionate, it is a showcase for the gifts of one of our major writers working at the height of her powers.

Lamikorda-D. R. Merrill 2014-05-05 The Alplai have lived in peace and prosperity for centuries, spreading beyond their homeworld's single continent into floating cities on its vast oceans, and colonizing the planets and moons of their solar system. Now, a massive alien vessel has come, carrying over a million colonists in cryogenic stasis from a devastated world. Ganak, the recently appointed Commissioner for Space Exploration, advocates that the Terai be allowed to settle in the newly prepared Eastern Sector of the planet Totrana. The proposal is approved, and the avian-descended Alplai work with this strange mammalian species to help them build a new home. But not all the Alplai welcome these creatures. Many are concerned about their warlike past, and when a new disease erupts on Totrana, the aliens are quickly blamed. Despite their contributions, the Terai face discrimination and harassment. How far can Ganak use his influence to help, and what leaders will emerge amongst them as they strive to build a new life?

Awakening to the Splendor of Dawn-Annamarie Cornelia O'Hara 2013-08 This is an autobiographical collection of poems, prose and music about the author's tortuous path to adulthood as she recovers from severe PTSD. It chronicles her journey from victim to survivor and now, within sight of conqueror. (PTSD - Post Traumatic Stress Disorder - It is what remains and destroys normal life after overwhelming, unresolved trauma finally affects one's every step and breath. Every voice, every sound, odor, flash of light can trigger a fight or flight or panic reaction. Adrenaline rushes through the body and irrational fear can rule every hyper-vigilant moment of life. Nightmares replace sleep. An otherwise physically healthy person becomes totally disabled. And well-intentioned ignorant observers tell you to, "Just get over it.") The author was adopted from Korea as an infant with severe, undetected medical problems that affected her behavior. She was repeatedly traumatized in her first adoptive home. Then at the age of ten she was sent away, never welcome to return, and further traumatized in hospitals, group homes and foster care. Multiple suicide attempts led to more hospitalizations and abuse by a seemingly endless number of training-challenged people. This book weaves a background story of spiritual and relational growth. It chronicles her undying and persistent prayer - from early childhood - that one day she would be part of a Christian family who would want her and love her and cherish her. A story about how that prayer was answered five years ago when she was adopted a second time and given the chance to grow and heal from the horrors of the past. It is a story of the ascendancy of her relationship with the

God of Abraham, Isaac and Jacob and the gradual unfolding and awareness of who she is while she struggles to cast off deep emotional numbness and begin to feel and express love. One theme runs through these pages - the author's love of God and how it has brought her through the toughest of times and is still guiding her through her daily battles as she recovers from the trials of PTSD.

The Theta Timeline-Chris Dietzel 2014-10-05 Welcome to the nightmarish future of The Theta Timeline, where '1984' meets 'Slaughterhouse-Five.' Leaders who rely on war and fear. The men and women who refuse to accept a tyrannical government. And an unreliable means of time travel in which most people don't survive. Freedom was not stolen overnight, but gradually chipped away through a campaign of war and terror. People were told new laws and restrictions were for their own good. But the reality was a monstrous regime bent on controlling its subjects. Now, there is only one way to stop the Tyranny: go back in time and prevent it from ever starting. At times eloquent, funny, satirical, and infuriating, The Theta Timeline is not only Dietzel's most powerful book, it is as important as any dystopian vision created to date.

Lustily Ever After-Cherry Wild 2016-07-28

Home to Oblivion-Roger Whittlesey 2013-03-28 "A story about friendship and survival, a supernatural adventure filled with mystery and suspense, and a tale of a boy who is forced to forge his way to a new reality under the most unreal circumstances. The story leads the reader from a pivotal Revolutionary War sea battle to a mysterious island where time seems irrelevant. Narrator Prescott Fielding, a 12-year-old boy from the 18th century, is washed ashore onto a volcanic island, where he befriends Caleb Thompson, a seventeen-year-old Vietnam War era U. S. Marine. How can two people born 200 years apart exist together at one time? Are they living in a time warp? Outside of time? Or is it the afterlife? Just as they work through their differences in perspectives, and as their friendship begins to flourish, a young World War I British Army code-breaker suddenly appears and upsets the balance. A series of events--both natural and unnatural--convince the characters to travel inland to seek answers about the mysteries of the island. Prescott soon discovers the function of the island is far more dangerous than he ever could have imagined, and standing between him and his dream to go home is a powerful and evil force." --Goodreads.

Forever Lost-Laura Morgan 2014-11-25 **\*\*Mature Content Warning\*\*** Recommended for ages 17+ due to language and sexual content. Cassie Taylor has issues... Much like any other young woman who turns to a life filled with escorts, hookers, drug-dealers, and gangsters. Enter Leonardo Solomon... The hottest guy Cassie has ever seen. The only problem is he's a scary, intimidating, drug-lord who surrounds himself with whores, and personal minions. Leo is a man who does what he wants, and gets what he wants, and Cassie soon finds herself desperate for his affection. However, at the same time, his powerful prowess scares her too much to let him in. Cassie has a past that still haunts her, a life left behind, but not forgotten. So when Leo tries to lay claim over Cassie, and she refuses him, the game is on...

Becoming Kerry-Lynn Kelling 2017-08-07 Kerry Sanderson's life is falling apart. He's crushing himself to fit into the boxes others have put him in: dutiful son, good boyfriend, real man. But even the small rebellions he's fought for himself-moving into a sketchy part of town and becoming an exotic dancer-aren't giving him the freedom he needs. Ewyn Garrity, a security guard at the gay club where Kerry dances, has found himself in protecting others. Everyone thinks he's straight, but Ewyn doesn't fit into simple boxes, either. When he meets Kerry, he makes a not completely innocent offer of company after work. Ewyn and Kerry hit it off, each finding something he desperately needs in the other. But when Kerry is forced to confront the pain and self-doubt that keep him crushed in his boxes, he's afraid that no one, not even Ewyn, will be able to love who he is when he finally, truly becomes Kerry. Ephaidria-Jim Grieco 2017-02-15 Four clairvoyant Earthlings are summoned to a distant galaxy, to assist an abducted race of humans; struggling to defeat an invasion of astral entities. This epic sci-fi/fantasy draws us out of ordinary reality and into multiple worlds of extraterrestrial beauty, fabled history, and life-and-death stakes. Read and be transported.

My North Star Misled Me-Sarah Lamar King 2016-01-24 This book was written to help a person find their internal quarrels in written words. Written words bring about a different perspective. To overcome something, you must be able to see it from a different viewpoint, you must be able to analyze and understand it in order to accept it or move past it. The most important step in the healing process is acknowledgement that what you are feeling is okay to feel, and that you are not alone in those feelings. Get lost in this book and find yourself in it, all at the same time. Emotional clarity.

Ultimate Betrayal-Jo Ann Wentzel 2016-02-29 The bombshell is dropped, the news incredible. It could mean so much for so many. People think their prayers have been answered. Scientists promise this advancement will only be used for good. Can they really guarantee that? The time period is what is referred to as 'end times' when fearful news is the rule of the day. Good news is scarce and so people hold onto this promise of 'help' like a life preserver since that may be what it will be to them. Meanwhile a certain element of criminals is exploding and no one knows what to do with them. Every day the newspaper reveals new horrors. Victims rise along with the perpetrators. It is obvious the battle between good and evil is heating up. It is no longer popular to believe, to have faith or profess your Christianity. It is a time when all that matters to most is what they want for themselves. Selfishness is running rampant and cold hearts and lack of love and conscience are evident. One solution found is going to pull most down to the level of those doing this evil. As has been said is all evil needs to succeed is for good men to do nothing.

Our Young Guardians-Rodi Szoke 2016-09-23 The life he knew the day before was long gone...Who will protect his mother now?The future of our civilization has always been in the hands of our children. What you may not know is that many years ago, a few of our young ones fought a quest against evil-an evil unlike anything anyone has ever seen under this sun. They didn't know it, but their sacrifices allowed our forefathers-and us-to maintain our fragile ownership of this world. In Seven & Two, the first book of the Our Young Guardians series, we begin the chronicle of one who was brave enough to leave behind what he knew. His faded handwriting not only captures how they struggled through that war, but how they learned to find themselves as they grew up away from their families. You and I owe them more than we could ever give. And even though there is no word of them ever asking for anything, my heart tells me they would only ask for one thing-to keep them where their friends are. The least we can do for them is honor their story.

Awakenings-Hally Willmott 2013-05-02 When sixteen-year old Jacey Adison's parents tell her they must move again, she has never questioned their life style. Until now...When Jacey was two, her parents fled the protection of their birthplace, the mystical dimension of Nemele. Leaving was the only solution her parents believed might allow them to keep their family together and alive. The Adisons have been running from a sect of iniquitous beings from Nemele who covet Jacey. Her parents have repressed their adversaries' relentless tracking efforts by not utilizing their own mystical powers. They have chosen to conceal themselves within the only realm they knew they'd be able to survive. They are living under their self-imposed powerless sanctions on Earth, which constitutes the nineteenth nation of Nemele. Her parents have never revealed their true identities to Jacey, consequently keeping her true lineage and unique birthright from her. Jacey's family has pretended to be non-magical humans as a ploy to prevent an ancient omnipotent entity from killing more innocent beings in its relentless quest to possess Jacey. Nemele's inhabitants have been the elemental architectural guides of a number of nations throughout the cosmos. As Elemental Governors, they've influenced the evolution of eighteen other realms throughout the galaxy. Air, earth, wind, fire and water are gifted to each member within the Nemelite Society. It is during their Awakening, or adolescent stage of development, that their talents emerge. Every legend, myth and

folklore human beings have believed in and have worshiped since the beginning of time originate within Nemele. Representatives from each of the nineteen nations form the Guild of Elders, a federation to oversee and rule Nemele. From Greek Gods to shape-shifting dragons, all exist. Born as an anomaly, Jacey possesses rare abilities that both virtuous and corrupt entities seek to use as their own. Should either side prevail, Jacey may be the saviour or downfall of every world within Nemele's domains. Blindly thrust into life and death situations, Jacey learns of her true powers within her dreaming and conscious states.

In the Land of the Chalice Maker-T. J. Cahill 2010-02-01 In a place that holds magic and power that are rarely spoken of, Palryma, the 23-year old hunter from the village of Goosra, begins his odyssey as a chalice maker in this debut novel from T.J. Cahill. Palryma's odyssey brings him both winds of unexpected change and monumental loss. It teaches him about fear, love and compassion and introduces him to his glorious, but quite unusual, guide named Dalo. His love for the beautiful Allura Rose compels him to do what is necessary to learn the ways of a chalice maker and in the process he becomes a new man - he becomes what he was born to be: a Chalice Maker. Cast-iron tests of wills, humorous characters and brave adventures are all part of the map through this place where you have never been before. The places you will go with Palryma will leave you with a complete understanding of what beats within the heart of a chalice maker - and what beats inside your own. Take a trip to the Land of the Chalice Maker. All readers are welcome!

It's Time to Sleep in Your Own Bed-Lawrence E. Shapiro 2008 Contains a children's story about sleeping alone and advice for parents.

My Life Story-Andy Christo 2012-02-17 A Life Story of Fiddlin Andy, The Happy Rambler From Ohio With the encouragement of his daughter, Bonnie Summers and Granddaughter, Nikki Summers, Andy began to compile this epic retelling the kaleidoscopic experiences. Local friend and author, Meryl Taylor, began to help shape the saga into a working manuscript. Andy's tale recalls his myriad travels around the world as well as his journeys throughout his beloved country. The majestic Statue of Liberty in New York Harbor and the wide, bustling streets of New York City; the inspiring waterfalls of Wyoming as well as the exhilarating trip through the Soo Locks of Michigan as seen through the eyes of a young sailor on the Great Lakes Steam Ships and various naval vessels. Andy remarks the beautiful and wonderful places and friendly people make me feel good. This cowboy has an interesting and inspiring story to tell!

My Sleep Shall "B" Sweet-Cynthia Jones 2003-05-01

Recipes for a Beautiful Life-Rebecca Barry 2015-04-07 Writing with "a delicate, beautiful balance of wit and yearning" (#1 New York Times bestselling author Elizabeth Gilbert), Rebecca Barry's poignant take on creativity, marriage, and motherhood will make you laugh and cry—sometimes at the same time. When Rebecca Barry, writer, mother, cat lady, and aspiring meditator, and her husband moved to upstate New York to start their family, they were optimistic that they'd be able to build a life they'd love: one connected to nature and extended family, one where they could invest in their artistic dreams, spend time with their children, live cheaply, and eat well. Naturally, things didn't turn out to be so simple: the lovely old house they bought to fix up needed lots of repair, their children wouldn't sleep, and the novel Rebecca had dreamed of writing simply wouldn't come to her. "Anecdotal, funny, and telling, with the kinds of momentary glimpses of ordinary days that reflect something larger" (The New York Times), Recipes for a Beautiful Life is about reveling in the extraordinary moments in daily life while trying to balance marriage, children, extended family, and creative work. The book is an excellent companion for mothers with small children, but it also speaks to anyone trying to find meaning in their work or a life that is truer to the heart. Full of great dialogue, tongue-in-cheek recipes (Angry Mommy Tea), and tips on things like how to keep your house clean ("just don't let anyone in"), Recipes captures the sweetness and beauty of answering your soul's longing, as well as the difficulty, struggle, and humor that goes along with it. Mostly it is about the realization that a beautiful life, for this author, meant a rich, often chaotic, creative one. Or, as Redbook said when it featured the book in its "5 fabulous, even life-changing new reads" column: "Contentment isn't about getting everything...but finding magic in the mess."
