A Wrinkle in Time-Madeleine L'Engle 2019-07-18 A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Enrique's Journey-Sonia Nazario 2007-01-02 An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: "This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one." Praise for Enrique's Journey "Magnificent . . . Enrique's Journey is about love. It's about family. It's about home."—The Washington Post Book World "[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking."—People (four stars) "Stunning . . . As an adventure narrative alone, Enrique's Journey is a worthy read. . . . Nazario's impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one."—Entertainment Weekly "Gripping and harrowing . . . a story begging to be told."—The Christian Science Monitor "[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid."—Newsday

The Road-Cormac McCarthy 2007-03-20 NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE

The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to

defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. A Journey Through the Bible Study Guide-Gordon Patterson 2013-05 God speaks today just as He always has, if we are willing to listen to Him. This study guide is a companion to Journey through the Bible, in which author Dorothy Dobson provides a chapter by chapter commentary of the Bible, which she has read through many times since it is the most important book ever written. Join Gordon Patterson as he raises questions and challenges the reader to delve deeper into scripture. About the Author: Gordon Patterson is a recently retired pastor, having served for over forty years in ministry. He started as a youth pastor, was a university chaplain, and conducted inner-city ministry and church planting. He has made, and continues to make, frequent short-term mission trips throughout the world, usually with a children-at-risk organization called Precious Jewels, which is based in the Philippines. Gordon is strongly committed to walking shoulder-to-shoulder with other pastors and church leaders. He is currently active in a city outreach prayer group in Victoria, British Columbia, where he resides. As they have been friends for many years, Gordon Patterson and Dorothy Dobson collaborated on the editing of A Journey Through the Bible and its Study Guide. Dorothy Dobson is a mother, grandmother and great-grandmother! Married to Bob Dobson, a pastor and military chaplain, for over sixty years, she taught, encouraged and prayed for people all across Canada while raising her family. She still challenges her many friends to spend time with God every day and to find His plan for their lives. Get yourself a quiet-time book and pen, open your Bible and

enjoy getting to know this amazing lady. You will love her motherly wisdom. "It is my great desire that others may find my comments helpful as they, too, seek to know God better and experience a daily walk with Him."

The Story of More-Hope Jahren 2020-03-03 "Hope Jahren is the voice that science has been waiting for." —Nature "A superb account of the deadly struggle between humanity and what may prove the only life-bearing planet within ten light years, written in a brilliantly sardonic and conversational style." —E. O. Wilson "Hope Jahren asks the central question of our time: how can we learn to live on a finite planet? The Story of More is thoughtful, informative, and—above all—essential." —Elizabeth Kolbert, author of The Sixth Extinction Hope Jahren is an award-winning scientist, a brilliant writer, a passionate teacher, and one of the seven billion people with whom we share this earth. In The Story of More, she illuminates the link between human habits and our imperiled planet. In concise, highly readable chapters, she takes us through the science behind the key inventions—from electric power to large-scale farming to automobiles—that, even as they help us, release greenhouse gases into the atmosphere like never before. She explains the current and projected consequences of global warming—from superstorms to rising sea levels—and the actions that we all can take to fight back. At once an explainer on the mechanisms of global change and a lively, personal narrative given to us in Jahren's inimitable voice, The Story of More is the essential pocket primer on climate change that will leave an indelible impact on everyone who reads it.

By Way of Accident-Ahmed Abul Ella 2016-04-25 It is astonishing to think that many great archaeological discoveries occurred in Egypt only by way of accident during the 19th and 20th centuries. Even today accidents still play a vital, frequent and sometimes comical role, with new discoveries happening almost weekly and with many more secrets of the ancient Egyptian civilization still remaining. This book takes readers beyond these discoveries and their associated accidents. This book cannot be considered purely as an Egyptological and archaeological reading or even as dry history pages covering Egypt's modern era of

the 19th and 20th centuries. Rather, it is a book that sheds light on the intimate links between the birth of Egyptology after the deciphering of the famous Rosetta Stone and the raging world politics and regional power shifts in Egypt and its surroundings. The book ties together the political storms of colonialism in the first half of the 19th century and the unsettling effect these upheavals had on Egypt during the reign of Mohamed Ali Pasha. In a storytelling style, the book is a journey through time and place. The book takes readers on a guided tour to most of Egypt's well-known monuments that were mainly discovered by simple accident or in which an accident played a major part leading to discovery. In addition, the book leads readers through time exploring ancient Egypt, the days of the pharaohs, ancient gods, rituals and public ceremonial festivals, with old and new stories that shed light on the true value of such discoveries in antiquity and modern day.

Reading Essentials-Regie Routman 2003 With all the controversy and confusion over "best practice" issues in teaching reading, someone with the necessary experience, the ability to take the long view, and most of all a level head is essential to set things straight. This is where Regie Routman steps in: giving clarity, support, specific demonstrations, and confidence to teachers so they can teach reading in a manner that is consistent with research and learning theory and respectful of students' needs, interests, and abilities. In Reading Essentials, she realistically describes how to achieve these goals-and get high test scores too. Based on her continuing work teaching in schools, Routman proves that good teaching doesn't have to mean lots of hours spent planning. What's necessary is good thinking-thinking about what matters to kids, what kids need to know, how we can move them forward, and how to ensure that they comprehend and

enjoy what they read-including struggling students. Readers will discover research-based strategies, immediately doable ideas, and detailed lessons-all based on an instructional framework that includes: demonstrations shared demonstrations guided practice independent practice. Throughout the text, Routman emphasizes the use of professional common sense and demonstrates how to maximize your time, making the most of every teachable moment. Practical, philosophical, and political, Reading Essentials gets to the heart of what excellent reading instruction is all about-and puts the fun back into your teaching.

The Last American Highway-Stew Magnuson 2015-01-30 Descending 1,885 miles straight down the center of the United States from Westhope, North Dakota, to Brownsville, Texas is U.S. 83, one of the oldest and longest of the federal highways that hasn't been replaced by an Interstate. Stew Magnuson takes readers on a trip down the road and through the history of the Northern Great Plains. The famous and the forgotten are found in stories he discovers in the Dakotas. Explorers Pierre de la Verendrye, Lewis & Clark, Jedediah Smith, are all encountered along with Chief Spotted Tail of the Brule Lakotas, TV sensation Lawrence Welk and rodeo superstar Casey Tibbs. The murderers, settlers, ballplayers and rail barons from yesteryear meet today's truckers, oil rig workers and ghost towns inhabitants as Magnuson launches his own Voyage of Discovery in a beat-up 1999 Mazda Protege.

The 100% Solution-Solomon Goldstein-Rose 2020-03-31 "At last--a global plan that actually adds up."--James Hansen, former director, NASA Goddard Institute for Space Studies The world must reach negative greenhouse gas emissions by 2050 to avoid the most catastrophic effects of climate change. Yet no single plan has addressed the full scope of the problem--until now. In The 100% Solution, Solomon Goldstein-Rose--a leading millennial climate activist and a former Massachusetts state representative--makes clear what needs to happen to hit the 2050 target: the manufacturing booms we must spur, the moonshot projects we must fund, the amount of CO2 we'll have to sequester from the atmosphere, and much more. Most importantly, he shows us the more prosperous and equitable world we can build by uniting the efforts of activists, industries, governments, scientists, and voters to get the job done. This is the guide

we've been waiting for. As calls for a WWII-scale mobilization intensify--especially among youth activists--this fully illustrated, action-oriented book arms us with specific demands, sets the stakes for what our leaders must achieve, and proves that with this level of comprehensive thinking we can still take back our future.

A Long Walk to Water-Linda Sue Park 2010-11-15 The New York Times bestseller A Long Walk to Water begins as two stories, told in alternating sections, about two eleven-year-olds in Sudan, a girl in 2008 and a boy in 1985. The girl, Nya, is fetching water from a pond that is two hours' walk from her home: she makes two trips to the pond every day. The boy, Salva, becomes one of the "lost boys" of Sudan, refugees who cover the African continent on foot as they search for their families and for a safe place to stay. Enduring every hardship from loneliness to attack by armed rebels to contact with killer lions and crocodiles, Salva is a survivor, and his story goes on to intersect with Nya's in an astonishing and moving way.

Across Time-Ivan King 2015-07-20 Across Time in itself is a journey. By the end of the book, you will feel like you have gone through an emotional and cerebral roller-coaster. This book will really make you think, but more than that, it will make you feel. Across Time is a call to action for all generations, young and old. Not since Paulo Coelho's The Alchemist, has a book come out as thought provoking and inspiring. Mr. King does it again. Phenomenal Book!

Shine in Your Life's Journey /Parent-Teacher-Mentor Edition-Gregory M. Ahlijian 2017-02-17 NOTE: This Parent-Teacher-Mentor Edition of Shine In Your Life's Journey accompanies the student guide/workbook Shine In Your Life's Journey: A Student's Guide to Character Development, and contains helpful instructions to the lessons in the Student Guide for any parent, teacher, and mentor. "There is honor in

meeting and overcoming life's challenges." This is the theme of Shine in Your Life's Journey (for students) and is meant to inspire children of all ages with the belief that with meaningful learning tools, they have the power to meet their personal challenges and goals with courage and purpose. Shine In Your Life's Journey is a simply formatted, straightforward guide/workbook to help students learn the important values and behaviors that build and sustain a strong character. Containing concise, thought-provoking, and enjoyable lessons, this easy-to-use guide encourages its student users to discover their own innate strengths as well as improve areas of lesser strengths that will help them achieve their hopes, dreams, and goals in their lives. The lessons are divided into three sections: Being an Honorable Person, Self-Discovery, and Self-Empowerment, and are a result of the curriculum the author has developed for the children he teaches and mentors at Jasper Mountain Center in Jasper, Oregon, an internationally renowned residential facility that addresses the significant needs of children and their families who have suffered the trauma of abuse. Author Greg Ahlijian has been a volunteer at the Jasper Mountain facility since 2008, teaching and mentoring children from ages 8-14 about character development, nature, and poetry. Inspired by the children, he has written two books that contain life lessons: The Large Rock and the Little Yew teaches the virtues of courage, perseverance, self-respect, and hope; and An Elephant Would Be Wonderful, a book about self-discovery. He says, "To be able to provide a smile on a child's face, a bit of joy or inspiration, is what my book projects are all about!"

The Story Unfolds-Bob Highlands, III 2014-01-31 We all are faced with daily choices and decisions that impact our time and ultimately our life. It is the small decisions we make day in and day out that determine who we really are. The large decisions may scream for attention yet they are just the result of all the small decisions we have made or avoid making that brought us to that point in life. The decision to make the study of the Bible a part of a person's life is in many ways one of the small choices we make every day. It takes a few minutes of our time. It takes a small amount of commitment. It requires very little real effort and yet it seems so difficult for so many people to include the Word of God in their daily lives. THE STORY UNFOLDS is designed to help the individual as they make a personal journey through the Word of God. Designed as a companion to The Story published by Zonderan. THE STORY UNFOLDS looks at the world from two distinct and important points of views. THE STORY UNFOLDS looks at the world from God's point of view. As the creator and the adult in the garden it examines his role in the development and ultimately the redemption of mankind. The second view is from the perspective of humanity. They often are like disobedient children unwilling to listen but who want everything given to them anyway. In the end their redemption hinges on their willingness to accept God's direction and plans for their lives. The Story Unfolds is a must read for anyone seeking to understand the Bible and the reason God has done so much to reach out to help his creation find their way back to his original plan for them. Each person needs to be able to answer three simple questions that God first asked in the garden to Eve and Adam. THE STORY UNFOLDS will help you discover the answer to these three questions and give you the opportunity to discover the living God who has revealed himself from his word. Bob Highlands III Journey Through Challenge-David R. Thomas 2014-10-25 Lyme sufferers , inspiration , information , companionship for those who have found themselves without direction with possible Tick borne diseases. This is my journey through treatment to trying to bring myself back from painful, unproductive debilitation to helping others find help.

**Epic: an Around-The-World Journey Through Christian History-Tim Challies 2020-03-31** Through thirty-three objects, Tim Challies explores the history of what God is accomplishing in this world, whether through princes or peasants, triumph or trial. Each object offers a tangible link between the present and the past, between the Christians of the 21st century and those who lived and died in centuries past.

**Worship for One-Sue Breland 2014-01-27** During the forty days prior to Easter, Christians of many faith traditions remember the final journey Jesus of Nazareth took through the cross and into eternity. It is just history until we take our own journey of faith to the cross and make it our story. Every day of the Lenten season, beginning on Ash Wednesday, we have the opportunity to take a fresh look at His words, His relationships, His sacrifice and to discover how our lives can be more fulfilling by being more like Him. In *Journey Through the Cross: Meditations for Lent*, you will find forty devotional readings which include a scripture, an interpretative thought and a prayer starter to help you along this journey of discovery. In addition, for each Sunday of Lent, a special devotion is provided with encouragement to "Delve Deeper" and take action which may impact your life far beyond these few days. Lent is a special time in the Christian calendar, for fasting and self-examination, of self-denial and personal growth. It is the perfect time to engage in *Worship for One*, to focus your heart and mind on things that can really make a difference in your life, your family or your church.

Atomic Number Sixty-Dave Johnston 2016-08-04 Holly Holloway is locked in a dusty room, strapped to a ticking bomb. What would you do, if you only had one hour of life left to live? Atomic Number Sixty is the first part of a thrilling series, with 60 chapters each set in real time taking the reader 1 minute to read MODX Revolution Building the Web Your Way-Shawn W. Wilkerson 2012-08 MODX Revolution: Building the Web Your Way presents an extensive look at an amazing and extensible Content Management Platform by providing real-world examples and hundreds of screen shots to bridge the gap typically experienced by users when pressing into new concepts and systems. Readers can approach this book as a quick reference, progressive primer, the basis to streamline team activities, or simply as a means to stretch skill sets into new areas based on the author's decades of experience integrating development teams and partnering with clients around the globe. MODX Revolution: Building the Web Your Way is divided into four logical sections allowing readers to quickly access topics via the outline formatted Table of Contents or the index. Each chapter progressively increases in complexity and builds on concepts previously presented in the text. Features introduced in MODX Revolution 2.2.x-pl: Media Sources, Dashboards, and file-based

Elements have also been introduced. In short, MODX Revolution: Building the Web Your Way is the book the author would have wanted on his desk, since he began using MODX products in 2005, and what multiple people from around the globe asked him for. MODX Revolution: Building the Web Your Way is an example-driven guide which effectively walks readers through various aspects of administrating, using, developing, and designing websites. Everything necessary to successfully operate a MODX Revolution site has been included in this book with the intention of familiarizing users so they can rapidly begin developing their own applications. MODX Revolution: Building the Web Your Way is divided into four sections: Part I: Foundations contains quite a bit of explanation and numerous examples regarding each of the topics necessary to become familiar with MODX Revolution. Part II: Live Projects begins with a quick-start chapter and moves into real world development examples incorporating jQuery, Ajax, Search Engine optimization, and various other topics for building better projects. Part III: Administration introduces the concepts and techniques to effectively administrate a MODX Revolution project. Access Control Lists and other "difficult" topics are presented in a straightforward manner utilizing very familiar terminology to quickly establish concepts usually considered to be advanced simply due to their assumed complexity. Part IV: Development takes a "stone tossed across water" view of building dynamic PHP applications using MODX Revolution as a foundation. The areas of discovery range from the most commonly used methods in the API, to building third-party applications from scratch - including the xPDO schema and extending the generated classes into full applications. Regardless of your skill level, this book was conceived with the idea of allowing you to begin at your current level of experience and continue as far as you would want to. The examples chosen for this book are intended to easily reach a large number of readers, especially those who are self-taught or who are looking for a "low-impact" learning curve. The author intentionally refrained from using overly technical examples and verbiage so as to relate to a larger audience, even though some of the topics may be considered advanced to some readers.

Butterfly a Rose-Emily Pittman Newberry 2010-09 Butterfly A Rose is Emily's attempt to bring to life what

she has difficulty finding words for; her life in transition from hiding behind the male person she was told to be at birth to living as the transgendered woman she is full time. The words came out as they are in this book because poetry at its best takes the reader beyond the words into a deeper truth.

Breathless-J. Walt Layne 2014-09-17 There's a new medical examiner in town. Working girls and lonely hearts are catching a tough break in Champion City. An unknown killer, a quiet man of malevolent intention, is carousing in low places. A young patrolman catches a bullet when he interrupts the killer in the act. A stack of unsolved possibly related homicides point to a cover up. The previous medical examiner and a parish priest are sharing space in the morgue. The new ME appoints Thurman Dicke as a Special Investigator. Can he clear the cases, find the clues and catch the killer before the next anonymous girl dies? Or will he be, like the murderer's victims, be left Breathless? BREATHLESS: A TALE FROM CHAMPION CITY is the latest chapter in Author J. Walt Layne's series from Pro Se Productions. The tale returns us to the mean streets with Thurman Dicke, first seen in A Week In Hell. Mixing the rawness of 1950s crime fiction with the sophisticated brutality of modern noir, Layne delivers another one two punch on this bloody return to Champion City. Follow Thurman Dicke into the shadowy alleys of depravity in Breathless by J. Walt Layne from Pro Se Productions.

Dunster - A Castle at War: A Journey Through 900 Years of Savage and Colourful History.-Jim Lee 2014-05-19 With a documented history stretching back a thousand years, Dunster Castle on the Somerset coast is one of Britain's oldest and most intriguing great buildings, its turrets evoking centuries of siege warfare, dark deeds, bloodshed and treachery. Dunster's rich and colourful story covers more than nine hundred years of intermittent warfare. Only two families have owned and occupied the castle, from the Norman Conquest in 1066 which led to its construction right through to the 20th century; the second of these remained in charge for 21 generations and six hundred years. These families and their knights, some worthy of their shining armour, others less honourable, brought peace and warfare, treachery and glory to the castle in equal measure down the years. Author Jim Lee worked full time for the National Trust at Dunster Castle for 20 years. Few people are better qualified to tell its extraordinary story.

Radiohead and the Journey Beyond Genre-Julia Ehmann 2019-11-14 Radiohead and the Journey Beyond Genre traces the uses and transgressions of genre in the music of Radiohead and studies the band's varied reception in online and offline media. Radiohead's work combines traditional rock sounds with a unique and experimental approach towards genre that sets the band apart from the contemporary mainstream. A play with diverse styles and audience expectations has shaped Radiohead's musical output and opened up

debates about genre amongst critics, fans, and academics alike. Interpretations speak of a music that is referential of the past but also alludes to the future. Applying both music- and discourse-analytical methods, the book discusses how genre manifests in Radiohead's work and how it is interpreted amongst different audience groups. It explores how genre and generic flexibility affect the listeners' search for musical meaning and ways of discussion. This results in the development of a theoretical framework for the study of genre in individual popular music oeuvres that explores the equal validity of widely differing forms of reception as a multidimensional network of meaning. While Radiohead's music is the product of an eclectic mixture of musical influences and styles, the book also shows how the band's experimental stance has increasingly fostered debates about Radiohead's generic novelty and independence. It asks what remains of genre in light of its past or imminent transgression. Offering new perspectives on popular music genre, transgression, and the music and reception of Radiohead, the book will appeal to academics, students, and those interested in Radiohead and matters of genre. It contributes to scholarship in musicology, popular music, media, and cultural studies.
