sister...honey, we know these women. We've lived with them, worked with them, or caught a glimpse of them in our mirrors. Now let's take a look at their ancient counterparts in Scripture: Sarah mistreated her maidservant, Hagar despised her mistress, Rebekah manipulated her son, Leah claimed her sister's husband, and Rachel envied her fertile sister. They were far from evil, but hardly perfect. Mostly good, yet slightly bad. In other words, these matriarchal mamas look a lot like us. "A Slightly Bad Girl is simply this: a woman unwilling to fully submit to God. We love him, serve him, and worship him, yet we find it difficult to trust him completely, to accept his plan for our lives, to rest in his sovereignty." —from *Slightly Bad Girls of the Bible*

*Galatians*-John MacArthur 2006-06-13 Revised and updated, the MacArthur Study Guide Series takes the participant on a journey through the Bible, book by book. Inquisitive questions, "Keys to the Text" feature, and new material compose this useful and concise tool from renowned Bible teacher John MacArthur.

*New Testament Foundations: a Guide for Christian Students*-Ralph P. Martin 1986

*The Trouble With Jesus Study Guide*-Joseph Stowell III 2004-05-01 We are turning back to God in great numbers, more than any other modern nation. But attending church and listening to sermons and Scripture can become a superficial exercise. Eventually we realize that we are not satisfied, and that our hearts hunger for a closer walk with Him. When your customers come seeking that greater understanding, be ready with Moody titles that will reveal biblical truths and lead to discussion and understanding.

*Questions People and Churches Ask*-Charles Brock 1997-06

*Galatians*-Geoff Ziegler 2015-07-15 The *Knowing the Bible* series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout.

Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Galatians is one of the apostle Paul's most impassioned and eloquent letters. It warns Christians of the dangers of both legalism and lawlessness, while calling them to live lives that are shaped by the gospel. In this study, pastor Geoff Ziegler walks readers through the promises, warnings, and gospel declarations found in Galatians. Both accessible and theologically robust, this study will help Christians find freedom in their identity as God's adopted children.

Questions God Asks Us-Trevor Hudson 2020-03-01 Transformation comes from questions, not answers. We often look to the Bible as the book of answers. How often, though, do we consider the challenging questions God asks? Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three. The Creator is teaching us as we teach children when they struggle with schoolwork: You learn more by doing than being fed an absolute answer. In Questions God Asks Us, we're encouraged to focus on the quest rather than a resolution. Such an approach leads to deeper dialogue and intimacy with the divine. This is a critical turning point in our journey with God—as it was for the author. "I thought the Bible existed to give me solutions to my everyday concerns and dilemmas," writes Hudson. "Then I realized I might be approaching God and the Bible from the wrong direction. It was as if God said to me, 'Trevor, rather than you always asking questions of me, start listening to the questions I have for you.'" Each of 10 questions Hudson excerpts from the Old and New Testaments serves as a starting point for genuine conversation with the Creator. He assures, "We're not starting the conversation with God from scratch. God has already begun it. We just need to plug into the conversation that is already going on." Questions God Asks Us offers a fresh approach for personal devotions and a unique discussion tool for small-group Bible studies. It's sure to bless anyone longing for a meaningful, growing relationship with God.

The Grace Journey-John Ankerberg 2018-04-03 Do you ever struggle with feelings of inadequacy? Do you feel like you can never do enough to please God or get it right in your spiritual life?

There is a better way. In these four practical lessons, pastor, international speaker, author, and President of Living Grace Ministries, Dr. Wayne Barber shares a life-changing process of understanding what God really expects from those who follow Him. A Guide to Bible Study-Charles Gage Brenneman 1954 Bible quotations used in the guide are from the Revised Standard Version. Galatians-Charles R. Swindoll 1998-09 Freedom is such a glorious gift! Ask anyone who has been released from prison or has escaped from a nation that oppresses its people. But the chains that hold us in bondage are not always visible. Demonic influence can imprison as easily as steel bars. Paul's letter to the Galatians, though, proclaims that today, as then, we have a liberator. By His grace alone Christ can break the chains of the 'gospel' of works and set us free.

Romans-John F. MacArthur 2000-05-10 These first four study guides in a 16-volume set from noted Bible scholar John MacArthur take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are an invaluable tool for Bible students of all ages.
