Grace to Administrate-Cynthia Chess 2020-01-31 How Can the Church Advance God's Kingdom on Earth? Every successful organization must have the appropriate people and the right systems in place to effectively fulfill its mission. This statement is just as true for the Church. The only way it can truly equip, perfect, serve, and edify the Body of Christ in its entirety is to properly understand and utilize the Gift of Administration. In her book, Grace to Administrate, Dr. Cynthia L. Chess expounds upon the meaning of this gift, its purpose, and how to gracefully and effectively operate in it. The Gift of Administration has gone unnoticed and unrecognized for far too long. It is one of the primary governing gifts, and it is time to bring it to the forefront of conversation. If you are a five-fold ministry gift, someone who wants to fulfill their call, a believer seeking greater understanding, or a leader who wants to effectively teach on the gifts of the Spirit, then journey through the pages of this book to be empowered. You will receive the strategic blueprint and action steps needed for God's kingdom advancement here on earth!
