The Widow Waltz-Sally Koslow 2013-06-13 "This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, The Widow Waltz explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

Slouching Toward Adulthood-Sally Koslow 2012-06-14 "The helicopter parent has crashed and burned...Sally Koslow [has] documented a generation so cosseted that they have lost the impetus to grow up or leave home. The over-involved parent has gone from paragon of caring to a figure of fun."—Lisa Endlich Heffernan, The Atlantic Parents once dreamed of dropping their prodigies at first-choice colleges and sighing with relief at a job well done. Nowadays, though, mothers and fathers are stressing about whether Jessica or Josh will boomerang back after graduation—and still be there years later. Why are so many wunderkinds now s-l-o-w-l-y slouching toward adulthood? Panicked after reading that twenty-eight is the new nineteen, Sally Koslow—journalist and mother—searched for answers. Part hard-hitting investigation and part hilarious memoir, Slouching Toward Adulthood is a heartfelt cri de coeur that can help families negotiate life around the unexpectedly crowded dining tables for years to come.

The Farm Press, Reform and Rural Change, 1895-1920-John J. Fry 2005-04-27 This project contributes to our understanding of rural Midwesterners and farm newspapers at the turn of the century. While cultural historians have mainly focused on readers in town and cities, it examines Midwestern farmers. It also contributes to the "new rural history" by exploring the ideas of Hal Barron and others that country people selectively adapted the advice given to them by reformers. Finally, it furthers our understanding of American farm newspapers themselves and offers suggestions on how to use them as sources.  
Magazines for the Millions-Helen Damon-Moore 1994-01-01 Argues that the two popular women's magazines were pivotal in the combining of gender and commercialism at the turn of the century, and that publishers and advertisers conspired to create both a gendered commercial discourse and a commercial gender discourse for both men and women. Annotation copyright Book News, Inc. Portland, Or.  
Advertising to the American Woman, 1900-1999-Daniel Delis Hill 2002 The author focuses on the marketing perspective of the topic and illustrates how women's roles in society have shifted during the past century. Among the key issues explored is a peculiar dichotomy of American advertising that served as a conservative reflection of society and, at the same time, became an underlying force of progressive social change. The study shows how advertisers of housekeeping products perpetuated the Happy Homemaker stereotype while tobacco and cosmetics marketers dismantled women's stereotypes to create an entirely new type of consumer.

Women's Periodicals in the United States-Therese Lueck 1995 Consumer magazines aimed at women are as diverse as the market they serve. Some meet the interests of particular age groups; while others target particular racial, ethnic, and economic groups. Some have lasted more than a century, some started only during the last decade, and some have ceased publication after only a few issues. This reference book profiles seventy-five consumer magazines published in the United States and read primarily by women.  
Seven Secrets of a Happy Marriage-Margery D. Rosen 2002-01-01 Offers dozens of personal stories illustrating the importance of seven characteristics of successful marriages, including trust, communication, fair fights, and a balance of power.  
Women's Magazines in Print and New Media-Noliwe Rooks 2016-10-14 This book contributes to our collective understanding of the significance of representations of women and gender in magazines in both their print and online forms. The essays are authored by scholars, writers and cultural producers in fields such as art, film and visual studies, literature, critical race studies, communications, broadcast and print journalism, history, and women and gender studies. Taken as a whole, the volume offers historical breadth and perspectives that are transnational and cross-racial on women in magazines and digital media in a variety of ways. It examines how women are represented, how women have created and produced magazines and how women make meaning of themselves and their world using magazines as key sources of information.
