Kindly say, the lafayette of the south prince camille de polignac and the american civil war williams ford texas am university military history series is universally compatible with any devices to read

Lafayette of the South-Jeff Kinard 2001 "In Lafayette of the South, Jeff Kinard reveals the distinguished but underappreciated life and career of Prince Camille de Polignac. Kinard follows Polignac through his early days, his dramatic years during the Civil War and the Franco-Prussian War, and the rest of his long, eventful life. Polignac died in 1913, holding the peculiar distinction of being the last Confederate major general and the only foreign national on either side to earn that rank."--BOOK JACKET.

Little to Eat and Thin Mud to Drink-Gary D. Joiner 2007 Little to Eat and Thin Mud to Drink does more than just document the history of the Trans-Mississippi conflict of the Civil War. It goes much deeper, offering a profound, extended look into the innermost thoughts of the soldiers and civilians who experienced the events that took place in Louisiana, Texas, and Arkansas. Gleaning from a rich body of rare journals, diaries, and letters, this groundbreaking book demonstrates the significant impact that military operations in this region had on the local population in years between 1863 and 1865. Readers will be introduced to the many different individuals who were touched by the campaign, both Confederate and Union. Ably edited by Joiner, a leading expert on the Trans-Mississippi conflict, and others, some of these manuscripts are witty, others somber, some written by Harvard- and Yale-educated aristocrats, others by barely literate farmers. All profoundly reflect their feelings regarding the extraordinary circumstances and events they witnessed. In Little to Eat and Thin Mud to Drink, readers will have access to the diary of James A. Jarratt, a Confederate sergeant whose cogent narratives dispute commonly held views of the Battle of Mansfield. Representing a much different point of view is the diary of Private Julius Knapp, whose lengthy diary sheds light on the life of a Northern soldier fighting in the ill-fated Union march through Louisiana in 1864. A rare glimpse into the diary of a Southern woman is offered through the fascinating and melancholy musings of plantation belle Sidney Harding. Readers will also encounter the private letters of a French prince turned Confederate officer; of Elizabeth Jane Samford Fullilove, the angst-ridden wife of a Confederate soldier; and many others. These first-person narratives vividly bring to life the individuals who lived through this important, but often neglected, period in Civil War history. Little to Eat and Thin Mud to Drink will engross anyone interested in exploring the human side of the Civil War. Gary Joiner is an assistant professor of history at Louisiana State University in Shreveport and the director of the Red River Regional Studies Center at LSUS. His books include One Damn Blunder from Beginning to End: The Red River Campaign of 1864 and Union Failure in the West and Through the Howling Wilderness: The 1864 Red River Campaign and Union Failure in the West. He is also the coeditor, with Marilyn S. Joiner and Clifton D. Cardin, of another volume in the Voices of the Civil War series, No Pardons to Ask, nor Apologies to Make: The Journal of William Henry King, Gray's 28th Louisiana Infantry Battalion.

New York City Nightlife 2002-2003-Curt Gathje 2002-05 What lies beyond the velvet ropes of New York City's most exclusive nightspots? What's the hottest dance club of the moment, the best place to take an important client for a drink, the most romantic choice for popping the question? You'll find all that information, plus much more, in this Zagat Survey of New York City Nightlife, from the publishers of the country's best-selling restaurant guides. Based on the opinions of over 3,200 in-the-know night crawlers, this guide takes you on an insider's tour of the City That Never Sleeps, rating and reviewing over 1,100 establishments and offering practical indexes to help you make the right choice for any occasion. | 1|tWhat's New|p5 Book jacket.

The Lafayette Flying Corps-Dennis Gordon 2000 This new book contains not only a history of the legendary Lafayette Flying Corps, but also detailed biographies of the 269 volunteer American airmen and gunners of France's Service Aeronautique who flew in sixty-six pursuit and twenty-seven bomber/observation squadrons over the Western Front - also included are the thirty-eight pilots of the Escadrille Lafayette. It is an accurate and absorbing account of the lives and combat experiences of the men who later formed the nucleus of the American Expeditionary Force squadrons. This ground breaking work contains comprehensive research, including details of war casualties and survivors, and many unpublished photographs.

The Peasant Prince-Alex Storozynski 2009-04-28 Thaddeus Kosciuszko, a Polish-Lithuanian born in 1746, was one of the most important figures of the modern world. Fleeing his homeland after a death sentence was placed on his head (when he dared court a woman above his station), he came to America one month after the signing of the Declaration of Independence, literally showing up on Benjamin Franklin's doorstep in Philadelphia with little more than a revolutionary spirit and a genius for engineering. Entering the fray as a volunteer in the war effort, he quickly proved his capabilities and became the most talented engineer of the Continental Army. Kosciuszko went on to construct the fortifications for Philadelphia, devise battle plans that were integral to the American victory at the pivotal Battle of Saratoga, and designed the plans for Fortress West Point—the same plans that were stolen by Benedict Arnold. Then, seeking new challenges, Kosciuszko asked for a transfer to the Southern Army, where he oversaw a ring of African-American spies. A lifelong champion of the common man and woman, he was ahead of his time in advocating tolerance and standing up for the rights of slaves, Native Americans, women, serfs, and Jews. Following the end of the war, Kosciuszko returned to Poland and was a leading figure in that nation's Constitutional movement. He became Commander in Chief of the Polish Army and valiantly led a defense against a Russian invasion, and in 1794 he led what was dubbed the Kosciuszko Uprising—a revolt of Polish-Lithuanian forces against the Russian occupiers. Captured during the revolt, he was ultimately pardoned by Russia's Paul I and lived the remainder of his life as an international celebrity and a vocal proponent for human rights. Thomas Jefferson, with whom Kosciuszko had an ongoing correspondence on the immorality of slaveholding, called him "as pure a son of liberty as I have ever known." A lifelong bachelor with a knack for getting involved in doomed relationships, Kosciuszko navigated the tricky worlds of royal intrigue and romance while staying true to his ultimate passion—the pursuit of freedom for all. This definitive and exhaustively researched biography fills a long-standing gap in historical literature with its account of a dashing and inspiring revolutionary figure.
