They called it the Wolfsschanze, the Wolf's Lair. "Wolf" was his nickname. As hapless as Little Red Riding Hood, I had ended up in his belly. A legion of hunters was out looking for him, and to get him in their grips they would gladly slay me as well. Germany, 1943: Twenty-six-year-old Rosa Sauer's parents are gone, and her husband Gregor is far away, fighting on the front lines of World War II. Impoverished and alone, she makes the fateful decision to leave war-torn Berlin to live with her in-laws in the countryside, thinking she'll find refuge there. But one morning, the SS come to tell her she has been conscripted to be one of Hitler's tasters: three times a day, she and nine other women go to his secret headquarters, the Wolf's Lair, to eat his meals before he does. Forced to eat what might kill them, the tasters begin to divide into The Fanatics, those loyal to Hitler, and the women like Rosa who insist they aren't Nazis, even as they risk their lives every day for Hitler's. As secrets and resentments grow, this unlikely sisterhood reaches its own dramatic climax, as everyone begins to wonder if they are on the wrong side of history.

Returning again and again to Italia's dim hovel, he finds himself faced with a choice: a life of passion with Italia, or a life of comfort and predictability with Elsa. As Angela's life hangs in the balance, Timoteo's own life flashes before his eyes, this time seen through the lens of the one time he truly lived. From the Trade Paperback edition.

Life on the Edge-Johnjoe McFadden 2016-07-26 Life is the most extraordinary phenomenon in the known universe; but how does it work? It is remarkable that in this age of cloning and even synthetic biology, nobody has ever made anything living entirely out of dead material. Life remains the only way to make life. Are we missing a vital ingredient in its creation? Like Richard Dawkins' The Selfish Gene, which provided a new perspective on evolution by shifting the focus of natural selection from organisms to genes, Life On The Edge alters our understanding of life from cells or biomolecules to the fundamental particles that drive life's dynamics. From this new perspective, life makes more sense as its missing ingredient is revealed to be quantum mechanics and the strange phenomena that lie at the heart of this most mysterious of sciences. -- Provided by publisher.

Plainsong-Kent Haruf 2001-04-03 National Book Award Finalist A heartstrong story of family and romance, tribulation and tenacity, set on the High Plains east of Denver. In the small town of Holt, Colorado, a high school teacher is confronted with raising his two boys alone after their mother retreats first to the bedroom, then altogether. A teenage girl—her father long since disappeared, her mother unwilling to have her in the house—is pregnant, alone herself, with nowhere to go. And out in the country, two brothers, elderly bachelors, work the family homestead, the only world they've ever known. From these unsettled lives emerges a vision of life, and of the town and landscape that bind them together—their fates somehow overcoming the powerful circumstances of place and station, their confusion, curiosity, dignity and humor intact and resonant. As the milieu widens to embrace fully four generations, Kent Haruf displays an emotional and aesthetic authority to rival the past masters of a classic American tradition.

Accabadora-Michela Murgia 2012-10-30 A stunning portrait of rural Italy in the 1950s and “a touching meditation on life and death and the power of love to bind, transcend, and let go” (Publishers Weekly). At one time betrothed to a fallen soldier, Bonaria Urrai of Sardinia has a long-held covenant with the dead. Midwife to the dying, easing their suffering and sometimes ending it, she is revered and feared in equal measure as her village's Accabadora. When Bonaria adopts Maria, the unloved fourth child of a widow, she tries to shield the girl from the truth about her role as an angel of mercy. Moved by the pleas of a young man crippled in an accident, Bonaria breaks her golden rule of familial consent. In the recriminations that follow, Maria rejects her and flees Sardinia for Turin. Adrift in the big city, Maria strives as ever to find love and acceptance, but her efforts are overshadowed by the creeping knowledge of a debt unpaid, of a duty and destiny that must one day be hers. Accabadora is Michaela Murgia's exceptional English-language debut and has been awarded seven major literary prizes, including Italy's prestigious Premio Campiello. “Poignant, honest, and magical, this is a dazzling story for the senses, and one I will not soon forget.” —Susan Sherman, author of The Little Russian

The ragged company discovers they have won \$13.5 million, but none of them can claim the money for lack proper identification. Enlisting the help of Granite, their lives, and fortunes, become forever changed. Ragged Company is a journey into both the future and the past. Richard Wagamese deftly explores the nature of the comforts these friends find in their ideas of “home,” as he reconnects them to their histories.

How to Be a Fascist-Michela Murgia 2020-08-04 The first and only guide to turning your 21st century democracy into a fascist paradise. Democracy is difficult, flawed and unstable. It involves barely distinguishable political parties taking part in lengthy, overcomplicated and expensive decision-making processes. Trying to engage so many people with political issues seems to lead only to complexity and disagreement. So why bother? Doesn't fascism guarantee a more effective and efficient management of the state? In this short, biting ironic mixture of On Tyranny and The Psychopath Test, Italian political activist Michela Murgia explores the logic that is attracting increasing numbers of voters to right-wing populism. Far from its origins in the 20th century, fascism is once again on the rise in an age of increased connectivity and globalism. Murgia shows how many of the elements of our society that we might think would combat closed-mindedness and xenophobia actually fan the flames. Closing with a "fascistometer" to measure the reader's own authoritarian inclinations, How to be a Fascist is a refreshingly direct, polemical book that asks us to confront the fascism in our governments, in our societies, and in our own political leanings.

Mothers-Jacqueline Rose 2018-05-01 A simple argument guides this book: motherhood is the place in our culture where we lodge, or rather bury, the reality of our own conflicts. By making mothers the objects of both licensed idealization and cruelty, we blind ourselves to the world's iniquities and shut down the portals of the heart. Mothers are the ultimate scapegoat for our personal and political failings, for everything that is wrong with the world, which

becomes their task (unrealizable, of course) to repair. Moving commandingly between pop cultural references such as Roald Dahl's *Matilda* to insights on motherhood in the ancient world and the contemporary stigmatization of single mothers, Jacqueline Rose delivers a groundbreaking report into something so prevalent we hardly notice. *Mothers* is an incisive, rousing call to action from one of our most important contemporary thinkers.

Autumn in Venice-Andrea Di Robilant 2019-05-14 In the fall of 1948, Ernest Hemingway and his fourth wife traveled for the first time to Venice, which Hemingway called "absolutely god-damned wonderful." A year shy of his fiftieth birthday, Hemingway hadn't published a novel in nearly a decade when he met and fell in love with Adriana Ivancich, a striking Venetian girl just out of finishing school. Here Andrea di Robilant re-creates with sparkling clarity this surprising, years-long relationship, during which Adriana inspired a man thirty years her senior to complete his great final work. Hemingway used Adriana as the model for Renata in *Across the River and into the Trees*, and continued to visit Venice to see her; when the Ivanciches traveled to Cuba, Adriana was there as he wrote *The Old Man and the Sea*. The illuminating story of writer and muse—which also examines the cost to a young woman of her association with a larger-than-life literary celebrity—Autumn in Venice is an intimate look at Hemingway's final years.

Moshi Moshi-Banana Yoshimoto 2016-12-01 This novel of a young Japanese girl grieving her father is "an unlikely, engrossing Tokyo ghost story . . . You won't be able to take your mind off it" (Marie Claire). Yoshie's much-loved musician father has died in a suicide pact with an unknown woman. It is only when Yoshie and her mother move to Shimokitazawa, a traditional Tokyo neighborhood of narrow streets, quirky shops, and friendly residents, that they can finally start to put their painful past behind them. But despite their attempts to move forward, Yoshie is haunted by nightmares in which her father is looking for the phone he left behind on the day he died, or in which she is trying—unsuccessfully—to call him. Is her dead father trying to communicate a message to her through these dreams? With the lightness of touch and surreal detachment that are the hallmarks of her writing, Banana Yoshimoto turns a potential tragedy into a poignant coming-of-age ghost story and a life-affirming homage to the healing powers of community, food, and family. "An intimate portrayal of grief and recovery . . . Yoshimoto's beautiful imagery—the cherry tree in front of the Les Liens bistro where Yochan works, restaurants glowing late at night, the coziness among the restaurant staff members, all captures the spirit of Shimokitazawa and marks Yochan's slow return to an anchored life." —Booklist "Yoshimoto has an effortless ability to penetrate her characters' hearts." —The New York Times

Outline-Rachel Cusk 2015-01-13 A luminous, powerful novel that establishes Rachel Cusk as one of the finest writers in the English language A man and a woman are seated next to each other on a plane. They get to talking—about their destination, their careers, their families. Grievances are aired, family tragedies discussed, marriages and divorces analyzed. An intimacy is established as two strangers contrast their own fictions about their lives. Rachel Cusk's *Outline* is a novel in ten conversations. Spare and stark, it follows a novelist teaching a course in creative writing during one oppressively hot summer in Athens. She leads her students in storytelling exercises. She meets other visiting writers for dinner and discourse. She goes swimming in the Ionian Sea with her neighbor from the plane. The people she encounters speak volubly about themselves: their fantasies, anxieties, pet theories, regrets, and longings. And through these disclosures, a portrait of the narrator is drawn by contrast, a portrait of a woman learning to face a great loss. *Outline* takes a hard look at the things that are hardest to speak about. It brilliantly captures conversations, investigates people's motivations for storytelling, and questions their ability to ever do so honestly or unselfishly. In doing so it bares the deepest impulses behind the craft of fiction writing. This is Rachel Cusk's finest work yet, and one of the most startling, brilliant, original novels of recent years. The Sinner-Petra Hammesfahr 2017-09-12 "In this intelligent novel Hammesfahr has etched with precision the thoughts of a woman on the edge of madness."—Der Spiegel Cora Bender killed a man. But why? What could have caused this quiet, lovable young mother to stab a stranger in the throat, again and again, until she was pulled off his body? For the local police it was an open-and-shut case. Cora confessed; there was no shortage of proof or witnesses. But Police Commissioner Rudolf Grovian refused to close the file and began his own maverick investigation. So begins the slow unraveling of Cora's past, a harrowing descent into a woman's private hell. Hailed as Germany's Patricia Highsmith, Petra Hammesfahr has written a dark, spellbinding novel. At the top of the bestseller list, *The Sinner* has been reprinted sixteen times and sold over 760,000 copies at home. Translated into eleven languages, this is the first Hammesfahr title published in English. Clash of Civilizations over an Elevator at Piazza Vittorio-Amara Lakhous 2012-09-10 A small culturally mixed community living an apartment building in the center of Rome is thrown into disarray when one of the neighbors is murdered. An investigation ensues and as each of the victim's neighbors is questioned, the reader is offered an all-access pass into the most colorful neighborhood in contemporary Rome. Each character takes his or her turn center-stage, giving evidence, recounting his or her story, the dramas of emigration, the daily equivocations of immigration, the fears and misunderstandings of a life spent on society's margins, abused by mainstream culture's fears and indifference, preconceptions and insensitivity. What emerges is a touching story that is common to us all, whether we live in Rome or in Los Angeles. This novel is animated by a style that is as colorful as the neighborhood it describes and is characterized by seemingly effortless equipoise that borrows from the cinematic tradition of the *Commedia Italiana*, as exemplified by directors such as Federico Fellini and Mario Monicelli. At the heart of this bittersweet comedy told with affection and sensitivity is a social reality that we tend to gloss over and a surprisingly exact anthropological analysis of this reality that cannot fail to fascinate.

Abruzzo-Carlo Cambi 2019-11-01 «L'Abruzzo come si offre ai nostri occhi è il risultato non soltanto di fenomeni recenti. In realtà esso affonda alcune sue radici in dinamiche di lunga durata. Ad uno sguardo attento se ne ricava una percezione alquanto diversa da quella agropastorale di derivazione antropologica e letteraria (o anche geografica): di un "segmento" della penisola, cioè, che è permeato anche di cultura industrialista, da spirito d'impresa e volontà di riscatto. E' a questo Abruzzo operoso e innovativo, tutto teso a valorizzare risorse ed energie locali, sempre pronto a cogliere, come dimostrano tra l'altro le eccellenze dell'agroalimentare, le opportunità di mercato, che in buona parte si deve ciò che esso rappresenta oggi...»
